(the "Company") for use at the Annual Meeting of Stockholders of the Company to be held on May 18, 2006 or at any adjournment thereof. Proxy material is being mailed on or about April 18, 2006 to the Company's 424 stockholders of record. The total number of shares of Common Stock outstanding and entitled to vote on April 7, 2006 was 18,470,891.

Edgar Filing: STANDARD MOTOR PRODUCTS INC - Form DEF 14A

The specific proposals to be considered and acted upon at the Annual Meeting are summarized in the accompanying Notice of Annual Meeting of Stockholders. Each proposal is described in more detail in this Proxy Statement.

VOTING RIGHTS AND SOLICITATION

INFORMATION AS TO VOTING SECURITIES

The close of business on April 7, 2006 has been fixed by the Board of Directors as the record date for the determination of stockholders entitled to notice of, and vote at, the Annual Meeting. Holders of Common Stock have the right to one vote for each share registered in their names on the books of the Company as of the close of business on the record date.

In order to conduct business at the Annual Meeting, our Bylaws require the presence in person or by proxy of stockholders holding a majority of the voting power of the outstanding shares of Common Stock entitled to vote on the matters presented at the Annual Meeting. If a quorum is not present, a vote cannot occur, and our Annual Meeting may be adjourned to a subsequent date for the purpose of obtaining a quorum. Proxy cards received by us but marked "Withheld," abstentions and broker non-votes will be included in the calculation of the number of shares considered in determining whether or not a quorum exists. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

VOTING AND REVOCATION OF PROXIES

You can vote your shares by completing and returning a proxy card or by voting in person. If you hold your shares in "street name," you should provide your broker or other nominee with voting instructions to ensure that your shares are voted.

2

The persons named in the accompanying form of proxy will vote the shares represented thereby, as directed in the proxy, if the proxy appears to be valid on its face and is received on time. In the absence of specific instructions, proxies so received will be voted: (1) "FOR" the election of the named nominees to the Company's Board of Directors; (2) "FOR" the approval of the Standard Motor Products, Inc. 2006 Omnibus Incentive Plan; and (3) "FOR" the ratification of Grant Thornton LLP as the Company's independent registered public accounting firm.

Proxies are revocable at any time before they are exercised by (a) sending in a later-dated proxy (with the same or other instructions), (b) appearing at the Annual Meeting and voting in person, or (c) notifying the Secretary of the Company that the proxy is revoked via fax at 718-784-3284 or via mail to Carmine J. Broccole, Secretary, Standard Motor Products, Inc., 37-18 Northern Blvd., Long Island City, NY 11101. If you hold shares through a bank or brokerage firm, you must contact that bank or firm to revoke any prior voting instructions.

VOTES REQUIRED

Nominees receiving a plurality of the votes cast will be elected as directors. Proposal Nos. 2 and 3 require the approval of the affirmative vote of a majority of the shares of Common Stock present or represented by proxy and entitled to vote at the Annual Meeting. Only those votes cast "FOR" or "AGAINST"

Edgar Filing: STANDARD MOTOR PRODUCTS INC - Form DEF 14A

a proposal are used in determining the results of a vote. An abstention or a broker non-vote shall not constitute a vote cast.

METHOD AND EXPENSE OF PROXY SOLICITATION

The solicitation of proxies will be made primarily by mail. Proxies may also be solicited personally and by telephone by regular employees of the Company at nominal cost.

The Company does not expect to pay compensation for any solicitation of proxies but may pay brokers and other persons holding shares in their names, or in the name of nominees, their expenses for sending proxy material to beneficial owners for the purpose of obtaining their proxies. The Company will bear all expenses in connection with the solicitation of proxies.

PROPOSAL 1

INFORMATION REGARDING NOMINEES

Each person listed below has consented to be named as a nominee and agreed to serve if elected. If any of those named are not available for election at the time of the Annual Meeting, discretionary authority will be exercised to vote for substitutes unless the Board chooses to reduce the number of directors. PROPOSAL 2

APPROVAL OF 2006 OMNIBUS INCENTIVE PLAN

GENERAL

We are asking our stockholders to approve the Standard Motor Products, Inc. 2006 Omnibus Incentive Plan (the "Plan"), which was approved by our Board of Directors on March 8, 2006. If approved by stockholders, the Plan will replace our existing stock option plans and will become the Company's only plan for providing stock-based incentive compensation to our eligible employees, independent directors and other eligible persons.

The following summary of certain material features of the Plan is subject to the specific provisions contained in the full text of the Plan, as set forth in Appendix A attached hereto.

