ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement that we filed with the Securities and Exchange Commission ("Commission") utilizing a "shelf" registration process or continuous offering process. Under this shelf registration process, the selling shareholders may, from time to time, sell the securities described in this prospectus in one or more offerings. This prospectus provides you with a general description of the securities which may be offered by the selling shareholders. Each time a selling shareholder sells securities, the selling shareholder is required to provide you with this prospectus and, in certain cases, a prospectus supplement containing specific information about the selling shareholder and the terms of the securities being offered. That prospectus supplement may include additional risk factors or other special considerations applicable to those securities. Any prospectus supplement may also add, update, or change information in this prospectus. If there is any inconsistency between the information in this prospectus and any prospectus supplement, you should rely on the information in the prospectus supplement. The obligation to deliver a prospectus and prospectus supplement may be satisfied under certain conditions by the Company's filing of a prospectus or prospectus supplement with the Commission and public access to these documents through the Commission's EDGAR system. This prospectus may also be supplemented and updated by the Company filing reports with the Commission which are incorporated by reference in this prospectus. You should read both this prospectus and any prospectus supplement together with additional information described under "Where You Can Find More Information" and "Incorporation of Certain Information By Reference."

As used in this prospectus, the terms "we," "our," "us," "MCBC," "Macatawa," and the "Company" refer to Macatawa Bank Corporation and its consolidated subsidiary, unless the context indicates otherwise.

You should rely only on the information contained or incorporated by reference into this prospectus and in any accompanying prospectus supplement. We have not authorized any other person to provide you with different

or additional information. If anyone provides you with different or additional information, you should not rely on it. You should assume that the information appearing in this prospectus, any prospectus supplement and any other document incorporated by reference is accurate only as of the date of those documents. Our business, risk factors, financial condition, results of operations and prospects may have materially changed since those dates.

Under no circumstances should the delivery of this prospectus to you create any implication that the information contained in this prospectus is correct as of any time after the date of this prospectus.

FORWARD-LOOKING STATEMENTS

This prospectus and any prospectus supplement and the documents incorporated by reference into this prospectus and any prospectus supplement contain forward-looking statements that are based on management's beliefs, assumptions, current expectations, estimates and projections about the financial services industry, the economy, and Macatawa Bank Corporation. Forward-looking statements are identifiable by words or phrases such as "outlook", "plan" or "strategy"; that an event or trend "may", "should", "will", "is likely", or is "probable" to occur or "continue", has "begun" or "is scheduled" or "on track" or that the Company or its management "anticipates", "believes", "estimates", "plans", "forecasts", "intends", "predicts", "projects", or "expects" a particular result, or is "committed", "confident", "optimistic" or has an "opinion" that an event will occur, or other words or phrases such as "ongoing", "future", "signs", "efforts", "tend", "exploring", "appearing", "until", "near term", "going forward", "focus", "starting", "initiative," "trend" and variations of such words and similar expressions. Such statements are based upon current beliefs and expectations and involve substantial risks and uncertainties which could cause actual results to differ materially from those expressed or implied by such forward-looking statements. These statements include, among others, future levels of earning assets, statements related to stabilization of our loan portfolio, trends in credit quality metrics, future capital levels and capital needs, including the impact of Basel III, real estate valuation, future levels of repossessed and foreclosed properties and nonperforming assets, future levels of losses and costs associated with the administration and disposition of repossessed and foreclosed properties and nonperforming assets, future levels of loan charge-offs, future levels of other real estate owned, future levels of provisions for loan losses, the rate of asset dispositions, future dividends, future growth and funding sources, future cost of funds, future liquidity levels, future profitability levels, future FDIC assessment levels, future net interest margin levels, building and improving our investment portfolio, diversifying our credit risk, the effects on earnings of changes in interest rates, future economic conditions, future effects of new or changed accounting standards, future loss recoveries, future balances of short-term investments, future loan demand and loan growth, future levels of mortgage banking revenue and the future level of other revenue sources. Management's determination of the provision and allowance for loan losses, the appropriate carrying value of intangible assets (including deferred tax assets) and other real estate owned, and the fair value of investment securities (including whether any impairment on any investment security is temporary or other-than-temporary and the amount of any impairment) involves judgments that are inherently forward-looking. All statements with references to future time periods are forward-looking. All of the information concerning interest rate sensitivity is forward-looking. Our ability to sell other real estate owned at its carrying value or at all, successfully implement new programs and initiatives, increase efficiencies, maintain our current levels of deposits and other sources of funding, maintain liquidity, respond to declines in collateral values and credit quality, increase loan

