Edgar Filing: LIQUI BOX CORP - Form SC 13D

This Statement on Schedule 13D (this Schedule 13D) is filed pursuant to Rule 13d-1 of the Rules and Regulations under the Securities Exchange Act of 1934, as amended (the Exchange Act) by E.I. du Pont de Nemours and Company, a Delaware corporation (DuPont), DuPont Canada Inc., a Canadian corporation and majority owned subsidiary of DuPont (DuPont Canada), Enhance Packaging Technologies, Inc., a Canadian corporation and wholly owned subsidiary of DuPont Canada (Enhance), and EPT Newco, Inc., an Ohio corporation and wholly owned subsidiary of Enhance (EPT Newco), with respect to the common shares, without par value (the Common Stock), of Liqui-Box Corporation, an Ohio corporation (Liqui-Box):

Item 1. Security and Issuer.

This Schedule 13D relates to shares of Common Stock of Liqui-Box. The principal executive offices of Liqui-Box are located at 6950 Worthington Galena Road, Worthington, OH 43085.

Item 2. Identity and Background.

This Schedule 13D is filed by DuPont, DuPont Canada, Enhance and EPT Newco (collectively, the DuPont Companies). The principal executive offices of DuPont are located at 1007 Market Street, Wilmington, Delaware 19898. The principal executive offices of DuPont Canada, Enhance and EPT Newco are located at 7070 Mississauga Road, Mississauga, Ontario L5N 5M8, Canada.

DuPont was founded in 1802 and was incorporated in Delaware in 1915. DuPont is a world leader in science and technology in a range of disciplines including high-performance materials, synthetic fibers, electronics, specialty chemicals, agriculture and biotechnology. DuPont operates globally through some 22 strategic business units. Within the strategic business units, a wide range of products are manufactured for distribution and sale to many different markets, including the transportation, textile, construction, automotive, agricultural, home furnishings, medical, packaging, electronics and the nutrition and health markets.

DuPont's strategic business units have been aggregated into eight reportable segments: Agriculture & Nutrition, Nylon, Performance Coatings & Polymers, Pharmaceuticals, Pigments & Chemicals, Polyester, Specialty Fibers and Specialty Polymers. In February 2002, DuPont announced the realignment of its businesses into five market- and technology-focused growth platforms and its plans for the creation of a Textiles and Interiors subsidiary. The growth platforms are: DuPont Electronic & Communication Technologies; DuPont Performance Materials; DuPont Coatings & Color Technologies; DuPont Safety & Protection; and DuPont Agriculture & Nutrition.

DuPont owns a majority of the outstanding capital stock of DuPont Canada, a Canadian corporation. DuPont Canada is a diversified science company that operates manufacturing facilities in many different countries and develops technology, including aseptic technology that preserve the freshness of beverages and food for up to one year without refrigeration. DuPont Canada's strategic business units have been aggregated into five reportable segments: Nylon Enterprise, Performance Coatings and Polymers, Specialty Materials, Specialty Polymers and Films and Specialty Fibres.

DuPont Canada directly owns all of the outstanding capital stock of Enhance, a Canadian corporation. Enhance provides cost-effective and environmentally friendly turnkey pouch technology solutions for pumpable food and liquid packaging, primarily for the retail market.

Enhance directly owns all of the outstanding capital stock of EPT Newco, an Ohio corporation. It is not anticipated that, prior to the consummation of the Merger (as defined below), EPT Newco will have any significant assets or liabilities or will engage in any activities other than those incident to the Merger.

Information concerning the directors and executive officers of DuPont, DuPont Canada, Enhance and EPT Newco is contained in Schedule A attached hereto.

During the last five years, none of the DuPont Companies, nor, to the best knowledge of the DuPont Companies, any director or executive officer of the DuPont Companies has been (i) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding has been or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

Pursuant to the terms of the Merger Agreement (as defined below), the total amount of funds required by Enhance or EPT Newco to purchase all of the Common Stock of Liqui-Box and to pay all related fees and expenses is expected to be approximately \$333 million. Enhance and EPT Newco intend to obtain all such funds directly or indirectly from DuPont Canada, which in turn would obtain such funds from DuPont Canada's working capital.

Item 4. Purpose of the Transaction.

Enhance, EPT Newco and Liqui-Box entered into an Agreement and Plan of Merger, dated as of March 25, 2002 (the Merger Agreement), providing for, among other things, the merger of EPT Newco with and into Liqui-Box (the Merger).

Simultaneously with the execution and delivery of the Merger Agreement, Enhance and EPT Newco entered into a Shareholders Agreement, dated as of March 25, 2002 (the Shareholders Agreement), with certain shareholders of Liqui-Box (the Major Shareholders) who, as of March 25, 2002, owned 1,037,705 shares of Liqui-Box Common Stock and options exercisable for an additional 470,286 shares of Liqui-Box Common Stock. Under the Shareholders Agreement, the Major Shareholders have agreed, subject to the terms thereof, to grant Enhance or EPT Newco an irrevocable option to purchase all of their shares of Liqui-Box Common Stock (including shares issuable upon exercise of options held by the Major Shareholders) pursuant to the terms and conditions described in the Shareholders Agreement (the Option), and to vote their shares in favor of the Merger described in the Merger Agreement. If the Option were exercised and Enhance or EPT Newco were to acquire these shares, such shares would represent approximately 32.5% of the issued and outstanding shares of Liqui-Box Common Stock as of March 25, 2002 (including the 470,286 shares issuable upon exercise of options).

Merger Agreement

Under the terms of the Merger Agreement, at the effective time of the Merger, EPT Newco will be merged with and into Liqui-Box, which will be the surviving corporation in the Merger and will become a wholly-owned subsidiary of Enhance. Also at the effective time and as a result of the Merger, (i) each outstanding common share of Liqui-Box (except shares owned directly or indirectly by Enhance or EPT Newco or any of their respective subsidiaries or parent entities and shares held by dissenting Liqui-Box shareholders) will be converted into and represent the right to receive US \$67.00 per share (subject to adjustment as provided in Section 5.3 of the Merger Agreement); (ii) all common shares of Liqui-Box will no longer be outstanding and will be cancelled and retired; and (iii) each common share of EPT Newco will be converted into and represent the right to receive one common share, without par value, of Liqui-Box as the surviving corporation in the Merger.

Edgar Filing: LIQUI BOX CORP - Form SC 13D

Consummation of the Merger is subject to various conditions, including, among others, (i) adoption of the Merger Agreement and approval of the Merger by the shareholders of Liqui-Box; (ii) compliance with regulatory requirements under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the HSR Act), and the rules promulgated thereunder; (iii) no more than 10% of the outstanding Liqui-Box common shares being held by shareholders who object to the Merger and comply with all the provisions of Ohio law concerning the rights of dissenting shareholders; and (iv) no court or Governmental Entity (as defined in the Merger Agreement) having enacted, issued, enforced or entered any Order (as defined in the Merger Agreement) that is in effect and restrains, enjoins or otherwise prohibits consummation of the Merger, or having instituted any proceeding seeking any such Order.

The Merger Agreement may be terminated (i) by mutual written consent of the parties, either before or after approval by Liqui-Box shareholders; or (ii) by action of Enhance or the board of directors of Liqui-Box if (a) the Merger has not been consummated by August 30, 2002, whether such date is before or after the date Liqui-Box shareholders adopt the Merger Agreement and approve the Merger, provided that such consummation date may be extended to September 30, 2002 or the 30th day following the date that Liqui-Box and/or Enhance is deemed to be in substantial compliance with a request for additional information received from certain regulatory authorities, whichever occurs first, (b) the Liqui-Box shareholders meeting to adopt the Merger Agreement and approve the Merger has been convened, held or completed and such approval has not been obtained at such meeting or any adjournment or postponement of such meeting, or (c) any Order permanently restraining, enjoining or otherwise prohibiting the Merger shall have become final and non-appealable, whether before or after adoption of the Merger Agreement and approval of the Merger by Liqui-Box shareholders, except that the right to terminate the Merger Agreement under this provision is not available to any party that has breached its covenant to use commercially reasonable efforts to prevent such Order from being issued and to cause such Order to be vacated, withdrawn or lifted as specified in Section 7.4 of the Merger Agreement.

