THESE SECURITIES MAY NOT BE REOFFERED, SOLD, ASSIGNED, TRANSFERRED, PLEDGED, ENCUMBERED, OR OTHERWISE DISPOSED OF IN THE ABSENCE OF SUCH REGISTRATION OR UNLESS AN OPINION OF COUNSEL REASONABLY SATISFACTORY TO INNOVO GROUP INC. IS RECEIVED STATING THAT SUCH TRANSACTION IS NOT SUBJECT TO THE REGISTRATION AND/OR PROSPECTUS DELIVERY REQUIREMENTS OF ANY SUCH JURISDICTION. EACH PURCHASER OF THE SECURITY EVIDENCED HEREBY IS HEREBY NOTIFIED THAT INNOVO GROUP INC. MAY BE RELYING ON THE EXEMPTION FROM THE PROVISIONS OF SECTION 5 OF THE SECURITIES ACT PROVIDED BY SECTION 4(2) THEREUNDER.

Section 1.5. CONSENT OF THIRD PARTIES.

Anything in this Agreement to the contrary notwithstanding, this Agreement shall not constitute an agreement to assign any of the Acquired Assets or any claim or right or any benefit arising thereunder or resulting therefrom if an attempted assignment thereof, without the consent of a third Person, would constitute a breach or other contravention thereof or in any way adversely affect the rights of Purchaser thereunder. Edgar Filing: INNOVO GROUP INC - Form 8-K

obtain the consent of any such Person for the assignment to Purchaser of any such contract or permit. If such consent is not obtained prior to Closing, or if an attempted assignment thereof would be ineffective or would adversely affect the rights of the Seller thereunder so that Purchaser would not in fact receive all such rights, then Seller and Purchaser agree to cooperate in devising and implementing a mutually satisfactory arrangement under which Purchaser would obtain substantially all of the benefits from and after the Closing Date in accordance with this Agreement.

Section 1.6. ALLOCATION OF CONSIDERATION.

Purchaser and Seller shall, with the assistance of their independent auditors, use their reasonable best efforts to agree on the allocation of the Purchase Price among the Acquired Assets using the purchase accounting method in accordance with generally accepted accounting principals consistently applied. If the parties hereto fail to agree to such allocation, the allocation shall be determined by an appraisal firm selected by Purchaser and acceptable to Seller; with each of Seller and Purchaser to share the fees and expenses of such appraisal firm equally. The parties hereto covenant and agree that the allocation of the PI Purchase Price and the PII Purchase Price as agreed upon by the parties or determined by the appraisal firm (the "Allocation") shall be conclusive and final for all purposes under this Agreement. Purchaser and Seller shall each report the federal, state and local income and other tax consequences of the transactions contemplated by this Agreement (which for purposes of this Agreement includes any other instruments or documents contemplated hereby) in a manner consistent with the Allocation. Purchaser and seller agree to cooperate in the preparation and filing of Form 8594 under Section 1060 of the Code (or any successor form or successor provision of any future tax law, or any comparable provisions of state or local tax law) for filing with their respective federal, state and local income tax returns for the taxable year that includes the PI Closing Date and the PII Closing Date. Should the final Allocation to the PII Assets recorded on Purchaser's books and records reflect a value for such assets that is less than the PII Purchase Price, then any remaining balance of the Purchase Note II shall be reduced by the amount by which the PII Purchase Price exceeds the such value.

(a) the Seller shall conduct the Knits Business as currently conducted and only in the ordinary course of business consistent with past practice;

(b) the Seller shall use its reasonable best efforts to preserve the Knits Business organization intact, to keep available to Purchaser the services of the Employees, to preserve for Purchaser the goodwill of the suppliers, distributors, customers and others having business relationships with the Knits Business and to continue in full force and effect without material modification any existing policies or binders of insurance currently maintained by the Seller applicable to the Knits Business;

(c) the Seller shall promptly inform Parent in writing of any specific event or circumstance of which it has Knowledge, or of which it receives notice, that has or is reasonably likely to have, individually or in the aggregate, taken together with the other events or circumstances, a Material Adverse Effect;

