On June 19, 2002, Assisted Living Concepts, Inc. (the Company) announced that it is implementing an overhead reduction plan within the corporate office which is expected to result in savings of over \$1.3 million per annum for personnel reductions. The Company has also agreed to sell its five facilities in Florida and Georgia to a regional operation. Certain statements contained in this press release and statements made by or on behalf of Assisted Living Concepts, Inc. relating hereto, including, without limitation, statements containing the words will, believes, expects, estimates, should, and words of similar import, constitute forward-looking statements made pursuant to the safe harbor provisions of the Private Securities Reform Act of 1995. These forward-looking statements may be affected by risks and uncertainties identified in our Annual Report on Form 10-K, including without limitation (i) our ability to control costs and improve operating margins, (ii) the possibility that we will experience a decrease in occupancy in our residences, which would adversely affect residence revenues and operating margins, (iii) our ability to operate our residences in compliance with evolving regulatory requirements, and (iv) the degree to which our future operating results and financial condition may be affected by a reduction in Medicaid reimbursement rates. In light of such risks and uncertainties, our actual results could differ materially from such forward-looking statements. Except as may be required by law, we do not undertake any obligation to publicly release any revisions to any forward-looking statements contained herein to reflect events and circumstances occurring after the date hereof or to reflect the occurrence of unanticipated events.