The Merger Agreement may be terminated by Liqui-Box and the Merger may be abandoned at any time prior to the effective time of the Merger by action of the board of directors of Liqui-Box if (i) Liqui-Box's board of directors authorizes Liqui-Box, subject to the terms of the Merger Agreement, to enter into a binding written agreement concerning a Superior Proposal (as defined in the Merger Agreement) and Liqui-Box notifies Enhance that it intends to enter into such an agreement, provided that Liqui-Box may not enter into a binding agreement with respect to a Superior Proposal until at least the first calendar day following the fifth business day (as defined in Rule 14d-1(g)(3) under the Securities Exchange Act of 1934, as amended) after such written notice has been provided to Enhance and Liqui-Box may not terminate the Merger Agreement or enter into a binding agreement with respect to a Superior Proposal if, within the period previously specified, Enhance has made a written offer that is deemed by a special committee of the Liqui-Box board of directors comprised entirely of non-management, independent directors to be at least as favorable to Liqui-Box shareholders as the Superior Proposal.

Also, the Merger Agreement may be terminated and the Merger may be abandoned at any time prior to the effective time of the Merger by Enhance if Liqui-Box's board of directors shall have failed to recommend, or shall have withdrawn or adversely modified its approval or recommendation of the Merger or failed to reconfirm its recommendation of the Merger within two business days after a written request from Enhance to do so, or shall have resolved to do any of the foregoing.

Unless otherwise agreed to in writing by Liqui-Box and Enhance, the closing of the Merger must occur on the second business day following the satisfaction or waiver of all conditions to the obligations of the parties to consummate the transactions contemplated by the Merger Agreement.

Shareholders Agreement

Option. Under the terms of the Shareholders Agreement, the Major Shareholders have granted to Enhance or EPT Newco an irrevocable option (the Option) to purchase, subject to certain adjustments as specified in the Shareholders Agreement, (i) all of the shares of Liqui-Box Common Stock held by the reporting person at a price of US \$67.00 per share and (ii) all of the options to purchase shares of Liqui-Box Common Stock held by the reporting person at a price equal to the excess of US \$67.00 per share over the applicable exercise price per share applicable to the options, payable in cash without interest. Subject to the terms of the Shareholders Agreement, the Option is exercisable at any time after the date on which all waiting periods under the HSR Act and the antitrust, competition, foreign investment or similar laws of any foreign countries or supranational commissions or boards that require pre-merger notification or filings with respect and applicable to the Merger have expired or been terminated.

The Option expires on the earliest of (i) the effective time of the Merger as specified in the Merger Agreement, (ii) August 30, 2002 and (iii) the date that Enhance notifies the Major Shareholders that Enhance no longer intends to acquire control of Liqui-Box. If the Option cannot be exercised or the securities covered by the Option cannot be delivered to EPT Newco upon exercise of the Option because of a preliminary or permanent injunction or other order issued by a federal or state court or because any required waiting period under the HSR Act or any Foreign Merger Laws (as defined in the Shareholders Agreement) has not expired or been terminated, then the expiration date of the Option will be extended until 30 days after such impediment to exercise or delivery has been removed.

Voting of Shares. Under the Shareholders Agreement, the Major Shareholders have agreed that, during the term of the Shareholders Agreement, at any meeting of Liqui-Box shareholders and in any action by written consent of Liqui-Box shareholders, each of them will:

(a) vote all shares of Liqui-Box Common Stock and any other securities of Liqui-Box which he then has the right to vote (collectively, the Voting Securities) in favor of the Merger;

(b) not vote any Voting Securities with respect to which he then has the right to vote in favor of any action or agreement which would result in a breach in any material respect of any covenant, representation or warranty or any other obligation of Liqui-Box under the Merger Agreement; and

(c) vote all Voting Securities which he then has the right to vote against any action or agreement which would impede, interfere with or attempt to discourage the Merger, including, but not limited to (i) any proposal opposed by Enhance or EPT Newco; (ii) any Acquisition Proposal (as defined in the Merger Agreement), other than the Merger, involving Liqui-Box or any of its subsidiaries; (iii) any change in the management or board of directors of Liqui-Box; (iv) any material change in the present capitalization or dividend policy of Liqui-Box; or (v) any other material change in Liqui-Box's corporate structure or business.

In the event that either of the Major Shareholders does not comply with the foregoing voting provisions, he shall be deemed to have irrevocably appointed designees of Enhance or EPT Newco as his attorneys, agents and proxies for purposes of voting the Voting Securities which he then is or may be entitled to vote at any meeting of Liqui-Box shareholders, or with respect to which he is or may be entitled to act by written consent.

Covenants. Under the terms of the Shareholders Agreement, the Major Shareholders also have agreed that each of them will not:

(a) sell, sell short, transfer, pledge, hypothecate, assign or otherwise dispose of, or enter into any contract, option, hedging arrangement or other arrangement or understanding with respect to the sale, transfer, pledge, hypothecation, assignment or other disposition of, any of the shares of Liqui-Box

Edgar Filing: LIQUI BOX CORP - Form SC 13D

Common Stock or options to purchase shares of Liqui-Box Common Stock held by him, or any Voting Securities over which he has dispositive power;

(b) deposit any of the shares of Liqui-Box Common Stock or options to purchase shares of Liqui-Box Common Stock held by him, or any Voting Securities over which he has dispositive power, into a voting trust, or grant any proxies or enter into a voting agreement with respect to any of such shares, options or Voting Securities;

(c) initiate, solicit or encourage, directly or indirectly, any inquiries or the making or implementation of any proposal that constitutes, or may reasonably be expected to lead to, any Acquisition Proposal or enter into discussions or negotiate with any person or entity in furtherance of such inquiries or to obtain an Acquisition Proposal; except that, as a member of Liqui-Box's board of directors, the reporting person may conduct himself in the manner expressly permitted under Section 7.2 of the Merger Agreement.

Pursuant to the Shareholders Agreement, the reporting person also has agreed not to engage in any action or omit to take any action which would have the effect of preventing or disabling him from delivering his shares of Liqui-Box Common Stock and options to purchase shares of Liqui-Box Common Stock to Enhance or EPT Newco or otherwise performing his duties under the Shareholders Agreement. To the extent that any options to purchase shares of Liqui-Box Common Stock held by the reporting person may not be assigned by him to Enhance or EPT Newco without exercising, exchanging or converting such options for or into shares of Liqui-Box Common Stock, the reporting person has agreed to so exercise, exchange or convert such options upon exercise of the Option. Further, any additional shares of Liqui-Box Common Stock, or options, warrants or other securities or rights exercisable for, exchangeable for or convertible into shares of Liqui-Box Common Stock acquired by the reporting person, or with respect to which the reporting person obtains voting power, will become subject to the Shareholders Agreement and will be considered Optioned Securities (as defined in the Shareholders Agreement) or Voting Securities, as the case may be.

The foregoing descriptions are qualified in their entirety by reference to the texts of the Merger Agreement and the Shareholders Agreement, copies of which are filed as exhibits to this Schedule 13D.

Item 5. Interest in Securities of Liqui-Box.

(a) As a result of entering into the Shareholders Agreement, the DuPont Companies may be deemed to own beneficially 1,639,674 shares of Liqui-Box Common Stock or 35.3% of the outstanding shares of Liqui-Box Common Stock.

(b) As a result of entering into the Shareholders Agreement, the DuPont Companies may be deemed to possess sole power to vote, or direct the vote of, 1,252,364 shares of Liqui-Box Common Stock.

(c) Except as set forth herein, none of the DuPont Companies, or any executive officer or director of any of the DuPont Companies (who are listed on Schedule A attached hereto), beneficially owns any shares of Liqui-Box Common Stock and none of the DuPont Companies, or any executive officer or director of any of the DuPont Companies, has engaged in any transaction in any such shares during the sixty day period immediately preceding the date hereof.

