Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

(a)

On June 3, 2014, the Corporate Development and Governance Committee of the Company's Board of Directors, as a result of a periodic review of the Company's Bylaws, recommended and the Board of Directors approved the following technical amendments to the Company's Bylaws in the interest of clarification of previously existing provisions:

1. Article III Section 1 has been amended to provide that the number of individuals constituting the entire Board of Directors is to be established by resolution of the Board of Directors and to range from a minimum of 3 individuals to a maximum of 9 individuals. Prior to amendment, Article III Section 1 did not specify a procedure for the establishment of the number of individuals constituting the entire Board of Directors and did not clearly establish the numerical range for the number of individuals constituting the entire Board of Directors.
2. Article III Section 7 has been amended to clarify that the Company's Board of Directors has the power to appoint one or more committees. Prior to amendment, Article III Section 7 provided only for the appointment of an Executive Committee.
3. Article IV Section 1 has been amended to clarify that Officers of the Company may be removed, with or without cause, by resolution of the Board of Directors. Prior to amendment, Article IV Section 1 was silent as to the authority of the Board of Directors to remove an officer with or without cause.

The foregoing description of the amendments to the Company's Bylaws is qualified in its entirety by reference to the provisions of the Company's Amended and Restated Bylaws, a copy of which is attached hereto as Exhibit 3(ii) and incorporated herein by reference.
