Chesapeake issued an additional Press Release on November 12, 2003 announcing the pricing of \$150 million of 5% cumulative convertible preferred stock. The following was included in the Press Release:

OKLAHOMA CITY, OKLAHOMA, NOVEMBER 12, 2003 - Chesapeake Energy Corporation (NYSE:CHK) today announced that it has priced a public offering of 1.5 million shares of cumulative convertible preferred stock at its liquidation preference of \$100 per share. Chesapeake also has granted the underwriters a 30-day option to purchase up to 225,000 additional shares of preferred stock.

Each share of preferred stock will be subject to an annual cumulative cash dividend of \$5.00 payable quarterly when, as and if declared by the company, on the 15th day of each February, May, August, and November to holders of record as of the first day of the payment month, commencing on February 15, 2004. The preferred stock will not be redeemable.

Each preferred share will be convertible at any time at the option of the holder into 6.0962 shares of Chesapeake common stock, which is based on an initial conversion price of \$16.40 per common share. The conversion price is subject to customary adjustments in certain circumstances. The preferred shares will be subject to mandatory conversion after November 18, 2006 into Chesapeake common stock, at the option of the company, if the closing price of Chesapeake's common stock exceeds 130% of the conversion price for 20 trading days during any consecutive 30 trading day period.

Closing of the preferred stock offering is expected to occur on November 18, 2003, and is subject to satisfaction of customary closing conditions. Chesapeake intends to use the net proceeds of the offering to repay debt under its bank credit facility incurred primarily to finance its recent acquisition of south

### ITEM 9. REGULATION FD DISCLOSURE

With the filing of this report on Form 8-K, we are updating the outlook on our website at [WWW.CHKENERGY.COM](http://WWW.CHKENERGY.COM). We caution you that our outlook is given as of November 12, 2003 based on currently available information, and that we are not undertaking any obligation to update our estimates as conditions change or other information becomes available.

The primary changes from our October 30, 2003 guidance are explained as follows:

- 1) The effects of recently announced capital transactions on interest expense and share count.
- 2) We have also updated the projected effects in 2004 from a minor change in our hedging positions (additional swap for 20,000 mcf of gas per day for 2004).
- 3) We have included our expectations for future NYMEX oil and gas prices to illustrate hedging effects only. They are not a forecast of our expectations for 2003 or 2004 and natural gas prices.
