On June 16, 2015, Libbey Inc. (the Company) announced the appointment, effective July 13, 2015, of James White as Vice President, Chief Operating Officer. Mr. White will be provided an annual base salary of \$525,000, a target opportunity under Libbey's Senior Management Incentive Plan of 75% of his base salary actually earned and a target opportunity under Libbey's Long-Term Incentive Plan equal to 150% of his annual base salary.

He will receive a special "new hire" award of 35,000 restricted stock units to compensate him for awards that he will forfeit when he leaves his current employer. These restricted stock units will vest ratably on each of the first through fourth anniversaries of Mr. White's first day of active employment.

Under the Company's modest executive perquisite program, Mr. White will be entitled to an annual executive physical, annual financial planning assistance, annual tax return preparation assistance, executive car service to and from the Metro Detroit airport, and one airline club membership. Additionally, if Mr. White relocates his primary residence to the Toledo, Ohio area within 18 months of his first day of active employment, he will be entitled to relocation benefits under the Company's relocation policy for in-service employees.

Finally, Mr. White will be covered by the Company's Executive Severance Plan, which provides for payment of benefits solely in the event of his termination without cause, and the Company will enter into a change in control agreement with Mr. White. The form of that agreement will be substantially the same as the form of the change in control agreement between the Company and Sherry Buck, the Company's Vice President, Chief Financial Officer.
