ARI Announces Acquisition of TCS Technologies

Milwaukee, Wis., October 1, 2014 ARI Network Services, Inc. (NASDAQ: ARIS) announced today that it has acquired TCS Technologies, a leading provider of software, websites and digital marketing services designed exclusively for dealers, wholesalers, retreaders and manufacturers within the automotive tire and wheel vertical. Terms of the transaction were not disclosed.

ARI's growth strategy continues to be fueled by a combination of organic growth and strategic acquisitions, said Roy W. Olivier, President and CEO of ARI. The acquisition of TCS aligns with our strategy in several ways: First, it consolidates our position as the leading provider of eCommerce-enabled websites and digital marketing services in the automotive tire and wheel industry. Second, TCS provides solutions for the entire automotive tire and wheel supply chain, including wholesalers, retreaders and manufacturers. Finally, TCS offers a point of sale solution for tire and wheel dealers as well as for auto repair shops. In short, all of TCS's offerings are in alignment with ARI's mission to help our customers Sell More Stuff! We believe the combined entity will accelerate our growth and leadership position in this market for the foreseeable future.

For more than 20 years, the management of TCS Technologies has delivered industry leading solutions and support to the automotive tire and wheel market. More than 20,000 automotive tire and wheel dealers depend on TCS's websites and software tools, which are enhanced by more than 750 wheel and tire wholesale distributor connections and eCatalog data for more than 50,000 wheels and 65,000 tires. TCS's strategy of building connected web services between distributors and retailers complements the tire industry's shift to a two-step distribution model; connecting businesses and consumers closer to thousands of on-demand supply points.

TCS will maintain normal operations out of its headquarters located in Cookeville, Tenn., under the continued leadership of Barry D. Reese, who will assume the role of VP and GM of TCS Technologies, an ARI Company.

At TCS, we pride ourselves on our industry-wide reputation for providing efficient and effective technology solutions, said Reese. Together with ARI, we will innovate faster to create comprehensive solutions at a pace that is unmatched by our competition.

We expect the TCS acquisition to generate incremental revenue of approximately \$5 million and be accretive to EBITDA for fiscal 2015, said ARI CFO William A. Nurthen.

Item 1.01. Entry into a Material Definitive Agreement.

The information set forth in Item 2.01 below is incorporated into this Item 1.01 by reference.

Item 2.01. Completion of Acquisition or Disposition of Assets.

On September 30, 2014, the Company acquired substantially all of the assets of Tire Company Solutions, LLC (TCS) pursuant to the terms of an Asset Purchase Agreement dated as of September 30, 2014 by and among the Company, TCS, Barry Reese and Kenny Pratt (the Purchase Agreement). Consideration for the acquisition (the Company Purchase Price) includes, among the other consideration as set forth in the Purchase Agreement: (1) a cash payment equal to \$4,000,000; plus (2) 618,744 shares of the Company's common stock, \$0.001 par value (the Common Stock); plus or minus, as applicable (3) the amount by which Target Net Asset Value (as defined in the Purchase Agreement) exceeds Net Asset Value (as defined in the Purchase Agreement) or the amount by which Net Asset Value exceeds Target Net Asset Value, as applicable; and (4) a contingent earn-out purchase price (if any), payable in three potential payments and contingent upon the attainment of specified revenue goals. To the extent that the amount of the Net Asset Value is greater than the Target Net Asset Value, the Company will issue to TCS the Contingent Buyer Note (as defined in the Purchase Agreement) substantially in the form of the Notes (as defined below) with an aggregate principal amount equal to the amount by which the Net Asset Value exceeds the Target Net Asset Value.

The foregoing description of the Purchase Agreement, and the transactions contemplated thereby, is qualified in its entirety by reference to the Purchase Agreement, attached as Exhibit 2.1 hereto and incorporated herein by reference.

Item 2.03.

Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Items 1.01 and 2.01 above is incorporated into this Item 2.03 by reference. In conjunction with the acquisition of the assets of TCS on September 30, 2014, the Company issued two promissory notes in the aggregate principal amount of \$3,000,000 (the Notes) to Messrs. Reese and Pratt.

The Notes initially will accrue interest on the outstanding unpaid principal balance at a rate per annum equal to 5%; however, if any amount payable under a Note is not paid when due, such overdue amount shall bear interest at the default rate of 7.5% from the date of such non-payment until such amount is paid in full. Accrued interest on the Notes will be due and payable quarterly commencing on December 29, 2014 and continuing on each 90th calendar day thereafter, until December 29, 2018, at which time all accrued interest and outstanding principal balance shall be due and payable in full. The first four payments due and payable under the Notes shall be interest only payments, and payments of principal and interest shall not commence until the payment due on December 29, 2015. The payments are subject to acceleration upon certain Events of Default, as defined in the Notes.

The Notes are subordinated and junior in right of payment to all obligations and liabilities of the Company, existing as of September 30, 2014 or thereafter incurred, to current or future Lenders (as defined in the Notes). The Notes are unsecured.

The foregoing description of the Notes is qualified in its entirety by reference to the form of Note attached hereto as Exhibit 4.1, and incorporated herein by reference.

The delivery of the Company Cash Purchase Price to the Members shall be deemed hereunder to be the delivery of the Company Cash Purchase Price to Company as part of the Company Purchase Price, and Company and the Members shall indemnify and hold Buyer harmless from and against any and all Claims relating to the delivery of the Company Cash Purchase Price to the Members as directed by Company hereunder.

(d)

Buyer Notes. to Section 3.3 (the Settlement Date), Buyer shall issue to Company, and Company shall execute the Contingent Buyer Note substantially in the

form of the Buyer Notes (but issued to Company) with an aggregate principal amount equal to the amount by which the Net Asset Value as reflected on the Final Closing Balance Sheet exceeds the Target Net Asset Value. To the extent that the amount of the Net Asset Value as reflected on the Final Closing Balance Sheet is less than the Target Net Asset Value, then on or before the tenth (10th) business day following the Settlement Date, Company and/or the Members shall deliver to Buyer cash equal to the amount by which the Target Net Asset Value exceeds the Net Asset Value. 3.3.

Determination of Net Asset Value.

(a)

Balance Sheet. As used in this Agreement, **Balance Sheet** shall mean a schedule in the form of **Exhibit 3.3(a)** listing the values of all Purchased Assets, all Assumed Liabilities, and the Net Asset Value. Values will be determined in accordance with generally accepted accounting principles in the United States (**GAAP**), including the necessary allowances and reserves required under GAAP, except as specifically set forth otherwise in this Section with regard to the Excluded Deferred Revenue (as defined, below) and deferred rent. Notwithstanding the foregoing, the Preliminary Closing Balance Sheet and the Final Closing Balance Sheet shall be prepared in accordance with the following: (i) all Accrued Liabilities shall be sufficient for the payment in full of the Accrued Liabilities to which they relate, and all accrued expenses shall reflect all accruals of a character that would be reflected in a manner consistent with a year-end balance sheet; (ii) to the extent required under GAAP, a deferred revenue liability will be established consistent with the method used in the Proforma Unaudited Financial Statements; provided, however, the deferred revenue liability will not include deferred revenue otherwise required by GAAP for setup fees to the extent that work for such setup fees has been performed as of the Closing Date notwithstanding that GAAP requires a deferred revenue liability to be booked for such setup fees and notwithstanding that there may be service obligations for hosting or support required in the future ("Future Services") so long as such Future Services are separately billed or are included in an existing hosting or support contract when the setup fees are performed (**Excluded Deferred Revenue**); (iii) there shall be no value assigned to intangible assets of Company used in the Business; (iv) prepaid expenses shall be valued at not more than the net realizable value that Buyer can obtain from such assets; (v) there shall be no value assigned to accounts receivable of the Business in connection with any transactions between: (A) Company and any of its Affiliates; and (B) Company and Members or Affiliates of Members; (vi) accounts receivable and notes receivable shall be stated net of an appropriate reserve for doubtful accounts and anticipated collection expenses consistent with the method used in the Proforma Unaudited Financial Statements; (vii) Company's obligations set forth in Section 3.4, below, shall not be accrued only to the extent that they have been paid by Company on or promptly after the Closing Date; (viii) Accrued Vacation will be based on the actual amount assumed by Buyer; (ix) with respect to capitalized leases, both the asset and liability will be included in the amount required to be booked in accordance with GAAP; (x) no purchase accounting adjustments

shall be made; and (xi) deferred rent shall not be taken into account notwithstanding that GAAP would otherwise require a deferred rent liability to be booked; (xii) for purposes of clarification, the following line items (or categories of assets and liabilities) historically set forth in Company's balance sheets shall be excluded as line items (or categories of assets and liabilities) on the Preliminary Closing Balance Sheet and Final Closing Balance Sheet: (1) Automobiles ; (2) Line of Credit ; (3) Due to Member ; (4) Current Portion of Note Payable ; (5) Deferred Rent ; and (6) Note Payable Excluding Current Portion . For avoidance of doubt, in determining Net Asset Value, only Liabilities which constitute Assumed Liabilities will be included on the Balance Sheet.

