PROXY STATEMENT

SOLICITATION AND REVOCATION OF PROXIES

The following information is furnished in connection with the Annual Meeting of Stockholders of Barnwell Industries, Inc., a Delaware corporation (the “Company”), to be held on March 3, 2014 at 9:30 a.m., Central Standard Time, at the Clarion Shreveport Hotel, 1419 East 70th Street, Shreveport, Louisiana.

The accompanying Proxy is solicited by the Board of Directors (the “Board” or the “Board of Directors”) of the Company. The Company will bear the cost of such solicitation. Solicitation of proxies will be primarily by mail. Proxies may also be solicited by regular employees of the Company by telephone at a nominal cost. Brokerage houses and other custodians, nominees and fiduciaries will be requested to forward soliciting material to the beneficial owners of Common Stock (as defined below) and will be reimbursed for their expenses. All properly executed proxies will be voted as instructed.

Stockholders who execute proxies may revoke them by delivering subsequently dated proxies or by giving written notice of revocation to the Secretary of the Company at any time before such proxies are voted. No proxy will be voted for a stockholder if the stockholder attends the meeting and elects to vote in person.

This Proxy Statement and the accompanying form of proxy are first being sent to stockholders on or about January 16, 2014. The Company’s website address is www.brninc.com.

VOTING AT THE MEETING

Only stockholders of record at the close of business on January 6, 2014 (the “Record Date”) will be entitled to vote at the annual meeting and any adjournment thereof. As of the Record Date, 8,277,160 shares of common stock, par value \$0.50, of the Company (the “Common Stock”) were issued and outstanding. Each share of Common Stock outstanding as of the Record Date is entitled to one vote on any proposal presented at the meeting. The presence of holders representing a majority of all the votes entitled to be cast at the meeting will constitute a quorum at the meeting. The election of directors requires a plurality of the votes cast at the meeting. The ratification of KPMG LLP as our independent auditor for the fiscal year ending September 30, 2014, the vote upon an advisory (non-binding) resolution to approve executive compensation and the approval of the Pay for Performance Plan each require the affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy and entitled to vote thereon at the meeting. With respect to abstentions, the shares will be considered present at the meeting and will be disregarded in the election of directors, but, since they are not an affirmative vote with respect to the other proposals, abstentions will have the same effect as a vote against such other proposals. Brokers and nominees are precluded from exercising their voting discretion with respect to all matters to be acted upon at the meeting, other than the ratification of KPMG LLP as our independent auditor. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted with respect to the election of directors and the other proposals. A broker non-vote will not have any effect on any of the proposals. Shares represented by such broker non-votes will, however, be counted for purposes of determining whether there is a quorum.

PROPOSAL NO. 1
ELECTION OF DIRECTORS

All ten directors of the Company are proposed to be elected at the meeting. Each elected director shall hold office until the next annual meeting and until his successor is duly elected and qualified. The persons named as proxies in the enclosed Proxy are executive officers of the Company and, unless contrary instructions are given, they will vote the shares represented by the Proxy FOR the election to the Board of Directors of the persons named below. The Board of Directors has no reason to believe that any of the nominees for director will be unable to serve; however, in the event any of the nominees should withdraw or otherwise become unavailable for reasons not presently known, the persons named as proxies may vote for other persons in place of such nominees.

Our Board of Directors recommends a vote FOR the election of the following ten directors of the Company.

NOMINEES TO THE BOARD OF DIRECTORS

The Board of Directors held five meetings during the fiscal year ended September 30, 2013. Except for Martin Anderson, who attended four Board of Directors meetings, three Audit Committee meetings and one Compensation Committee meeting, directors attended at least 75% of the meetings of the Board of Directors and of the committees of the Board on which each director served. The independent directors met on four occasions out of the presence of management during the fiscal year ended September 30, 2013.

The following table sets forth, as to the nominees for election as directors: (1) such person's name; (2) the year in which such person was first elected a director of the Company; (3) such person's age; (4) all positions and offices with the Company held by such person; (5) the business experience of such person during the past five years; (6) certain other directorships, if any, held by such person; and briefly discusses the specific experience, qualifications, attributes or skills that led to the conclusion that each such person should serve as a director of Barnwell.

¹ This director is independent as defined in Section 803(A) of the NYSE MKT listing standards.

