PROXY STATEMENT

Annual Meeting to be held June 10, 2005

SOLICITATION AND VOTING

General

The enclosed proxy is being solicited on behalf of the Board of Directors of NTN Communications, Inc. ("NTN") for use at the annual meeting of stockholders to be held at NTN's corporate headquarters located at 5966 La Place Court, Carlsbad, California 92008, at 8:30 a.m. local time, on June 10, 2005, and at any adjournment or postponement thereof (the "Annual Meeting"), for purposes set forth herein and in the accompanying Notice of Annual Meeting of Stockholders. We are first mailing this Proxy Statement, together with the accompanying proxy solicitation materials, to stockholders, and posting on our corporate website at www.ntn.com, on or about May 10, 2005.

Voting Securities; Record Date

We have one class of voting stock outstanding, designated common stock, \$.005 par value ("Common Stock"). Each share of our Common Stock is entitled to one vote for each director to be elected and for each other matter to be voted on at the Annual Meeting. Only holders of record of Common Stock at the close of business on April 11, 2005 are entitled to notice of and to vote at the Annual Meeting. There were 53,341,464 shares of Common Stock outstanding as of the record date. The presence, in person or by proxy, at the Annual Meeting, of stockholders entitled to cast at least a majority of the votes entitled to be

Edgar Filing: NTN COMMUNICATIONS INC - Form DEF14A

cast by all stockholders will constitute a quorum for the transaction of business at the Annual Meeting. For purposes of determining a quorum, shares held by brokers or nominees will be treated as present even if the broker or nominee does not have discretionary power to vote on a particular matter or if instructions were never received from the beneficial owner. These shares are called "broker non-votes." Abstentions will be counted as present for quorum purposes and for the purpose of determining the outcome of any matter submitted to the stockholders for a vote. However, abstentions do not constitute a vote "for" or "against" any matter and will be disregarded in the calculation of the plurality. The inspector of election appointed for the Annual Meeting will tabulate all votes including separate tabulation of the affirmative and negative votes, abstentions and broker non-votes.

The proxy holders will vote all shares of Common Stock represented by a properly completed proxy received in time for the Annual Meeting as directed in the proxy. If no direction is given in the proxy, it will be voted "FOR" Proposal 1, the election as directors of the nominees named in this Proxy Statement, "FOR" Proposal 2, approval of the amendment to the Restated Articles of Incorporation of NTN Communications, Inc. to eliminate the classified structure of the board of directors, "FOR" Proposal 3, approval of the amendment to the Restated Articles of Incorporation of NTN Communications, Inc. to change the name of the Company from NTN Communications, Inc. to NTN Buzztime, Inc.; and "FOR" Proposal 4, ratification of the appointment of Haskell & White LLP as our registered public accounting firm for the fiscal year ending December 31, 2005. Broker non-votes will not affect the outcome of any proposal. With respect to any other item of business that may come before the Annual Meeting, the proxy holders will vote the proxy in accordance with their best judgment.

Revocability of Proxies

You may revoke a proxy at any time before it has been exercised by giving written notice of revocation to our Secretary, by executing and delivering to the Secretary a proxy dated as of a later date than the accompanying proxy, or by attending the Annual Meeting and voting in person. If, however, your shares of record are held by a broker, bank or other nominee and you wish to vote in person at the Annual Meeting, you must obtain from that record holder a proxy issued in your name. Attendance at the Annual Meeting, by itself, will not serve to revoke a proxy.

1

Solicitation

We will bear the cost of soliciting proxies. This Proxy Statement and the accompanying proxy solicitation materials, in addition to being mailed directly to stockholders, will be distributed through brokers, custodians and other nominees to beneficial owners of shares of Common Stock. We may reimburse such parties for their reasonable expenses in forwarding solicitation materials to beneficial owners. Our directors, officers or regular employees may follow up the mailing to stockholders by telephone, telegram or personal solicitations, but no special or additional compensation will be paid to those directors, officers or employees for doing so.

Stockholder Proposals for 2006 Annual Meeting

Stockholder proposals intended to be included in our proxy materials for the 2006 annual meeting of stockholders must be received by January 10, 2006. Such proposals should be addressed to our Secretary.

With respect to any stockholder proposals to be presented at the 2006 annual meeting which are not included in the 2006 proxy materials, such proposal

Edgar Filing: NTN COMMUNICATIONS INC - Form DEFR14A

shall be considered untimely, unless the proponent notifies us of such proposal by not later than March 26, 2006. Pursuant to Rule 14a-4(c)(1) of the Securities Exchange Act, the Company will have discretionary authority to vote upon such untimely proposals. Any proposal must comply with the federal securities laws.