(d) Not applicable.

Effect of the Merger on Outstanding Securities; Exchange of Certificates

5.1 *Effect on Outstanding Securities.* At the Effective Time, as a result of the Merger and without any action on the part of the Company, the Parent, the Merger Subsidiary or any holder of any capital stock of the Company:

(a) *Merger Consideration.*

- (i) Each share of Common Stock issued and outstanding immediately prior to the Effective Time (other than the Excluded Shares and the Dissenting Shares) shall be converted into and represent the right to receive the Price per Share.
- (ii) All shares of Common Stock shall no longer be outstanding and shall be canceled and retired and shall cease to exist, and certificates formerly representing shares of Common Stock (the Certificates) (other than the Excluded Shares and the Dissenting Shares) shall be converted into and represent the right to receive the Price per Share multiplied by the number of shares of Common Stock formerly represented by such Certificate (the Merger Consideration).
- (iii) Each outstanding Company Option (as defined herein) shall be canceled or exercised in accordance with Section 7.9(a).

(b) *Cancellation of Excluded Shares.* Each Excluded Share issued and outstanding immediately prior to the Effective Time shall cease to be outstanding, shall be canceled and retired without payment of any consideration therefor and shall cease to exist.

(c) *Treatment of Dissenting Shares.* Notwithstanding anything in this Agreement to the contrary, shares of Common Stock outstanding immediately prior to the Effective Time and held by a shareholder who has not voted in favor of the Merger or consented thereto in writing and who is entitled to and has demanded appraisal for such shares of Common Stock in accordance with the OGCL shall not be converted into a right to receive the Price per Share, unless such shareholder fails to perfect or withdraws or otherwise loses its right to appraisal. If after the Effective Time such shareholder fails to perfect or withdraws or otherwise loses its right to appraisal, such shares of Common Stock shall be treated as if they had been converted as of the Effective Time into a right to receive the Price per Share. The Company shall give the Parent and the Merger Subsidiary prompt notice of any demands received by the Company for appraisal of shares of Common Stock, and the Parent shall have the right to participate in all negotiations and proceedings with respect to such demands. The Company shall not, except with the prior written consent of the Parent, make any payment with respect to, or settle or offer to settle, any such demands, except as otherwise required under applicable law.

(d) *The Merger Subsidiary.* Each common share, without par value, of the Merger Subsidiary issued and outstanding immediately prior to the Effective Time shall be converted into and represent the right to receive one common share, without par value, of the Surviving Corporation.

5.2 *Surrender and Payment.*

The Depository shall cause the

Edgar Filing: LIQUI BOX CORP - Form SC 13D

(b) *Exchange Procedures.* As soon as reasonably practicable after the Effective Time, the Parent or the Surviving Corporation shall cause the Depositary to mail to each holder of record of outstanding shares of Common Stock (i) a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates to the Depositary) and (ii) instructions for use in effecting the surrender of the Certificates in exchange for the Merger Consideration. Upon surrender of a Certificate for cancellation to the Depositary, together with a letter of transmittal, duly executed, and such other documents as may reasonably be required by the Depositary, the Depositary shall pay the holder of such Certificate the Merger Consideration in respect of such Certificate, less any required withholding taxes, and the Certificate so surrendered shall forthwith be canceled. If any portion of the Merger Consideration is to be paid to a person (as defined in the Exchange Act) (a Person) other than the registered holder of the shares represented by the Certificate or Certificates surrendered in exchange therefor, it shall be a condition to such payment that the Certificate or Certificates so surrendered shall be properly endorsed or otherwise be in proper form for transfer and that the Person requesting such payment shall pay to the Depositary any transfer or other taxes required as a result of such payment to a Person other than the registered holder of such shares or establish to the satisfaction of the Depositary that such tax has been paid or is not payable. Until surrendered as contemplated by this Section 5.2(b), each Certificate (other than Certificates representing Excluded Shares or Dissenting Shares) shall be deemed at any time after the Effective Time to represent only the right to receive the Merger Consideration upon such surrender.

(c) *No Further Ownership Rights in Common Stock.* All Merger Consideration paid upon the surrender of Certificates in accordance with the terms of this Article V shall be deemed to have been paid in full satisfaction of all rights pertaining to the shares of Common Stock theretofor represented by such Certificates. If, after the Effective Time, Certificates are presented to the Surviving Corporation or the Depositary for any reason, they shall be canceled and exchanged as provided in this Article V, except as otherwise provided by law.

If any Certificate has not been surrendered prior to five (5) years after the Effective Time (or immediately prior to such earlier date on which Merger Consideration in respect of such Certificate would otherwise escheat to or become the property of any public official), any shares, cash, dividends or distributions in respect of such Certificate shall, to the extent permitted by applicable law, become the property of the Surviving Corporation, free and clear of all claims or interest of any Person previously entitled thereto.

(f) *Investment of Funds.* The Payment Fund shall be invested by the Depositary in accordance with the instructions of the Parent or the Merger Subsidiary and all earnings thereon shall inure to the benefit of the Merger Subsidiary.

(j) the Company shall not, and shall not permit any of its Subsidiaries to, take any action that would, or that could reasonably be expected to, result in any of the representations or warranties of the Company in Section 6.1 becoming untrue.

7.2 Acquisition Proposals.

(a) The Company shall, and shall cause its affiliates and the officers, directors, employees, representatives and agents of the Company and its Subsidiaries (including, without limitation, any investment banker, attorney or accountant retained by the Company or any of its Subsidiaries) to, immediately cease and terminate any existing activities, discussions or negotiations, if any, with any parties (other than the Parent and the Merger Subsidiary, any affiliate or associate of the Parent and the Merger Subsidiary or any designees of the Parent and the Merger Subsidiary) conducted heretofore with respect to any acquisition or exchange of all or any material portion of the assets of, or any equity interest in, the Company or any of its Subsidiaries (by direct purchase from the Company, tender or exchange offer or otherwise) or any business combination, merger or similar transaction (including an exchange of stock or assets) with or involving the Company or any of its Subsidiaries (an Acquisition Transaction), other than the Merger.

(b) Except as set forth in Section 7.2(c), the Company shall not, and shall not permit its affiliates and the officers, directors, employees, representatives and agents of the Company and its Subsidiaries (including, without limitation, any investment banker, attorney or accountant retained by the Company or any of its Subsidiaries) to, directly or indirectly, encourage, solicit, initiate or participate in discussions or negotiations with, or provide any nonpublic information or data to, any Person (other than the Parent and the Merger Subsidiary, any affiliate or associate of the Parent and the Merger Subsidiary or any designees of the Parent and the Merger Subsidiary) with respect to any inquiries or the making of any offer or proposal (including, without limitation, any offer or proposal to the shareholders of the Company) concerning an Acquisition Transaction (an Acquisition Proposal) or otherwise facilitate any effort or attempt to make or implement an Acquisition Proposal.

(c) The Company may furnish information and access, but only in response to a request for information or access, to any Person making a bona fide written Acquisition Proposal to the Board of Directors of the Company after the date hereof which was not encouraged, solicited or initiated by the Company or any of its affiliates or any officer, director, employee, representative or agent of the Company or any of its Subsidiaries (including, without limitation, any investment banker, attorney or accountant retained by the Company or any of its Subsidiaries) on or after the date hereof and may participate in discussions and negotiate with such Person concerning any such Acquisition Proposal and may authorize the Company to enter into a binding written agreement concerning a Superior Proposal. An Acquisition Proposal shall be deemed to be a Superior Proposal if and only if the board of directors of the Company determines in good faith, after consultation with outside legal counsel and financial advisors to the Company, that such Acquisition Proposal, if accepted, is reasonably likely to be consummated, taking into account all legal, financial and regulatory aspects of the proposal and the Person making the proposal, and would, if consummated, result in a transaction more favorable to the Company's shareholders than the transaction contemplated by this Agreement.