(d) the Seller shall not:

(i) change or modify in any material respect existing inventory management;

(ii) enter into any contract or commitment, waive any right or enter into any other transaction which is reasonably likely to have a Material Adverse Effect;

(iii) mortgage, pledge or subject to any Encumbrance (other than Permitted Encumbrances) any of the Acquired Assets;

(v) sell, lease or otherwise transfer any assets necessary in, or otherwise material to the conduct of, the Knits Business, which would otherwise constitute Acquired Assets;

(vi) change the Seller's method of accounting or keeping its books of account or accounting practices for the Knits Business, except as required by GAAP;

Edgar Filing: INNOVO GROUP INC - Form 8-K

(vii) engage in any practice or take or omit to take any action which if taken or omitted prior to the date hereof would constitute or result in a breach of any representations or warranties of the Seller contained herein; or

(viii) enter into any Contract which would constitute an Acquired Asset which together with all other Contracts entered into after the date hereof could result in annual liability to Purchaser in excess of \$30,000 in the aggregate under all such Contracts.

Section 5.2. FURTHER ASSURANCES.

Each party hereto covenants from the date of this Agreement to the PI Closing Date and the PII Closing Date (and subject to the other terms of this Agreement):

(a) to cooperate with each other in determining whether filings are required to be made with or consents required to be obtained from any Government Authority in any jurisdiction in connection with the consummation of the transactions contemplated by this Agreement and in making or causing to be made any such filings promptly and in seeking to terminate or shorten any waiting periods and to obtain timely any such consents (each party hereto shall furnish to the other and to the other's counsel all such information as may be reasonably required in order to effectuate the foregoing action);

(b) to keep the other parties informed in all material respects of any material communications received by such party from, or given by such party to, any Government Authority and to consult with the other parties in advance of any meeting or conference with any Government Authority;

(c) to use reasonable best efforts and cooperate with the other parties hereto to obtain all consents required from third Persons, whose consent or approval is required pursuant to any Contract or otherwise to consummate the transactions contemplated hereby; and

(d) without limiting the specific obligations of any party hereto under any covenant or agreement hereunder, to use reasonable best efforts to take all action and do all things necessary in order to promptly consummate the transactions contemplated hereby, including, without limitation, satisfaction, but not waiver, of the Closing conditions set forth in Article VI.

Section 5.3. PUBLIC ANNOUNCEMENTS.

Except as required by Law, neither the Seller, the Parent nor the Purchaser shall issue, or permit any of their agents or Affiliates to issue, any press releases or otherwise make, or permit any of their respective agents or Affiliates to make any public or other statements, with respect to this Agreement and the transactions contemplated hereby without the prior written consent of the other party.

Section 5.4. COVENANT NOT TO COMPETE, NON-SOLICITATION.

(a) For a period of 24 months beginning on the PI Closing Date, neither of the Seller nor its Affiliates shall, directly or indirectly within the Territory, engage (whether as owner, operator, shareholder, manager, consultant or employee) in any knit apparel business competitive with the Knits Business (a "Competing Business"). For the purposes of the foregoing, no Affiliate shall be in breach of this Section 5.4 by reason of his or her beneficial ownership, together with that of the other Affiliates, of less than 5% of the voting capital stock of a Competing Business if (i) such Competing Business is

Edgar Filing: INNOVO GROUP INC - Form 8-K

publicly traded, (ii) if the beneficial ownership in such Competing Business is existing at the time of the PI Closing, or (ii) if such Affiliate, together with the other Affiliates, does not control the operation or management of such Competing Business. The non-competition covenants in this Agreement shall be deemed to apply to each State, each county within each State, and each other geographic area within the Territory separately, not collectively, and shall be severable as to each such State, county or other geographic area to the extent permitted by applicable Law. It is the desire and intent of the parties that the provisions of this Section 5.4 shall be enforced to the fullest extent permitted under the Laws and public policies of each jurisdiction in which enforcement is sought. The parties hereto agree that if any court determines that any provision of this Section 5.4 is unenforceable, such court shall have the power to reduce the duration or scope of such provision, as the case may be, or terminate such provision and, in reduced form, to enforce such provision. It is the intention of the parties that the foregoing restrictions shall not be terminated, unless so terminated by a court, but shall be deemed amended to the extent required to render them valid and enforceable, such amendment to apply only with respect to the operation of this Section 5.4 in the jurisdiction of the court making such adjudication.

