INVESTOR PRESENTATION

Safe Harbor

The following are "forward-looking statements" which are based on management's beliefs as well as on a number of assumptions concerning future events made by and information currently available to management. The audiences are cautioned not to put undue reliance on such forward-looking statements, which are not a guarantee of performance and are subject to a number of uncertainties and other factors, many of which are outside AT&T's control, that could cause actual results to differ materially from such statements. For a more detailed description of the factors that could cause such a difference, please see AT&T's filings with the Securities and Exchange Commission. AT&T disclaims any intention or obligation to update or revise any forward-looking statements,

Edgar Filing: AT&T CORP - Form DEFA14A

whether as a result of new information, future events or otherwise. This information is presented solely to provide additional information to further understand the results of AT&T.

In connection with these transactions, AT&T will be filing proxy statements, tender offer statements and other materials with the Securities and Exchange Commission. Security holders are urged to read these materials when they becomes available because they will contain important information. Investors and security holders may obtain a free copy of these materials when they become available as well as other materials filed with the Securities and Exchange Commission concerning AT&T at the Securities and Exchange Commission's website at http://www.sec.gov. In addition, these materials and other documents may be obtained for free from AT&T by directing a request to AT&T at 295 North Maple Drive, Basking Ridge, NJ 07920; Attn: Investor Relations.

AT&T and its officers and directors may be deemed to be participants in the solicitation of proxies from AT&T's shareholders with respect to these transactions. Information regarding such officers and directors is included in AT&T's proxy statement for its 2001 annual meeting of stockholders filed with the Securities and Exchange Commission on March 30, 2001. This document is available free of charge at the SEC's internet site or from AT&T as described above.

OPERATIONAL OVERVIEW

DAN SOMERS
 PRESIDENT AND CEO
 AT&T BROADBAND

What Have We Done to Achieve the Vision

- Successful integration of MediaOne with TCI assets
- Re-configured subscriber base focused on major markets
 - 4.1 million subscribers sold
 - 1.4 million subscribers acquired / swapped

Edgar Filing: AT&T CORP - Form DEFA14A

- 127,000 plant miles and infrastructure rebuilt to support "triple play"
- Scaling of new and advanced broadband services from 2.2 million customers at the beginning of 2000 to 5.3 million customers today
- Rationalized cost structure
 - Headends reduced from 200 to 40, serving 11 million customers
 - Call centers reduced from 200 to 30
 - Employees reduced from 53,000 to 43,000
- Reorganization of management structure
- Overhead reduced to \$250 million annually, including AT&T allocations

8 ----- [AT&T logo] AT&T Broadband

What Is the Impact

- Approximately \$150 million of margin improvement realized to date
- Total of \$500 million of margin improvement expected to be realized on a run-rate basis by year-end 2001
- Completed reorganization of corporate and field structure to rightsize organization

Action -----	Decision to Implement -----	Impact Beginning -----
End of Telephony promotion	August 2000	Feb 2001
First round of headcount reductions	December 2000	Feb 2001
Video price increase	October 2000	Feb 2001
Second round of headcount reductions	March 2001	May 2001
Core video growth initiatives	April 2001	May 2001
High speed data price increase	April 2001	June 2001
Video equipment rate increase	April 2001	July 2001

Market Review: Boston

----- [Boston skyline graphic]

2.9 million homes passed, 5th largest DMA

MARKET CHARACTERISTICS	ACTIONS	YTD RESULTS
-Very attractive demographics with average income of \$69,000	-Integrating Cablevision acquisition	-13% revenue growth
		-69% basic penetration
-Leader in bundling	-Reduced call centers from 8 to 1	-16% digital penetration: +5 p.p.
-Plant upgrades nearly complete, able to offer complete bundle	-Launched Digital in 2000	-14% data penetration: +3 p.p.
	-More powerful product offering relative to competition	-11% telephony penetration +4 p.p.
-Operating as one integrated system with one virtual call center		-- >100K customers
-Competitive market		-Below average DBS penetration

 Boston is our strongest performing market and will continue to grow as advanced services penetration increases

16 ----- [AT&T logo] AT&T Broadband

Market Review: Chicago

----- [Chicago skyline graphic]

3.5 million homes passed, 3rd largest DMA

MARKET CHARACTERISTICS	ACTIONS	YTD RESULTS
-Attratctive demographics with average income of \$58,000	-Integrated operations of 7 MSOs	-14% revenue growth
		-50% basic penetration
-Footprint covering nearly the entire DMA	-Headends reduced from 64 to 2	-22% digital penetration: +6 p.p.
-Strong telephony roll-out	-Call centers reduced from 16 to 3	-10% data penetration: +3 p.p.
-Backbone and headend segments of rebuilds nearly complete	-Dispatch locations reduced from 19 to 9	-18% telephony penetration: +8 p.p.
	-20% workforce and contractor reduction	--Some suburbs have 40% penetration

Edgar Filing: AT&T CORP - Form DEFA14A

Basic: primarily
downtown areas

Chicago is in the final stages of its integration effort. We are now
beginning to realize the operational and financial benefits.

17 ----- [AT&T logo] AT&T Broadband

Market Review: Bay Area

----- [Bay Area skyline graphic]
2.7 million homes passed, 6th largest DMA

MARKET CHARACTERISTICS	ACTIONS	YTD RESULTS
-Very attractive demographics with average income of \$78,000 --Regional economic issues	-Plant continues to require significant investment -Focus on basic video growth	-Almost 16% revenue growth -63% basic penetration
-Footprint covers most of the metro area	-Streamlined fulfillment areas from 9 to 5	-23% digital penetration: +2 p.p.
-Above average penetration in all of the advanced services	-Reduced number of customer care centers from 12 to 1	-15% data penetration: +3 p.p.
-Competitive market	-One care center with a single toll free number	-19% telephony penetration: +5 p.p. --Many communities in high 20s
-Backbone and headend segments of rebuild nearly complete	-17% headcount reduction	

The Bay Area is showing strong product growth, penetration and financial trends. Significant momentum is in place.

18 ----- [AT&T logo] AT&T Broadband

Significant Upside in Video Penetration

Video penetration of 56% vs. 63% for the industry

ACTIONS CURRENTLY UNDER WAY:

- National Marketing Campaign
- Sales Force Financial Incentives

Edgar Filing: AT&T CORP - Form DEFA14A

- Enhanced Programming
- Signal Theft Audit
- Retention Initiatives
- Increasing Network Quality

 Every 1.3 p.p. increase in video penetration is expected to
 increase our EBITDA margin by 1 percentage point.

19 ----- [AT&T logo] AT&T Broadband

Simplified Management Structure

20 ----- [AT&T logo] AT&T Broadband

Steps to Attain Industry Margins

RECENT MARGINS (1)		MARGIN INITIATIVES		MARGIN GOALS
		Actions Already Taken		
1Q01	2Q01	- Market integration		
----- --> ----- -->		- Facility consolidation		
18.3%	23.4%	- Headcount reduction		
		- Outsourcing opportunities	----->	38 - 40%
		- Pricing actions		
		- Advanced services unit cost reduction		
		Actions Underway		
		- Basic video initiatives		
		- Back-office and IT systems integration		
		- Data and telephony: Scaling and profitability		

(1) Excludes other income and restructuring charges in both quarters

22 ----- [AT&T logo] AT&T Broadband

Positioned For Continued Growth

- Foundation is established
- Demand for advanced services remains strong
- Operational execution is driving financial results

 Actions already underway result in tangible second quarter progress and position us for future financial returns
