PRESS RELEASE

FOR IMMEDIATE PUBLICATION

Insurance giant CGU and CGI renew their ties  
o Sign 5-year commercial lines outsourcing contract

Toronto, Ontario, February 5, 2002 - CGU Group Canada Ltd. (CGU), the largest property and casualty insurance group in Canada, and CGI Group Inc. (NYSE: GIB; TSE: GIB.A) (CGI) today announced the signing of a multi-million dollar, 5-year information technology contract for the support and maintenance of CGU's commercial lines applications Canada-wide. The Commercial Lines Applications support CGU in the administration of all underwriting, billing, and claims processing. CGU writes approximately CDN\$650 million in commercial premium income, all of which flows through and is hosted in CGI's Mississauga, Ontario data center. As part of the contract, CGI will be providing its rating engine, Ratabase, to support all rating done by all of CGU's personal lines and commercial lines applications.

"We are very pleased to have CGI as our main outsourcing partner for processing of our commercial lines business. We have worked with CGI for many years in the past, and we believe in the value of the skills and experience they bring to the table," said Javier De la Cuba, senior vice-president, Business Services, CGU.

Michael Roach president, Canada and Europe for CGI added: "We are very proud to be working with CGU, a firm we have been serving for some 15 years. Over the last four years, CGU has acquired several companies and CGI has supported them in their dramatic growth. Our process and procedures have proven our capacity to provide a stable infrastructure for growth. By being flexible to their needs, committed to a long-term partnership and by providing IT professionals with deep insurance industry knowledge, we feel confident in our ability to growth with CGU and deliver what they need when they need it."