(b) For a period of 24 months beginning on the PI Closing Date, the Seller, nor its Affiliates, shall, directly or indirectly, solicit for employment or hire, either as an employee or a consultant, any employee or independent contractor of Purchaser who was an employee or independent contractor of the Seller as of the PI Closing Date to become an employee or consultant or otherwise provide services to any Competing Business.

(c) The parties acknowledge and agree that the restrictions contained in Sections 5.4(a) and (b) are a reasonable and necessary protection of the immediate interests of Purchaser, and any violation of these restrictions would cause substantial injury to Purchaser and that Purchaser would not have entered into this Agreement without receiving the benefit of Sections 5.4 (a) and (b). In the event of a breach or a Threatened breach by Seller or any Affiliate of Seller of these restrictions, Purchaser shall be entitled to an injunction restraining the Seller and any Affiliate from such breach or threatened breach; PROVIDED, HOWEVER, that the right to injunctive relief shall not be construed as prohibiting Purchaser from pursuing any other available remedies for such breach or threatened breach.

Section 5.5. NO LIABILITY.

Seller shall protect and indemnify Purchaser and Parent from and neither the Purchaser nor the Parent shall assume, acquiesce, accede to or otherwise become liable for or with respect to, any liabilities or obligations of any kind or nature of the Seller or of the Knits Business which exist as of the PI Closing Date or arise from, accrue by reason of, or relate in any material way to, any contract, account, event or occurrence before the PI Closing Date. Without limiting the generality of the foregoing, the Purchaser and the Parent shall have no liability of any kind, whether direct or indirect, contingent or absolute, with respect to returns, warranty claims, charge-backs product liability claims or other adjustments, charges or claims with respect to goods or services sold or delivered by Seller or the Knits Business before the PI Closing Date. Seller shall protect and indemnify Purchaser and Parent from, and neither the Purchaser nor the Parent shall assume, acquiesce, accede to or otherwise become liable for or with respect to, any liabilities or obligations of any kind or nature of the Seller or of the Knits Business arise from, accrue by reason of, or relate in any material way to, the Knits Business inventory and arise from any contract, transaction, account, event or occurrence before the PII Closing Date which does not involve the Purchaser.

Seller shall have performed and complied in all material respects with all covenants and agreements required by this Agreement to be performed or complied with by Seller at or prior to the contemplated Closing.

(b) Required Consents. The Seller shall have obtained, each in form and substance reasonably satisfactory to Purchaser in its sole and absolute discretion (i) all statutory and regulatory consents and approvals that may be required, (ii) all consents to assignments of Contracts, and (iii) all other consents and approvals of third Persons, which are necessary under applicable Law or contract to consummate the transactions contemplated at Closing and to permit Purchaser to conduct the Knits Business after Closing in the manner it was conducted as of the date of this Agreement.

(c) Documents. The Seller shall have delivered to Purchaser and Parent at Closing such other documents, certificates and other instruments as shall be reasonably necessary to transfer to Purchaser the PI Assets or the PII Assets, as the case may be, as contemplated by this Agreement.

(d) UCC Termination. The secured party under that certain UCC-1 Financing Statement, # _____, in favor of Congress Financial Corporation (Western), shall have consented to the sale of the Phase I Assets and released any and all liens and security interests that it may have on such PI Assets and shall have filed a UCC Termination Statement with respect to the Phase II Assets and such security interests shall have terminated with respect to the Acquired Assets to be transferred at Closing.

(e) Funding. The Purchaser shall have obtained the necessary funds to pay the PII Purchase Price component of the Purchase Price on terms which the Purchaser, in its sole discretion, deems to be reasonable and acceptable. The Purchaser shall use its best efforts to obtain the necessary funding.