(d) Nothing in this Agreement shall prohibit the board of directors of the Company from, to the extent applicable, complying with Rule 14e-2 or Schedule 14D-9 promulgated under the Exchange Act with regard to an Acquisition Proposal. The Company will notify the Parent within twenty-four (24) hours if any such inquiries or proposals are received by, any information is requested from, or any negotiations or discussions are sought to be initiated or continued with the

Company and shall in such notice indicate the identity of the offeror and the material terms and conditions of any such Acquisition Proposal and thereafter shall keep the Parent reasonably informed, on a current basis, of the status and material terms of such Acquisition Proposal and the status of such negotiations or discussions, providing copies to the Parent of any Acquisition Proposals made in writing.

(e) The Company shall provide the Parent with five (5) days advance notice of, in each and every case, its intention to either provide any information to or enter into any agreement with any Person making any Acquisition Proposal. Prior to providing information to or negotiating with any other party, the Company and such other party will enter into a confidentiality or non-disclosure agreement containing terms no less restrictive than the terms of the letter agreement between the Company and the Parent dated November 30, 2001. The Company agrees not to release any third party from, or waive any provisions of, any such confidentiality or non-disclosure agreement and will use commercially reasonable efforts to enforce any such agreements at the request of and on behalf of the Parent.

(f) The Company will inform its affiliates and the officers, directors, employees, representatives and agents of the Company and its Subsidiaries (including, without limitation, any investment banker, attorney or accountant retained by the Company or any of its Subsidiaries) of the obligations undertaken in this Section 7.2.

7.3 Company Shareholder Approval; Proxy Statement.

(a) The Company, acting through its board of directors, shall (i) call a meeting of its shareholders (the Company Shareholders Meeting) for the purpose of voting to adopt this Agreement and to approve the Merger as soon as possible following the date of this Agreement, (ii) hold the Company Shareholders Meeting as promptly as practicable following the date of this Agreement and (iii) recommend to its shareholders the adoption of this Agreement and the approval of the Merger. Notwithstanding the foregoing, the board of directors of the Company may withdraw, modify or amend any recommendation that the shareholders approve the Merger if the Company receives a Superior Proposal.

(b) The Company will, within ten (10) Business Days after the date of this Agreement, prepare and file a preliminary proxy statement (the Proxy Statement) with respect to the Company Shareholders Meeting with the SEC, will respond to any comments of the SEC or its staff and any request by the SEC or its staff for amendments or supplements to the Proxy Statement or for additional information within five (5) Business Days and will supply the Parent with copies of all correspondence between the Company or any of its representatives, on the one hand, and the SEC or its staff, on the other hand, with respect to the Proxy Statement or the Merger. The Parent and the Merger Subsidiary shall furnish to the Company all information regarding the Parent, the Merger Subsidiary and their affiliates that may be required (pursuant to the Exchange Act and other applicable Laws) to be set forth in the Proxy Statement. The Company shall give the Parent and its counsel the opportunity to review the Proxy Statement and any supplements or amendments thereto prior to their being filed with the SEC and shall give the Parent and its counsel the opportunity to review all replies to comments and responses to requests for additional information prior to their being filed with, or sent to, the SEC. Each of the Company and the Parent agrees to use commercially reasonable efforts, after consultation with the other parties hereto, to respond promptly to all such comments of and requests by the SEC. Within two (2) Business Days after the Proxy Statement has been cleared by the SEC, the Company shall mail the Proxy Statement to the shareholders of the Company. If at any time prior to the approval of this Agreement by the Company's shareholders there shall occur any event which should be set forth in an amendment or supplement to the Proxy Statement, the Company will prepare and mail to its shareholders such an amendment or supplement.

(c) The Company represents and warrants that the Proxy Statement and any supplements or amendments thereto will comply in all material respects with applicable provisions of the Exchange Act and, at the respective times filed with the SEC and distributed to shareholders of the Company, will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading; provided that the Company makes no representation or warranty as to any information included in the Proxy Statement and any supplements or amendments thereto that was provided by the Parent or the Merger Subsidiary. The Parent represents and warrants that none of the information supplied by the Parent or the Merger Subsidiary for inclusion in the Proxy Statement and any supplements or amendments thereto will, at the respective times that they are filed with the SEC and distributed to shareholders of the Company, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

7.4 Approvals and Consents; Cooperation.

(a) The Company and the Parent shall cooperate with each other and use (and shall cause their respective Subsidiaries to use) commercially reasonable efforts to take or cause to be taken all actions, and do or cause to be done all things, necessary, proper or advisable under this Agreement, the Shareholders Agreement and applicable Laws to consummate and make effective the Merger and the other transactions contemplated by this Agreement and the Shareholders Agreement, as soon as possible, including preparing and filing as promptly as practicable all documentation to effect all necessary applications, notices, petitions, filings and other documents and to obtain as promptly as practicable all permits, consents, approvals and authorizations necessary or advisable to be obtained from any third party and/or any Governmental Entity in order to consummate the Merger or any of the other transactions contemplated by this Agreement and the Shareholders Agreement.

(b) The Company and the Parent each agree to use commercially reasonable efforts to take or cause to be taken all appropriate action, and do or cause to be done such things as may be necessary under federal or state securities laws or the HSR Act or Foreign Merger Laws applicable to or necessary for, and will file as promptly as practicable and, if appropriate, use commercially reasonable efforts to have declared effective or approved, all documents and notifications with the SEC and other Governmental Entities that they deem necessary or appropriate for, the consummation of the Merger or any of the other transactions contemplated hereby and each party shall give the other information reasonably requested by such other party pertaining to it and its Subsidiaries and affiliates to enable such other party to take such actions.

(c) The Company, the Parent and the Merger Subsidiary each agree to use commercially reasonable efforts to contest and resist any action, including legislative, administrative or judicial action, and to have vacated, lifted, reversed or overturned any decree, judgment, injunction or other order (whether temporary, preliminary or permanent) that is in effect and that restricts, prevents or prohibits the consummation of the Merger or any of the other transactions contemplated by this Agreement, including, without limitation, by pursuing available avenues of administrative and judicial appeal.

(d) The Company, the Parent and the Merger Subsidiary each agree to use commercially reasonable efforts to take any and all actions necessary to avoid or eliminate each and every impediment under any antitrust law that may be asserted by any Governmental Entity or any other party so as to enable the parties to close the transactions contemplated hereby by the date specified in Section 9.2(a) provided, however, that nothing in this Section 7.4 shall require, or be construed to require, the Parent to proffer to, or agree to, sell or hold separate and agree to sell,

before or after the Effective Time, any assets, businesses or interest in any assets or businesses of the Parent, the Company or any of their respective affiliates (or to consent to any sale of, or agreement to sell, by the Company any of its assets or businesses) or to agree to any material change or restriction in the operations of any such assets or businesses and provided, further, that nothing in this Section 7.4 shall require, or be construed to require, a proffer or agreement that would, in the reasonable judgment of the Parent, be likely to have an adverse effect on the benefits to the Parent of the transactions contemplated by this Agreement.

(e) Subject to applicable Laws relating to the exchange of information, the Parent and the Company shall have the right to review in advance, and to the extent practicable each will consult the other on, all the information relating to the Parent or the Company, as the case may be, and any of their respective Subsidiaries and affiliates, that appear in any filing made with, or written materials submitted to, any third party and/or any Governmental Entity in connection with the Merger and the other transactions contemplated by this Agreement and the Shareholders Agreement. In exercising the foregoing right, each of the Company and the Parent shall act reasonably and as promptly as practicable.

7.5 Filings; Other Actions; Notification.

(a) The Company and the Parent each shall, upon request, furnish the other with all information concerning itself, its Subsidiaries, affiliates, directors, officers and shareholders or stockholders and such other matters as may be reasonably necessary or advisable in connection with the Proxy Statement or any other statement, filing, notice or application made by or on behalf of the Parent, the Company or any of their respective Subsidiaries to any Governmental Entity in connection with the Merger and the transactions contemplated by this Agreement and the Shareholders Agreement.