Board Nomination Process

The Board of Directors has a standing Compensation Committee, a standing Audit Committee, a standing Executive Committee and a standing Reserves Committee. It has no standing nominating committee and there is no nominating committee charter. The Board of Directors believes that it is appropriate for the Company not to have a nominating committee because potential nominees are recommended to the full Board by a majority vote of the independent directors. The Board identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience relevant to the Company's business and willing to continue in service are considered for re-nomination. If any member of the Board up for re-election at an upcoming annual meeting of stockholders does not wish to continue in service, the Board determines whether it is appropriate to replace the retiring member. If deemed appropriate, the Board identifies the desired skills and experience of a new nominee. The Board believes that potential directors should possess sound judgment, understanding of the business issues affecting the Company, integrity and the highest personal and professional ethics. The Board seeks directors possessing a range of business, management and civic experience appropriate for the Board to discharge its

responsibilities. In the case of both incumbent and new directors, the Board seeks persons who are able to devote significant time and effort to Board and Board committee responsibilities. Once nominees have been identified, the independent directors recommend to the Board such nominees and the Board reviews and votes on such recommendation.

The Company does not have a specific policy regarding the diversity of the Board. Instead, the Board considers its overall composition when considering director candidates, including whether the Board has an appropriate combination of professional experience, skills, knowledge and variety of viewpoints and backgrounds in light of the Company's current and expected future needs. The Board also believes that it is desirable for new candidates to contribute to a variety of viewpoints on the Board, which may be enhanced by a mix of different professional and personal backgrounds and experiences. For example, Ms. Diane Kranz, a Certified Public Accountant who is currently the chairperson of our Audit Committee, brings gender diversity to the Board along with her business experience and expertise.

The Board will consider potential nominees brought to its attention by any director or officer of the Company. It will also evaluate recommendations for director nominees proposed by a stockholder who (i) has continuously held at least 1% of the outstanding shares of the Company's Common Stock entitled to vote at the annual meeting of stockholders for at least one year prior to the date the stockholder makes the recommendation and (ii) undertakes to continue to hold such number of shares through the date of the upcoming annual meeting. For possible inclusion in next year's proxy statement, any recommendation for a director nominee submitted by a qualifying stockholder must be received by the Company no later than the date for stockholder proposals set forth herein under the heading "Stockholder Proposals." Any stockholder recommendation for a director nominee must be submitted to the Company's Chairman of the Board in writing and must include:

- a statement by the stockholder that such stockholder is the holder of at least 1% of the outstanding shares of the Company's Common Stock, that the shares have been held for at least one year prior to the date of the submission and that such stockholder will continue to hold the shares through the date of the upcoming annual meeting of stockholders;
- the candidate's name, age, contact information and current principal occupation or employment;
- the candidate's resume, which will include a description of the candidate's qualifications and business experience during, at a minimum, the last five years, including his/her principal occupation or employment and the name and principal business of any corporation or other organization in which the candidate was employed; and
- at least three (3) references for the candidate.

The Board will evaluate recommendations for director nominees submitted by directors, management or qualifying stockholders in the same manner, using the criteria stated above. All directors and director nominees will submit a completed form of directors' and officers' questionnaire as part of the nominating process.

Stockholders may send any communication to the Board of Directors, as a whole, or individually, by mail to the Company's address listed on page one of this Proxy Statement, to the attention of Russell M. Gifford, Secretary. All such communications will be forwarded to the Board of Directors or individual directors as appropriate.

The Company strongly encourages each member of the Board of Directors to attend the Annual Meeting. Nine members of the Board of Directors attended the 2013 Annual Meeting of Stockholders of the Company, of which four attended in person and five attended by telephone.