Edgar Filing: INNOVO GROUP INC - Form 8-K

the case may be, of each of the following conditions (any one or more of which may be waived in writing in whole or in part by the Seller in its sole discretion):

(a) Representations, Warranties and Covenants. Each of the representations and warranties of Purchaser and Parent contained in this Agreement or in any certificate, document or other instrument delivered in connection herewith shall be true and correct in all material respects on and as of the date of this Agreement and at and as of the Closing with the same effect as though such representations and warranties had been made at and as of the Closing, except for representations and warranties that speak as of a specific date or time other than the Closing (which need only be true and correct in all material respects as of such date or time); PROVIDED, HOWEVER, that if any portion of any such representation or warranty is already qualified by materiality, for purposes of determining whether this condition has been satisfied with respect to such portion of such representation or warranty, such portion of such representation or warranty as so qualified shall be true and correct in all respects. Purchaser and Parent shall have performed and complied in all material respects with all covenants and agreements required by this Agreement to be performed and complied with by them at or prior to the contemplated Closing.

(b) Injunction; Litigation; Legislation. The Purchaser (i) shall not be subject to any order or injunction restraining or prohibiting the consummation of the transactions contemplated hereby, (ii) no action or proceeding shall have been instituted before any court or Government Authority to restrain or prohibit, or to obtain substantial damages from the Seller in respect of, the consummation of the transactions contemplated hereby, (iii) no action or proceeding shall have been Threatened to restrain, enjoin or nullify this Agreement or the transactions contemplated hereby, or to commence any investigation into the consummation of the transactions contemplated hereby, or no such investigation shall have been commenced, and (iv) no statute, rule or regulation shall have been promulgated or enacted by any Government Authority which would prevent or make illegal the consummation of the transactions contemplated hereby.

(c) Documents. Purchaser and Parent shall have delivered all the certificates, instruments, contracts and other documents required to be delivered by it hereunder.

Section 6.3 CONDITION SUBSEQUENT.

(a) Sales Guarantee: In the event the actual net sales of the Purchaser's newly formed knit division do not reach \$10,000,000 during the 18 month period following the PI Closing Date, any remaining unpaid principal balance of the Purchase Note II shall be reduced by an amount equal to the sum of \$1.5 million less 10% of the net sales of the Purchaser during the 18 month period following the PI Closing Date.

(b) Inventory Evaluation: During the 24 month period following the PI Closing, if the aggregate value of the Inventory purchased from the Seller that has not been sold by Purchaser or its affiliates is reduced as a result of an adjustment required by the Purchaser's outside independent auditors, the Seller shall forfeit back to the Company the Common Stock with a value equal to the required adjustment. The value of the Common Stock forfeited shall be determined based upon the average of the closing sale price as reported by Nasdaq for the last 5 trading days in the quarter for which the adjustment is made. If there is no balance remaining on the Purchase Note, Purchaser will have no further recourse against Seller as a result of any such inventory adjustment.

ARTICLE VII

REGISTRATION RIGHTS

Section 7.1. PIGGYBACK RIGHTS.

(a) From the Closing Date until the third anniversary of the Closing Date, each time Parent proceeds with the actual preparation and filing of a registration statement under the Securities Act of 1933 in connection with the proposed offer and sale for money of any shares of Common Stock (other than a registration statement on Form S-4 or Form S-8), Parent will give written notice to Seller of its intended filing thirty (30) days prior to the filing date. The Seller shall then have five (5) business days following receipt of Parent's notice to submit a written request to Parent specifying the number of Consideration Shares the Seller wishes to have registered (the "Registration Request"). Parent will, except as herein provided, use its best efforts to cause that number of Consideration Shares specified in the Seller's Registration Request to be included in such registration statement; PROVIDED, HOWEVER, that (i) nothing herein shall prevent Parent from, at any time, abandoning or delaying any such registration initiated by it; (ii) if Parent determines not to proceed with a registration after the registration statement has been filed with the SEC, Parent shall complete the registration for the benefit of the Seller if the Seller wishes to proceed with a public offering of its shares of Common Stock and the Seller agrees to bear all expenses incurred by Parent as the result of such registration after Parent has decided not to proceed; (iii) Parent's obligations under this Section 7.1 shall only apply to the Consideration Shares; and (iv) for purposes of this sentence, the use by Parent of best efforts shall not require Parent to reduce the amount or sale price of the securities it proposes to distribute for its own account. If any registration pursuant to this Section 7.1 shall be underwritten in whole or in part, Parent may require that the shares of Common Stock requested for inclusion pursuant to this Section 7.1 be included in the underwriting on the same terms and conditions as the shares of Common Stock otherwise being sold through the underwriters.