(b) The Company and the Parent each shall keep the other apprised of the status of matters relating to completion of the transactions contemplated hereby, including promptly furnishing the other with copies of notices or other communications received by the Parent, the Company or any of their respective Subsidiaries from any third party or any Governmental Entity with respect to the Merger and the other transactions contemplated by this Agreement and the Shareholders Agreement. The Company shall give prompt notice to the Parent of any change that has resulted in or is reasonably likely to result in a change in any representation or warranty in Section 6.1 or a Company Material Adverse Effect and the Parent shall give the Company prompt notice of any event, fact, circumstance or occurrence that would be reasonably likely to have an adverse effect on the ability of the Parent or the Merger Subsidiary to complete the Merger or to comply with their respective obligations contained in this Agreement.

7.6 Access. From the date hereof until the earlier of the Effective Time or the termination of this Agreement, upon reasonable notice, the Company shall afford to the officers, employees, financial advisors, attorneys, accountants and other representatives of the Parent reasonable access to all of its and its Subsidiaries' properties, books and records (including security position listings or other information concerning beneficial and record owners of the Company's securities), their Contracts or other commitments and their officers, management employees and representatives and, during such period, the Company shall furnish promptly to the Parent, consistent with its obligations under this Agreement and its other legal obligations, all information reasonably requested concerning its business, properties and personnel.

7.7 Delisting; De-registration. The Surviving Corporation shall use commercially reasonable efforts to cause the Shares to be delisted from the Nasdaq National Market and de-registered under the Exchange Act as soon as practicable following the Effective Time.

7.8 Publicity. The initial press release relating to this Agreement and the Merger shall be a joint press release, the content of which shall be prepared by the Parent in consultation with the Company, and thereafter the Company shall consult with and obtain approval of the Parent prior to issuing any press releases or otherwise making public statements with respect to the transactions contemplated by this Agreement and prior to making any filings with any Governmental Entity with respect to the transactions contemplated by this Agreement; provided, however, that the Company may issue any press release or make any public statement or make any filing it believes in good faith is required by applicable law or the rules and regulations of the SEC (in which case the Company will use its reasonable best efforts to give the Parent prior notice).

7.9 Benefits.

(a) *Stock Options.*

- (i) The board of directors of the Company (or, if appropriate, any committee administering the Stock Plans) shall adopt such resolutions or take such other actions as are required to adjust the terms of all outstanding Company Options to provide that, at the Effective Time, each Company Option outstanding (whether or not vested) shall be canceled in exchange for the right to receive a cash payment of, or can only be exercised for net cash equal to, an amount equal to (A) the excess, if any, of (1) the Price per Share over (2) the exercise price per share of Common Stock subject to such Company Option, multiplied by (B) the number of shares of Common Stock for which such Company Option shall not theretofor have been exercised. Upon surrender to the Surviving Corporation at the address set forth in Section 10.6 of Company Options and/or such other documents as may reasonably be requested by the Surviving Corporation, the Parent hereby agrees to cause the Surviving Corporation to deliver to the registered holders of such Company Options (as indicated in the records of the Company) such cash payment. After the date of this Agreement, neither the board of directors of the Company nor any committee thereof shall cause any Company Option to become exercisable as a result of the execution of this Agreement or the consummation of the transactions contemplated hereby.
- (ii) All amounts payable pursuant to this Section 7.9 shall be subject to any required withholding of taxes and shall be paid without interest.
- (iii) The board of directors of the Company shall take all necessary action to terminate the Stock Plans as of the Effective Time and the board of directors of the Company shall take all necessary action to delete the provisions in any other Compensation and Benefit Plan providing for the issuance, transfer or grant of any capital stock of the Company or any interest in respect of any capital stock of the Company as of the Effective Time, and the Company shall ensure that following the Effective Time no holder of a Stock Option or any participant in any Stock Plan or other Compensation and Benefit Plan shall have any right thereunder to acquire any capital stock of the Company or the Surviving Corporation.

(b) *Employee Benefits.* If required by the Parent, the Company shall, immediately prior to the Closing Date, take action to terminate, merge, consolidate, transfer the assets of or otherwise amend the Company's Employees Profit Sharing and Salary Deferral Plan and Trust (the Company 401(k)) and the Liqui-Box Corporation Employees Stock Ownership Plan (the Company ESOP), provided that any action required by the Parent will be in compliance with all applicable requirements of the Code and regulations thereunder so that the tax-qualified status of the Company 401(k) and the Company ESOP will be maintained. The Company will provide to the Parent resolutions of the board of directors of the Company authorizing any such required action. Except for those benefits provided to employees listed on Schedule 6.1(x), with regard to

other employee benefits, at and for a period of one (1) year after the Closing, the Parent shall provide such benefits to the Employees by either (i) continuing the relevant Compensation and Benefit Plans; (ii) allowing the Employees to participate in plans sponsored or maintained by the Parent or an affiliate of the Parent; (iv) establishing new plans or (iii) some combination of (i), (ii) and (iii); provided, that, in the aggregate, the benefits under any such plans are substantially similar to the benefits provided under the relevant Compensation and Benefit Plans prior to the Closing. To the extent that the Employees participate in any employee benefit plans sponsored or maintained by the Parent or an affiliate of the Parent or in any newly-established plan after the Closing, the Employees will receive credit for service under each such plan, for eligibility and/or vesting purposes, for all service credit that they had with the Company and its Controlled Group Affiliates prior to the Closing in a comparable plan.

7.10 *Expenses.* The Surviving Corporation shall pay all charges and expenses, including those of the Depositary, in connection with the transactions contemplated in Article V. Except as otherwise provided in Section 9.5(b), whether or not the Merger is consummated, all costs and expenses incurred in connection with this Agreement, the Shareholders Agreement and the Merger and the other transactions contemplated by this Agreement and the Shareholders Agreement shall be paid by the party incurring such expense.

7.11 *Indemnification.*

(a) The articles of incorporation of the Surviving Corporation shall contain provisions no less favorable with respect to indemnification than are set forth in Article VI of the Amended Articles of Incorporation of the Company, which provisions shall not be amended, repealed or otherwise modified for a period of six (6) years from the Effective Time in any manner that would affect adversely the rights thereunder of individuals who at or prior to the Effective Time were directors or officers of the Company, with respect to any act or omission in their capacity as an officer or director of the Company occurring on or prior to the Effective Time, unless such modification shall be required by law.

(b) The Company shall, to the fullest extent permitted under applicable law and regardless of whether the Merger becomes effective, indemnify and hold harmless, and after the Effective Time, the Surviving Corporation shall, to the fullest extent permitted under applicable law, indemnify and hold harmless each present and former director and officer of the Company (collectively, the Indemnified Parties) against all costs and expenses (including reasonable attorneys' fees), judgments, fines, losses, claims, damages, liabilities and settlement amounts paid in connection with any claim, action, suit, proceeding or investigation (whether arising before or after the Effective Time), whether civil, criminal, administrative or investigative, arising out of or directly pertaining to any action or omission in their capacity as an officer or director of the Company occurring at or prior to the Effective Time, whether asserted or claimed prior to, at or after the Effective Time, for a period of six (6) years after the Effective Time, in each case to the fullest extent permitted under applicable law (and shall pay any expenses in advance of the final disposition of such action or proceeding to each Indemnified Party to the fullest extent permitted under applicable law, upon receipt from the Indemnified Party to whom expenses are advanced of an undertaking to repay such advances required under applicable law) if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation, and with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Corporation, and with respect to any criminal action or proceeding, he had reasonable cause to believe that his conduct was unlawful. In the event of any such claim, action, suit, proceeding or investigation, (i) the Company or the

Surviving Corporation, as the case may be, shall pay the reasonable fees and expenses of counsel selected by the Indemnified Parties and reasonably satisfactory to the Parent promptly after statements therefor are received and (ii) the Company or the Surviving Corporation, as the case may be, shall cooperate with the Indemnified Parties in the defense of any such matter. In the event that any claim for indemnification is asserted or made within such six-year period, all rights to indemnification in respect of such claim shall continue until the final disposition of such claim.