Selection of Director Nominees

The Nominating Committee will consider candidates for Board membership suggested by other Board members, as well as by management and stockholders. As a stockholder, you may recommend any qualified person for consideration as a nominee for director by writing to the Nominating Committee of the Board of Directors, c/o NTN Communications, Inc., 5966 La Place Court, Carlsbad, California 92008. Recommendations must be received by January 10, 2006 to be considered for the 2006 annual meeting of stockholders, and must comply with the requirements in our bylaws. Recommendations must include the name and address of the stockholder making the recommendation, a representation that the stockholder is a holder of record of Common Stock, biographical information about the individual recommended and any other information the stockholder believes would be helpful to the Nominating Committee in evaluating the individual recommended. The procedures for considering candidates recommended by a stockholder for Board membership will be no different than the procedures for candidates recommended by members of the Board or by management.

We are committed to integrity, reliability and transparency in our disclosures to the public. PROPOSAL 1

ELECTION OF DIRECTORS

Nominees for Election for Term Expiring in 2008

Our bylaws provide that the Board of Directors is to consist of not less than five or more than thirteen directors, with the exact number of directors within such range to be specified by the Board. The Board of Directors currently consists of eight members.

Our articles currently provide that the Board of Directors is to be classified into three classes, as nearly equal in number as possible, with each class having a three year term. The terms are staggered ("classified") so that the term of one class expires at each annual meeting of our stockholders. Three director nominees have been nominated for election at this meeting to serve for a three-year term expiring at our Annual Meeting in 2008. However, if Proposal 2 to amend the Company's Restated Articles of Incorporation to elect the directors annually is approved by our stockholders, then the terms of all directors, including those elected at the 2005 Annual Meeting, will end at the 2006 Annual Meeting of Stockholders. Thereafter, all directors will be elected for one-year terms. See Proposal 2 on page 7.

Vacancies on the Board of Directors (including vacancies created by an increase in the authorized number of directors) may be filled by the Board of Directors. A director appointed by the Board of Directors to fill a vacancy would serve for the remainder of the full term of the directors of the class in which the vacancy occurs and until his or her successor is elected and qualified.

We are presenting to stockholders a proposal to amend the Company's Restated Articles of Incorporation to eliminate the classified structure of the Board of Directors. Should stockholders approve this proposal, all directors would be subject to election at the 2006 Annual Meeting of Stockholders for a one year term.

Three directors are subject to election at the Annual Meeting. The Board of Directors has selected the following nominees for election as directors of the class of directors to be elected at the Annual Meeting. If elected, the following nominees will hold office until the annual meeting of stockholders in 2008 and until their respective successors are duly elected and qualified, subject to stockholder approval of Proposal 2.

Barry Bergsman, 64, has been a Director since August 1998 and was appointed lead director in August, 2004. He is president of Baron Enterprises, Inc., a

Meetings and Committees

Our business affairs are managed by and under the direction of the Board of

Edgar Filing: NTN COMMUNICATIONS INC - Form DEFR14A

Directors. During the fiscal year ended December 31, 2004, the Board of Directors met on six occasions. During 2004, each director attended at least 75% of the meetings of the Board of Directors and of each committee of the Board of Directors on which he or she served. The schedule for regular meetings of the Board for each year is submitted and approved by the Board in advance.

Each committee of the Board of Directors meets as frequently and for such length of time as may be required to carry out its assigned duties and responsibilities. In addition, the chairman of a committee may call a special meeting at any time if deemed advisable. We have three standing committees: the Audit, Compensation and Nominating Committees. The committees' respective duties are outlined in their charters. The Board reviews the committees' duties from time to time and may form new committees, revise a committee's structure, or disband committees, depending on the circumstances.

Independent Lead Director and Executive Sessions of the Board

In August 2004, the Board of Directors appointed Mr. Bergsman to serve as lead director to act as a liaison between the non-management directors and the Company's management; to organize the Board's evaluation of our chairman and chief executive officer, providing continuous ongoing feedback; to consult with the chairman and chief executive officer on agendas for Board meetings; and other matters pertinent to the Company and the Board. Our independent non-management directors meet at regularly scheduled intervals without the Company's management and chief executive officer. Mr. Bergsman presides over each of these executive sessions. Our Board members have complete access to management and to information regarding the Company's operations. In addition, our Board supports our chief executive officer's practice of inviting managers into Board meetings to provide additional insight regarding issues in their respective areas of expertise.