PURPOSE OF PLAN

The Plan will allow the Company, under the direction of the Compensation and Management Development Committee of the Board of Directors or those persons to whom administration of the Plan has been delegated or permitted by law (the "Committee") (the Nominating and Corporate Governance Committee of the Board of Directors will make recommendations to the Committee concerning independent directors), to make grants of stock options, restricted stock awards, restricted stock units, stock appreciation rights, performance shares, cash-based awards and other stock-based awards to employees, directors, consultants, independent contractors, agents and advisors. The purpose of these stock awards is to attract and retain talented employees, directors and other eligible persons and further align their interests and those of our stockholders by continuing to link a portion of their compensation with the Company's performance.

KEY TERMS

The following is a summary of the key provisions of the Plan.

PLAN TERM: May 18, 2006 to May 18, 2016

ELIGIBLE PARTICIPANTS: All of our employees, directors, consultants, independent contractors, agents and advisors are

Edgar Filing: STANDARD MOTOR PRODUCTS INC - Form DEF 14A

eligible to receive awards under the Plan, provided they render bona fide services to the Company. The Committee will determine which individuals will participate in the Plan. As of March 15, 2006, there were approximately 180 employees and six independent directors who would be eligible to participate in the Plan.

SHARES AUTHORIZED: 700,000, subject to adjustment to reflect stock splits and other corporate events or transactions. Shares subject to awards that are cancelled, forfeited or that expire by their terms will be returned to the pool of shares available for grant and issuance under the Plan. Of this amount, the maximum number of shares that may be issued to independent directors is one hundred fifty thousand (150,000) shares.

6

AWARD TYPES:

- (1) Non-qualified and incentive stock options;
- (2) Stock appreciation rights (SARs);
- (3) Restricted stock and restricted stock units;
- (4) Performance units and performance shares;
- (5) Cash-based awards; and
- (6) Other stock-based awards.

ANNUAL SHARE LIMITS ON AWARDS:

- (a) Options: The annual maximum aggregate number of shares subject to options granted to any one person is twenty-five thousand (25,000).
- (b) SARs: The annual maximum number of shares subject to stock appreciation rights granted to any one person is twenty-five thousand (25,000).
- (c) Restricted Stock or Restricted Stock Units: The annual maximum aggregate grant with respect to awards of restricted stock or restricted stock units to any one person is ten thousand (10,000).
- (d) Performance Units or Performance Shares: The annual maximum aggregate award of performance units or performance shares that a person may receive is ten thousand (10,000) shares, or equal to the value of ten thousand (10,000) shares determined as of the date of vesting or payout, as applicable.
- (e) Cash-Based Awards: The annual maximum aggregate amount awarded or credited with respect to cash-based awards to any one person is the greater of two hundred fifty thousand dollars (\$250,000) or the value of twenty-five thousand (25,000) shares determined as of the date of vesting or payout, as applicable.
- (f) Other Stock-Based Awards: The annual maximum aggregate grant with respect to other stock-based awards to any one person is twenty-five thousand (25,000) shares.
- (g) Independent director limits: The annual maximum aggregate grant with respect to awards to any independent director shall be five thousand (5,000) shares.

VESTING: Vesting schedules will be determined by the Committee when each award is granted.

Edgar Filing: STANDARD MOTOR PRODUCTS INC - Form DEF 14A

AWARD TERMS: Each option granted shall expire at such time as the Committee shall determine at the time of grant but shall not be exercisable later than the tenth (10th) anniversary date of its grant. The term of any SAR granted shall be determined by the Committee but shall not be exercisable later than the tenth (10th) anniversary date of its grant.

REPRICING PROHIBITED: Repricing, or reducing the exercise price of a stock option or stock appreciation right, is prohibited unless approved by stockholders.

7

INDEPENDENT DIRECTOR AWARDS

If the Plan is approved by stockholders at the Annual Meeting, each independent director will receive on the date of each annual meeting of stockholders an automatic restricted stock award of 1,000 shares, and an additional award of Common Stock valued at \$20,000, based on the fair market value of the Company's Common Stock as of the date of the annual meeting of stockholders. Independent director restricted stock grants will vest after one year, so long as the director remains continuously in office. Independent directors will also be eligible to receive other types of awards under the Plan, but such awards are discretionary. In the event of a merger or asset sale, all of the shares of restricted stock will accelerate and become exercisable in full.

NEW PLAN BENEFITS

Except as described below, the following table sets forth information concerning the benefits or amounts under the Plan that we can determine will be received by all current independent directors as a group on an annualized basis.

