Item 3. Source and Amount of Funds or Other Consideration.

On February 18, 2003, pursuant to a Stock and Asset Purchase Agreement (the "Purchase Agreement"), dated as of October 16, 2002, among IR Bermuda, on behalf of itself, IR and the other sellers named therein, and Timken, on behalf of itself and the other buyers named therein, Timken acquired the Engineered Solutions business segment of IR Bermuda (the "Transaction"). Engineered Solutions comprises IR Bermuda's worldwide operations relating to precision bearings and motion-control components and assemblies, and includes the Torrington, Fafnir, Kilian, Nadella and IRB brands. In consideration for the sale pursuant to the Purchase Agreement, IR Bermuda and the other applicable sellers (including IR) received \$700 million in cash and IR received 9,395,973 shares of Timken Common Stock to which this report relates.

IR Bermuda filed a copy of the Purchase Agreement as Exhibit 2.1 to its current report on Form 8-K dated October 17, 2002 (the "8-K"). References to, and descriptions of, the Purchase Agreement as set forth above in this Item 3 are not intended to be complete and are qualified in their entirety by reference to the full text of such agreement, a copy of which has previously been filed as Exhibit 2.1 to IR Bermuda's 8-K and is incorporated herein by reference.

Item 4. Purpose of the Transaction.

IR acquired 9,395,973 shares of Timken Common Stock as consideration for the sale by IR Bermuda and its subsidiaries, including IR, to Timken of the shares and assets comprising IR Bermuda's Engineered Solutions business segment pursuant to the Purchase Agreement.

References to, and descriptions of, the Purchase Agreement as set forth above in this Item 4 are not intended to be complete and are qualified in their entirety by reference to the full text of such agreement, a copy of which has previously been filed as Exhibit 2.1 to IR Bermuda's 8-K and is incorporated therein by reference.

Edgar Filing: TIMKEN CO - Form SC 13D

The Reporting Persons have no present plans or proposals which relate to or would result in any of the actions specified in clauses (a) through (j) of Item 4 of Schedule 13D.

Item 5. Interest in Securities of Timken.

Pursuant to the Transaction, IR acquired 9,395,973 shares of Timken Common Stock, which comprises 11.22% of the outstanding shares of Timken Common Stock. By virtue of the relationships described under Item 2, each of IRBHI, IRGHC and IR Bermuda may be deemed to be the indirect beneficial owner of the 9,395,973 shares of Timken Common Stock (which comprises 11.22% of the outstanding shares of Timken Common Stock) directly owned by IR. By virtue of the relationships described under Item 2, each of IR, IRBHI, IRGHC and IR Bermuda may be deemed to have shared power to vote, or direct the voting of, and dispose, or

Page 8 of 17 Pages

direct the disposition of, the 9,395,973 shares of Timken Common Stock (which comprises 11.22% of the outstanding shares of Timken Common Stock) directly owned by IR.

Other than as set forth in this Schedule 13D, including Schedule I hereto, to the best of the knowledge of the Reporting Persons as of the date hereof, (i) none of the Reporting Persons nor any of their respective executive officers or directors beneficially owns any shares of Timken Common Stock and (ii) there have been no transactions in the shares of Timken Common Stock effected during the past 60 days by the Reporting Persons or any of their respective executive officers or directors.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of Timken.

Standstill and Voting Agreement.

Pursuant to the Purchase Agreement, IR and Timken entered into a Standstill and Voting Agreement, dated as of February 18, 2003 (the "Standstill and Voting Agreement"). Pursuant to the Standstill and Voting Agreement, until the third anniversary of the date on which IR and IR Bermuda in the aggregate cease to own at least 4,272,890 shares of Timken Common Stock, IR and IR Bermuda have agreed that neither IR nor IR Bermuda will acquire any Timken Common Stock or other securities of Timken entitled to vote for the election of directors of Timken or any security convertible into or exchangeable for such securities (the "Securities"), subject to certain exceptions set forth in Section 3.1(a) of the Standstill and Voting Agreement. Until the third anniversary referred to above, subject to certain exceptions specified in the Standstill and Voting Agreement, IR and IR Bermuda have also agreed that neither IR nor IR Bermuda will (i) make any offer or proposals with respect to a merger or other business combination transaction involving Timken, (ii) enter into any voting agreement or arrangement with respect to the voting of its Securities (except as described below), (iii) engage in discussions or negotiations to induce others to enter into any transaction involving a change of control of Timken, (iv) join a group with respect to the

Edgar Filing: TIMKEN CO - Form SC 13D

ownership of Securities or (v) take other specified actions seeking to influence a change of control of Timken's management or affairs.