Selection of Chairman and Chief Executive Officer

The chairman of our Board is elected by our Board of Directors. Our Board is free to choose its chairman in any way it deems best for the Company and its stockholders. Our chief executive officer is also designated by our Board of Directors. The chief executive officer has general authority over the Company's business and affairs, subject to oversight by the Board of Directors, and ensures the Board's directives are carried out. Our chief executive officer, Stanley B. Kinsey, also serves as chairman of the Board.

Audit Committee Financial Expert

NTN has determined that Robert M. Bennett is an "audit committee financial expert" within the meaning of the final rules implementing Section 406 and 407 of the Sarbanes-Oxley Act and independent as defined in Item 7(d)(3)iv of Schedule 14A of the Securities Exchange Act.

Audit Committee

We have a separately designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended. The role of the Audit Committee of the Board of Directors is to assist the Board in its oversight of our financial reporting process. The primary functions of the Audit Committee are to periodically review our accounting and financial reporting and internal control policies and procedures, to recommend to the Board of Directors the firm of certified public accountants to be retained as our independent auditors, to review our policies and procedures relating to business conduct and conflicts of interest and to review management's specific disclosures contained in "Management's Discussion and Analysis of Financial Condition and Results of Operations" of our periodic financial reports to the SEC, in addition to review of our annual audited and

Edgar Filing: NTN COMMUNICATIONS INC - Form DEFR14A

quarterly financial statements. The Audit Committee is currently comprised of three non-employee directors: Mr. Bennett, Mr. Fondren and Ms. Rodriguez. Mr. Bennett, Mr. Fondren and Ms. Rodriguez are independent under the rules of the American Stock Exchange and the Sarbanes-Oxley Act of 2002. The Audit Committee met on four occasions in 2004.

5

Compensation Committee

The primary functions of the Compensation Committee, which consists of non-employee directors, are to review and advise the Board of Directors on salaries, bonuses and awards of stock options to our employees and other compensation matters. The Board has delegated to the Compensation Committee board authority to approve compensation for executive officers, as well as incentive compensation and equity-based plans. The Compensation Committee consists of two non-employee directors: Mr. Arlen and Mr. Bergsman. The Compensation Committee met on four occasions in 2004.

Nominating Committee

We established a Nominating Committee in August, 2004. The primary functions of the Nominating Committee, which consists of non-employee independent directors, are to identify individuals qualified to become members of the Board; and to select, or to recommend that the Board select, the director nominees for the next annual meeting of stockholders; and to develop and implement policies and procedures that are intended to ensure that the Board will be appropriately constituted and organized to meet its fiduciary obligations to the Company and its stockholders. The Nominating Committee operates in accordance with an adopted charter as posted on the Corporate Governance section of our website. The Nominating Committee consists of two non-employee directors: Ms. Rodriguez and Mr. Bergsman. The Nominating Committee met on one occasion in 2004. Our Nominating Committee acts in considering new candidates for Board membership suggested by Board members, management and stockholders. All director nominees shall have been approved by a majority of the independent directors.

The Nominating Committee has established qualifications for directors, including the ability to apply fair and independent judgment in a business situation and the ability to represent the interests of all our stockholders and constituencies. A director also must be free from any conflicts of interest that would interfere with his or her loyalty to the company or our stockholders. In evaluating Board candidates, the Nominating Committee considers these qualifications as well as several other factors. Our Nominating Committee believes candidates meeting these criteria can contribute diverse, useful perspectives:

- o demonstrated maturity and experience;
- o expertise in business areas directly relevant to NTN and its subsidiaries; and
- o background in broadcasting, media or interactive television.

Code of Ethics

We have adopted a code of ethics that applies to our principal executive officer, principal financial officer and controller that was filed on March 31, 2003 as an exhibit to our annual report for the year ended December 31, 2002. The text of our code of ethics can be found on the Internet at <http://www.ntn.com>. We will voluntarily provide electronic or paper copies of our code of ethics free of charge. You may request copies by sending a written

Edgar Filing: NTN COMMUNICATIONS INC - Form DEFR14A

request to 5966 La Place Court, Carlsbad, California 92008.

Director Compensation

During 2004, directors were entitled to receive cash compensation of \$2,400 per month for their services as directors. Further, directors who serve on either the audit or compensation committees or the board of directors of Buzztime Entertainment, Inc. were entitled to receive an additional \$3,000 annually for each such service. Those directors serving on our Nominating Committee receive an additional \$1,000 annually for their service. Our independent lead director is entitled to receive an additional \$2,000 per quarter for his service. Directors are also eligible for the grant of options to purchase Common Stock from time to time for services in their capacity as directors.