(b)

Preliminary Closing Balance Sheet. Within ninety (90) calendar days after the Closing, Buyer shall prepare, or cause to be prepared, in consultation with Company and Members, and deliver to Company, a Balance Sheet as of the Effective Time (the Preliminary Closing Balance Sheet). The Preliminary Closing Balance Sheet shall set forth (i) the amount of the Net Asset Value as reflected on the Preliminary Closing Balance Sheet, and (ii) the amount of any adjustment to the Purchase Price to be paid and by whom pursuant to Section 3.2(e). Both Buyer and Company will work together, along with each party's respective accountants and other representatives, to ensure that each party has reasonable access to all books and records, schedules, work papers and audit programs necessary to review the Preliminary Closing Balance Sheet delivered by Buyer in accordance with this Section 3.3(b).

(c)

Objection to Preliminary Closing Balance Sheet. Within fifteen (15) calendar days following Company's receipt of the Preliminary Closing Balance Sheet, Company may object to any of the information contained in the Preliminary Closing Balance Sheet or the accompanying schedules that could affect the necessity or amount of any payment under Section 3.2(e) by delivering written notice (the Balance Sheet Objection) to Buyer. The Balance Sheet Objection shall include a list of Company's objections and its reasons therefor, and shall specify Company's determination of the amount of the Net Asset Value as of the Effective Time. If no Balance Sheet Objection is delivered to Buyer within such fifteen (15) calendar day time period, then Company shall be deemed to have accepted the Preliminary Closing Balance Sheet.

(d)

Response to Balance Sheet Objection. Within five (5) business days after Company's delivery of a Balance Sheet Objection, Buyer shall respond to the Balance Sheet Objection by delivering written notice to Company specifying the scope of its disagreement with the information contained in Company's Balance Sheet Objection. If no such written notice is delivered to Company within such five (5) business day period, then Buyer shall be deemed to have accepted the Balance Sheet Objection.

(e)

Dispute Resolution Following Objection.

(i)

Negotiation. If Buyer shall deliver a written notice to Company in response to a Balance Sheet Objection in accordance with Section 3.3(d), then Buyer and Company shall promptly meet and attempt in good faith to resolve any dispute or disagreement relating to the Preliminary Closing Balance Sheet and

schedules thereto and the calculation of Net Asset Value as of the Effective Time (the Balance Sheet Dispute).

(ii)

Resolution by CPA Firm. If Buyer and Company are unable to resolve the Balance Sheet Dispute within fifteen (15) calendar days following Company's delivery of a Balance Sheet Objection to Buyer, then at any time thereafter Buyer or Company may elect to have the Balance Sheet Dispute resolved as provided in Section 3.8.

(f)

Final Closing Balance Sheet. As used in this Agreement, the Final Closing Balance Sheet shall be: (i) the Preliminary Closing Balance Sheet if (A) no Balance Sheet Objection is delivered to Buyer during the fifteen (15) calendar day period specified in Section 3.3(c), or (B) Buyer and Company so agree in writing; (ii) the Preliminary Closing Balance Sheet, adjusted in accordance with the Balance Sheet Objection, if Buyer does not provide Company with a written notice of disagreement in response to the Balance Sheet Objection within the five (5) business day period specified in Section 3.3(d); or (iii) the Preliminary Closing Balance Sheet, as adjusted by (A) the written agreement of Buyer and Company, and/or (B) the CPA Firm in accordance with Section 3.8.

3.4.

Other Payments and Adjustments. The amount of wages, salaries, commissions, bonuses and other remuneration (excluding Accrued Vacation assumed by Buyer) due to employees and independent contractors of Company for all periods prior to the Effective Time shall be paid by Company directly to such employees and independent contractors on or before the Closing Date. Without limitation to the foregoing, the Company shall pay on or before the Closing: (i) all obligations to Terry Mullican that relate to any of the following: His pre-Closing employment, the sale of the Purchased Assets hereunder, or any obligations to him arising under any Employee Plan/Agreement (except his Accrued Vacation which shall be assumed by Buyer if he is hired by Buyer) (collectively, the Mullican Obligations); and (ii) all obligations to Jared Loosli that relate to any of the following: His pre-Closing employment or any obligations to him arising under any Employee Plan/Agreement (except his Accrued Vacation which shall be assumed by Buyer if he is hired by Buyer) (collectively, the Loosli Obligations).

3.5.

Contingent Earn-Out Purchase Price. .

(a)

Calculation of Contingent Earn-Out Purchase Price. For purposes of this Agreement, the Contingent Earn-Out Purchase Price means an amount equal to the sum of (i) the First Contingent Earn-Out Payment (if any), plus (ii) the Second Contingent Earn-Out Payment (if any), plus (iii) the Third Contingent Earn-Out Payment (if any).

(b)

Calculation of First Contingent Earn-Out Payment. For purposes of this Agreement, (I) the First Revenue Goal means the amount of Ten Million Four Hundred Twenty Eight Thousand Nine Hundred Dollars (\$10,428,900), and (II) the First Contingent Earn-Out Payment means an amount equal to the product of (A) Four Hundred Sixty Six Thousand

Six Hundred Sixty Seven Dollars (\$466,667) multiplied by (B) the quotient (expressed as a percentage) of the Subject Net Revenues for the First Earn-Out Period divided by the First Revenue Goal (subject to potential adjustment as set

forth, below, the First Applicable Ratio); *provided, however, if* the First Applicable Ratio calculated, above, is equal to or greater than one hundred and one percent (101.00%), then the First Applicable Ratio calculated, above, shall be increased by the corresponding percentage amount set forth in the table, below, under the heading Percentage Increase :

<u>First Applicable Ratio</u>	<u>Percentage Increase</u>
101.00% 104.99%	2.0%
105.00% 109.99%	4.0%
110.00% 114.99%	6.0%
115.00% or greater	8.0%

For purposes of clarification, there will be no First Contingent Earn-Out Payment if the Subject Net Revenues for the First Earn-Out Period are less than eighty percent (80%) of the First Revenue Goal.

For illustrative purposes only, if the Subject Net Revenues for the First Earn-Out Period are \$10,500,000, the First Applicable Ratio would be 100.68% and would not be subject to adjustment, and the First Contingent Earn-Out Payment would be \$469,840.34. Further, for illustrative purposes only, if the Subject Net Revenues for the First Earn-Out Period are \$11,500,000, the First Applicable Ratio would be 110.27% and then increased by 6.0%, resulting in an adjusted First Applicable Ratio of 116.27%, and the First Contingent Earn-Out Payment would be \$542,593.72.

(c)

Calculation of Second Contingent Earn-Out Payment. For purposes of this Agreement, (I) the Second Revenue Goal means the amount of Thirteen Million Three Hundred Thirteen Thousand Three Hundred Dollars (\$13,313,300), and (II) the Second Contingent Earn-Out Payment means an amount equal to the product of (A) Two Hundred Eighty Thousand Dollars (\$280,000) multiplied by (B) the quotient (expressed as a percentage) of the Subject Net Revenues for the Second Earn-Out Period divided by the Second Revenue Goal (subject to potential adjustment as set forth, below, the Second Applicable Ratio); *provided, however, if* the Second Applicable Ratio calculated, above, is equal to or greater than one hundred and one percent (101.00%), then the Second Applicable Ratio calculated, above, shall be increased by the corresponding percentage amount set forth in the table, below, under the heading Percentage Increase :

<u>Second Applicable Ratio</u>	<u>Percentage Increase</u>
101.00% 104.99%	2.0%

105.00%	109.99%	4.0%
110.00%	114.99%	6.0%
115.00%	or greater	8.0%

For purposes of clarification, there will be no Second Contingent Earn-Out Payment if the Subject Net Revenues for the Second Earn-Out Period are less than eighty percent (80%) of the Second Revenue Goal.

(d)

Calculation of Third Contingent Earn-Out Payment. For purposes of this Agreement, (I) the Third Revenue Goal means the amount of Sixteen Million Seven Hundred Sixty-Four Thousand Eight Hundred Dollars (\$16,764,800), and (II) the Third Contingent Earn-Out Payment means an amount equal to the product of (A) One Hundred Eighty Six Thousand Six Hundred Sixty Six Dollars (\$186,666) multiplied by (B) the quotient (expressed as a percentage) of the Subject Net Revenues for the Third Earn-Out Period divided by the Third Revenue Goal (subject to potential adjustment as set forth, below, the Third Applicable Ratio); *provided, however, if the Third Applicable Ratio calculated, above, is equal to or greater than one hundred and one percent (101.00%), then the Third Applicable Ratio calculated, above, shall be increased by the corresponding percentage amount set forth in the table, below, under the heading Percentage Increase :*

<u>Third Applicable Ratio</u>	<u>Percentage Increase</u>
101.00% 104.99%	2.0%
105.00% 109.99%	4.0%
110.00% 114.99%	6.0%
115.00% or greater	8.0%

For purposes of clarification, there will be no Third Contingent Earn-Out Payment if the Subject Net Revenues for the Third Earn-Out Period are less than eighty percent (80%) of the Third Revenue Goal.

