Item 1.02 Termination of a Material Definitive Agreement

As previously disclosed, on May 27, 2015, Biomet, Inc. (“Biomet”) provided notices of conditional redemption to the holders of its 6.500% Senior Subordinated Notes due 2020 (the “Senior Subordinated Notes”) and 6.500% Senior Notes due 2020 (the “Senior Notes,” and together with the Senior Subordinated Notes, the “Notes”). The notices of conditional redemption were conditioned upon the consummation of the Merger (as defined in Item 2.01 below). That condition has been satisfied and, pursuant to the notice of conditional redemption, all outstanding Notes will be redeemed on June 26, 2015 (the “Redemption Date”) at a redemption price equal to 100% of the principal amount of the Notes being redeemed, plus the Applicable Premium (as defined in the indenture governing the Senior Subordinated Notes and the indenture governing the Senior Notes, as applicable) as of the Redemption Date (the “Redemption Price”).

On the date hereof, Parent (as defined in Item 2.01 below) deposited with Wells Fargo Bank, National Association, as trustee (the “Trustee”), sufficient funds to pay the Redemption Price, plus accrued and unpaid interest, if any, to the Redemption Date, and any other fees and expenses payable under each of the indentures. Biomet has provided the Trustee with instructions to apply the deposit to redeem the Notes on the Redemption Date. Each of the indentures has been satisfied and discharged in accordance with its terms and Biomet and the guarantors party thereto have been released from their obligations with respect to the indentures and the Notes, except with respect to those provisions of the indentures that by their terms survive the satisfaction and discharge.

Item 2.01 Completion of Acquisition or Disposition of Assets.
