a short-term security. The rate disclosed is that in effect at the end of the reporting period. This rate changes periodically based on market conditions or a specified market index.

- (a) The issuer has received a preliminary adverse determination from the Internal Revenue Service (the "IRS") regarding the tax-exempt status of the bonds' coupon payments. The Fund will continue to treat coupon payments as tax-exempt income until such time that it is formally determined that the interest on the bonds should be treated as taxable.

Income Tax Information

The following information is presented on an income tax basis. Differences between amounts for financial statement and federal income tax purposes are primarily due to timing differences in recognizing income on taxable market discount securities and timing differences in recognizing certain gains and losses on investment transactions.

At July 31, 2005, the cost of investments was \$879,264,206.

Gross unrealized appreciation and gross unrealized depreciation of investments at July 31, 2005, were as follows:

Gross unrealized:	
Appreciation	\$53,812,976
Depreciation	(1,530,068)

Net unrealized appreciation of investments	\$52,282,908