(e)

Final Calculation of Earn-Out Amounts. For purposes of this Agreement, each of the First Earn-Out Period, Second Earn-Out Period and Third Earn-Out Period shall sometimes be referred to as an Earn-Out Period , and each of the First Contingent Earn-Out Payment, Second Contingent Earn-Out Payment and Third Contingent Earn-Out Payment shall sometimes be referred to as an Earn-Out Amount . For the avoidance of doubt, each Earn-Out Amount shall relate only to the respective Earn-Out Period for which it was earned; each Earn-Out Amount will be determined during the

applicable Earn-Out Period and performance during any Earn-Out Period shall not affect the Earn-Out Amount as relates to any other Earn-Out Period. Within thirty (30) calendar days after the end of each Earn-Out Period, or, in the case of a Buyer Triggering Event, within thirty (30) calendar days after the occurrence of a Buyer Triggering Event, Buyer shall prepare and deliver to Company a statement setting forth the determination of the applicable Earn-Out Amount for such Earn-Out Period, or in the case of a Buyer Triggering Event, the determination of the applicable Earn-Out Amount for the Earn-Out Periods affected by the Buyer Triggering Event (each, an Earn-Out Statement). Company and its accountants shall have the right to review all records, books, work papers and calculations of Buyer and the Business related to each Earn-Out Statement and the related books, records, work papers and calculations. Company shall have thirty (30) calendar days after delivery of each Earn-Out Statement in which to notify Buyer in writing of any discrepancy in, or disagreement with, the items reflected on such Earn-Out Statement or the determination of the applicable Earn-Out Amount or that it needs additional information not yet provided to or accessed by Company (each, an Earn-Out Notice of Objection). If Company does not submit an Earn-Out Notice of Objection during such thirty (30) calendar day period, then the Earn-Out Statement shall be deemed to be accepted in the form presented to Company. If Company submits an Earn-Out Notice of Objection during such thirty (30) calendar day period and Buyer agrees with the adjustment requested by Company, then an appropriate adjustment shall be made. If Buyer does not agree, within twenty (20) calendar days after the receipt of an Earn-Out Notice of Objection, to make any adjustment timely requested by Company, the disputed items shall be submitted for review and final determination by the CPA Firm pursuant to Section 3.8 and any additional information needed by Company will be promptly provided to Company.

(f)

Determination of Earn-Out Amounts Upon Buyer Triggering Events. Notwithstanding anything to the contrary herein, and subject to the proviso set forth at the end of this Section 3.5(f), upon a Buyer Triggering Event occurring:

(i)

on or before the last date of the First Earn-Out Period, the total Earn-Out Amount due to Company for the First Earn-Out Period will be Four Hundred Sixty Six Thousand Six Hundred Sixty Seven Dollars (\$466,667), for the Second Earn-Out Period will be Two Hundred Eighty Thousand Dollars (\$280,000), and for the Third Earn-Out Period will be One Hundred Eighty Six Thousand Six Hundred Sixty Six Dollars (\$186,666);

(ii)

on or before the last date of the Second Earn-Out Period will be Two Hundred Eighty Thousand Dollars (\$280,000) and for the Third Earn-Out Period will be One Hundred Eighty Six Thousand Six Hundred Sixty Six Dollars (\$186,666);

(iii)

on or before the last date of the Third Earn-Out Period, the Earn-Out Amount for the Third Earn-Out Period will be One Hundred Eighty Six Thousand Six Hundred Sixty Six Dollars (\$186,666);

provided, however, if the Buyer Triggering Event is either a result of: (1) the termination of the employment of Reese by Buyer other than for Cause (as such term is defined in the Reese Employment Agreement); (2) a Buyer Triggering Event for Good Reason; or (3) a violation by Buyer of any of its covenants set forth in Section 6.12(a)-(c), below (any event set forth in subsections (1), (2) or (3), a Buyer Triggering Event Requiring an Election), Company shall within fifteen (15) calendar days after the Buyer Triggering Event deliver to Buyer written notice of Company's election to either: (I) receive eighty percent (80%) of the amount otherwise set forth in this Section 3.5(f) for that Earn-Out Period, plus eighty percent (80%) of the remaining amounts set forth in Sections 3.5(f)(ii)-(iii), above, for the remaining Earn-Out Period(s) (if any), or (II) receive the regular payment of any Earn-Out Amounts that may become due pursuant to Sections 3.5(a)-(e), in which case the calculations set forth in this Section 3.5(f) shall not apply. In the event Company fails to timely deliver its election to Buyer, Company shall be deemed to have elected the alternative set forth in this Section 3.5(f)(II). With respect to any Buyer Triggering Event Requiring an Election, Company's and the Members' sole remedy shall be to make the election as set forth in this Section 3.5(f), and neither Company nor either Member may seek equitable relief or any other remedy with respect to the matters giving rise to a Buyer Triggering Event Requiring an Election. For example purposes only, if Reese's employment with Buyer is terminated: (1) without Cause (as defined in the Reese Employment Agreement); or (2) upon a Buyer Triggering Event for Good Reason, which such events constitute a Buyer Triggering Event Requiring an Election, Reese does not have any rights to seek to be reemployed by Buyer; Reese may only require the Company to make the election set forth in this Section 3.5(f). Notwithstanding any other provision to the contrary contained in Sections 3.5(f)(i)-(iii), above, if a Buyer Triggering Event occurs after the first six (6) months of an Earn-Out Period, then either (A), (B) or (C), below, as applicable, shall apply:

(A) if the Buyer Triggering Event is not a Buyer Triggering Event Requiring an Election, then the total Earn-Out Amount owed to Company for that Earn-Out Period shall be the greater of: (a) the amount set forth in Sections 3.5(f)(i)-(iii) for that Earn-Out Period, plus the remaining amounts set forth in Sections 3.5(f)(ii)-(iii), above, for the remaining Earn-Out Period(s) (if any); and (b) the Earn-Out Amount that would have been earned in that Earn-Out Period as if the Subject Net Revenues for such Earn-Out Period equaled the Subject Net Revenues during that Earn-Out Period through the date of the Buyer Triggering Event multiplied by three hundred sixty-five (365) divided by the number of days during such Earn-Out Period occurring prior to the date of the Buyer Triggering Event, plus the remaining amounts set forth in Sections 3.5(f)(ii)-(iii), above, as applicable, for the remaining Earn-Out Period(s) (if any);

(B) if the Buyer Triggering Event is a Buyer Triggering Event Requiring an Election and if the Company makes the election set forth in Section 3.5(I), then the total Earn-Out Amount owed to Company for that Earn-

Out Period shall be the greater of: (a) eighty percent (80%) of the amount set forth in Sections 3.5(f)(i)-(iii) for that Earn-Out Period, plus eighty percent (80%) of the remaining amounts set forth in Sections 3.5(f)(ii)-(iii), above, for the remaining Earn-Out Period(s) (if any); and (b) the Earn-Out Amount that would have been earned in that Earn-Out Period as if the Subject Net Revenues for such Earn-Out Period equaled the Subject Net Revenues during that Earn-Out Period through the date of the Buyer Triggering Event multiplied by three hundred sixty-five (365) divided by the number of days during such Earn-Out Period occurring prior to the date of the Buyer Triggering Event, plus eighty percent (80%) of the remaining amounts set forth in Sections 3.5(f)(ii)-(iii), above, as applicable, for the remaining Earn-Out Period(s) (if any); and

(C) If the Buyer Triggering Event is a Buyer Triggering Event Requiring an Election and if the Company makes the election set forth in Section 3.5(II), then the Company will receive the regular payment of any Earn-Out Amounts that may become due pursuant to Sections 3.5(a) (e) in which case the calculations in this Section 3.5(f) shall not apply.

(g)

Payment of Earn-Out Amounts. Buyer shall deliver to Company an amount equal to one fourth (1/4) of the applicable Earn-Out Amount on or before the later of (i) the thirtieth (30th) calendar day after each Earn-Out Date of Final Determination, and (ii) the ninetieth (90th) calendar day after the end of the applicable Earn-Out Period; and on or before each of the next three (3) successive three (3) month anniversaries of such Earn-Out Date of Final Determination, Buyer shall deliver to Company an amount equal to one fourth (1/4) of the applicable Earn-Out Amount. Provided, however, in the event any portion of an Earn-Out Amount payment is submitted to a CPA Firm as provided in Section 3.8 or is otherwise in dispute: (1) an amount equal to one fourth (1/4) of the applicable Earn-Out Amount which is not in dispute will be paid on the ninetieth (90th) calendar day after the end of the applicable Earn-Out Period; and (2) the remainder of the applicable Earn-Out Amount which is not in dispute will be paid on or before each of the next three (3) month anniversaries of the initial payment date as set forth in Section 3.5(g)(1) and consistent with the payment schedule as set forth in the first sentence of this Section 3.5(g). Notwithstanding the foregoing, it is contemplated that Company may distribute substantially all of its assets following the Closing, in which case, upon written notice from Company to Buyer, Buyer shall make all payments owed to Company by Buyer directly to Reese and Pratt as directed by Company. The payment of any Earn-Out Amount to the Members pursuant to the foregoing sentence shall be deemed hereunder to be the delivery of such Earn-Out Amount to Company as part of the Buyer's payment obligations set forth in this Agreement; provided, however, that Company and the Members shall indemnify and hold Buyer harmless from and against any and all Claims relating to the delivery of any Earn-Out Amount to the Members as directly by Company hereunder.

3.6.

Method of Payment. All payments under this Article 3 shall be made by wire transfer of immediately available funds to an account that the recipient, at least forty eight (48) hours prior to the time for payment specified hereunder, has designated in writing.