Upon the date of commencement of a director's term of service, we grant to each director options to purchase 20,000 shares of our Common Stock. These options are priced at the closing market price of the Common Stock on the date of grant. As of the date of grant, 10,000 options are fully vested and exercisable; thereafter, the remaining 10,000 options vest and become exercisable in equal installments each month immediately subsequent to the date of grant and up to the date of the next annual meeting of stockholders. Further, after the initial year of a director's term of service, options to purchase an additional 20,000 shares of Common Stock shall be granted each year on the date of our annual meeting of stockholders during the remainder of the term of service. The additional options shall be priced at the closing market price of the Common Stock on the date of grant and shall vest and become exercisable as to 1/12 of the shares each month following the date of grant, subject to the director's continuing service. A director who is re-elected for an additional term of service will be granted options to purchase 20,000 shares of Common Stock, priced at the closing market price of the Common Stock on the date of our annual meeting of stockholders, subject to monthly vesting and continued service. Finally, all options granted to directors as compensation for service on the Board of Directors shall expire on the earlier of ten years from the date of grant or two years from the date the director ceases to serve on the Board of Directors. The options provide for immediate vesting in full upon the occurrence of a change of control event.

6

Required Vote

Nominees receiving the highest number of affirmative votes cast at the Annual Meeting, up to the number of directors to be elected, will be elected as directors. Proxies may not be voted for a greater number of persons than the number of nominees named herein.

The nominees have indicated a willingness to serve as directors. If any of them should decline or be unable to act as a director, however, the proxy holders will vote for the election of another person as the Board of Directors recommends.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF EACH OF THE NOMINEES NAMED. PROXIES WILL BE VOTED "FOR" THE ELECTION OF THE NOMINEES NAMED IF NO DIRECTION IS GIVEN IN THE PROXIES.

PROPOSAL 2

APPROVAL OF AMENDMENT TO THE COMPANY'S
RESTATED ARTICLES OF INCORPORATION
TO ELIMINATE THE CLASSIFIED STRUCTURE

Edgar Filing: NTN COMMUNICATIONS INC - Form DEFR14A

OF THE BOARD OF DIRECTORS

On March 8, 2005, the Board of Directors of the Company approved for submission to the stockholders a proposed amendment of the Company's Restated Articles of Incorporation to eliminate the classified structure of the Board of Directors. If stockholders approve this Proposal No. 2, Sections A and B of Article IX of the Company's Restated Articles of Incorporation will be amended to read in their entirety as follows:

"ARTICLE IX

A. Number, Election and Term of Directors. The number of Directors of the Corporation shall be fixed from time to time by or pursuant to the By-laws. Each director who is serving as a director on the date of this Amendment shall hold office until the next annual meeting of stockholders after such date and until his or her successor has been duly elected and qualified, notwithstanding that such director may have been elected for a term that extended beyond the date of such next annual meeting of stockholders. At each annual meeting of stockholders after the date of this Amendment, the Directors elected at such annual meeting shall hold office for a term expiring at the next annual meeting of stockholders to be held in the year following the year of their election, with the members to hold office until their successors are elected and qualified.

B. Newly Created Directorship and Vacancies. Newly created directorships resulting from any increase in the number of Directors and any vacancies on the Board of Directors resulting from the death, resignation, disqualification, or removal of a director shall be filled solely by the affirmative vote of the majority of the remaining Directors then in office, even though less than a quorum of the Board of Directors. Any Director elected (a) to fill any vacancy resulting from the death, resignation, disqualification or removal of a Director shall hold office for the remainder of the full term of the Director whose death, resignation, disqualification or removal created such vacancy or (b) to fill any vacancy resulting from a newly created directorship shall hold office until the next annual meeting of stockholders and, in each case, until such Director's successors shall have become elected and qualified. No decrease in the number of Directors constituting the Board of Directors shall shorten the term of any incumbent Director.

7

The Board of Directors has unanimously adopted a resolution approving the submission to stockholders of the amendment to Sections A and B of Article IX of the Restated Articles of Incorporation to declassify the Board of Directors and provide for the annual election of all directors. The Board of Directors unanimously recommends that stockholders vote to approve Proposal 2.

Sections A and B of Article IX of the Company's Restated Articles of Incorporation currently provides that:

- o the Board of Directors shall be divided into three classes of an equal number of directors each;
- o one of the three classes shall stand for re-election each year; and
- o each class of directors shall hold office for a three-year term.

The affirmative vote of stockholders holding a majority of all the outstanding shares of the Company is required for the approval of Proposal 2. If Proposal 2 is approved by the Company's stockholders, the amendment will be adopted and the terms of all directors will end at the 2006 Annual Meeting of stockholders. Beginning with that annual meeting, all directors will be elected

Edgar Filing: NTN COMMUNICATIONS INC - Form DEFR14A

for one-year terms at each annual meeting. In addition, any director appointed by the Board of Directors to fill a newly created directorship or to fill a vacancy on the Board will hold office for a term ending at the next annual meeting after the director's appointment.