In addition, the Standstill and Voting Agreement provides that until IR and IR Bermuda cease in the aggregate to beneficially own at least 4,272,890 shares of Timken Common Stock, IR and IR Bermuda are required, subject to certain exceptions in connection with the approval of certain specified transactions set forth in the Standstill and Voting Agreement, to vote its Securities in proportion to the votes cast by the other holders of Securities and may not solicit proxies in connection with any matter as to which the above obligation applies.

In addition, pursuant to the Standstill and Voting Agreement, during the six-month period following the consummation of the Transaction, IR and IR Bermuda have agreed not to transfer any Securities, except for transfers (i) to an affiliate of IR or IR Bermuda that agrees to be bound by the terms of the Standstill and Voting Agreement, (ii) in connection with granting certain security interests or other encumbrances to financial institutions, (iii) in accordance with its rights under the Registration Rights Agreement described below or (iv) pursuant to a merger, consolidation or other similar transaction involving Timken which is approved by the stockholders of Timken. Without limiting the preceding sentence, until IR and

Page 9 of 17 Pages

IR Bermuda cease in the aggregate to own at least 4,272,890 shares of Timken Common Stock, IR and IR Bermuda have agreed not to transfer any Securities in a transaction that, to the knowledge of IR, would result in any person or group beneficially owning more than 5% of the outstanding Timken Common Stock, other than (A) pursuant to a registration statement or (B) pursuant to a transaction described in clauses (i) through (iv) above. In the event of certain tender offers or exchange offers, IR and IR Bermuda will generally have the right to transfer its Securities in such transaction free of any restrictions on transfer set forth in the Standstill and Voting Agreement.

Registration Rights Agreement.

Pursuant to the Purchase Agreement, IR and Timken entered into a Registration Rights Agreement, dated as of February 18, 2003 (the "Registration Rights Agreement"), pursuant to which IR has been granted certain registration rights by Timken. The registration rights cover the registration of the shares of Timken Common Stock issued to IR in connection with the consummation of the Transaction, any securities issued upon the transfer or in substitution for such shares and any securities issued with respect to such shares by way of certain transactions (the "Registrable Securities").

The Registration Rights Agreement requires Timken to register the Registrable Securities pursuant to a shelf registration statement covering the sales from time to time of Registrable Securities. Holders of Registrable Securities are entitled to demand two underwritten offerings of Registrable Securities pursuant to that shelf registration statement so long as those underwritten offerings cover no less than 25% of the Registrable Securities originally held by IR (or, if less than that number of Registrable Securities are Registrable Securities, all of the remaining Registrable Securities). The holders of Registrable Securities also have the right to participate in all registrations of Timken Common Stock by Timken on behalf of itself or any

Edgar Filing: TIMKEN CO - Form SC 13D

other party, other than registrations on Forms S-4 or S-8. These demand and incidental registration rights are subject to customary restrictions and limitations. Timken has agreed to pay all registration expenses in connection with the registration of the Registrable Securities, except that underwriting discounts will be at the expense of the holders of Registrable Securities. In connection with any registration statement filed pursuant to the Registration Rights Agreement, Timken and the holders of Registrable Securities have agreed to indemnify each other against certain liabilities, including certain liabilities under the Securities Act.

References to, and descriptions of, the Standstill and Voting Agreement and the Registration Rights Agreement as set forth above in this Item 6 are not intended to be complete and are qualified in their entirety by reference to the full text of such agreements, copies of which are set forth as exhibits to this Schedule 13D and are incorporated herein by reference.

To the best of IR's knowledge, except as described in this Schedule 13D, there are at present no other contracts, arrangements, understandings or relationships (legal or otherwise) among the persons named in Item 2 above and between any such person and any person with respect to any securities of Timken.