3.7.

Allocation of Purchase Price. The Purchase Price shall be allocated as set forth on **Exhibit 3.7**, which shall be updated by Buyer and Company after determination of the Net Asset Value and the Adjustment Amount, if applicable. Buyer, Company and Members agree that each shall file all tax returns consistent with such allocation. Buyer, Company, and Members shall not take any position for tax purposes (whether for audits, tax returns, or otherwise) that is inconsistent with such allocation unless required to do so under applicable law. Company and the Members acknowledge and agree that Buyer has not performed independent research or analysis in order to concur or express any opinion with regard to the analysis and conclusions set forth the Tax Opinion; rather, Buyer has relied upon the analysis and conclusions set forth in the Tax Opinion in connection with Company's and the Members' desire to allocate the Purchase Price in the manner set forth on **Exhibit 3.7**.

3.8.

Resolution by CPA Firm.

(a)

Resolution by CPA Firm. If Buyer and Company are unable to resolve (i) the Balance Sheet Dispute (if any) within thirty (30) calendar days after Buyer's delivery of a Balance Sheet Objection to Company, or (ii) a dispute over an Earn-Out Notice of Objection within twenty (20) calendar days after Company's delivery of such Earn-Out Notice of Objection to Buyer, then at any time thereafter Buyer or Company may elect to have the disputed matter resolved by a nationally recognized firm of independent public accountants as to which Buyer and Company mutually agree (the CPA Firm), who shall, acting as experts and not as arbitrators, determine on the basis of the standards set forth in Section 3.3 or Section 3.5, and only with respect to the remaining accounting-related differences so submitted to the CPA Firm (and not by independent review), whether and to what extent, if any, the Net Asset Value as derived from the Preliminary Closing Balance Sheet requires adjustment, or whether and to what extent, if any, an Earn-Out Amount as derived from an Earn-Out Statement requires adjustment. In connection with the engagement of the CPA Firm, each of Buyer and Company shall execute reasonable engagement letters and supply such other documents and information as the CPA Firm reasonably requires. Without limiting the Parties' obligations under this Section 3.8, each of Buyer and Company may submit such data and information to the CPA Firm as such Party deems appropriate. The CPA Firm shall be instructed to use every reasonable effort to perform its services within fifteen (15) calendar days after submission of the dispute to it and, in any case, as soon as practicable after such submission. In resolving the Balance Sheet Dispute, the CPA Firm (i) shall utilize the criteria set forth in Section 3.3, and (ii) shall not assign a value to any item greater than the greatest value for such item claimed by any Party, or less than the smallest value for such item claimed by any Party, as presented to the CPA Firm pursuant hereto. In resolving a dispute over an Earn-Out Notice of Objection, the CPA Firm shall utilize the criteria set forth in Section 3.5.

(b)

Payment of Fees of CPA Firm. If the Net Asset Value as reflected on the Final Closing Balance Sheet is closer in amount to the Net Asset Value as reflected in the Balance Sheet Objection than to the Net Asset Value as reflected in the Preliminary Closing Balance Sheet, then Buyer shall pay all fees and expenses of the CPA Firm in connection with the services provided pursuant to Section 3.8(a) relating to the determination of the Net Asset Value. If the Net Asset Value as reflected on the Final

Closing Balance Sheet is closer in amount to the Net Asset Value as reflected in the Preliminary Closing Balance Sheet than to the Net Asset Value as reflected in the Balance Sheet Objection, then Members, jointly and severally, and Company, jointly and severally with Members, shall pay all fees and expenses of the CPA Firm in connection with the services provided pursuant to Section 3.8(a) relating to the determination of the Net Asset Value. If an Earn-Out Amount as finally determined by the CPA Firm is closer in amount to the Earn-Out Amount as reflected in Company's Earn-Out Notice of Objection than to the Earn-Out Amount as reflected in Buyer's Earn-Out Statement, then Buyer shall pay all fees and expenses of the CPA Firm in connection with the services provided pursuant to Section 3.8(a) relating to the determination of such Earn-Out Amount. If an Earn-Out Amount as finally determined by the CPA Firm is closer in amount to the Earn-Out Amount as reflected in Buyer's Earn-Out Statement than to the Earn-Out Amount as reflected in Company's Earn-Out Notice of Objection, then Members, jointly and severally, and Company, jointly and severally with Members, shall pay all fees and expenses of the CPA Firm in connection with the services provided pursuant to Section 3.8(a) relating to the determination of such Earn-Out Amount.

COVENANTS.

6.1.

Post-Closing Access to Information; Cooperation.

(a)

Access to Information. After the Closing, each Party shall afford any other Party, its respective counsel, accountants and other representatives, during normal business hours, reasonable access to the books, records and other data in such Party's possession relating directly or indirectly to the properties, Liabilities or operations of the Business with respect to periods prior to the Closing, and the right to make copies and extracts therefrom at its expense, to the extent such access is reasonably required by the requesting Party for any proper business purpose. Without limitation, after the Closing, each Party shall make available to any other Party, as reasonably requested, and to any Taxing authority that is legally permitted to receive the following pursuant to its subpoena power or its equivalent, all books, records and other data relating to Tax Liabilities or potential Tax Liabilities relating to the Business for all periods prior to or including the Closing Date and shall preserve all such books, records and other data until the expiration of any applicable statute of limitations for assessment or refund of Taxes or extensions thereof. Subject to the previous sentence, each Party agrees, for a period of six (6) years after the Closing Date, not to destroy or otherwise dispose of any of the books, records or other data described in this Section 6.1(a) without first offering in writing to surrender such books, records and other data to the other Parties, which other Parties shall have ten (10) calendar days after such

offer to agree in writing to take possession thereof.

(b)

Cooperation. Each Party shall cooperate fully, as and to the extent reasonably requested by any other Party, in connection with (i) the filing of Tax Returns relating to the Business, and (ii) any Litigation (including insurance claims) brought by or against any third party in connection with (A) any transaction contemplated by this Agreement, or (B) any fact or condition relating to the Business, Purchased Assets or Assumed Liabilities. Such cooperation shall include making available to the requesting Party, at such times and under such circumstances so as not to unreasonably disrupt business, the relevant information, documents, records and employees of the cooperating Party, allowing the relevant personnel of the cooperating Party to assist the requesting Party in participating in any such matter (including providing testimony in Litigation), executing and delivering documents or instruments and taking all such action as the requesting Party reasonably requests in connection with such matter; provided, however, that the requesting Party shall promptly reimburse the cooperating Party for all out-of-pocket costs, for a pro-rata portion of the salary (including fringe benefits with such pro-rata portion determined based upon the time spent in connection with cooperation) and for travel and subsistence expenses directly relating to such cooperation of any of the cooperating Party's employees who assist the requesting Party (unless the contesting or defending party is entitled to indemnification therefor under Article 7) pursuant to this Section 6.1(b) and Section 6.1(c). Company and Members further agree, as and to the extent reasonably requested by Buyer, to use their respective best efforts to obtain any certificate or other document from any Governmental Entity or other Person as may be necessary to mitigate, reduce or eliminate any Tax that could be imposed (including with respect to the transactions contemplated hereby).

(c)

Audit of Company's Financial Statements. Without limiting any of the provisions of this Section 6.1, to the extent that Buyer is required to do so in order to comply with Laws and/or Orders (including, without limitation, the rules and regulations promulgated by the SEC), Company and Members shall cooperate fully, as and to the extent reasonably requested by Buyer, in connection with Buyer's completion of an audit of Company's Financial Statements (and other historical financial results of Company prior to the Closing) post-Closing (the Audit). To the extent that Buyer performs the Audit pursuant to this Section 6.1(c), the Parties acknowledge that Buyer will select a firm of independent public accountants, in its sole discretion, to perform the Audit and Buyer will be responsible for paying any and all fees to such firm in connection with the Audit.

(d)

Consultation with Advisors. Company and each Member consent to Buyer's consultation with legal, accounting and other professional advisors to Company and such Member relating to the advice rendered to Company or such Member prior to the Closing regarding the Business, Purchased Assets or Assumed Liabilities, excluding, however, the negotiation and drafting of this Agreement and the transactions contemplated hereby and any of the other Excluded Attorney Client Privileges.

(e)

Adversarial Proceedings Involving Parties. Notwithstanding the provisions of this Section 6.1, although the existence of a Dispute or other adversarial proceeding between or among any of the Parties shall not abrogate or suspend the provisions of this Section 6.1, as to such records or other information directly pertinent to

such Dispute or other adversarial proceeding, the Parties may not utilize this Section 6.1 but rather, absent agreement, must utilize the rules of discovery.

(f)

Buyer SEC Reports. Buyer covenants and agrees with each Member that it shall timely file with the SEC all periodic reports required to be filed so as to make available to Members all current public information required to enable the public sale of the Subject Shares pursuant to Rule 144.

6.2.

Employee Matters.