(c) In the event the Company or the Surviving Corporation or any of their respective successors or assigns (i) consolidates with or merges into any other person and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfers all or substantially all of its properties and assets to any person, then, and in each such case, proper provision shall be made so that the successors and assigns of the Company or the Surviving Corporation, as the case may be, or at the Parent's option, the Parent, shall assume the obligations set forth in this Section 7.11.

(d) The provisions of this Section 7.11 are intended to be for the benefit of, and shall be enforceable by, each of the Indemnified Parties as intended third party beneficiaries and their heirs and estates and shall be binding on all successors and assigns of the Parent and the Surviving Corporation.

7.12 *Antitakeover Statutes.* If any Antitakeover Statute is or may become applicable to the Merger or the other transactions contemplated by this Agreement or the Shareholders Agreement, each of the Parent and the Company and their respective boards of directors shall grant such approvals and take such lawful actions as are reasonably practicable so that such transactions may be consummated as promptly as practicable on the terms contemplated by this Agreement or the Shareholders Agreement or by the Merger and otherwise act to eliminate or minimize the effects of such statute or regulation on such transactions; provided, however, that in no event shall the Parent be required to take any actions which, in its reasonable judgment, would subject it to undue burden or expense.

7.13 *Release of Company Guarantees.* Prior to the Effective Time, the Company shall obtain releases of any guarantees by the Company of loans to employees.

7.14 *Sale of Certain Items.* Prior to the Effective Time, if so requested in writing by Samuel B. Davis, the Company shall sell to Samuel B. Davis the items listed on Schedule 7.14 at their fair market value, as determined by independent appraisers selected by the Company, for cash due at the time of such sale.

7.15 *Title to Real Property.* Prior to the Effective Time, the Company shall execute and record the documents necessary to establish title to the Worthington, Ohio property and the Ashland, Ohio property in the Company.

(d) *Covenants.* The Company shall have performed and complied with all of its covenants set forth in Article 7 in all material respects through the Closing Date.

(e) *Dissenters.* No more than ten percent (10%) of the outstanding shares of Common Stock shall be Dissenting Shares.

(f) *No Injunctions or Restraints.* (i) No court or Governmental Entity of competent jurisdiction shall have enacted, issued, enforced or entered any statute, rule, regulation, judgment, decree, injunction or other order (whether temporary, preliminary or permanent) (collectively, an Order) that is in effect and restrains, enjoins or otherwise prohibits consummation of the Merger; provided, however, that prior to invoking this provision, each party shall use commercially reasonable efforts to have any such Order lifted or withdrawn, and (ii) no Governmental Entity shall have instituted any proceeding seeking any such Order.

8.2 *Conditions to the Obligations of the Company.* The obligations of the Company are subject to the satisfaction or waiver at or prior to the Closing of each of the following conditions:

(c) *Representations and Warranties.* The representations and warranties set forth in Section 6.2 above shall be true and correct at and as of the Closing Date.

(d) *No Injunctions or Restraints.* (i) No court or Governmental Entity of competent jurisdiction shall have enacted, issued, enforced or entered any Order that is in effect and restrains, enjoins or otherwise prohibits consummation of the Merger; provided, however, that prior to invoking this provision, each party shall use commercially reasonable efforts to have any such Order lifted or withdrawn, and (ii) no Governmental Entity shall have instituted any proceeding seeking any such Order.

ARTICLE IX

Termination

9.1 *Termination by Mutual Consent.* This Agreement may be terminated and the Merger may be abandoned at any time prior to the Effective Time, whether before or after the approval by shareholders of the Company referred to in Section 8.1(a), by mutual written consent of the Company, the Parent and the Merger Subsidiary.

9.2 *Termination by Either the Parent or the Company.* This Agreement may be terminated and the Merger may be abandoned at any time prior to the Effective Time by action of the Parent or the board of directors of the Company if:

(a) the Merger shall not have been consummated by August 30, 2002, whether such date is before or after the date of approval by the shareholders of the Company referred to in Section 8.1(a); provided, however, that if a request for additional information is received from a Governmental Entity or pursuant to the HSR Act or Foreign Merger Laws, then such date shall be

extended to the thirtieth (30th) day following the date when such Governmental Entity has deemed the Parent and/or the Company, as applicable, to be in substantial compliance with such request for additional information, but in any event not later than September 30, 2002, provided that the right to terminate this Agreement pursuant to this Section 9.2(a) shall not be available to any party that has breached in any material respect its obligations under this Agreement in any manner that shall have been the proximate cause of, or resulted in, the failure to consummate the Merger by the date referred to in this Section 9.2(a);

(b) the Company Shareholders Meeting shall have been convened, held and completed and the approval referred to in Section 8.1(a) shall not have been obtained thereat or at any adjournment or postponement thereof; or

(c) any Order permanently restraining, enjoining or otherwise prohibiting the Merger shall become final and non-appealable (whether before or after the approval referred to in Section 8.1(a)), provided, however, that the right to terminate this Agreement pursuant to this Section 9.2(c) shall not be available to any party that has breached its covenant in Section 7.4 to use commercially reasonable efforts to prevent such Order from being issued and to use commercially reasonable efforts to cause such Order to be vacated, withdrawn or lifted.

9.3 *Termination by the Company.* This Agreement may be terminated and the Merger may be abandoned at any time prior to the Effective Time by action of the board of directors of the Company if:

(a) the board of directors of the Company authorizes the Company, subject to compliance with the terms of this Agreement, including Section 7.2, to enter into a binding written agreement concerning a Superior Proposal and the Company notifies the Parent in writing that it intends to enter into such an agreement, attaching the most current version of such agreement to such notice; provided, however, that the Company (x) will not enter into a binding agreement concerning a Superior Proposal until at least the first calendar day following the fifth (5th) Business Day after it has provided the written notice to the Parent required thereby, (y) will notify the Parent promptly if its intention to enter into the binding written agreement referred to in such notice shall change at any time after giving such notification and (z) will not terminate this Agreement or enter into a binding agreement if the Parent has, within the period referred to in clause (x) of this sentence, made a written offer that is deemed by the Special Committee, in consultation with its outside legal counsel and financial advisors, to be at least as favorable to the Company's shareholders as the Superior Proposal; or

(b) any representation or warranty of the Parent or the Merger Subsidiary in this Agreement shall not be true and correct in any material respect, as if such representation or warranty was made as of such time on or after the date of this Agreement; or the Parent or the Merger Subsidiary shall have failed to perform in any material respect any obligation or to comply in any material respect with any agreement or covenant of the Parent or the Merger Subsidiary to be performed or complied with by it under this Agreement and which, in any such case, shall not have been cured within five (5) Business Days following receipt of notice thereof.

9.4 *Termination by the Parent.* This Agreement may be terminated and the Merger may be abandoned at any time prior to the Effective Time by action of the Parent if:

(a) the board of directors of the Company shall have failed to recommend, or shall have withdrawn or adversely modified its approval or recommendation of, the Merger or failed to reconfirm its recommendation of the Merger within two (2) Business Days after a written request by the Parent to do so, or shall have resolved to do any of the foregoing; or

(b) any representation or warranty of the Company in this Agreement (disregarding any qualifications contained therein regarding materiality or Company Material Adverse Effect) shall

not be true and correct, as if such representation or warranty was made as of such time on or after the date of this Agreement, except to the extent that such failure to be true and correct has not had, and is not reasonably likely to have, a Company Material Adverse Effect, or the Company shall have failed to perform in any material respect any obligation or to comply in any material respect with any agreement or covenant of the Company to be performed or complied with by it under this Agreement and which, in any such case, shall not have been cured within five (5) Business Days following receipt of notice thereof.

9.5 Effect of Termination and Abandonment.

(a) In the event of termination of this Agreement and the abandonment of the Merger pursuant to this Article IX, this Agreement (other than as set forth in Section 10.1) shall become void and of no effect with no liability of any party hereto (or any of its directors, officers, employees, agents, legal and financial advisors or other representatives); provided, however, that, except as otherwise provided herein, no such termination shall relieve any party hereto of any liability or damages resulting from any willful breach of this Agreement or for payment of the termination fees or expenses payable pursuant to Section 9.5(b).