Classified or staggered boards have been widely adopted and have a long history in corporate law. Classified boards have been viewed as a means of promoting stability and continuity of experience on a board of directors primarily because the majority of directors at any given time will have had at least one year of experience on the board, thus assisting a company in its long-term strategic planning efforts. Also, because it would take at least two elections for a potential acquiror to gain control of a classified board without the cooperation of the board, the existence of a classified structure may enhance stockholder value by making it more likely that a party seeking to gain control of a target company will engage in arm's-length discussions with the target's existing board instead of launching a proxy fight in an attempt to gain control of the board and take over the company. However, many investors and others have come to view a classified board structure as having the effect of reducing the accountability of directors because classified boards limit the ability of stockholders to evaluate and elect all directors on an annual basis. The election of directors is the primary means for stockholders to influence corporate governance policies and to hold management accountable for the implementation of these policies. Opponents of classified boards also believe that they discourage takeover proposals and proxy contests that could have the effect of increasing stockholder value.

In light of these views, many public corporations have recently determined that principles of good corporate governance dictate that all directors of a corporation should be elected annually. Our Board of Directors has considered the advantages and disadvantages of the classified board structure, and has unanimously voted to propose to the stockholders that the Company's directors be elected annually. In reaching this determination, the Board of Directors concluded that the benefits of a classified board structure were outweighed by the following considerations:

- o The Board's belief that providing the Company's stockholders with the opportunity annually to register their views on the collective performance of the Board and on each director individually will further the Company's goal of ensuring that its corporate governance policies conform to current best practices and maximize accountability to the stockholders;
- o The Board's belief that, because there is no limit to the number of terms an individual may serve, the continuity and stability of the Board's membership should not be materially affected by declassification of the Board of Directors; and
- o The Board's belief that, even though annual election of directors may enhance the ability of a third party to acquire control of the Company without engaging in arm's-length discussions with the Board, there are other factors, such as the regulatory requirements applicable to an acquisition of control of the Company, that reduce the likelihood that a third-party would be successful in taking over the Company without engaging in arm's-length discussions with the Board.

If stockholders approve Proposal No. 2, we will file Articles of Amendment to the Company's Restated Articles of Incorporation formalizing elimination of the classified structure of the Board of Directors. Each director elected at this Annual Meeting will then hold office for a one-year term expiring on the date of the 2006 Annual Meeting, subject to his or her earlier resignation,

Edgar Filing: NTN COMMUNICATIONS INC - Form DEFR14A

removal or death. In addition, the remaining directors will also stand for election at the 2006 Annual Meeting. In addition, any director appointed by the Board of Directors to fill any newly created directorship or to fill a vacancy on the Board will hold office for a term ending at the next annual meeting.

If Proposal 2 is not approved by stockholders, the Board of Directors will remain classified, and the three directors elected at the 2005 Annual Meeting will be elected for a three-year term expiring in 2008. All other directors will continue in office for their full three-year term, subject to their earlier resignation, removal or death. The affirmative vote of a majority of the Company's outstanding shares will be required for approval of Proposal 2. An abstention will have the same effect as a vote against the proposal. The Board of Directors recommends a vote "FOR" Proposal 2.

Required Vote

The affirmative vote of a majority of the Company's outstanding shares will be required for approval of Proposal 2. An abstention will have the same effect as a vote against the proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR PROPOSAL NO. 2.

PROPOSAL 3

APPROVAL OF AMENDMENT TO THE COMPANY'S RESTATED ARTICLES OF INCORPORATION TO CHANGE THE NAME OF THE COMPANY

On April 18, 2005, the Board of Directors of the Company approved for submission to the stockholders a proposed amendment to the Company's Restated Articles of Incorporation to change the name of the Company from NTN Communications, Inc. to NTN Buzztime, Inc., to be effective January 1, 2006. If stockholders approve this Proposal No. 3, Article I of the Company's Restated Articles of Incorporation will be amended to read in its entirety as follows:

"The name of the corporation ("Corporation") is NTN Buzztime, Inc."