(a)

Employment. Company shall terminate or cause the PEO to terminate, on the Closing Date, the employment or engagement, as the case may be, of all employees and independent contractors of Company identified on **Schedule 4.18** who are in active employment/engagement status as of the Effective Time (collectively, the Active Transferred Employees), as the case may be, and simultaneously therewith Buyer will offer employment to all such Active Transferred Employees, except any Employees specifically listed by Buyer on **Schedule 6.2(a)**, which offer shall include Buyer's standard benefits package made available to Buyer's workforce generally, and Buyer shall give all such hired Active Transferred Employees credit for service with Company for all purposes of all benefit plans of Buyer. In addition, Buyer may extend an employment offer to any employees and/or independent contractors of Company identified on **Schedule 4.18** who are not Active Transferred Employees in accordance with the foregoing provisions of this Section 6.2(a) (collectively, the Non-Active Transferred Employees) but who have a right to return to employment or engagement under the applicable policies of Company or pursuant to any applicable Law or Order at the time such employees or independent contractors are eligible to return to work or additional employment or engagement in the applicable job classification is deemed warranted by Buyer. If any Non-Active Transferred Employee is employed by Buyer pursuant to the preceding sentence, then such Non-Active Transferred Employee shall become an Active Transferred Employee for purposes of this Agreement as of the date of such employment.

(b)

[Intentionally Omitted.]

(c)

Retained Responsibilities. Subject to Section 6.2(d), Company shall satisfy, or cause the PEO or Company's or the PEO's insurance carriers to satisfy, all claims for benefits, whether insured or otherwise (including workers compensation, life insurance, medical and disability programs), under any Employee Plan/Agreement brought by, or in respect of, those employees and independent contractors of Company identified on **Schedule 4.18** and all other current and former employees and independent contractors of Company, which claims arise out of events occurring on or prior to Closing, or which cannot be resolved at or prior to Closing, in accordance with the terms and conditions of such programs or applicable Laws or Orders without interruption.

(d)

COBRA. A group health plan sponsored by Company or the PEO (or an Affiliate of Company or the PEO) shall offer COBRA continuation coverage to each applicable M&A qualified beneficiary (as defined in Treasury Regulation Section

54.5980B-9, Q&A 4), and shall provide COBRA continuation coverage for the maximum required period to each M&A qualified beneficiary who timely elects such coverage and pays the required premiums. Company shall indemnify Buyer for any and all costs and expenses incurred by Buyer if Company or the PEO does not offer COBRA continuation coverage to each applicable M&A qualified beneficiary for the maximum required period to each M&A qualified beneficiary who timely elects such coverage and pays the required premiums, and Buyer is required to provide COBRA continuation coverage to such persons.

(e)

Payroll Tax. The Parties agree that, with respect to Active Transferred Employees who accept employment with Buyer as of the Closing Date, they respectively meet the definition of predecessor and successor as defined in Revenue Procedure 2004 53. For purposes of reporting employee remuneration to the IRS on Forms W-2 and W-3 for the calendar year in which the Closing Date occurs, Company and Buyer shall utilize the Alternative Procedure described in Section 5 of Revenue Procedure 2004-53. The Parties agree that, for purposes of reporting employee remuneration for Federal Insurance Contributions Act purposes for the calendar year within which the Closing Date occurs, Company meets the definition of predecessor and Buyer meets the definition of successor as defined in the IRS Regulation Section 31.3121(a)(1)(b). Company shall supply, or cause the PEO to supply, Buyer, with respect to all Active Transferred Employees, all cumulative payroll information as of the Closing Date. Notwithstanding the foregoing, Buyer shall not assume any Liability with respect to such cumulative payroll information, and all such Liabilities shall be the sole responsibility of Company, the PEO and Members. Company, the PEO and Members shall pay all such Liabilities as and when due. Each Party shall cooperate in good faith to adopt similar procedures under applicable state, municipal, county, local, foreign or other Laws.

(f)

Termination Benefits. Buyer shall be solely responsible for, and shall pay or cause to be paid, severance payments and other employment or engagement termination benefits, if any, to Active Transferred Employees who become employees or independent contractors of Buyer and become entitled to such payments or benefits by reason of any events occurring after the Closing Date. If any action on the part of Company or any Member on or prior to the Closing Date, or if the sale to Buyer of the Purchased Assets pursuant to this Agreement or the transactions contemplated hereby, or if the failure by Buyer to hire as an employee or retain as an independent contractor of Buyer any employee or independent contractor of Company, shall directly or indirectly result in any Liability (other than an Assumed Liability) (i) for severance payments or other employment or engagement termination benefits, or (ii) by virtue of the WARN Act, any plant closing or other Law, such Liability shall be deemed an Excluded Liability and shall be the sole responsibility of, and shall be paid by, Company and Members.

(g)

Consent to Employment. Notwithstanding anything to the contrary in this Agreement, Company releases, waives and discharges, and agrees, and will cause the PEO to release, waive, discharge and agree, not to sue or otherwise pursue, any and all Claims, known or unknown, that Company and the PEO may have against Buyer (or any of Buyer's Affiliates) and/or any Active Transferred Employee arising out of or relating

to any such Active Transferred Employee's employment with Buyer, including all Claims arising under any Contract containing any non-competition, confidentiality or similar provisions, except to the extent such Claims relate primarily to any Excluded Asset and not to the Business.

(h)

TCS Employment/Independent Contractor Agreements. To the extent that Buyer is unable to enforce any right to assert claims or to take other actions in respect of breaches, defaults and other violations of the terms and conditions of the TCS Employee/Independent Contractor Agreements (including, without limitation, the restrictive covenants and confidentiality provisions set forth therein) without the assistance of Company and/or Members, then Company and/or Members, as the case may be, shall use good faith, reasonable best efforts to assist Buyer in enforcing such rights as set forth in the TCS Employee/Independent Contractor Agreements for the benefit of Buyer; provided, however, that Buyer shall be responsible for reimbursing Company and/or Members, as the case may be, for any and all reasonable expenses incurred by Company and/or Members, as the case may be (including, without limitation, reasonable attorneys' fees), incurred by Company and/or Members, as the case may be, and approved in writing by Buyer in connection with enforcing such rights for the benefit of Buyer. To the extent that Buyer identifies any additional memorandums of understanding, offer letters, independent contractor agreements or other similar agreements after the Closing Date, Company and Members agree that Company, Members and Buyer shall, upon Buyer's written request, modify **Schedule 2.1(k)** in order to include any such additional memorandums of understanding, offer letters, independent contractor agreements or other similar agreements on **Schedule 2.1(k)** so that such additional memorandums of understanding, offer letters, independent contractor agreements or other similar agreements shall constitute TCS Employee/Independent Contractor Agreements for purposes of assigning to Buyer the rights set forth in **Section 2.1(k)**, above.

(i)

Assignment of the Health Insurance Policies. Company and Members shall, upon request of Buyer, cooperate, or cause the PEO to cooperate, with Buyer in any efforts by Buyer to assume the Health Insurance Policies, and in connection therewith, Company and Members shall execute, as applicable, and shall cause the PEO to execute, such documents as Buyer reasonably requests to effectuate Buyer's assumption of the Health Insurance Policies. Company shall cause the PEO not to dissolve, liquidate, merge or enter into any transaction that otherwise terminates its existence prior to January 1, 2015. Notwithstanding any provision contained in this Agreement to the contrary, the Parties acknowledge and agree that Buyer may obtain health insurance coverage for the Active Transferred Employees through United HealthCare or other insurance provider if Buyer is unable to assume the Health Insurance Policies as set forth herein without the incurrence of additional costs and expenses.

6.3.

Use of Company's Name and Business Trade Rights: Company's Name Change. After the Closing, neither Company, nor any Member nor any Affiliate of Company shall, without the prior written consent of Buyer, make any use of any name, mark, trade name, trademark, service mark or domain name incorporating Tire Company Solutions, TCS Technologies, TCS or any letters, words or phrases confusingly similar to any of the

foregoing, except to the extent necessary for Company to pay its Liabilities, to prepare its Tax Returns and similar reports and to otherwise wind up and conclude its business. On or promptly after the Closing Date, Company shall file or cause to be filed the Amendment and shall provide written evidence of such filing to Buyer.

6.4.

Unemployment Compensation. Company shall, upon the request of Buyer, cooperate, or cause the PEO to cooperate, with Buyer in any efforts by Buyer to obtain the transfer of Company's (or the PEO's) portion of the unemployment compensation funds applicable to Active Transferred Employees in each jurisdiction in which Company contributes to such funds, to the extent Buyer elects to transfer and assume such amounts. In connection therewith, Company shall execute such documents as Buyer reasonably requests to effectuate such transfer.

6.5.

Payment of Liabilities. Company shall pay or otherwise satisfy in the ordinary course of business all of its Liabilities and obligations. Buyer, Company and Members hereby waive compliance with the bulk-transfer provisions of the Uniform Commercial Code (or any similar law) in connection with the transactions contemplated by this Agreement.

6.6.

Further Agreements. Company and Members authorize and empower Buyer on and after the Closing Date to receive and open all mail received by Buyer relating to the Business, Purchased Assets or Assumed Liabilities and to deal with the contents of such communications in any proper manner; provided, however, this shall not apply to any item addressed to a particular individual and marked as Personal or Confidential. Company and Members shall promptly deliver to Buyer any mail or other communication (including any checks or other funds on account of or in respect of the Business, Purchased Assets or Assumed Liabilities properly endorsed for deposit by Buyer) received by any of them on or after the Closing Date relating to the Business, Purchased Assets or Assumed Liabilities. Buyer shall promptly deliver to any Member any mail or other communication (including any checks or other funds on account of or in respect of Excluded Assets or Excluded Liabilities properly endorsed for deposit by Company) received by it on or after the Closing Date relating primarily to Excluded Assets or Excluded Liabilities. Each Party shall undertake commercially reasonable efforts to ensure that third parties deliver mail and other communications to the proper Party or Parties after the Closing.