(b) In the event that (i)(A) a bona fide Acquisition Proposal shall have been made to the Company or any of its shareholders or any Person shall have announced an intention (whether or not conditional) to make an Acquisition Proposal with respect to the Company, and on or following the date of this Agreement, such Acquisition Proposal, announcement or intention is or becomes publicly known, and (B) on or following the date on which such Acquisition Proposal, announcement or intention is or becomes publicly known, this Agreement is terminated by either the Parent or the Company pursuant to Section 9.2(a), or (ii) this Agreement is terminated (A) by the Company pursuant to Section 9.3(a) or (B) by the Parent pursuant to Section 9.4(a), then the Company shall promptly, but in no event later than two (2) Business Days after the date of such termination if terminated by the Parent or the Merger Subsidiary and simultaneously if terminated by the Company pay to the Parent a termination fee of \$12,000,000 in cash payable by wire transfer of same day funds to an account to be specified by the Parent and shall promptly, but in no event later than two (2) Business Days after the date of notification by the Parent of the amount, reimburse the Parent for all actual, documented out-of-pocket costs, charges and expenses actually incurred by DuPont Canada Inc., the Parent or the Merger Subsidiary in connection with this Agreement and the Shareholders Agreement and the transactions contemplated by this Agreement and the Shareholders Agreement, including, without limitation, fees and expenses of accountants, attorneys and financial advisors, in cash by wire transfer of same day funds to an account to be specified by the Parent. The Company acknowledges that the agreements contained in this Section 9.5(b) are an integral part of the transactions contemplated by this Agreement and that, without these agreements, the Parent and the Merger Subsidiary would not enter into this Agreement; accordingly, if the Company fails to promptly pay the amount due pursuant to this Section 9.5(b) and, in order to obtain such payment, the Parent or the Merger Subsidiary commences a suit which results in a binding nonappealable judgment rendered by a court of competent jurisdiction against the Company for the fee set forth in this paragraph (b), the Company shall pay to the Parent or the Merger Subsidiary its costs and expenses (including reasonable attorneys' fees) in connection with such suit, together with interest on the amount of the fee at the prime rate of The Chase Manhattan Bank in effect on the date such payment was required to be made.

SHAREHOLDERS AGREEMENT

This Shareholders Agreement (this Agreement), dated as of March 25, 2002, among the persons listed on Schedule 1 hereto (each, a Holder and, collectively, the Holders), Enhance Packaging Technologies Inc., a Canadian corporation (the Parent), and EPT Newco, Inc., an Ohio corporation and a wholly owned subsidiary of the Parent (the Merger Subsidiary).

WHEREAS, the Parent, the Merger Subsidiary and Liqui-Box Corporation, an Ohio corporation (the Company), are entering into an Agreement and Plan of Merger (the Merger Agreement), dated as of the date hereof, which provides for the merger of the Merger Subsidiary into the Company, with the Company surviving (the Merger);

WHEREAS, each Holder owns the number of common shares, without par value, of the Company (the Shares) or options to purchase Shares (the Stock Options and, collectively with the Shares, the Optioned Securities), or has the right to vote the number of Shares or other securities (the Voting Securities), listed opposite the name of such Holder on Schedule 1;

WHEREAS, the board of directors of the Company has unanimously, with the exception of the Holders, who abstained, approved this Agreement, the Merger Agreement and the Merger and the transactions contemplated hereby and thereby in accordance with the Ohio General Corporation Law, including but not limited to specifically for purposes of Chapter 1704 thereof;

WHEREAS, the Parent and the Merger Subsidiary have required, as a condition to entering into the Merger Agreement, that the Holders enter into this Agreement; and

WHEREAS, the Holders believe that it is in the best interest of the Company and its shareholders to induce the Parent and the Merger Subsidiary to enter into the Merger Agreement and, therefore, the Holders are willing to enter into this Agreement.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and agreements set forth herein and such other valuable consideration the receipt of which is hereby acknowledged, the parties hereto, intending to be legally bound hereby, agree as follows:

1. *The Option.* Each Holder hereby grants the Parent or the Merger Subsidiary an irrevocable option to purchase all of the Shares held by such Holder at a price of \$67.00 per share and all of the Stock Options held by such Holder at a price equal to the excess of \$67.00 per share over the applicable exercise price per share, payable in cash, without interest (the Option); provided, however, that, if the price per share paid by the Parent or the Merger Subsidiary to other shareholders in connection with the Merger is more than \$70.18, the price per Share and price per Stock Option paid by the Parent or the Merger Subsidiary to the Holders shall be adjusted so that the Holders also receive the difference between such higher price and \$67.00; and provided, further, that, if, prior to the consummation of the Merger, in connection with an Acquisition Transaction (as defined in the Merger Agreement) other than the Merger, the Parent or the Merger Subsidiary sells any of the Optioned Securities purchased by the Parent or the Merger Subsidiary from the Holders for a price per Share or price per Stock Option in excess of the price per Share or price per Stock Option paid by the Parent or the Merger Subsidiary to the Holders, as adjusted, or any of the Optioned Securities purchased by the Parent or the Merger Subsidiary from the Holders are cancelled in exchange for the right to receive from a third party not related to the Parent or the Merger Subsidiary an amount in cash in excess of the price per Share or price per Stock Option paid by the Parent or the Merger Subsidiary to the Holders, as adjusted, the price per Share and price per Stock Option paid by the Parent or the Merger Subsidiary to the Holders shall be further adjusted so that the Holders also receive the difference between such higher price or amount and the price per Share or price per Stock Option paid to them by the Parent or the Merger Subsidiary.

2. *Exercise of the Option; Term.*

(a) On the terms and subject to the conditions of this Agreement, the Parent or the Merger Subsidiary may exercise the Option at any time after the date on which all waiting periods under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the HSR Act), and the antitrust, competition, foreign investment or similar laws of any foreign countries or supranational commissions or boards that require pre-merger notifications or filings with respect to the Merger (collectively, Foreign Merger Laws) applicable to the Merger have expired or been terminated, by written notice to each Holder specifying a date and time for the closing not later than thirty (30) business days from the date of such notice (which date and time may be one day after the delivery of such notice).

(b) As used in this Agreement, person shall have the meaning specified in Sections 3(a)(9) and 13(d)(3) of the Exchange Act. Notwithstanding any other provision of this Agreement or the Merger Agreement any reference to beneficial ownership of Shares or similar references shall exclude from the determination thereof any Shares issuable upon exercise of or subject to this Agreement.

(c) The Option shall expire on the earliest of (1) the Effective Time (as defined in Section 2.3 of the Merger Agreement), (2) August 30, 2002 and (3) the date on which the Parent notifies the holders in writing that it no longer intends to acquire control of the Company (such earliest date being referred to in this Agreement as the Expiration Date); provided that, if the Option cannot be exercised or the Optioned Securities cannot be delivered to the Merger Subsidiary upon such exercise because (x) there shall be in effect a preliminary or permanent injunction or other order issued by any federal or state court of competent jurisdiction prohibiting delivery of the Optioned Securities or (y) any applicable waiting periods under the HSR Act or Foreign Merger Laws shall not have expired or been terminated, then the Expiration Date shall be extended until thirty (30) days after such impediment to exercise or delivery has been removed.