BOARD LEADERSHIP STRUCTURE; RISK OVERSIGHT

The positions of Chairman and CEO have been jointly held by Mr. Morton H. Kinzler since his selection as Chairman of the Board in 1980. Barnwell Industries, Inc. is a smaller reporting company and the Board has determined that the current structure is appropriate at this time in that it enables Mr. Kinzler to handle the complexities of his role as a CEO while continuing to provide leadership on policy at the Board level. Although the roles of CEO and Chairman are currently held by Mr. Kinzler, the Board regularly considers the appropriate leadership structure for the Company and has concluded that the Company and its shareholders are best served by not having a formal policy on whether the same individual should serve as both Chief Executive Officer and Chairman of the Board and the Board has not adopted such a policy. The Board believes that it is important to retain the flexibility to make this determination at any given point in time based upon what it believes will provide the best leadership structure for the Company at that time. This approach allows the Board to utilize its considerable experience and knowledge to elect the most qualified director as Chairman of the Board, while maintaining the ability to separate the Chairman and Chief Executive Officer roles when necessary. Accordingly, at different points in time in the Company's history, the Chief Executive Officer and Chairman of the Board roles have been held by the same person. At other times, they have been held by different individuals. In each instance, the decision on whether to combine or separate the roles was made in the best interest of the Company's shareholders, based on the circumstances at the time.

The Board's primary function with respect to risk is oversight. The Board administers its risk oversight function both as a whole and through its committees. The Audit Committee reviews and makes inquiry as to risk management and reports to the Board on its findings. The Board of Directors has an active role, as a whole and also at the committee level, in overseeing management of the Company's risks. Management is responsible for the Company's day-to-day risk management activities. Other Board committees also consider and address risk as they perform their committee responsibilities. For example, the Compensation Committee, comprised solely of independent directors, discusses and reviews compensation arrangements for the Company's Executive Officers to avoid incentives that would promote excessive risk-taking that is reasonably likely to have a material adverse effect on the Company. The full Board is also apprised of particular risk management matters in connection with its general oversight and approval of corporate matters. We believe the division of risk management responsibilities as described above is an effective approach for evaluating and addressing the risks facing the Company and that our Board leadership structure supports this approach because it allows our independent directors to exercise effective oversight of the actions of management.

COMPENSATION COMMITTEE

The members of the Compensation Committee are Mr. Haspel, Chairman, and Mr. Anderson, Dr. Gardner, Mr. Barnwell and Ms. Kranz. The Compensation Committee (i) determines the annual compensation of the Company's Executive Officers; (ii) recommends, if appropriate, new employee benefit plans to the Board of Directors; (iii) administers all employee benefit plans; and (iv) makes such other determinations regarding compensation or benefits as may be necessary or advisable. The Compensation Committee held two meetings during the fiscal year ended September 30, 2013. The Board of Directors has adopted a written charter for the Compensation Committee, a copy of which is available on our website.

EXECUTIVE COMPENSATION

Summary Compensation Table

The following Summary Compensation Table sets forth certain information regarding compensation paid during the fiscal years ended September 30, 2013, September 30, 2012 and September 30, 2011 to (1) Morton H. Kinzler, our Chairman of the Board of Directors and Chief Executive Officer, (2) Alexander C. Kinzler, our President, Chief Operating Officer and General Counsel, and (3) Russell M. Gifford, our Executive Vice President, Chief Financial Officer, Treasurer and Secretary.

No Named Executive Officer was granted a stock award in fiscal year 2013, 2012 or 2011. As a result, such column has been omitted.

We reflect portions of our CEO's and our President's annual performance bonuses in the "Non-Equity Incentive Plan Compensation" column. These amounts represent cash payments for our CEO's and our President's 2013 performance under our 2008 Pay for Performance Plan (the "2008 Plan"). Performance measures and targeted goals for the Company's 2013 fiscal year performance period were established by the Compensation Committee in December 2012 and the Committee designated the CEO and the President (who is also the Company's COO) to be eligible to participate in the 2008 Plan for fiscal year 2013. The material terms of such performance measures and targeted goals are as follows:

The Compensation Committee determined that the sum of the following three components shall represent the maximum bonus that may be achieved under the 2008 Plan for fiscal 2013 by each of the CEO and the President/COO (the "2013 Maximum Bonus Amount"), which is designed so that the Company will be in compliance with Section 162(m) of the Internal Revenue Code of 1986, as amended:

- (a) an amount equal to 5% of the earnings before income taxes on a GAAP basis of the Company;
- (b) the greater of (i) for an increase in earnings before income taxes on a GAAP basis over the prior fiscal year, 20% of the first 100% of such increase as calculated above, and 10% of the remaining amount of such increase; or (ii) for an increase in earnings attributable to the combined Land Investment and Residential Real Estate segments in the State of Hawaii on a GAAP basis over the prior fiscal year with respect to such segments, 20% of the first 100% of such increase and 10% of the remaining amount of such increase; and
- (c) for an increase in the Company's market capitalization of up to 10%, determined by comparing the closing price of the Common Stock on September 30, 2012 and September 30, 2013, 10% of the amount of such increase.

The 2013 Maximum Bonus Amount for each participant shall in no case exceed 150% of such participant's base salary as of January 2013. Additionally, a decrease in earnings before income taxes or market capitalization will not decrease the amounts of the other respective components of the 2013 Maximum Bonus Amount. The Committee, in

its sole discretion, reserves the right to eliminate or reduce the 2013 Maximum Bonus Amount payable to the CEO and/or to the COO pursuant to the bonus formula described above and in addition or alternatively to grant ordinary bonuses.

The Compensation Committee determined that, pursuant to the adopted performance measures and targeted goals, the maximum bonus grant which could have been payable as calculated under the Plan was \$19,000 as to our CEO, and \$19,000 as to our President/COO. The Compensation Committee reviewed the performance of our CEO and President/COO during fiscal 2013, analyzed the Company's results for the year, reviewed the overall performance of management for the fiscal year, reviewed with management various factors the Committee takes into account in setting compensation, including individual and corporate, financial and non-financial performance, the creation of value for our stockholders, the long-term commitment and contributions of management to the Company, including the ownership by management of approximately 21% of the Company's outstanding stock. The Committee determined that, as a result of the Company's 2013 performance, it was appropriate to pay the respective annual performance bonus amounts as shown in the table, below.

¹ The amounts included in the "Option Awards" column represent the aggregate grant date fair value of option awards in each year for all stock option awards granted during such year, with respect to such executive officer, pursuant to FASB ASC Subtopic 718-10, Compensation-Stock Compensation.

2 The decreases shown in the “Change in Pension Value and Nonqualified Deferred Compensation Earnings” column for 2013 are primarily the result of changes in the actuarial assumptions as to the discount rate applicable to our pension plan for 2013, which increased from 4.00% to 5.00%.

3 This amount represents perquisites received with respect to: (1) personal use of Company office; (2) medical insurance; (3) medical expense reimbursements; (4) companion air travel; (5) club memberships; (6) vehicle expense (including depreciation on a straight-line basis with a 7-year life); (7) in-office meals; and (8) supplementary retirement payments made pursuant to an agreement with the Company.

4 This amount represents perquisites received with respect to: (1) medical insurance; (2) medical expense reimbursements; (3) a club membership; (4) vehicle expense (including depreciation on a straight-line basis with a 7-year life); and (5) imputed interest on a loan from the Company made prior to the enactment of the Sarbanes-Oxley Act.

Outstanding Equity Awards At Fiscal Year-End 2013

No Named Executive Officer held unvested stock awards as of fiscal year end 2013. As a result, such columns have been omitted.

PROPOSAL NO. 2

ADVISORY (NON-BINDING) VOTE ON EXECUTIVE COMPENSATION

Pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act, adopted in 2010, we are required to include in this Proxy Statement and to present at the meeting a non-binding stockholder vote to approve the compensation of our Named Executive Officers, as disclosed in this Proxy Statement. This proposal gives stockholders the opportunity to approve or not approve the compensation of the Company's Named Executive Officers that is disclosed in this Proxy Statement. A proposal will be presented at the meeting in the form of the following resolution:

RESOLVED, that the stockholders approve the compensation of the Company's Named Executive Officers, as disclosed in the executive compensation section, the compensation tables and related material in the Company's Proxy Statement for the annual meeting.

As provided by law, this vote will not be binding on the Company's Board of Directors and may not be construed as overruling a decision by the Board or create or imply any additional fiduciary duty on the Board. The vote will not affect any compensation paid or awarded to any executive.

The purpose of our compensation policies and procedures is to attract and retain experienced, highly qualified executives critical to our long-term success and enhancement of stockholder value. Because this vote is advisory, it will not be binding on the Board of Directors; however, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements.

The affirmative vote of a majority of the shares of Common Stock cast at the annual meeting is required for approval of this proposal.

Our Board of Directors believes that our compensation policies and procedures achieve our objective, and therefore recommends that stockholders vote FOR this proposal.

PROPOSAL NO. 3

APPROVAL OF THE PAY FOR PERFORMANCE PLAN

We are asking our stockholders to approve adoption of a new Pay for Performance Plan (the "Pay for Performance Plan"). The new Pay for Performance Plan will be substantially the same as the 2008 Plan. The Compensation Committee adopted the Pay for Performance Plan on December 10, 2013 subject to stockholder approval.

A component of the Company's overall compensation strategy is to pay its employees for delivering measurable results. The Board also believes that the Company's ability to attract and retain key executives is significantly strengthened by its ability to offer an incentive bonus plan that rewards exceptional performance that supports the

Company's objectives. The purpose of the Pay for Performance Plan is to provide eligible executive officers and key employees of the Company and its subsidiaries who are designated by the Compensation Committee with incentive cash payments based upon their level of achievement of financial, business and other performance criteria.

If approved by the Company's stockholders at the 2014 annual meeting, the Pay for Performance Plan would permit the payment of cash bonuses that may qualify as "performance-based compensation" under Internal Revenue Code ("IRC") Section 162(m). Generally, under IRC Section 162(m), the federal income tax deductibility of compensation paid to the Company's Chief Executive Officer and each of the next three most highly compensated executive officers (other than its Chief Financial Officer) may be limited to \$1,000,000 in any year. However, the Company can deduct compensation in excess of that amount if it qualifies as "performance-based compensation." The Board believes that it is in the best interests of the Company and its stockholders to ensure that compensation payable to its executive officers is deductible by the Company for federal income tax purposes.

In order to qualify as "performance-based compensation," the material terms of the performance goals under which such compensation may be paid must be disclosed to and approved by the stockholders of the Company. You are being asked to approve the Pay for Performance Plan, and should read and understand the terms of the plan before you vote. Below is a summary of the principal provisions of the Pay for Performance Plan. The summary does not purport to be exhaustive, and is qualified by the full text of the plan, a copy of which is attached to this Proxy Statement as Exhibit A.

Administration. The Pay for Performance Plan will be administered by the Compensation Committee, or any other committee designated by the Board (the "Committee"). The Committee will consist solely of two or more directors, each of whom must qualify as an "outside director" under IRC Section 162(m). The Committee will be responsible for administering the Pay for Performance Plan, including determining and interpreting the terms of the Pay for Performance Plan, determining the manner and time of payment of any bonuses awarded, designating the executive officers and other key employees eligible to participate, and setting the targeted goals for selected performance measures. No executive officer or other employee of the Company is automatically entitled to participate in the Pay for Performance Plan.

Eligibility. The employees eligible to participate in the Pay for Performance Plan are those executive officers and other key employees of the Company who are designated by the Committee in its sole discretion. Accordingly, the identity and actual number of employees who will receive awards under the plan cannot be determined in advance.

Determination of Performance Measures. The Committee will determine the performance period (generally, the fiscal year of the Company) for measuring actual performance under the plan. Within 90 days of the commencement of the performance period (or, if earlier, before the expiration of the first 25% of the performance period), the Committee will designate the targeted goals for selected performance measures during the performance period and the applicable bonus formula for each participant, which may vary between individual participants or group of participants.

Performance Measures. The performance measures are determined by the Committee and may differ from participant to participant and from bonus to bonus. They may include a targeted level or levels of achievement using one or more of the following metrics, on an absolute basis or relative to a pre-established target, and measured on a business-unit or Company-wide basis: revenue, gross margin; operating expenses or operating expenses as a percentage of revenue; earnings; earnings per share; growth in any of the foregoing measures; market capitalization; stock price; return on equity or average stockholders' equity; total stockholder return; growth in stockholder value relative to the moving average of the S&P 500 Index, another index or that of a peer group of companies; return on capital; return on assets or net assets; return on investment; economic value added; operating profit; controllable operating profit; net operating profit; operating margin; cash conversion cycle; market share; contract awards or backlog; overhead or other expense reduction; credit rating; strategic plan development and implementation; succession plan development and implementation; improvement in workforce diversity; customer indicators; new product invention or innovation, improvements in productivity; attainment of objective operating goals; and employee metrics.

Calculation of Bonus Amount. After the end of each performance period, the Committee will determine and certify the extent to which the targeted goals for the performance measures applicable to each participant were achieved or exceeded for the performance period, and shall determine each participant's bonus by applying the bonus formula to the level of actual performance achieved. The Committee may nevertheless eliminate or reduce the bonus otherwise payable to any participant under the bonus formula. The aggregate bonus(es) payable to any participant during any fiscal year of the Company may not exceed \$2,000,000.

Awards for 2014 Fiscal Year. Performance measures and targeted goals for the Company's 2014 fiscal year performance period were established by the Committee in December 2013 and the Committee designated the Chief Executive Officer and the Chief Operating Officer to be eligible to participate in the Pay for Performance Plan for fiscal year 2014. The material terms of such performance measures and targeted goals are set forth below.

The Committee determined that the sum of the following three components shall represent the maximum bonus that may be achieved under the Pay for Performance Plan for fiscal 2014 by each of the Chief Executive Officer and the Chief Operating Officer (the "2014 Maximum Bonus Amount"), which is designed so that the Company will be in compliance with Section 162(m) of the Internal Revenue Code of 1986, as amended:

- (a) an amount equal to 5% of the earnings before income taxes on a GAAP basis of the Company;
- (b) the greater of (i) for an increase in earnings before income taxes on a GAAP basis over the prior fiscal year, 20% of the first 100% of such increase as calculated above, and 10% of the remaining amount of such increase; or (ii) for an increase in earnings attributable to the combined Land Investment and Residential Real Estate segments in the State of Hawaii on a GAAP basis over the prior fiscal year with respect to such segments, 20% of the first 100% of such increase and 10% of the remaining amount of such increase; and
- (c) for an increase in the Company's market capitalization of up to 10%, determined by comparing the closing price of the Common Stock on September 30, 2013 and September 30, 2014, 10% of the amount of such increase.

The 2014 Maximum Bonus Amount for each participant shall in no case exceed 150% of such participant's base salary as of January 2014. Additionally, a decrease in earnings before income taxes or market capitalization will not decrease the amounts of the other respective components of the 2014 Maximum Bonus Amount. The Committee, in its sole discretion, reserves the right to eliminate or reduce the 2014 Maximum Bonus Amount payable to the Chief Executive Officer and/or to the Chief Operating Officer pursuant to the bonus formula described above and in addition or alternatively to grant ordinary bonuses.

Effective Date. If approved by our stockholders at the 2014 annual meeting, the Pay for Performance Plan will become effective for performance periods which started on October 1, 2013. Thereafter, the Pay for Performance Plan shall be re-submitted to the stockholders of the Company for approval at the first meeting that occurs in the fifth year following the year in which the Pay for Performance Plan was last approved (or earlier as may be required under Section 162(m) of the IRC). In the event that the Pay for Performance Plan is not approved by our stockholders, the Pay for Performance Plan shall be null and void with respect to participants who are "covered employees" within the meaning of Section 162(m) of the IRC.

Amendment and Termination. The Committee may amend, modify, suspend or terminate the Pay for Performance Plan, in whole or in part, at any time, including the adoption of amendments deemed necessary or desirable to correct any defect or to supply omitted data or to reconcile any inconsistency in the Pay for Performance Plan or in any bonus granted thereunder; provided, however, that no amendment, alteration, suspension or discontinuation may be made which would increase the amount of compensation payable pursuant to such bonus, or which would cause compensation that is, or may become, payable under the Pay for Performance Plan to fail to qualify as performance-based compensation. Notwithstanding the foregoing, the Committee may amend, modify, suspend or

terminate the Pay for Performance Plan if any such action is required by law. To the extent required under applicable law, including IRC Section 162(m), Pay for Performance Plan amendments will be subject to stockholder approval.

Pay for Performance Plan Benefits. The bonus formula for awards payable under the Pay for Performance Plan will be predetermined by the Committee within 90 days of the commencement of the applicable performance period (or, if earlier, before the expiration of the first 25% of the performance period). Because the performance measures and targeted goals for annual awards, if any, under the Pay for Performance Plan are determined in the sole discretion of the Committee, and because bonus amounts, as calculated pursuant to the bonus formula, may be eliminated or reduced by the Committee in its sole discretion, the amounts of future awards are undeterminable.

Required Vote. Approval of the Pay for Performance Plan requires the affirmative vote of a majority of the outstanding shares of Common Stock present in person or by proxy at the meeting and entitled to be voted on this matter. The Pay for Performance Plan and all awards thereunder will be null and void if the Pay for Performance Plan is not approved by the Company's stockholders.

Our Board of Directors recommends a vote FOR the approval of the Pay for Performance Plan.