The Board of Directors of the Company is recommending the approval of the name change because it believes the name NTN Communications, Inc., established 20 years ago, no longer represents the Company as it operates today. Approximately five years ago, we established the Buzztime name as our business-to-consumer brand and began using the existing NTN brand more frequently as our business-to-business brand. Since that time, several of the Company's products and services utilizing the Buzztime brand have begun to gain traction with consumer markets. Some of these products and services include the Buzztime trivia channel currently running on several distribution platforms, including digital cable television, Verizon mobile phones and on Dish Network. Additionally, the Company has branded a Buzztime home electronics game and playing cards, and has commenced a trial of the Buzztime iTV Network in eleven pubs in the United Kingdom.

9

Along with the successful deployments of Buzztime-branded products, management has found consumers and investors sometimes unaware of a connection between the NTN brand and the Buzztime brand. We believe that the new name "NTN Buzztime, Inc." better reflects the Company's current business and growth strategies of expanding distribution of the Buzztime brand via our broader product lines. This change is proposed as part of our enhanced corporate identity strategy and it provides us with a cohesive, instantly-recognizable identity associated with both our successful new products in the multi-player

Edgar Filing: NTN COMMUNICATIONS INC - Form DEFR14A

game sector of the interactive television industry and our hospitality products sold in business-to-business markets.

We plan to continue emphasizing the Buzztime brand in our consumer-oriented products and services as well as using the NTN brand for our business-to-business product lines.

If stockholders approve Proposal No. 3, we will file Articles of Amendment to the Company's Restated Articles of Incorporation formalizing a corporate name change to be effective as of January 1, 2006. Once the name change is effected, the Company will legally be known as "NTN Buzztime, Inc." and will continue to trade on the American Stock Exchange under the symbol "NTN." Accordingly, it will be necessary for the Company to reflect its name change on our stationary, bank accounts, domain name, stock certificates and various other administrative and communications materials. We do not expect these costs to be material.

Required Vote

A majority of the Company's outstanding shares must be voted in favor of amending the Company's Restated Articles of Incorporation to change the Company's corporate name from "NTN Communications, Inc." to "NTN Buzztime, Inc."

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR PROPOSAL NO. 3 TO APPROVE AN AMENDMENT TO THE COMPANY'S RESTATED ARTICLES OF INCORPORATION TO CHANGE THE NAME OF THE COMPANY TO "NTN BUZZTIME, INC."

PROPOSAL 4

RATIFICATION OF APPOINTMENT OF HASKELL & WHITE LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTANTING FIRM

Our independent registered public accounting firm for the fiscal year ended December 31, 2004 was Haskell & White LLP. Prior to that time, KPMG LLP audited our financial statements for the fiscal years ended December 31, 1989 through December 31, 2003. The Audit Committee of our Board of Directors has reappointed Haskell & White LLP to continue as our independent registered public accounting firm for the year ending December 31, 2005. Our bylaws do not require that the stockholders ratify the selection of Haskell & White LLP as our independent registered public accounting firm. However, we are submitting the selection of Haskell & White LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders do not ratify the selection, the Audit Committee will reconsider whether or not to retain Haskell & White LLP. Even if the selection is ratified, the Audit Committee in their discretion may change the appointment at any time during the year if we determine that such a change would be in the best interests of NTN and our stockholders.

10

Representatives of Haskell & White LLP will be present at the Annual Meeting. They will be given an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from stockholders present at the Annual Meeting.

Required Vote

A majority of the shares present at the meeting, either in person or by proxy, must be voted in favor of Proposal 4 to ratify the appointment of Haskell & White LLP as our independent registered public accounting firm.

Edgar Filing: NTN COMMUNICATIONS INC - Form DEFR14A

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF HASKELL & WHITE LLP TO SERVE AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM. PROXIES WILL BE VOTED "FOR" THE RATIFICATION OF THE APPOINTMENT OF HASKELL & WHITE LLP IF NO DIRECTION IS GIVEN IN THE PROXIES.

Compensation Committee Report on Executive Compensation

The Compensation Committee of the Board of Directors administers our executive compensation program and establishes the salaries of our executive officers. The Compensation Committee consists of only independent, non-employee Directors, who are appointed by the Board.

The Compensation Committee's executive compensation policy is intended to enhance stockholder value, including annual compensation consisting of salary and bonus awards, and long-term compensation consisting of stock options and other equity based compensation. Therefore, the Compensation Committee designs compensation plans and incentives to link financial interests of our executive officers to the interests of our stockholders, to encourage support of our long-term goals, to tie executive compensation to the Company's performance and to attract and retain talented leadership.

In making decisions affecting executive compensation, the Compensation Committee reviews the nature and scope of the executive officer's responsibilities as well as his or her effectiveness in supporting the Company's long term goals. The Compensation Committee also considers the compensation practices of comparable corporations in the San Diego area. Based upon these and other factors which it considers relevant, the Compensation Committee has considered it appropriate, and in the best interest of the stockholders, to set overall executive compensation on par with the average of companies in the comparison group to enable us to attract, retain and motivate the highest level of executive personnel. Our policies apply equally to all of our executive officers.