6.7.

Noncompetition. Subject to the Closing, and as an inducement to Buyer to execute and deliver this Agreement and to consummate the transactions contemplated hereby, and to preserve the goodwill associated with the Business, Company and each Member agrees that, for a period of five (5) years after the Closing Date, neither Company nor such Member will, directly or indirectly:

(a)

Engage in, continue in or carry on any business that competes in any aspect of the Business, including owning or controlling any financial interest in any Competitor;

(b)

Consult with, advise or assist in any way, whether or not for consideration, any Competitor in any aspect of the Business, including advertising or otherwise endorsing the products or services of any such Competitor, soliciting customers or

otherwise serving as an intermediary for any such Competitor or loaning money or rendering any other form of financial assistance to any such Competitor;

(c)

Solicit, induce or otherwise offer employment or engagement as an independent contractor to, or engage in discussions regarding employment or engagement as an independent contractor with, any Person who is or was an employee, independent contractor, commissioned salesperson or consultant of, or who performed similar services for, the Business, or assist any third party with respect to any of the foregoing, unless such Person has been (either directly or through the PEO) separated from his or her employment or other relationship with Buyer (or the PEO) and each of its Affiliates for a period of six (6) consecutive months; provided, however, this clause shall not apply to the following individuals who will initially be employed or engaged by Buyer after the Closing but will perform services for Simple Tire and who Simple Tire may decide to employ or engage directly (collectively, the Simple Tire Group): Sean Archibeque (employee), Sean McPherson (employee), Jared Kesler (employee), Tyler Persson (employee), Alex Shanks (employee), Jeremy Renshaw (independent contractor), Abhishek Shah (independent contractor), and Andrea Puckett (independent contractor);

(d)

Engage in any practice the purpose of which is to evade the provisions of this covenant not to compete;

provided, however, the restrictions set forth in Section 6.7(a), (b), or (d) shall not apply to the following businesses and activities to the extent they are conducted after the Closing in substantially the same manner which they are conducted as of the Closing in the ordinary course of business through Affiliates of Company and the Members: (A) the Simple Tire Business; provided, however, for avoidance of doubt, the Simple Tire Business may not design, build or maintain websites for third parties and (B) the Size It Up Business; provided, however, for avoidance of doubt, the Size It Up Business may not design, build or maintain websites for third parties; provided, further, that the foregoing shall not prohibit the ownership of not more than five percent (5%) of the securities of any Person that is listed on a national securities exchange or traded in the national over-the-counter market. The geographic scope of this covenant not to compete shall extend throughout the United States and to any foreign countries that Buyer markets the Business during the five (5) years following the Closing Date. Buyer may sell, assign or otherwise transfer this covenant not to compete, in whole or in part, to any Person that purchases all or any portion of the Business, Purchased Assets or Assumed Liabilities. Recognizing the specialized nature of the Business, Company and Members acknowledge and agree that the duration, geographic scope and activity restrictions of this covenant not to compete are reasonable. Notwithstanding the foregoing, in the event that Buyer: (i) does not make a regularly scheduled payment within fifteen (15) days after such payment is due under the Buyer Notes or (ii) fails to make any payment of an Earn-Out Amount within fifteen (15) days after such payment is due under Section 3.5(g), the duration of the covenants set forth in this Section 6.7 shall be modified from five (5) years after the Closing Date to three (3) years after the Closing Date, but only if Buyer does not cure such default or failure within ninety (90) days following Buyer's receipt of written notice from Company describing and declaring such default or failure. For purposes of clarification, the exercise by Buyer of its set-off rights provided in Section 7.7 shall not affect Company's or Members' obligations set forth in this Section 6.7.

6.8.

Confidential Information.

(a)

Nondisclosure. Company and each Member shall maintain all Confidential Information in strict confidence and secrecy, and shall not, at any time subsequent to the Closing, directly or indirectly, (i) use any Confidential Information for any purpose, (ii) disclose any Confidential Information to any Person other than Buyer, (iii) keep or make copies of any documents, records or property of any nature whatsoever containing any Confidential Information, or (iv) assist any other Person in engaging in any of the foregoing, except to the extent necessary to comply with the express terms of any written agreement between Company or such Member and Buyer (including, without limitation, the Reese Employment Agreement or the Pratt Employment Agreement, as applicable). Company and each Member may disclose Confidential Information to Company's and each Member's attorneys, accountants and other professional advisors (each, an Advisor and collectively, the Advisors); provided, however, that: (1) prior to disclosing any Confidential Information to an Advisor, Company and/or each Member, as applicable, shall require that each Advisor agree to maintain the confidentiality of the Confidential Information under terms and conditions no less restrictive than those set forth herein; and (2) Company and each Member, as applicable, shall be fully liable to Buyer for any breach of the terms of the confidentiality obligations set forth herein by any Advisor, Company and each Member, as applicable. Nothing in this Agreement reduces any obligation of Company or any Member to comply with applicable Laws or Orders relating to trade secrets, confidential information and unfair competition.

(b)

Legal Obligation to Disclose. If Company or any Member is requested or required (by oral question or request for information or documents in legal proceedings, interrogatories, subpoena, civil investigation demand or similar process) to disclose any Confidential Information at any time after the Closing, then such disclosing Party shall provide Buyer with prompt written notice of such request or requirement to enable Buyer (i) to seek an appropriate protective order or other remedy, (ii) to consult with the disclosing Party with respect to steps by the disclosing Party to resist or narrow the scope of such request or legal process, and/or (iii) to waive compliance, in whole or in part, with the terms of this Section 6.8. If, in the absence of a protective order or the receipt of a waiver under this Section 6.8, the disclosing Party is nonetheless, in the reasonable written opinion of its, his or her counsel, compelled to disclose Confidential Information to any tribunal or else stand liable for contempt, then the disclosing Party may disclose such Confidential Information to the tribunal, provided that the disclosing Party shall use its or his best efforts to obtain an Order, or such other reasonable assurance as Buyer may designate, that confidential treatment shall be accorded to such portion of the Confidential Information required to be disclosed. The disclosing Party shall not be liable under this Section 6.8 for the disclosure to such tribunal to the extent such disclosure is compelled (it being understood, however, that if such disclosure was caused or resulted from a previous disclosure by the disclosing Party not permitted under this Section 6.8, then the other terms and provisions of this Section 6.8 shall continue in full force and effect and shall be enforceable by Buyer as to such disclosure or disclosures not permitted under this Section 6.8 that resulted in the compelled disclosure).

(c)

Discovery of Confidential Information. If, at any time after the Closing, Company or any Member discovers that it or he is in possession of any records containing any Confidential Information, then the discovering Party shall immediately deliver such records to Buyer. Neither Company nor any Member shall assert a waiver or loss of confidential or privileged status of the information based upon such possession or discovery.

6.9.

Dissolution. Company shall not dissolve, liquidate, merge or enter into any transaction that otherwise terminates its existence until after the two (2) year anniversary of the Closing Date.

6.10.

Cash Management.

(a)

Use of Company Accounts. The Parties acknowledge and agree that although the operating account set forth on Exhibit 6.10(a) (the Operating Account) cannot be transferred to Buyer at the Closing, the Operating Account shall constitute a Purchased Asset pursuant to the terms of this Agreement, and Company's beneficial interest in, to and under the Operating Account shall in any event pass at the Closing to Buyer under the terms of this Agreement, and Company and the Members, in order to provide to the Buyer the Company's beneficial interest in, to and under the Operating Account, shall: (i) execute any and all documents required, necessary or appropriate in order to transfer signatory authority of the Operating Account to Buyer and to provide Buyer with complete access of, and control over, the Operating Account, including, without limitation, any and all passwords, user names, access codes and other information needed by Buyer in order to access and control the Operating Account; and (ii) promptly deliver to Buyer (or an account designated by Buyer) any and all deposits, receipts and other payments related to, or arising out of, the Purchased Assets, including, without limitation, payments made by customers to Company in the form of credit card, automated clearing house (ACH), checks and drafts. Company shall leave sufficient cash in the Operating Account to cover all outstanding, un-cleared checks or drafts from such Operating Account as of the Closing Date, but may withdraw any excess funds from the Operating Account immediately prior to Closing. 7.3.

