Item 1.01 Entry into a Material Definitive Agreement

As we previously reported in our Form 8-K filed on December 16, 2011, Brandywine Realty Trust and Brandywine Operating Partnership, L.P. entered into binding agreements for lender commitments related to (i) a new \$600 million four-year unsecured revolving credit facility (the "Revolving Credit Facility") and (ii) three unsecured term loans in the initial aggregate amount of \$600 million (collectively, the "Term Loans"), consisting of a \$150 million three-year loan, a \$250 million four-year loan and a \$200 million seven-year loan.

We closed on the Revolving Credit Facility and the Term Loans on February 1, 2012 and used proceeds from the initial advances under the Term Loans to repay all balances outstanding under, and we concurrently terminated, our then existing unsecured revolving credit facility and unsecured term loan facility, both of which were scheduled to mature on June 29, 2012.

We previously reported in our earlier Form 8-K that we executed hedging transactions that: (i) fix the rate on the \$200 million seven-year term loan at a 3.623% average for its full term and (ii) fix the rate on \$200 million of notional principal for the other loans at rates in a range of 2.470% to 2.704% for periods of three to four years. Since that filing, we have executed hedging transactions on an additional \$100 million of notional principal for other loans at rates in a range of 2.780% to 2.910% for periods from 4.5 to five years. All hedges commenced on February 1, 2012 and the rates are inclusive of the LIBOR spread based on our current investment grade rating.

Item 1.02 Termination of a Material Definitive Agreement

We incorporate by reference into this Item 1.02 the information in Item 1.01 above with respect to our repayment and termination of our existing unsecured revolving credit facility agreement and our unsecured term loan facility agreement, which we listed as Exhibits 10.1 and 10.2, respectively, in the exhibits to our Annual Report on Form 10-K for the year ended December 31, 2010.
