Item 1.01. Entry into a Material Definitive Agreement.

On April 28, 2006, P. H. Glatfelter Company (the Company) and certain of the Company s subsidiaries (the Guarantors) issued and sold \$200 million in aggregate principal amount of the Company 1¹/₈% Senior Notes due 2016 (the Notes) to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the Securities Act), and outside the United States to non-U.S. persons in compliance with Regulation S under the Securities Act.

The Notes and the guarantees thereof (the Guarantees) were issued pursuant to an indenture dated as of April 28, 2006 (the Indenture) among the Company, the Guarantors and SunTrust Bank, as trustee (the Trustee). The Indenture contains covenants that, among other things, limits the ability of the Company and the Guarantors to incur debt, make restricted payments, create certain liens, sell assets, enter into certain sale and leaseback transactions, and consolidate, merge or transfer all or substantially all of the Company s assets and the assets of the Company s subsidiaries on a consolidated basis. The Indenture provides for customary events of default.

The Company will pay interest on the Notes on May 1 and November 1 of each year, beginning on November 1, 2006. The Notes will mature on May 1, 2016. The Notes are senior unsecured obligations of the Company and will rank equally with the Company s other and future senior unsecured obligations. The Notes are guaranteed, jointly and severally, on a senior unsecured basis, by certain of the Company s current and future domestic subsidiaries. The Notes will not be entitled to the benefit of any sinking fund.

The Company may redeem some or all of the notes at any time and from time to time on or after May 1, 2011 at the applicable redemption price plus accrued and unpaid interest to the date of redemption. The Company has the option to redeem the Notes in whole, but not in part, prior to May 1, 2011 at a redemption price equal to 100% of the principal amount plus accrued and unpaid interest and a make-whole premium. In addition, at any time prior to May 1, 2009, the Company may redeem up to 35% of the notes with the proceeds of certain equity offerings.

On April 28, 2006, the Company, the Guarantors, Credit Suisse Securities (USA) LLC, PNC Capital Markets LLC, ABN AMRO Incorporated and SunTrust Capital Markets, Inc. (the Initial Purchasers) entered into a Registration Rights Agreement (the Registration Rights Agreement) providing the holders of the Notes certain rights relating to the registration of the Notes under the Securities Act. Pursuant to the Registration Rights Agreement, the Company agreed to conduct a registered exchange offer for the Notes or cause to become effective a shelf registration statement providing for the resale of the Notes. The Company is required to: (i) file a registration statement (the Registration Statement) within 120 days after April 28, 2006, intended to enable holders to exchange the Notes and Guarantees for publicly registered notes and guarantees; (ii) use reasonable best efforts to cause the Registration Statement to become effective within 180 days after April 28, 2006; (iii) offer the publicly registered notes and guarantees in exchange for surrender of the Notes as soon as practicable after the effectiveness of the Registration

Statement; and (iv) file a shelf registration statement for the resale of the Notes and Guarantees if the Company cannot effect the exchange offer within the time periods referred to above under the circumstances specified in the Registration Rights Agreement.

The foregoing descriptions of the Indenture and the Registration Rights Agreement do not purport to be complete and are qualified in their entirety by reference to the text of the applicable agreement, copies of which are filed as Exhibits 4.1 and 4.2 to this Current Report on Form 8-K and incorporated by reference herein.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information above under Item 1.01 is hereby incorporated by reference into this Item 2.03.