Indemnification of Third Party Claims. The following provisions shall apply to any Claim subject to indemnification that is Litigation filed or instituted by, or the making of any claim or demand by, any third party, including any Governmental Entity (a Third Party Claim):

(a)

Notice and Defense. The Party or Parties seeking to be indemnified (collectively, the Indemnified Party) shall give the Party or Parties from whom indemnification is sought (collectively, the Indemnifying Party) prompt written notice (and in any event written notice delivered within sixty (60) calendar days after the receipt of service or other notice of the commencement of any suit, action or arbitration proceeding) of the Third Party Claim. The Indemnifying Party may undertake and control the defense and/or settlement of the Third Party Claim, by representatives chosen by it, if the Indemnifying Party admits that it has an indemnification obligation hereunder

with respect to the Third Party Claim, in which case such assumption shall constitute the Indemnifying Party's undertaking to pay directly all costs, expenses, damages, judgments, awards, penalties and assessments incurred in connection therewith. With the prior written consent of the Indemnified Party, the Indemnifying Party may undertake the defense of the Third Party Claim without admitting that it has an indemnification obligation hereunder. Failure to give, or unreasonable delay in giving, notice of the Third Party Claim shall not affect the Indemnifying Party's duties or obligations under this Article 7, except to the extent the Indemnifying Party is prejudiced thereby. So long as the Indemnifying Party is defending the Third Party Claim actively and in good faith, the Indemnified Party shall not settle the Third Party Claim. The Indemnified Party shall make available to the Indemnifying Party or its representatives all records and other materials required by them and in the possession or under the control of the Indemnified Party, for the use of the Indemnifying Party and its representatives in defending any the Third Party Claim, and shall in other respects give reasonable cooperation in such defense.

(b)

Failure to Defend. If the Indemnifying Party, at any time after receiving notice of the Third Party Claim, fails to defend the Third Party Claim actively and in good faith, then the Indemnified Party shall (upon further notice) have the right to undertake the defense, compromise or settlement of the Third Party Claim or consent to the entry of a judgment with respect to the Third Party Claim, on behalf of and for the account and risk of the Indemnifying Party, and the Indemnifying Party shall thereafter have no right to challenge the Indemnified Party's defense, compromise, settlement or consent to judgment.

(c)

Indemnified Party's Rights. Notwithstanding anything to the contrary in this Article 7, (i) if there is a reasonable probability that the Third Party Claim may materially and adversely affect the Indemnified Party other than as a result of money damages or other money payments, then the Indemnified Party shall have the right to defend, compromise or settle the Third Party Claim or consent to the entry of judgment with respect to the Third Party Claim, and (ii) the Indemnifying Party shall not, without the written prior consent of the Indemnified Party, settle or compromise the Third Party Claim, or consent to the entry of judgment with respect to the Third Party, that does not include as an unconditional term thereof the giving by the claimant or the plaintiff to the Indemnified Party of a release from all Liability in respect of the Third Party Claim.

7.4.

Payment. The Indemnifying Party shall promptly pay the Indemnified Party any amount due under this Article 7.

Upon judgment, determination, settlement or compromise of any Third Party Claim, the Indemnifying Party shall pay promptly on behalf of the Indemnified Party, and/or to the Indemnified Party in reimbursement of any amount theretofore required to be paid by it, the amount so determined by judgment, determination, settlement or compromise and all other Claims of the Indemnified Party with respect thereto, unless in the case of a judgment an appeal is made from the judgment. If the Indemnifying Party desires to appeal from an adverse judgment, then the Indemnifying Party shall post and pay the cost of any required security or bond to stay execution of the judgment pending appeal.

Upon the payment in full by the Indemnifying Party of such amounts, the Indemnifying Party shall succeed to the rights of such Indemnified Party, to the extent not waived in settlement, against the Person that made the

Third Party Claim. Notwithstanding the foregoing or anything to the contrary, payments by an Indemnifying Party pursuant to this Article shall be reduced by any insurance proceeds received, and any indemnity, contribution or other similar payment received by the Indemnified Party in respect of any such claim. The Indemnified Party shall use its commercially reasonable efforts to recover under insurance policies or indemnity, contribution or other similar agreements for any damages or losses prior to seeking indemnification under this Agreement.

7.5.

Limitations on Indemnification. Except for any fraud, as to which claims may be brought without limitation as to time or amount:

(a)

Time Limitation. No claim or action shall be brought under this Article 7 for breach of a representation or warranty after the lapse of eighteen (18) months after the Closing Date. Regardless of the foregoing, however, or any other provision of this Agreement:

(ii)

Any claim or action made by a Party by delivering notice to the other Party requesting resolution of a Dispute relating to a breach of a representation or warranty under Article 9 prior to the termination of the survival period for such claim or action shall be preserved despite the subsequent termination of such survival period.

(iii)

If any act, omission, disclosure or failure to disclose shall form the basis for a claim or action for breach of more than one representation or warranty, and such claims have different periods of survival hereunder, then the termination of the survival period of one claim or action shall not affect a Party's right to make a claim or action based on the breach of representation or warranty still surviving.

(b)

Indemnification Threshold.

(i)

Except with respect to Claims (A) under Section 7.1(a) for breaches of the Company/Members Fundamental Representations, other than Trade Rights Representations and Warranties as to which the Indemnification Threshold shall apply, and (B) for fraud (as to which the limitations in this Section 7.5(b)(i) shall not apply), a Buyer Indemnified Party shall not be entitled to indemnification under Section 7.1(a) unless the aggregate of the Indemnifying Party's indemnification obligations under Section 7.1(a) exceeds Ninety Thousand Dollars (\$90,000.00) (the Indemnification Threshold), and then only for the amount by which such aggregate indemnification obligations exceed such Indemnification Threshold.

(2)

With respect to a breach of the Trade Rights Representations and Warranties arising out of a Patent Claim, the aggregate amount of indemnifiable Claims under Section 7.1(a) for which a Buyer Indemnified Party can recover shall not exceed Three Million Dollars (\$3,000,000); and

(3)

With respect to Claims for fraud, the limitations in Section 7.5(c)(i) shall not apply.

(ii)

Except with respect to Claims (A) under Section 7.1(b) for breaches of the Buyer Fundamental Representations and (B) for fraud, the aggregate amount of indemnifiable Claims under Section 7.2(a) for which a Company Indemnified Party can recover shall not exceed One Million Two Hundred Thousand Dollars (\$1,200,000).

(iii)

(g)

General. The limitations set forth in this Section 7.5 do not in any way limit the obligation of any Party to indemnify the other Party or Parties from and against any Claim arising from any breach of a covenant, even if such breach also constitutes a breach of a representation or warranty. Without limitation, the obligations of Company and Members to indemnify the Buyer Indemnified Parties from and against any Excluded Liability shall be unaffected by the limitations set forth in this Section 7.5.

7.6.

No Waiver. The consummation of the transactions contemplated hereby shall not constitute a waiver by any Party of its rights to indemnification hereunder, regardless of whether the Indemnified Party has knowledge of the basis of the Claim at or prior to the Closing, and regardless of whether such breach, violation or failure is deemed to be material. No representation, warranty or covenant contained in this Agreement or in any schedule or exhibit attached hereto or any document or instrument executed and delivered pursuant hereto shall merge into the deeds, bill of sale, assignments, documents, agreements and instruments to be delivered at the Closing.

7.7.

Agreement (including, but not limited to, pursuant to Sections 3.2 and 3.5 and the Buyer Notes). Any amounts so set-off shall be deemed to have been paid to Company and/or such Member as of the date on which written demand for payment of the amount in question was given to Company. In instances in which Buyer, in good faith, believes that it is incurring Out-of-Pocket Costs and/or Other Losses, as the case may be, for which it is entitled to indemnification hereunder, Buyer shall have the right to exercise its rights of set-off hereunder with respect to: (1) one hundred percent (100%) of Out-of-Pocket Costs; and (2) fifty percent (50%) of Other Losses. Out-of-Pocket Costs shall mean all of Buyer's out-of-pocket costs, expenses, damages, losses, assessments or penalties, including, without limitation, any additional payroll costs and expenses, reasonable attorneys' fees, reasonable accountants' fees and reasonable expert witness fees. Other Losses shall mean all of Buyer's costs, expenses, damages, losses, assessments or penalties other than Out-of-Pocket Costs.

7.9.

If the Parties cannot agree upon the identity of the arbitrators within ten (10) business days after the date on which a demand for arbitration is filed with the ADR Firm, then any remaining arbitrators shall be selected by the ADR Firm in accordance with the Arbitration Rules. If the Parties disagree as to whether an arbitrator meets the criteria for arbitrators under this Section 9.3, then the ADR Firm shall determine whether such criteria are met.

(c)

Procedures: No Appeal. Notwithstanding any contrary provisions of the Arbitration Rules, the following procedural rules shall apply to any arbitration proceeding hereunder, unless the parties agree in writing to waive or alter the procedural rules. Severability. If the Tribunal or any court of competent jurisdiction determines that the provisions of this Agreement, including the provisions set forth in Section 6.7 and Section 6.8, are illegal or excessively broad as to duration, geographical scope or activity, then such provisions shall be construed so that the remaining provisions of this Agreement shall not be affected, but shall remain in full force and effect, and any such illegal or overly broad provisions shall be deemed, without further action on the part of any person or entity, to be modified, amended and/or limited, but only to the extent necessary to render the same valid and enforceable in the applicable jurisdiction.

The Loan Agreement shall be amended by deleting the following text appearing as Section 2.3 thereof:

2.3

Payment of Interest on the Credit Extensions.

(a)

Interest Rate. Subject to Section 2.3(c) and (e):

(i)

Advances. The principal amount outstanding under the Revolving Line shall be maintained as either LIBOR Loans or as Prime Rate Loans, and shall accrue interest as follows:

(A)

Subject to Sections 3.6 and 3.7, each Advance maintained as a LIBOR Loan shall bear interest for each Interest Period with respect thereto at a rate per annum equal to the LIBOR Rate determined on the first day of such Interest Period plus (ii) the Applicable Margin, which interest shall be payable in arrears, on the last day of each applicable Interest

Period; and

(B)

Each Advance maintained as a Prime Rate Loan shall bear interest at a rate per annum equal to the Prime Rate plus (ii) the Applicable Margin, which interest shall be payable monthly, in arrears, on the first day of each month.

(ii)

Term Loan. The principal amount outstanding under the Term Loan shall be maintained as either LIBOR Loans or as Prime Rate Loans, and shall accrue interest as follows:

(A)

Subject to Sections 3.6 and 3.7, each portion of the Term Loan maintained as a LIBOR Loan shall bear interest for each Interest Period with respect thereto at a rate per annum equal to the LIBOR Rate determined on the first day of such Interest Period plus

(ii) the Applicable Margin, which interest shall be payable in arrears, in accordance with Section 2.1.2(b); and

(B)

Each portion of the Term Loan maintained as a Prime Rate Loan shall bear interest at a rate per annum equal to the Prime Rate plus (ii) the Applicable Margin, which interest shall be payable quarterly, in arrears, on the first day of each Fiscal Quarter.

(b)

Interest Rate Determination. The foregoing applicable interest rates for Credit Extensions consisting of Advances or the Term Loan will be adjusted on the first (1st) day of each Interest Period and fixed for the duration of each such Interest Period. As of each Interest Rate Determination Date, Bank shall determine (which determination shall, absent manifest error in calculation, be final, conclusive and binding upon all parties) the interest rate that shall apply to the Term Loan for which an interest rate is then being determined for the applicable Interest Period. In the event that Bank shall have determined (which determination shall be final and conclusive and binding upon all parties hereto), as of any Interest Rate Determination Date with respect to any Credit Extensions consisting of Advances or the Term Loan, that adequate and fair means do not exist for ascertaining the interest rate applicable to such Credit Extensions consisting of Advances or the Term Loan on the basis provided for in the definition of LIBOR Rate, then Bank may select a comparable replacement index and corresponding margin.

(c)

Default Rate. Immediately upon the occurrence and during the continuance of an Event of Default, Obligations shall bear interest at a rate per annum which is three percentage points (3.00%) above the rate that is otherwise applicable thereto (the **Default Rate**). Fees and expenses which are required to be paid by Borrower pursuant to the Loan Documents (including, without limitation, Bank Expenses) but are not paid when due shall bear interest until paid at a rate equal to the highest rate applicable to the Obligations. Payment or acceptance of the increased interest rate provided in this Section 2.3(c) is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of Bank.

(d)

Adjustment to Interest Rate. Changes to the interest rate of any Credit Extension based on changes to the Prime Rate shall be effective on the effective date of any change to the Prime Rate and to the extent of any such change.

(e)

Payment; Interest Computation. Unless otherwise indicated, interest is payable on each Interest Payment Date. Interest accruing on LIBOR Loans shall be computed on the basis of a 360-day year for the actual number of days elapsed and interest accruing on Prime Rate Loans shall be computed on the basis of a 365/366 (as applicable) day year for the actual number of days elapsed. In computing interest, (i) all payments received after 10:00 A.M. Pacific time on any day shall be deemed received at the opening of business on the next Business Day, and (ii) the date of the making of any Credit Extension shall be included and the date of payment shall be excluded; provided, however, that if any Credit Extension is repaid on the same day on which it is made, such day shall be included in computing interest on such Credit Extension.

and inserting in lieu thereof the following:

2.3

Payment of Interest on the Credit Extensions.

(a)

Advances. Subject to Section 2.3(c), the principal amount outstanding under the Revolving Line shall accrue interest at a floating per annum rate equal to the Prime Rate plus the Applicable Margin, which interest shall be payable monthly in accordance with Section 2.3(e) below.

(b)

Term Loan 2014. Subject to Section 2.3(c), the principal amount outstanding under the Term Loan 2014 shall accrue interest at a floating per annum rate equal to the Prime Rate plus the Applicable Margin, which interest shall be payable quarterly in accordance with Section 2.1.2(b) above.

(c)

Default Rate. Immediately upon the occurrence and during the continuance of an Event of Default, Obligations shall bear interest at a rate per annum which is three percentage points (3.00%) above the rate that is otherwise applicable thereto (the **Default Rate**). Fees and expenses which are required to be paid by Borrower pursuant to the Loan Documents (including, without limitation, Bank Expenses) but are not paid when due shall bear interest until paid at a rate equal to the highest rate applicable to the Obligations. Payment or acceptance of the increased interest rate provided in this Section 2.3(c) is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of Bank.

(d)

Adjustment to Interest Rate. Changes to the interest rate of any Credit Extension based on changes to the Prime Rate shall be effective on the effective date of any change to the Prime Rate and to the extent of any such change.

(e)

Payment; Interest Computation. Interest on outstanding Advances is payable monthly on the first calendar day of each month and shall be computed on the basis of a 365/366 (as applicable) day year for the actual number of days elapsed. In computing interest, (i) all payments received after 12:00 p.m. Pacific time on any day shall be deemed received at the opening of business on the next Business Day, and (ii) the date of the making of any Advance shall be included and the date of payment shall be excluded; provided, however, that if any Credit Extension is repaid on the same day on which it is made, such day shall be included in computing interest on such Credit Extension.

his or her designee, so long as (a) such requests for Advances are Prime Rate Loans and (b) Borrower promptly delivers to Bank by electronic mail a completed Payment Advance Form executed by an Authorized Signer; or (ii) without instructions if the Advances are necessary to meet Obligations which have become due.

and inserting in lieu thereof the following:

3.4

The Loan Agreement shall be amended by deleting the following terms and their respective definitions appearing in Section 13.1 thereof:

Applicable Margin is the rate per annum set forth under the relevant column heading below, as determined by Bank quarterly, based on the Compliance Certificate corresponding with the end of each Fiscal Quarter of Borrower and as required to be delivered pursuant to Section 6.2(b):

With respect to Term Loans and Advances

<u>Senior Leverage Ratio</u>	<u>LIBOR Loans</u>	<u>Prime Rate Loans</u>
≥1.75:1.00	3.25%	1.00%
>1.25:1.00 but < 1.75:1.00	3.00%	0.75%
≤ 1.25:1.00	2.75%	0.50%

Notwithstanding the foregoing, (a) until the delivery of the first Compliance Certificate corresponding with the end of Borrower's Fiscal Quarter ending after the Effective Date, as required to be delivered pursuant to Section 6.2(b), the Applicable Margin applicable to the Term Loan and Advances under the Revolving Line shall be the rates corresponding to a Senior Leverage Ratio of 1.75:1.00 in the foregoing table, (b) if the Borrower fails to timely deliver any of the financial statements required by Section 6.2 and the related Compliance Certificate required by Section 6.2(b), by the respective date required thereunder after the end of any applicable reporting period of the Borrower, the Applicable Margin applicable to the Term Loans and Advances under the Revolving Line

If, as a result of any restatement of or other adjustment to the financial statements of the Borrower or for any other reason, the Bank determines that (x) the Senior Leverage Ratio as calculated by the Borrower as of any applicable date was inaccurate and (y) a proper calculation of the Senior Leverage Ratio would have resulted in different pricing for any period, then (i) if the proper calculation of the Senior Leverage Ratio would have resulted in higher pricing for such period, the Borrower shall automatically and retroactively be obligated to pay to the Bank, promptly on demand by the Bank, an amount equal to the excess of the amount of interest and fees that should have been paid for such period over the amount of interest and fees actually paid for such period; provided that such period may not exceed one hundred eighty (180) days prior to such demand by Bank; and (ii) if the proper calculation of the Senior Leverage Ratio would have resulted in lower pricing for such period, the Bank shall have no obligation to repay any interest or fees to the Borrower, but the same shall be applied to reduce any outstanding Obligations.

Authorized Signer is any individual listed in Borrower's Borrowing Resolution who is authorized to execute the Loan Documents, including any Notice of Borrowing or other Advance request, on behalf of Borrower.

Revolving Line Maturity Date is April 26, 2015 (24 months after the Effective Date).

and inserting in lieu thereof the following:

With respect to the Term Loan 2104 and Advances

<u>Total Leverage Ratio</u>	<u>Applicable Margin</u>
≥2.50:1.00	1.50%
>1,75:1.00 but < 2.50:1.00	1.00%

If, as a result of any restatement of or other adjustment to the financial statements of the Borrower or for any other reason, the Bank determines that (x) the Total Leverage Ratio

as calculated by the Borrower as of any applicable date was inaccurate and (y) a proper calculation of the Total Leverage Ratio would have resulted in different pricing for any period, then (i) if the proper calculation of the Total Leverage Ratio would have resulted in higher pricing for such period, the Borrower shall automatically and retroactively be obligated to pay to the Bank, promptly on demand by the Bank, an amount equal to the excess of the amount of interest and fees that should have been paid for such period over the amount of interest and fees actually paid for such period; provided that such period may not exceed one hundred eighty (180) days prior to such demand by Bank; and (ii) if the proper calculation of the Total Leverage Ratio would have resulted in lower pricing for such period, the Bank shall have no obligation to repay any interest or fees to the Borrower, but the same shall be applied to reduce any outstanding Obligations.