(b) In connection with any underwritten registration under this Section 7.1, Parent may enter into an underwriting agreement in customary form with the underwriter or underwriters selected for such underwriting by Parent. Notwithstanding any other provision of this Section 7.1, if in the opinion of the managing underwriter the inclusion of shares of Common Stock owned by the Seller in a registration statement would reduce the amount or sale price of the other securities to be included in such registration, after excluding all shares of Common Stock which are not (i) being offered by Parent for its own account or (ii) subject to a contractual registration right, the underwriter may limit the number of shares of Consideration Shares to be included in the registration and underwriting under this Section 7.1; PROVIDED, that Consideration Shares subject to registration under this Section 7.1 may be excluded from registration only on a pro rata basis with all other shares of Common Stock subject to contractual registration rights, and no shares of Common Stock being offered by Parent for its own account may be excluded.

Section 7.2. REGISTRATION PROVISIONS.

(a) If and whenever Parent is required by the provisions of Section 7.1(a) to effect the registration of Consideration Shares under the Securities Act of 1933, Parent will:

(i) subject to the terms and conditions of this Article VII, prepare and file with the SEC a registration statement with respect to such shares of Common Stock, and use its reasonable best efforts to cause such registration statement to become and remain effective for such period as may be reasonably necessary to effect the sale of such shares of Common Stock, not to exceed six months;

Edgar Filing: INNOVO GROUP INC - Form 8-K

(ii) prepare and file with the SEC such amendments to such registration statement and supplements to the prospectus contained therein as may be necessary to keep such registration statement effective for such period as may be reasonably necessary to effect the sale of such shares of Common Stock, not to exceed six months;

(iii) furnish to the Seller such reasonable number of copies of the registration statement, preliminary prospectus, final prospectus and such other documents as the Seller may reasonably request in order to facilitate the public offering of such shares of Common Stock;

(iv) prepare and promptly file with the SEC and promptly notify the Seller of the filing of such amendment or supplement to such registration statement or prospectus as may be necessary to correct any statements or omission if, at the time when a prospectus relating to such shares of Common Stock is required to be delivered under the Securities Act of 1933, any event shall have occurred as the result of which any such prospectus or any other prospectus as then in effect would include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances in which they were made, not misleading; and

(v) advise the Seller, promptly after it shall receive notice or obtain knowledge thereof, of the issuance of any stop order by the Securities and Exchange Commission suspending the effectiveness of such registration statement or the initiation or threat of any proceeding for that purpose and promptly use its best efforts to prevent the issuance of any stop order or to obtain its withdrawal if such stop order should be issued.

The Seller, upon receipt of any notice from Parent of the occurrence of any event of the kind described in Section 7.2(a)(iv) or (v), will forthwith discontinue disposition of the Consideration Shares until the Seller's receipt of the copies of the supplemented or amended prospectus contemplated by Section 7.2(a)(iv) or until it is advised in writing by Parent that the use of the prospectus may be resumed and Seller has received copies of any additional or supplemental filings which are incorporated by reference in the prospectus. If so directed by Parent, the Seller will deliver to Parent all copies, other than permanent file copies then in the Seller's possession, of the prospectus required to be supplemented or amended or subject to the stop order.

Section 7.3. COSTS AND EXPENSES.

Except as otherwise provided in Section 7.1 with respect to a registration terminated by Parent, Parent shall bear the following fees, costs and expenses in connection with its obligations under this Article VII: all registration, filing and NASD fees, printing expenses, all internal Parent expenses, the premiums and other costs of policies of insurance against liability arising out of the public offering, and all legal fees and disbursements and other expenses of complying with state securities or blue sky laws of any jurisdiction in which shares of Common Stock to be offered are to be registered or qualified. Seller shall pay all fees and disbursements of its counsel and accountants, underwriting discounts and commissions and transfer taxes applicable to the Consideration Shares and any other expenses incurred by Seller not expressly made the responsibility of the Parent in this Section 7.3.

Section 7.4. INDEMNIFICATION.

(a) Parent shall indemnify and hold harmless the Seller, and each person, if any, who controls the Seller within the meaning of the Securities Act of 1933, from and against any and all loss, damage, liability, cost and expenses to which the Seller or any such controlling person may become subject under the Securities Act of 1933 or otherwise, insofar as such losses, damages,

Edgar Filing: INNOVO GROUP INC - Form 8-K

liabilities, costs or expenses are caused by any untrue statement or alleged untrue statement of any material fact contained in any registration statement filed by Parent pursuant to Section 7.1 which covers the sale or resale of Consideration Shares, any prospectus contained therein or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading; PROVIDED, HOWEVER, that the Parent shall not be liable in any such case to the extent that any such loss, damage, liability, cost or expense arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission so made in conformity with information furnished by the Seller or such controlling person.

(b) The Seller shall jointly and severally indemnify and hold harmless Parent and any underwriter (as defined in the Securities Act of 1933) for Parent, and each person, if any, who controls Parent or such underwriter within the meaning of the Securities Act of 1933 from and against any loss, damage, liability, cost or expense to which Parent or any such underwriter or controlling person may become subject under the Securities Act of 1933 or otherwise, insofar as such losses, damages, liabilities, costs or expenses are caused by any untrue or alleged untrue statement of any material fact contained in any registration statement filed by Parent pursuant to Section 7.1 which covers the sale or resale of Consideration Shares of Seller, any prospectus contained therein or any amendment or supplement thereto, or arise out of or are based upon the omission or the alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was so made in reliance upon and in strict conformity with written information furnished by the Seller for inclusion in such registration statement, prospectus or amendment or supplement thereto.

ARTICLE VIII

SURVIVAL; INDEMNIFICATION

Section 8.1. SURVIVAL.

All of the representations, warranties, covenants and agreements of the parties contained in this Agreement or in any certificate, document or other instrument delivered in connection with this Agreement shall survive (and not be affected in any respect by) the Closing and any investigation conducted by any party hereto and any information which any party may receive. Notwithstanding the foregoing, the representations and warranties in or made in Articles III and IV (excluding however sections 3.1, 3.2, 3.3(a), (b), (c), and (h), 3.6, 3.7, 3.8, 3.10, 3.11, 3.12 and 4.1) of this Agreement and the related indemnity obligations set forth in this Article VIII shall terminate on, and no claim or Action with respect thereto may be brought except as provided below, after the date which is 18 months immediately subsequent to the PII Closing Date, or if the PII Closing never occurs, the PI Closing Date ("18 Month Expiration Date"). The representations and warranties contained in Sections 3.1, 3.2, 3.3(a), (b), (c), and (h), 3.6, 3.7, 3.8, 3.10, 3.11, 3.12 and 4.1 and the indemnity obligations for breach of such representations and warranties as well as the covenants and agreements contained in Section 5.5 and the indemnity obligations of Seller with respect thereto shall survive until expiration of the applicable statute of limitations. The liability of any party with respect to any breach of representations and warranties which expire on the 18 Month Expiration Date shall not terminate with respect to any claim, whether or not fixed as to liability or liquidated as to amount, with respect to which such party has been given written notice setting forth the facts upon which the claim for indemnification is based and, if possible, a reasonable estimate

Edgar Filing: INNOVO GROUP INC - Form 8-K

of the amount of the claims, prior to the 18 Month Expiration Date.

Section 8.2 INDEMNIFICATION.

The Seller shall indemnify Purchaser and Parent, and Purchaser and Parent shall indemnify the Seller, as set forth below:

(a) Subject to Section 8.1, the Seller hereby agrees to indemnify and hold harmless Purchaser and its directors, officers, employees, and agents (collectively, the "Purchaser Indemnified Persons") for, from, and against all demands, claims, actions or causes of action, assessments, losses, damages, liabilities, costs and expenses, including, without limitation, interest, penalties, disbursements and expenses (including any reasonable Legal Expenses) (collectively, "Losses") based upon, arising out of, asserted against, resulting from, imposed on, or otherwise in respect of (i) the breach of any representation or warranty of the Seller contained in or made pursuant to Article III of this Agreement (notwithstanding anything to the contrary contained in this Agreement, to determine if there had been an inaccuracy or breach of a representation or warranty of the Seller and the Losses arising from such inaccuracy or breach, such representation and warranty shall be read as if it were not qualified by materiality, including, without limitation, qualifications indicating accuracy in all material respects, or accuracy except to the extent the inaccuracy will not have a Material Adverse Effect), (ii) the breach by the Seller of, or the failure by the Seller to perform any of its covenants or other agreements with Purchaser contained in this Agreement, (iii) the failure to comply with any regulatory requirements, or any material Contracts or licenses in connection with the transactions contemplated hereby, and (iv) any and all liabilities or obligations described in Section 5.5.

(b) Subject to Section 8.1, the Seller hereby agrees to indemnify and hold harmless Parent and its directors, officers, employees, and agents (collectively, the "Parent Indemnified Persons") for, from, and against all Losses based upon, arising out of, asserted against, resulting from, imposed on, or otherwise in respect of (i) the breach of any representation or warranty of the Seller contained in or made pursuant to Sections 3.1, 3.6, 3.7 and 3.8 of this Agreement, (ii) the breach by the Seller of, or the failure by the Seller to perform any of its covenants or other agreements with Parent contained in this Agreement, and (iii) any and all liabilities or obligations described in Section 5.5.

(c) Subject to Section 8.1, Purchaser hereby agrees to indemnify and hold harmless the Seller and its officers, directors, employees, agents and Affiliates (collectively, the "Seller Indemnified Persons") for, from and against any Losses based upon, arising out of, asserted against, resulting from, imposed on, or otherwise in respect of (i) the breach of any representation or warranty with respect to Purchaser contained in or made pursuant to this Agreement, (ii) the breach by Purchaser of, or failure by Purchaser to perform, any of its covenants or other agreements contained in this Agreement.

(d) Subject to Section 8.1, Parent hereby agrees to indemnify and hold harmless the Seller Indemnified Persons for, from and against any Losses based upon, arising out of, asserted against, resulting from, imposed on, or otherwise in respect of (i) the breach of any representation or warranty with respect to Parent contained in or made pursuant to this Agreement, (ii) the breach by Parent of, or failure by Parent to perform, any of its covenants or other agreements contained in this Agreement.

(e) If any Purchaser Indemnified Person, on the one hand, or any Seller Indemnified Person, on the other hand (the "Indemnified Party"), has a claim or potential claim or receives notice of any claim, potential claim or the commencement of any Action which could give rise to an obligation on the part

Edgar Filing: INNOVO GROUP INC - Form 8-K

of Seller, on the one hand, or Purchaser or Parent, on the other hand, other than a Third Party Indemnification Claim (as defined below), to provide indemnification (the "Indemnifying Party") pursuant to this Section 8.2, the Indemnified Party shall promptly give the Indemnifying Party notice thereof (the "Indemnification Claim"); PROVIDED, HOWEVER, that the failure to give such prompt notice shall not prevent any Indemnified Party from being indemnified hereunder for any Losses, except to the extent that the failure to so promptly notify the Indemnifying Party, actually damages the Indemnifying Party.