3. *Closing.* Any closing hereunder shall take place on the date specified by the Parent or the Merger Subsidiary at the offices of Ballard Spahr Andrews & Ingersoll, LLP, 1735 Market Street, Philadelphia, Pennsylvania (the Closing Date). On the Closing Date:

(a) against delivery of the Optioned Securities, free and clear of all liens, claims, charges and encumbrances of any kind or nature whatsoever, the Parent shall or shall cause the Merger Subsidiary to make payment of the aggregate consideration for each Holder s Optioned Securities by wire transfer of immediately available funds to such Holder; and

(b) each Holder shall deliver to the Parent or the Merger Subsidiary a duly executed stock certificate or certificates or evidence of option grant representing the number of Optioned Securities purchased from such Holder, together with transfer powers endorsed in blank relating to such certificates or grants and, if requested by the Parent or the Merger Subsidiary, an irrevocable proxy duly executed by such Holder, authorizing such persons as the Parent or the Merger Subsidiary shall designate to act for such Holder as his lawful agents, attorneys and proxies, with full power of substitution, to vote in such manner as each such agent, attorney and proxy or his substitute shall in his sole discretion deem proper, and otherwise act with respect to the Optioned Securities at any meeting (whether annual or special and whether or not an adjourned meeting) of the Company s Holders or otherwise, and revoking any prior proxies granted by such Holder with respect to the Holder s Optioned Securities.

4. *Voting of Equity Securities.* Each Holder hereby agrees that, during the period from the date of this Agreement until the expiration of this Agreement, at any meeting of the shareholders of the Company, however called, and in any action by written consent of the shareholders of the Company, he shall (a) vote all Voting Securities with respect to which such Holder then has the right to vote in favor

of the Merger; (b) not vote any Voting Securities with respect to which such Holder then has the right to vote in favor of any action or agreement which would result in a breach in any material respect of any covenant, representation or warranty or any other obligation of the Company under the Merger Agreement; and (c) vote all Voting Securities with respect to which such Holder then has the right to vote against any action or agreement which would impede, interfere with or attempt to discourage the Merger, including, but not limited to: (i) any proposal opposed by the Parent or the Merger Subsidiary; (ii) any Acquisition Proposal (other than the Merger) involving the Company or any of its subsidiaries; (iii) any change in the management or board of directors of the Company, except as otherwise agreed to in writing by the Merger Subsidiary; (iv) any material change in the present capitalization or dividend policy of the Company; or (v) any other material change in the Company's corporate structure or business. In the event that either Holder does not comply with the foregoing sentence, such Holder shall be deemed to have hereby irrevocably appointed designees of the Parent or the Merger Subsidiary, its attorneys, agents and proxies, with full power of substitution, for the undersigned and in the name, place and stead of the undersigned to vote in such manner as such attorneys, agents and proxies or their substitutes shall in their sole discretion deem proper and otherwise act, including the execution of written consents, with respect to all Voting Securities of the Company which the undersigned is or may be entitled to vote at any meeting of the Company held after the date hereof, whether annual or special and whether or not an adjourned meeting, or in respect of which the undersigned is or may be entitled to act by written consent. This proxy shall be coupled with an interest and shall be irrevocable and binding on any successor in interest of the applicable undersigned Holder. This proxy shall operate to revoke any prior proxy as to Voting Securities heretofore granted by the Holder and shall terminate upon the expiration of this Agreement.

5. *Covenants of the Holders.*

(a) During the period from the date of this Agreement until the expiration of this Agreement, except in accordance with the provisions of this Agreement, each Holder severally and not jointly agrees that he will not:

- (i) sell, sell short, transfer, pledge, hypothecate, assign or otherwise dispose of, or enter into any contract, option, hedging arrangement or other arrangement or understanding with respect to the sale, transfer, pledge, hypothecation, assignment or other disposition of, any Optioned Securities or Voting Securities over which such Holder has dispositive power;
- (ii) deposit any Optioned Securities or Voting Securities over which such Holder has dispositive power into a voting trust, or grant any proxies or enter into a voting agreement with respect to any Optioned Securities or Voting Securities over which such Holder has dispositive power; or
- (iii) initiate, solicit or encourage, directly or indirectly, any inquiries or the making or implementation of any proposal that constitutes, or may reasonably be expected to lead to, any Acquisition Proposal (as defined in the Merger Agreement) or enter into discussions or negotiate with any person or entity in furtherance of such inquiries or to obtain an Acquisition Proposal, or agree to or endorse any Acquisition Proposal; except that any Holder who is a member of the board of directors of the Company may conduct himself in the manner expressly permitted under Section 7.2 of the Merger Agreement.

(b) Any additional Shares, Stock Options, warrants or other securities or rights exercisable for, exchangeable for or convertible into Shares (collectively, *Equity Securities*) acquired by any Holder, or with respect to which any Holder obtains voting power, will become subject to this Agreement and shall, for all purposes of this Agreement, be considered Optioned Securities or Voting Securities, as the case may be.

(c) Each Holder agrees not to engage in any action or omit to take any action which would have the effect of preventing or disabling such Holder from delivering his Optioned Securities to the Parent or the Merger Subsidiary or otherwise performing his obligations under this Agreement. To the extent that any Optioned Securities (other than Shares) may not be assigned by such Holder to the Parent or the Merger Subsidiary without exercising, exchanging or converting such Optioned Securities for or into Shares, each Holder agrees to exercise, exchange or convert such Optioned Securities for or into Shares prior to the closing of the purchase of such Optioned Securities upon exercise of the Option.

6. *Representations and Warranties of each Holder.* Each Holder severally and not jointly represents and warrants to Parent and the Merger Subsidiary as follows:

(a) (i) such Holder is the record or beneficial owner of the Optioned Securities, or has the right to vote the Voting Securities, listed opposite the name of such Holder on Schedule 1, (ii) such Optioned Securities or Voting Securities are the only Equity Securities owned of record or beneficially by such Holder or in which such Holder has any interest or which such Holder has the right to vote, as the case may be, and (iii) such Holder does not have any option or other right to acquire any other Equity Securities;

(b) such Holder has the right, power and authority to execute and deliver this Agreement and to perform his obligations hereunder; the execution, delivery and performance of this Agreement by such Holder will not require the consent of any other person and will not constitute a violation of, conflict with or result in a default under (i) any contract, understanding or arrangement to which such Holder is a party or by which such Holder is bound, (ii) any judgment, decree or order applicable to such Holder or (iii) to the Holder's knowledge, any law, rule or regulation of any governmental body applicable to such Holder; and this Agreement constitutes a valid and binding agreement on the part of such Holder, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, moratorium or other similar laws relating to creditors' rights and general principles of equity;

(c) to the Holder's knowledge, any Shares included in the Optioned Securities owned by such Holder have been validly issued and are fully paid and nonassessable and any Shares issuable upon exercise of the Stock Options, when issued and upon payment of the exercise price therefor, will be validly issued, fully paid and nonassessable;

(d) except as set forth on Schedule 1, the Optioned Securities owned by such Holder are now, and at all times during the term of this Agreement will be, held by such Holder free and clear of all adverse claims, liens, encumbrances and security interests, and none of the Optioned Securities are subject to any voting trust or other agreement or arrangement (except as created by this Agreement) with respect to the voting or disposition of the Optioned Securities; and there are no outstanding options, warrants or rights to purchase or acquire, or agreements (except for this Agreement) relating to, such Optioned Securities; and

(e) upon purchase of the Optioned Securities owned by such Holder, the Parent or the Merger Subsidiary will obtain good and marketable title to such Optioned Securities, free and clear of all adverse claims, liens, encumbrances and security interests (except any created by the Merger Subsidiary).

7. *Effect of Representations, Warranties and Covenants of the Holders.* The representations, warranties and covenants of the Holders shall be several and not joint. The liability of each individual Holder shall extend only to the representations, warranties and covenants of such Holder and not to any representation, warranty or covenant of any other Holder.

8. *Representations and Warranties of the Parent and the Merger Subsidiary.* Each of the Parent and the Merger Subsidiary represents and warrants to each Holder that: it is a corporation duly

9. *Adjustments.* In the event of any increase or decrease or other change in the Optioned Securities by reason of stock dividend, stock split, recapitalizations, combinations, exchanges of shares or the like, the number of Optioned Securities and Voting Securities subject to this Agreement shall be adjusted appropriately.

10. *Restrictions on Transfer.* As soon as practicable after the execution of this Agreement, each Holder shall instruct the transfer agent to place a stop transfer order on its records with respect to such Holder's Optioned Securities or place the following legend(s) on the certificates representing such Holder's Optioned Securities:
