Pursuant to notice delivered to eligible shareholders who share the same address, the Company and a number of brokers send only one proxy statement and annual report to shareholders residing at the same address, unless different instructions have been received from the affected shareholder. A separate proxy will continue to be included for each shareholder at the shared address.

### PROXY ITEM 1: ELECTION OF DIRECTORS

The Company's Board of Directors consists of nine members divided into three classes with regular three-year staggered terms. The terms of office of three Directors of one class will expire at the Annual Meeting. Directors elected at the Annual Meeting shall serve a three-year term until the 2007 Annual Meeting of Shareholders and until their respective successors are duly elected and qualified.

Phil A. Bowman, who was in the class of Directors whose terms expire in 2005, resigned effective September 30, 2003. Upon recommendation from the Nominating Committee, the Board of Directors at their meeting on October 21, 2003 elected Brent A. Saunders to serve for the remainder of Mr. Bowman's term. Mr. Saunders has been a Director of the Company's subsidiary, The Ohio Valley Bank Company (the "Bank"), since 2001.

The Board of Directors has reviewed, considered and discussed each Director's relationships, both direct and indirect, with the Company and its

## Edgar Filing: OHIO VALLEY BANC CORP - Form DEF 14A

subsidiaries and the compensation each Director receives, directly or indirectly, from the Company and its subsidiaries in order to determine whether such Director meets the current independence requirements of The NASDAQ Stock Market, Inc. ("NASDAQ") Corporate Governance Standards, and has determined that the Board has at least a majority of independent Directors. The Board of Directors has determined that each of the following Directors has no financial or personal ties, either directly or indirectly, with the Company or its subsidiaries (other than compensation as a Director of the Company and its subsidiaries, banking relationships in the ordinary course of business with the Bank and ownership of common shares of the Company as described in this proxy statement) and thus qualifies as independent: Anna P. Barnitz, W. Lowell Call, Steven B. Chapman, Robert H. Eastman, Lannes C. Williamson and Thomas E. Wiseman.

The Board of Directors proposes that each of the three nominees identified below be re-elected for a three-year term and until his successor is duly elected and qualified or until the earlier of his resignation, removal from office, or death. The three nominees for election as Directors in the class whose terms expire in 2007 receiving the greatest number of votes will be elected. Common shares represented by properly executed and returned proxies will be voted FOR the election of the Board of Directors' nominees unless authority to vote for one or more nominees is withheld. Common shares as to which the authority to vote is withheld will be counted for quorum purposes, but will not be counted toward the election of Directors or toward the election of the individual nominees specified on the form of proxy.

The following table gives certain information concerning each nominee for re-election as a Director of the Company. Unless otherwise indicated, each individual has had the same principal occupation for more than five years.

Name	Age	Position(s) Held with the Company and Its Subsidiaries and Principal Occupation(s)	Director of the Company of the Bank Since	Director of the Company Since

The Board of Directors recommends that shareholders vote FOR the election of the above nominees.

While it is contemplated that all nominees will stand for re-election, if one or more nominees at the time of the Annual Meeting should be unavailable or unable to serve as a candidate for re-election as a Director, the individuals designated as proxy holders reserve full discretion to vote the common shares represented by the proxies they hold for the election of the remaining nominees and for the election of any substitute nominee or nominees designated by the

Board of Directors. The Board of Directors knows of no reason why any of the nominees named above will be unavailable or unable to serve if elected to the Board.

The Board of Directors held a total of thirteen (13) meetings during the 2003 fiscal year. Each incumbent Director attended 75% or more of the total number of meetings held by the Board of Directors and the total number of meetings held by all committees on which the Director served, in each case during the Director's period of service.

The Company encourages all incumbent Directors and Director nominees to attend each annual meeting of shareholders. All of the incumbent Directors and Director nominees attended the Company's last annual meeting of shareholders held on April 9, 2003.

The Company recently adopted a process by which shareholders may communicate directly with Directors. Any communication to the Board may be mailed to James L. Dailey, Chairman, in care of Investor Relations at the Company's headquarters in Gallipolis, Ohio. The mailing envelope should contain a clear notation indicating that the enclosed letter is a "Shareholder-Board Communication" or "Shareholder-Director Communication". There is no screening process, and all shareholder communications that are received for the Board's attention will be forwarded to all Directors. In view of recently adopted SEC disclosure requirements related to this issue, the Board may consider the development of more specific procedures, including procedures whereby shareholders may communicate directly with specific Directors.

### Committees of the Board

The Board of Directors has four standing committees: The Audit Committee, the Compensation Committee, the Executive Committee and the Nominating Committee.

#### Audit Committee

-----

The Audit Committee is organized and conducts its business pursuant to a written charter adopted by the Board of Directors, which is attached to this proxy statement as Appendix A. A current copy of the charter of the Audit Committee is also posted on the "Investor Relations" page of the Company's website at [www.ovbc.com](http://www.ovbc.com). At least annually, the Audit Committee reviews and reassesses the adequacy of its charter and recommends any proposed changes to the full Board for approval. The Audit Committee is responsible for:

- o overseeing the accounting and financial reporting process of the Company and audits of the Company's financial statements;
- o monitoring the Company's financial reporting process and internal control system;
- o overseeing the certification process and other laws and regulations impacting the Company's quarterly and annual financial statements and related disclosure controls;
- o reviewing and evaluating the audit efforts of the Company's independent auditors and the Company's internal auditing department;
- o providing an open avenue of communication among the Company's independent auditors, financial and senior management, internal auditing department and the Board of Directors;
- o appointing, compensating and overseeing the independent auditors employed by the Company for the purpose of preparing or issuing an audit report or performing related work; and
- o establishing procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters.

6

The Audit Committee will also carry out such other responsibilities as may be delegated to the Audit Committee by the full Board. The Audit Committee held thirteen (13) meetings during the 2003 fiscal year.

The members of the Audit Committee are Anna P. Barnitz, W. Lowell Call, Steven B. Chapman (Chairman) and Lannes C. Williamson. Phil A. Bowman served as a member of the Audit Committee until his resignation effective September 30, 2003. Each member of the Audit Committee qualifies as independent under the NASDAQ Corporate Governance Standards and Rule 10A-3 promulgated under Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). None of the members of the Audit Committee is an affiliated person of the Company or any of its subsidiaries other than in the member's capacity as a member of the Board of Directors of the Company and the Bank (and committees thereof). No member of the Audit Committee has received or accepted, directly or indirectly, any consulting, advisory or other compensatory fee from the Company

## Edgar Filing: OHIO VALLEY BANC CORP - Form DEF 14A

or any of its subsidiaries other than ordinary fees and benefits received in the member's capacity as a Director of the Company and the Bank.

The Board of Directors believes that each member of the Audit Committee has substantial financial experience and is highly qualified to discharge such member's duties. Under rules adopted by the SEC, the Company is required to disclose whether it has an "audit committee financial expert" serving on its Audit Committee. The Board of Directors has determined that Steven B. Chapman qualifies as an "audit committee financial expert" under the SEC's rules. The Board of Directors has determined that, based on Mr. Chapman's training and experience as a Certified Public Accountant, he is capable of (i) understanding accounting principles generally accepted in the United States ("US GAAP") and financial statements, (ii) assessing the general application of US GAAP in connection with the accounting for estimates, accruals and reserves, (iii) analyzing and evaluating the Company's consolidated financial statements, (iv) understanding internal control over financial reporting, and (v) understanding audit committee functions, all of which are attributes of an "audit committee financial expert" under the SEC's rules.

### Compensation Committee

-----

The Compensation Committee is comprised of three Directors who satisfy the independence requirements of the NASDAQ Corporate Governance Standards and applicable rules and regulations of the SEC: W. Lowell Call, Robert H. Eastman and Thomas E. Wiseman (Chairman). The Compensation Committee is organized and conducts its business pursuant to a written charter adopted by the Board of Directors. A current copy of the charter of the Compensation Committee is attached to this Proxy Statement as Appendix B. A copy is also posted on the "Investor Relations" page of the Company's website at [www.ovbc.com](http://www.ovbc.com). The Compensation Committee periodically reviews and reassesses the adequacy of its charter and recommends any proposed changes to the full Board for approval.

The purpose of the Compensation Committee is to discharge the responsibilities of the Board of Directors relating to compensation of the Company's Directors and executive officers and to prepare an annual report on executive compensation for inclusion in the proxy statement for the Company's annual meeting of shareholders. The Compensation Committee will also carry out such other responsibilities as may be delegated to the Compensation Committee by the full Board.

The Compensation Committee is responsible for reviewing and approving goals and objectives relevant to the compensation of the Company's executive officers (including the Chief Executive Officer), evaluating such executive officers' performance in light of those goals and objectives and determining compensation based on that evaluation. The Compensation Committee is also responsible for reviewing the Company's incentive compensation programs and retirement plans, and recommending any proposed changes to such programs and plans to

7

the Board of Directors. The Compensation Committee also reviews any severance or other termination arrangements to be entered into with the Company's executive officers. The Compensation Committee held four (4) meetings during the 2003 fiscal year.

### Executive Committee

-----

The Executive Committee is comprised of six (6) Directors: Steven B.

## Edgar Filing: OHIO VALLEY BANC CORP - Form DEF 14A

Chapman, James L. Dailey, Robert H. Eastman, Brent A. Saunders, Jeffrey E. Smith (Chairman) and Thomas E. Wiseman. The Executive Committee is authorized to act in the intervals between meetings of the Directors on matters delegated by the full Board. There were five (5) meetings of the Executive Committee during the 2003 fiscal year.

### Nominating Committee

-----

The Nominating Committee consists of three (3) members, Steven B. Chapman, Robert H. Eastman (Chairman) and Thomas E. Wiseman. The Board of Directors has determined that all of the Nominating Committee members meet the current independence requirements of the NASDAQ Corporate Governance Standards and applicable rules and regulations of the SEC. The purposes of the Nominating Committee are to:

- o identify qualified candidates for election, nomination or appointment to the Board and recommend to the full Board a slate of Director nominees for each annual meeting of the shareholders of the Company;
- o make recommendations to the full Board regarding the Directors who shall serve on committees of the Board; and
- o undertake such other responsibilities as may be referred to the Nominating Committee by the full Board.

The Nominating Committee is organized and conducts its business pursuant to a written charter adopted by the Board of Directors, which is attached to this proxy statement as Appendix C. A current copy of the charter of the Nominating Committee is also posted on the "Investor Relations" page of the Company's website at [www.ovbc.com](http://www.ovbc.com). The Nominating Committee periodically reviews and reassesses the adequacy of its charter and recommends any proposed changes to the full Board for approval. The Nominating Committee held four (4) meetings during the 2003 fiscal year.

### Nominating Procedures

As described above, the Company has a standing Nominating Committee that has the responsibility to identify and recommend individuals qualified to become Directors. When considering potential candidates for the Board, the Nominating Committee strives to assure that the composition of the Board, as well as its practices and operation, contribute to value creation and to the effective representation of the Company's shareholders. The Nominating Committee may consider those factors it deems appropriate in evaluating Director candidates including experience, reputation and geographic location. Depending upon the current needs of the Board, certain factors may be weighed more or less heavily by the Nominating Committee. From time to time, the Nominating Committee may deem it prudent to recruit individuals with education and expertise in a specific discipline, such as accounting, finance or law.

In considering candidates for the Board, the Nominating Committee evaluates the entirety of each candidate's credentials and does not have any specific minimum qualifications that must be met by a Nominating Committee-recommended nominee. However, the Nominating Committee does believe that all members of the Board should have the highest character and integrity; a reputation for working constructively with others; sufficient time to devote to Board

matters; and no conflict of interest that would interfere with performance as a

## Edgar Filing: OHIO VALLEY BANC CORP - Form DEF 14A

Director. Additionally, the Company is a highly-regulated institution and all Director candidates are subject to the requirements of applicable federal and state banking laws and regulations.

The Nominating Committee considers candidates for the Board from any reasonable source, including shareholder recommendations and recommendations from existing Directors. The Nominating Committee does not evaluate candidates differently based on who has made the recommendation. The Nominating Committee has the authority to hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates. No such consultants or search firms have been used to date and, accordingly, no fees have been paid to consultants or search firms.

Shareholders may recommend Director candidates for consideration by the Nominating Committee by writing to the Chairman of the Nominating Committee at the Company's executive offices in Gallipolis, Ohio, giving the candidate's name, age, business address, residence address, principal occupation or employment and number of common shares beneficially owned. The recommendation should also describe the qualifications, attributes, skills or other qualities of the recommended Director candidate. A written statement from the candidate consenting to be named as a Director candidate and, if nominated and elected, to serve as a Director should accompany any such recommendation.

Shareholders who wish to nominate an individual for election as a Director at an annual meeting of the shareholders of the Company must comply with the Company's Code of Regulations regarding shareholder nominations. Shareholder nominations must be made in writing and delivered or mailed to the Chairman of the Nominating Committee not less than 14 days nor more than 50 days prior to any meeting of shareholders called for the election of Directors. However, if less than 21 days' notice of the meeting is given to the shareholders, the nomination must be mailed or delivered to the Chairman of the Nominating Committee not later than the close of business on the seventh day following the day on which the notice of the meeting was mailed to the shareholders. Each nomination must contain the following information to the extent known by the nominating shareholder: (a) the name and address of each proposed nominee; (b) the principal occupation of each proposed nominee; (c) the total number of common shares of the Company that will be voted for each proposed nominee; (d) the name and residence address of the nominating shareholder; (e) the number of common shares of the Company beneficially owned by the nominating shareholder; and (f) any other information required to be disclosed with respect to a nominee for election as a Director under the proxy rules promulgated under the Exchange Act. Nominations not made in accordance with the Company's Code of Regulations will not be considered.

### Report of the Compensation Committee of the Board of Directors on Executive Compensation

**Philosophy.** The compensation philosophy of the Company and the Bank is that compensation of its executive officers and others should be directly linked to corporate operating performance. To achieve this correlation, executive compensation is heavily weighted toward bonuses paid on the basis of corporate operating performance. In years when the Bank has performed well, its officers have received greater compensation and in less profitable years, the officers' pay has been negatively impacted to a substantial degree. The cash compensation program for executive officers consists of two elements, a base salary component and a bonus component.

The objectives of the bonus component are to (i) motivate executive officers as well as all others and to reward such persons for the accomplishment of annual objectives of the Company and the Bank, (ii) reinforce a strong performance orientation with differentiation and variability in individual awards based on contribution to annual and long-range business results and (iii) provide a fully competitive compensation package which will attract, reward, and retain individuals of the highest quality.

**Decision-Making Process.** The executive officers of the Company receive no compensation from the Company. Instead, they are paid by the Bank for services rendered in their capacity as executive officers of the Company and the Bank.

In 1993, the Bank engaged Crowe Chizek and Company LLC ("Crowe Chizek"), the Company's and the Bank's independent auditors, to construct a

## Edgar Filing: OHIO VALLEY BANC CORP - Form DEF 14A

comprehensive wage and salary administration plan for the Company and the Bank to be used for all employees, including executive officers. In 1993, in 1996, and again in 2001, a marketplace range was developed by Crowe Chizek for all jobs of the Company including that of Jeffrey E. Smith. These ranges were revised in 2003 using the Crowe Chizek Bank Compensation Survey and the 2003 Ohio Bankers League Compensation Survey.

11

**Base Salary.** The Compensation Committee evaluated the ability of Mr. Smith to achieve or exceed the expected requirements of his job based on 10 specific criteria in his job content questionnaire. This evaluation conducted by the Compensation Committee evaluates each criteria of Mr. Smith's performance in a range from 1, the lowest, to 5, the highest, in increments of .25. The performance rating of Mr. Smith and his position in the marketplace range generated a non-Director base salary of \$131,559 in 2003, \$124,170 in 2002, and \$118,409 in 2001.

**Bonuses.** Each year key goals are identified and communicated to senior management. The Compensation Committee met with Mr. Smith four (4) times during 2003 to review his performance as well as the progress toward the accomplishment of three (3) specific goals established by the Company. The specific goals targeted: earnings growth; returns on assets and equity; and asset quality. The bonus range for Mr. Smith in 2003 was \$19,009 to \$73,933. The evaluation by the Compensation Committee of Mr. Smith's accomplishment of the specific annual goals generated a non-Director bonus of \$72,652 in 2003, \$53,412 in 2002, and \$67,872 in 2001.

**Profit Sharing and Retirement Plan.** The Company sponsors a qualified Profit Sharing and Retirement Plan for all of its employees, including executive officers. Each employee who is 21 years of age, has completed one (1) year of service, one thousand (1,000) hours, and is employed on the last day of the plan year is qualified to participate in the plan. In December 2003, the Board of Directors voted to contribute \$151,925 to the Profit Sharing and Retirement Plan. Each participant received a pro rata share of this contribution as well as a pro rata share of reallocated forfeitures (such pro rata share, in each case, based upon such participant's eligible compensation). Mr. Smith's share of the 2003 contribution and reallocated forfeitures is included in the Summary Compensation Table on page 10.

**401(k) Retirement Plan.** The Company sponsors a qualified 401(k) Retirement Plan under the Profit Sharing and Retirement Plan. Participant qualifications are identical to those of the Profit Sharing and Retirement Plan. In cases where participants made deferrals to the 401(k) plan, the Company contributed 25% of the first 4% of the deferral amount, not to exceed 1% of plan compensation. Mr. Smith's share of the 2003 contribution and reallocated forfeitures is included in the Summary Compensation Table on page 10.

**Employee Stock Ownership Plan.** The Company sponsors a qualified Employee Stock Ownership Plan for all of its employees, including executive officers. Participant qualifications are identical to those of the Profit Sharing and Retirement Plan. In December 2003, the Board of Directors voted to contribute \$303,850 to the Employee Stock Ownership Plan. Each participant's share of contributions and reallocated forfeitures is also identical to those of the Profit Sharing and Retirement Plan. Mr. Smith's share of the 2003 contributions and reallocated forfeitures is included in the Summary Compensation Table on page 10.

**Executive Deferred Compensation Plan.** The Company maintains a non-qualified executive deferred compensation plan. Participants in the

## Edgar Filing: OHIO VALLEY BANC CORP - Form DEF 14A

executive deferred compensation plan are subject to the same terms and conditions as participants of the Director deferred compensation plan, as detailed in Compensation of Directors on page 13. The cost of providing benefits to the participants of the deferred compensation plan will be offset by the earnings on the life insurance contracts.

Supplemental Executive Retirement Plan. The Company maintains a non-qualified supplemental retirement plan for certain of its executive officers. Participation in the plan is at the discretion of the Board and is designed to supplement the retirement benefits of such participants. Currently, James L. Dailey and Jeffrey E. Smith are participants in the plan. Under the plan, life insurance contracts were purchased by the Company in December 1996, based upon a formula determined by the Board of Directors for each participant. The Company is the owner of the contracts. Generally the target benefit is equal to 70% of a participant's final year's

12

annual compensation at age 65:

- o less the participant's projected benefit under the Company's qualified retirement plans and
- o less the participant's projected Social Security benefit.

In the event of a participant's death while actively employed by the Company, the participant's designated beneficiary will be entitled to the payment of such benefits. The cost of providing the benefits will be offset by the earnings and death benefits of the life insurance contracts.

The decision-making process and compensation philosophy of the Company and the Bank were considered by the Compensation Committee when determining 2003 compensation for Jeffrey E. Smith, President and Chief Executive Officer, of the Company and the Bank. The Compensation Committee believes that the compensation earned by Mr. Smith in 2003 was fair and reasonable when compared with executive compensation levels in the banking industry as reported in the marketplace range developed. Mr. Smith's compensation ranked in the lower one-third of the total compensation marketplace range for his grade.

Compensation of Directors

All of the Directors of the Company also serve as Directors of the Bank. Members of the Board of Directors of the Company receive compensation for their services rendered as Directors of the Bank, not the Company. In 2003, each Director who was not an employee of the Company or any of its subsidiaries received \$550 per month for his or her service as a member of the Board of Directors of the Bank; in 2002 and 2001 those individuals received \$500 per month. Directors who were employees of a subsidiary of the Company received \$350 per month in 2003; and \$300 per month during 2002 and 2001 for their services.

In addition, in 2003, each Director of the Bank received a retainer of \$14,700; in 2002 those individuals received \$14,000. In 2001, each Director of the Bank received a bonus of \$13,221. The retainer and bonus figures were pro-rated for time served for new Directors of the Bank.

## Edgar Filing: OHIO VALLEY BANC CORP - Form DEF 14A

Each non-employee Director who was a member of the Executive Committee of the Bank received fees of \$40,695 in 2003, \$39,900 in 2002, and \$38,460 in 2001. This figure was pro-rated for time served for new members. Executive Committee members who are employees of the Bank receive no compensation for serving on the Executive Committee. The Executive Committee met fifty (50) times in 2003, fifty-one (51) times in 2002, and fifty-two (52) times in 2001.

The Company maintains a life insurance policy for all Directors with a death benefit of two times annual Director fees reduced by 35% at age 65; 50% at age 70; and terminates at retirement.

In December 1996, life insurance contracts were purchased by the Company for all Directors and certain officers. The Company is the owner of the contracts. The purpose of these contracts was to replace a current group life insurance program for executive officers, implement a deferred compensation plan for Directors and executive officers, implement a Director retirement plan, and implement a supplemental retirement plan for certain officers. Participants in the deferred compensation plan, upon reaching age 70, are eligible to receive a distribution of

13

their contributions, plus accrued interest earned at a permissible rate on reinvestment of the contributions. If a participant dies before reaching age 70 and the participant qualifies, the distribution will be made to the participant's designated beneficiary in an amount equal to what the participant would have accumulated if the participant had reached age 70 and had continued to make contributions to the plan. The cost of providing the benefits to the participants will be offset by the earnings on the life insurance contracts. Participants in the Director retirement plan, upon reaching age 70, are eligible to receive 50% of the three (3) prior years' average total Directors' compensation. The benefit is payable for 120 months for Directors with 10 years of service or less. The benefit is payable for 240 months for Directors with more than 10 years of service. If a Director dies during active service, payment will be made to the Director's designated beneficiary in an amount equal to what the Director would have received had the Director reached age 70, except the benefit term will be reduced to 60 months. If the Director dies during the payment of benefits, payment will be made to the Director's designated beneficiary for the lesser of the remaining term or 60 additional months. The cost of providing the benefits to the Directors will be offset by the earnings on the life insurance contracts.

### CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company through its subsidiary, the Bank, has had and expects to have in the future banking transactions in the ordinary course of the Bank's business with some of the Directors, officers and principal shareholders of the Company and entities with which they are associated. All loans and commitments to loan included in such transactions were made on substantially the same terms, including interest rates and collateral on loans and repayment terms, as those prevailing at the time for comparable transactions with other persons and, in the opinion of the management of the Company, each such loan and commitment to loan did not involve more than a normal risk of uncollectibility or present other unfavorable features. All of such loans comply with Regulation O of the federal banking regulations. The aggregate amount of loans to officers and Directors of the Company, entities in which such officers and Directors have an interest, and affiliates and other associates of officers and Directors was \$5,489,749 at December 31, 2003. As of the date hereof, all of such loans were performing loans.

### AUDIT COMMITTEE MATTERS

Report of the Audit Committee of the Board of Directors

The Audit Committee has submitted the following report for inclusion in this Proxy Statement:

The Audit Committee consists of four (4) Directors who qualify as independent under the NASDAQ Corporate Governance Standards and Rule 10A-3 under the Exchange Act. The Audit Committee operates under a written charter adopted by the Board of Directors.

The Audit Committee appoints the Company's independent accountants and oversees the Company's financial and reporting processes on behalf of the Board of Directors. Management has primary responsibility for the consolidated financial statements and the accounting and financial reporting processes, including the establishment and maintenance of an adequate system of internal control over financial reporting for the Company.