16

A summary of our executive compensation policy is described below:

Short-term cash compensation to executives for 2004 consisted primarily of salaries, subject to any written employment agreement between us and any executive, and performance bonuses intended to link officers' compensation to the Company's performance. Our executive incentive bonus program provides for the payment of cash bonuses based on the Company's performance in relation to predetermined objectives and individual executive performance for the year then ended. Prior to the beginning of the fiscal year, the Compensation Committee established objectives related to the Company's earnings, revenue and shareholder value. Based on the Company's performance during 2004 against these objectives, each of Messrs Kinsey, Frakes, Lam and deGorter was paid, in 2005, a cash bonus in the amount of \$15,000.

We have established a 401(k) plan. We may, at the Board of Director's discretion, make annual contributions to the 401(k) plan on behalf of our employees including the executive officers, subject to applicable limitations, but, to date, we have never made any such contributions.

Long-term compensation to executives for 2004 consisted of equity compensation, in the form of stock options and deferred stock units, granted in accordance with our equity performance incentive compensation plans. stockholders approved our 2004 Performance Incentive Plan in September 2004. The Compensation Committee believes that employees should be rewarded with a proprietary interest in the Company for continued long-term performance and to attract, motivate and retain qualified and capable executives. The grant of

Edgar Filing: NTN COMMUNICATIONS INC - Form DEFR14A

stock options and deferred stock units increases the executives' potential equity ownership in NTN with the goal of ensuring that the interests of senior management remain closely aligned with those of our stockholders. Accordingly, during 2004, the Board of Directors granted 300,000 options and 50,000 deferred stock units to Mr. Kinsey and 40,000 options and 20,000 deferred stock units to each of Messrs. Frakes, deGorter and Lam. Attaching vesting requirements to stock options and deferred stock units also creates an incentive for executive officers to remain with us for the long term.

Chief Executive Officer Compensation

In October 1998, we entered into a written employment agreement pursuant to which Mr. Kinsey was to receive a bonus under a bonus program that was agreed upon by and between Mr. Kinsey and the Compensation Committee of our board of directors. On October 7, 1999, we entered into an addendum to the employment agreement with Mr. Kinsey setting forth the terms of the bonus program. Under the bonus program, the options granted to Mr. Kinsey in October 1999 were granted at a preferred, below market, price of \$0.98 per share, the average closing price of our Common Stock during the three calendar quarters immediately prior to the grant date. The options were granted to Mr. Kinsey pursuant to our 1995 Employee Stock Option Plan and are subject to immediate vesting upon the occurrence of a change of control event. In January 2001, we amended the employment agreement with Mr. Kinsey to extend the duration of the agreement by one year until October 6, 2002 and to award options for an additional 350,000 shares of our Common Stock at an exercise price of \$0.875 per share. On October 7, 2002, Mr. Kinsey was granted options to purchase 100,000 shares of Common Stock in exchange for his agreement to reset the commencement of the renewal term of the employment agreement to January 1, 2003. In February 2003, Mr. Kinsey accepted an additional term of employment through January 31, 2004. In connection with the extension, Mr. Kinsey was granted options to purchase 400,000 shares of common stock at \$1.10 per share in accordance with the terms of our broad-based employee stock option grant effective January 31, 2003. In August 2004, the term of Mr. Kinsey's employment agreement was extended through February 28, 2005, his salary was increased to \$380,000 and he was granted 300,000 stock options and 50,000 deferred stock units. All options granted to Mr. Kinsey have been made at the fair market value as of the date of each grant. Mr. Kinsey and the Compensation Committee are currently negotiating terms for an extension of Mr. Kinsey's employment.

Internal Revenue Code Section 162(m)

Compensation to our executive officers is subject to a \$1,000,000 compensation deduction cap pursuant to Section 162(m) of the Internal Revenue Code, as amended. In 2004, no executive officer received aggregate compensation of \$1,000,000 or more. However, the Board is aware that the grant of stock options and deferred stock units to the executive officers may subject us to the deduction cap in subsequent years. With respect to incentive stock options, the Board of Directors does not anticipate NTN taking a deduction in the absence of a disqualifying disposition by an executive officer. With respect to nonqualified options and deferred stock units, the Board of Directors is aware that any deduction that we may have at the time of exercise or election will be subject to the \$1,000,000 cap. The Board of Directors does not anticipate that the compensation deduction cap will significantly affect our executive compensation policies.