volume, originate high quality loans, maintain or improve mortgage banking income, realize the benefit of our deferred tax assets, resume payment of dividends and improve profitability is not entirely within our control and is not assured. The future effect of changes in the real estate, financial and credit markets and the national and regional economy on the banking industry, generally, and Macatawa Bank Corporation, specifically, are also inherently uncertain. These statements are not guarantees of future performance and involve certain risks, uncertainties and assumptions ("risk factors") that are difficult to predict with regard to timing, extent, likelihood and degree of occurrence. Therefore, actual results and outcomes may materially differ from what may be expressed or forecasted in such forward-looking statements. Macatawa Bank Corporation does not undertake to update forward-looking statements to reflect the impact of circumstances or events that may arise after the date of the forward-looking statements.

Risk factors include, but are not limited to, the risk factors described under the heading "Risk Factors" in our Annual Report on Form 10-K for the year ended December 31, 2013 and all of our subsequent Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q. These and other factors are representative of the risk factors that may emerge and could cause a difference between an ultimate actual outcome and a preceding forward-looking statement.

USE OF PROCEEDS

We will not receive any proceeds from the sale by selling shareholders of shares of common stock under this prospectus.

DETERMINATION OF OFFERING PRICE

We are not selling any shares of common stock under this prospectus. We will not have any control over the price at which selling shareholders offer and sell shares of common stock under this prospectus. The price at which shares are offered and sold by selling shareholders will be determined by the selling shareholders, their purchasers and market conditions at the time of the offer and sale.

SELLING SHAREHOLDERS

This prospectus relates to the possible sale from time to time of shares of our common stock by certain of our shareholders. The remaining shares of common stock that may be offered by the selling shareholders were acquired when the holder of the Company's 2% Subordinated Note due 2018 in the aggregate principal amount of \$1,000,000 converted that note into shares of common stock in accordance with the terms of the note. Selling shareholders identified in this prospectus or in a prospectus supplement, as well as their transferees, pledgees, donees or successors, all of whom are referred to herein as "selling shareholders," may from time to time offer and sell such securities pursuant to this prospectus and any applicable prospectus supplement. Some of the selling shareholders are affiliates of the Company.

The following table sets forth the name of each selling shareholder, the amount of our common stock owned by each selling shareholder prior to the offering, the amount of our common stock which may be offered for each selling shareholder's account, and the amount and (if one percent or more) the percentage of our common stock to be owned by such selling shareholders after completion of the offering. predecessors or affiliates. The information is based on information provided to us in a questionnaire by or on behalf of the shareholders listed below and is as of the date specified by the selling shareholders in those questionnaires.

Additional selling shareholders shall not sell any shares of our common stock pursuant to this prospectus until we have identified such selling shareholders and the shares of our common stock which may be offered for resale by such selling shareholders in a subsequent prospectus supplement. However, the selling shareholders may sell or transfer all or a portion of their shares of common stock pursuant to any available exemption from the registration requirements of the Securities Act of 1933, as amended ("Securities Act").

We will make copies of this prospectus available to the selling shareholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act. To the extent required, this prospectus may be amended or supplemented from time to time to describe a specific plan of distribution. As of the date of this prospectus, the Company is not aware of any plans, arrangements or undertakings between any selling shareholder and any underwriter, broker-dealer or agent regarding the sale of the shares by the selling shareholders. At the time a particular offer of shares is made pursuant to this prospectus, if required, a prospectus supplement will be filed that will set forth the amount of shares being offered and the terms of the offering, including the name of any underwriter, dealer or agent, the purchase price paid by any underwriter, any discount, commission and other item constituting compensation, any discount, commission or concession allowed or reallocated or paid to any dealer, and the proposed selling price to the public.