PROPOSAL NO. 4 RATIFICATION OF THE SELECTION OF THE INDEPENDENT AUDITOR FOR 2014

The Audit Committee has appointed KPMG LLP to serve as our independent auditor for fiscal year 2014. KPMG LLP has served as the Company's independent auditor since 1990 and is considered by management to be well qualified. Although stockholder ratification of the Audit Committee's appointment of KPMG LLP as our independent auditor is not required, the Board of Directors is submitting the appointment of KPMG LLP to the stockholders for ratification. If the stockholders fail to ratify the Audit Committee's appointment, the Audit Committee will reconsider whether to retain KPMG LLP as the Company's independent auditor. In addition, even if the stockholders ratify the appointment of KPMG LLP, the Audit Committee may in its discretion appoint a different independent accounting firm at any time during the year if the Audit Committee determines that a change is in the best interests of the Company. We are asking our stockholders to ratify the selection of KPMG LLP as our independent auditor for fiscal year 2014.

KPMG LLP expects to have a representative available at the meeting who will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

Our Board of Directors recommends a vote FOR the ratification of the selection of KPMG LLP as independent auditor for fiscal year 2014.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's officers and directors, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of beneficial ownership on Forms 3, 4, and 5 with the SEC and any national securities exchange on which such equity securities are registered. Based solely on the Company's review of the copies of such forms it has received and written representations from certain reporting persons that they were not required to file reports on Form 5 during the most recently completed fiscal year or prior years, the Company believes that all of its officers, directors and greater than 10% beneficial owners complied with all Section 16(a) filing requirements applicable to them during the Company's most recently completed fiscal year.

CODE OF ETHICS

The Company has adopted a code of ethics that applies to all of our executive and non-executive employees. The code of ethics contains certain additional terms applicable to our Chief Executive Officer and Chief Financial Officer. - (d) Code Section 409A. To the extent that any Bonus under the Plan is subject to Code Section 409A, the terms and administration of such Bonus shall comply with the provisions of such Section, applicable IRS guidance and good faith reasonable interpretations thereof, and, to the extent necessary to achieve compliance, shall be modified, replaced, or terminated at the discretion of the Committee or Plan Committee.

9. Amendment and Termination.

- (a) The Committee may amend, modify, suspend or terminate this Plan, in whole or in part, at any time, including the adoption of amendments deemed necessary or desirable to correct any defect or to supply omitted data or to reconcile any inconsistency in this Plan or in any Bonus granted hereunder; provided, however, that no amendment, alteration, suspension or discontinuation shall be made which would (i) increase the amount of compensation payable pursuant to such Bonus, or (ii) cause compensation that is, or may become, payable hereunder to fail to qualify as Performance-Based Compensation. Notwithstanding the foregoing, the Committee may amend, modify, suspend or terminate this Plan if any such action is required by law. To the extent required under applicable law, including Code Section 162(m), Plan amendments shall be subject to stockholder approval. The selection of an individual for participation in this Plan shall not give such Participant any right to be retained in the employ of the Company, and the right of the Company to dismiss such Participant or to terminate any arrangement pursuant to which any such Participant provides services to the Company, with or without cause, is specifically reserved. No person shall have claim to a Bonus under this Plan, except as otherwise provided for herein, or to continued participation under this Plan. There is no obligation for uniformity of treatment of Participants under this Plan. The benefits provided for Participants under this Plan shall be in addition to and shall in no way preclude other forms of compensation to or in respect of such Participants. It is expressly agreed and understood that the employment of a Participant is terminable at the will of either party and, if such Participant is a party to an employment contract with the Company, in accordance with the terms and conditions of the Participant's employment agreement.

12. Successors. All obligations of the Company with respect to Bonuses granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business or assets of the Company.

13. Nonassignment. The rights of a Participant under this Plan shall not be assignable or transferable by the Participant except by will or the laws of descent and distribution.

14. Severability. If any portion of this Plan is deemed to be in conflict with local law, that portion of the Plan, and that portion only, will be deemed void under local law. All other provisions of the Plan will remain in effect. Furthermore, if any provision of this Plan would cause Bonuses not to constitute Performance-Based Compensation, that provision shall be severed from, and shall be deemed not to be a part of, the Plan, but the other provisions hereof shall remain in full force and effect.

15. Governing Law. This Plan shall be governed by the laws of the State of Hawaii.