The foregoing report on executive compensation is provided by the Compensation Committee: Gary Arlen and Barry Bergsman. Notwithstanding anything to the contrary set forth in any of our filings and other documents that might incorporate by reference this proxy statement, in whole or in part, the

foregoing report of the Compensation Committee shall not be incorporated by reference into any such filings or documents.

Change in Control Agreements

We are negotiating change of control employment agreements with certain of our executive officers. The agreements shall provide that, if the executive is terminated other than for cause within one year after a change of control of the Company, then the executive is entitled to receive a lump sum severance payment equal to up to one year's base salary.

We have entered into an employment agreement with Stanley B. Kinsey, our Chief Executive Officer and Chairman of the Board. In the event Mr. Kinsey is terminated upon a change of control of NTN, in addition to one year's base salary, he shall receive a pro rata portion of his bonus and continuation of employment benefits for one year.

Compensation Committee Interlocks and Insider Participation

All compensation determinations for 2004 for our executive officers were made by the Board of Directors as a whole upon the recommendation of the Compensation Committee or by the Compensation Committee under authority granted to them by the Board. During 2004, Mr. Arlen and Mr. Bergsman served on the Compensation Committee. None of our directors or executive officers has served on the board of directors or the compensation committee of any other company or entity, any of whose officers served either on our Board of Directors or on our Compensation Committee.

In connection with the investment by Media General, Inc., we agreed to increase the size of our Board of Directors and appoint Neal F. Fondren, Vice President of Media General and President of Media General's Interactive Media Division to fill the board seat. Media General's ability to maintain that seat on our Board of Directors is subject to Media General retaining ownership of certain percentages of the shares they purchased. Media General also received preemptive rights to purchase on a pro rata basis any new securities that NTN or Buzztime may subsequently offer. The preemptive rights also are dependent upon Media General maintaining ownership of certain percentages of the shares they purchased.

On January 30, 2004, Media General, Inc. purchased \$2 million of our Common Stock as part of a group of institutional investors that invested \$14 million into our company. Media General invested on the same terms as the other investors.

Audit Committee Report

The Audit Committee operates pursuant to a written Charter that was adopted by the Board of Directors in June 2000 and subsequently reviewed by the Audit Committee annually, including in 2004. As set forth in the Charter, management is responsible for the preparation, presentation and integrity of our financial statements, our accounting and financial reporting principles, and internal controls designed to assure compliance with accounting standards and applicable laws and regulations. Our independent auditors are responsible for auditing our financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of its oversight function, during 2004 the Audit Committee reviewed and discussed the audited financial statements with management and Haskell & White LLP. Discussions between the Audit Committee and Haskell & White LLP included the matters required by Statement on Auditing Standards No. 61, as currently in effect. The Audit Committee received from Haskell & White LLP written disclosures and the letter regarding its independence as required by Independence Standards Board Standard No. 1 and has discussed with Haskell & White LLP its independence. The Audit Committee also considered whether the provision of audit-related services during 2004 was compatible with maintaining the independence of Haskell & White LLP. Management's Report on Internal Controls over Financial Reporting in Item 9A of our Form 10-K/A for the year ended December 31, 2004 addresses our internal controls. Based on these discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2004 as filed with the Securities and Exchange Commission.

The foregoing report is provided by the Audit Committee: Robert M. Bennett, Neal Fondren and Esther L. Rodriguez. Notwithstanding anything to the contrary set forth in any our filings and other documents that might incorporate by reference this proxy statement, in whole or in part, the foregoing report of the Audit Committee shall not be incorporated by reference into any such filings or documents.

Principal Accounting Firm Fees

The Audit Committee has reviewed the advisability and acceptability of utilizing our external auditor Haskell & White LLP for non-audit services. In reviewing this area, the Committee focused on the ability of the external auditor to maintain independence. Based on input from management and a review of procedures established within the external audit firm, the Committee finds that it is both advisable and acceptable to employ the external auditor for certain limited non-audit services, from time-to-time. The Audit Committee reviews and approves all services to be provided by Haskell & White LLP before the firm is retained. The Audit Committee pre-approved the estimated audit fees for the fiscal year 2004 and related quarterly reviews prior to commencement of the audit services.

Of the \$264,000 amount, \$135,000 related to the Sarbanes-Oxley 404 portion of the audit. In addition, we paid expense reimbursements of \$14,000 to Haskell & White LLP.

We paid to KPMG LLP fees for the fiscal year 2003, and partial year 2004, audit and quarterly reviews conducted by KPMG LLP, our former external auditor, in aggregate amounts of \$276,000 and \$100,750 respectively.