As part of its oversight responsibilities, the Audit Committee reviewed and discussed with management the audited financial statements of the Company for the year ended December 31,

14

2003, including a discussion of the quality, and not just the acceptability, of the accounting principles applied, the reasonableness of significant judgments and the clarity of disclosures in the audited financial statements.

Crowe Chizek and Company LLC ("Crowe Chizek") served as the Company's independent auditors for the 2003 fiscal year. The Audit Committee discussed with Crowe Chizek the matters required to be discussed with the Audit Committee under generally accepted auditing standards, including those required by Statement on Auditing Standards No. 61 (having to do with accounting methods used in the financial statements). The Audit Committee also discussed with Crowe Chizek the auditor's independence from the Company and its management, including the matters in the written disclosures required by Independence Standards Board Standard No. 1. The Audit Committee considered the non-audit services rendered by Crowe Chizek to be compatible with maintaining Crowe Chizek's independence.

Based on the reviews and discussions outlined above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003.

Under applicable SEC rules, the Audit Committee is required to

## Edgar Filing: OHIO VALLEY BANC CORP - Form DEF 14A

pre-approve the audit and non-audit services performed by the independent auditors in order to assure that they do not impair the auditors' independence from the Company. The SEC's rules specify the types of non-audit services that an independent auditor may not provide to its audit client and establish the Audit Committee's responsibility for administration of the engagement of the independent auditors. Accordingly, the Audit Committee has adopted, and the Board of Directors has ratified, an Audit and Non-Audit Services Pre-Approval Policy (the "Pre-Approval Policy"), which sets forth the procedures and the conditions pursuant to which services proposed to be performed by the independent auditors may be pre-approved.

The purpose of the Pre-Approval Policy is to set forth the procedures by which the Audit Committee intends to fulfill its responsibilities. It does not delegate the Audit Committee's responsibilities to pre-approve services performed by the independent auditors to management.

Consistent with the SEC's rules, the Pre-Approval Policy provides two different approaches to pre-approving services. Proposed services may either be pre-approved without consideration of specific case-by-case services by the Audit Committee ("general pre-approval") or require the specific pre-approval of the Audit Committee ("specific pre-approval"). The combination of these two approaches in the Pre-Approval Policy results in an effective and efficient procedure to pre-approve services performed by the independent auditors. As set forth in the Pre-Approval Policy, unless a type of service has received general pre-approval, it will require specific pre-approval by the Audit Committee if it is to be provided by the independent auditors. Any proposed services exceeding pre-approved cost levels or budgeted amounts will also require specific pre-approval by the Audit Committee.

The Audit Committee may delegate either type of pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

15

Appendices to the Pre-Approval Policy describe the Audit, Audit-Related, Tax and All Other services that have the general pre-approval of the Audit Committee. The term of any general pre-approval is 12 months from the date of pre-approval, unless the Audit Committee considers a different period and states otherwise. The Audit Committee will annually review and pre-approve the services that may be provided by the independent auditors without obtaining specific pre-approval from the Audit Committee. The Audit Committee will add or subtract to the list of general pre-approved services from time to time, based on subsequent determinations.

All requests or applications for services to be provided by the independent auditors that do not require specific approval by the Audit Committee will be submitted to the Internal Auditor and must include a detailed description of the services to be rendered. The Internal Auditor will determine whether such services are included within the list of services that have received the general pre-approval of the Audit Committee. The Audit Committee will be informed on a timely basis of any such services rendered by the independent auditors.

Requests or applications to provide services that require specific approval by the Audit Committee will be submitted to the Audit Committee by both the independent auditors and the Internal Auditor, and must include a joint statement as to whether, in their view, the request or application is consistent with the SEC's rules on auditor independence.

The Audit Committee has designated the Internal Auditor to monitor the

## Edgar Filing: OHIO VALLEY BANC CORP - Form DEF 14A

performance of all services provided by the independent auditors and to determine whether such services are in compliance with the Pre-Approval Policy. The Internal Auditor will report to the Audit Committee on a periodic basis on the results of this monitoring. Both the Internal Auditor and management will immediately report to the chairman of the Audit Committee any breach of the Pre-Approval Policy that comes to the attention of the Internal Auditor or any member of management.