(f) In the event of a claim, a potential claim or the commencement of any Action by a third party which could give rise to an obligation to provide indemnification pursuant to this Article VIII, the Indemnified Party shall give the Indemnifying Party prompt written notice thereof (the "Third Party Indemnification Claim"), but in any event not later than 15 calendar days after receipt of notice of such third party claim; PROVIDED, HOWEVER, that the failure of the Indemnified Party to so notify the Indemnifying Party within such 15-day period shall not prevent any Indemnified Party from being indemnified for any Losses, except to the extent that the failure to so promptly notify the Indemnifying Party actually damages the Indemnifying Party or materially prejudices the Indemnifying Party's ability to defend against such claim.

(g) Any Indemnification Claim or Third Party Indemnification Claim shall describe the claim for which indemnity is sought in reasonable detail. If the Indemnifying Party confirms in writing to the Indemnified Party within 15 days after receipt of the Third Party Indemnification Claim that the Indemnifying Party accepts responsibility to indemnify and hold harmless the Indemnified Party therefore and within such 15-day period demonstrates to the Indemnified Party's reasonable satisfaction that, as of such time, the Indemnifying Party has sufficient financial resources to indemnify for the full amount of any potential liability in connection with such claim, then the Indemnifying Party may elect to compromise or defend, at such Indemnifying Party's own expense and with such Indemnifying Party's own counsel, which counsel shall be reasonably satisfactory to the Indemnified Party. If the Indemnifying Party elects to compromise or defend any such third party claim and satisfies the requirements set forth above, such Indemnifying Party shall within 15 days (or sooner, if the nature of the asserted third party claim so requires) notify the Indemnified Party of such Indemnifying Party's intent to do so, and the Indemnified Party shall cooperate, at the expense of the Indemnifying Party, in the compromise of, or defense against, any such third party claim; PROVIDED, HOWEVER, that (i) the Indemnified Party may, if such Indemnified Party so desires, employ counsel at such Indemnified Party's own expense to assist in the handling (but not control the defense) of any such third party claim, (ii) the Indemnifying Party shall keep the Indemnified Party advised of all material events with respect to any such third party claim, (iii) the Indemnifying Party shall obtain the prior written approval of the Indemnified Party before ceasing to defend against such third party claim or entering into any settlement, adjustment or compromise of such third party claim involving injunctive or similar equitable relief being asserted against any Indemnified Party or any of its or his Affiliates and (iv) no Indemnifying Party will, without the prior written consent of each Indemnified Party, settle or compromise or consent to the entry of any judgment in any pending or threatened action in respect of which indemnification may be sought hereunder (whether or not any such Indemnified Party is a party to such action), unless such settlement, compromise or consent by its terms obligates the Indemnifying Party to pay the full amount of the liability in connection with such third party claim and includes an unconditional release of all such Indemnified Parties from all liability arising out of such claim, action, suit or proceeding. notwithstanding anything contained herein to the contrary, the Indemnifying Party shall not be entitled to have sole control over (and if it, he or she so desires, the Indemnified Party shall have sole control over) the defense,

Edgar Filing: INNOVO GROUP INC - Form 8-K

settlement, adjustment or compromise of (i) any third party non-monetary claim that seeks an order, injunction or other equitable relief against any Indemnified Party or its Affiliates which, if successful, is reasonably likely to interfere with the business, assets, liabilities, obligations, prospects, financial condition or results of operations of the Indemnified Party or any of its Affiliates and (ii) any matter relating to or affecting Taxes of the Purchaser or any of its Affiliates. If the Indemnifying Party elects not to compromise or defend against the asserted liability, or fails to notify the Indemnified Party of its, his or her election as herein provided, the Indemnified Party may, at the Indemnifying Party's expense, pay, compromise or defend against such asserted liability and seek indemnity from the Indemnifying Party then or at any time until one year after the date a determination or settlement of such liability becomes final. In connection with any defense of a third party claim (whether by the Indemnifying Parties or the Indemnified Parties), all of the parties shall, and shall cause their respective Affiliates to, cooperate in the defense or prosecution thereof and to in good faith retain and furnish such records, information and testimony, and attend such conferences, discovery proceedings, hearings, trials and appeals, as may be reasonably requested by a party hereto in connection therewith.
