Amendment No. 1 to quarterly report on Form 10-Q for
quarterly period ended February 26, 2005.

This Form 10-Q/A No. 1 is filed solely for the purpose of correcting typographical errors in the condensed consolidated balance sheets as of February 26, 2005 and May 29, 2004. In the stockholder equity section, certain common stock dollar figures shifted columns. Common stock should be \$351 for February 26, 2005 and May 29, 2004. The year 2004 shifted from the date information in the treasury stock section and caused the dollar values of the treasury stock to transpose. The value of the common stock in treasury at February 26, 2005 should be \$(19,776), and \$(12,426) at May 29, 2004, instead of the amounts shown in the Form 10-Q quarterly report as originally filed. All total amounts, and all other amounts, are correctly stated.