NAME AND POSITION	DOLLAR VALUE (\$)	NUMBER OF SHARES
Independent directors		
as a group.....	Fair market value on date of grant	6,000
Independent directors		
as a group.....	\$120,000	Based on fair market value on date of grant

The information in the above table is limited to the annual automatic restricted stock awards and other stock awards to be granted to our independent directors in connection with the Annual Meeting. Future awards under the Plan to executive officers, employees or other eligible participants, and any additional future discretionary awards to independent directors in addition to those granted automatically, are discretionary and cannot be determined at this time, nor can it be determined what these discretionary awards would have been if the Plan had been in effect during fiscal 2005. We therefore have not included any such awards in the table above.

TERMS APPLICABLE TO STOCK OPTIONS AND STOCK APPRECIATION RIGHTS

The exercise price of stock options or stock appreciation rights granted under the Plan may not be less than the fair market value of our Common Stock on

Edgar Filing: STANDARD MOTOR PRODUCTS INC - Form DEF 14A

the date of grant. On the record date, the closing price of the Company's Common Stock on the New York Stock Exchange was \$8.01 per share. The term of these awards may not be longer than ten years. The Committee will determine at the time of grant the other terms and conditions applicable to such award, including vesting and exercisability.

TERMS APPLICABLE TO RESTRICTED STOCK AWARDS, RESTRICTED STOCK UNIT AWARDS, PERFORMANCE SHARES AND OTHER STOCK-BASED AWARDS

The Committee will determine the terms and conditions applicable to the granting of restricted stock awards, restricted stock unit awards, performance shares and other stock-based awards (including the grant of unrestricted shares). The Committee may make the grant, issuance, retention and/or vesting of restricted stock awards, restricted stock unit awards, performance shares and other stock-based awards contingent upon continued employment with the Company, the passage of time, or such performance criteria and the level of achievement versus such criteria as it deems appropriate.

8

ELIGIBILITY UNDER SECTION 162 (M)

Awards may, but need not, include performance criteria that satisfy Section 162(m) of the Internal Revenue Code. To the extent that awards are intended to qualify as "performance-based compensation" under Section 162(m), the performance criteria may include among other criteria, one of the following criteria, either individually, alternatively or in any combination, applied to either the company as a whole or to a business unit or subsidiary, either individually, alternatively, or in any combination, and measured either annually or cumulatively over a period of years, on an absolute basis or relative to a pre-established target, to previous years' results or to a designated comparison group, in each case as specified by the Committee in the award:

- (a) Net earnings or net income (before or after taxes);
- (b) Earnings per share (basic or diluted);
- (c) Net sales or revenue growth;
- (d) Net operating profit;
- (e) Return measures (including, but not limited to, return on assets, capital, invested capital, equity, sales, or revenue);
- (f) Cash flow (including, but not limited to, operating cash flow, free cash flow, cash flow return on equity, and cash flow return on investment);
- (g) Earnings before or after taxes, interest, depreciation, and/or amortization;
- (h) Gross or operating margins;
- (i) Productivity ratios;
- (j) Share price (including, but not limited to, growth measures and total stockholder return);
- (k) Expense targets;
- (l) Margins;
- (m) Operating efficiency;
- (n) Market share;
- (o) Customer satisfaction;
- (p) Working capital targets; and
- (q) Economic value added or EVA(R) (net operating profit after tax minus the sum of capital multiplied by the cost of capital).

To the extent that an award under the Plan is designated as a "performance award," but is not intended to qualify as performance-based compensation under Section 162(m), the performance criteria can include the achievement of

Edgar Filing: STANDARD MOTOR PRODUCTS INC - Form DEF 14A

strategic objectives as determined by the Committee.

Notwithstanding satisfaction of any completion of any performance criteria described above, to the extent specified at the time of grant of an award, the number of shares of Common Stock, stock options or other benefits granted, issued, retainable and/or vested under an award on account of satisfaction of performance criteria may be reduced by the Committee on the basis of such further considerations as the Committee in its sole discretion determines.

9

CASH-BASED AWARDS

The Committee, at any time and from time to time, may grant cash-based awards to participants in such amounts and upon such terms as the Committee may determine. The Committee may establish performance goals in its discretion in connection with the grant of any cash-based awards.

TRANSFERABILITY

Except as otherwise provided in the Plan, awards granted under the Plan may not be sold, pledged, assigned, hypothecated, transferred or disposed of except by will or the laws of descent and distribution. No award may be made subject to execution, attachment or other similar process.

ADMINISTRATION

The Committee will administer the Plan. The Committee will select the persons who receive awards, determine the number of shares covered thereby, and, subject to the terms and limitations expressly set forth in the Plan, establish the terms, conditions and other provisions of the grants. The Committee may construe and interpret the Plan and prescribe, amend and rescind any rules and regulations relating to the Plan. The Committee may delegate to a committee of two or more directors or other persons the ability to grant awards to plan participants. In addition, the Committee may authorize one or more officers of the Company to do one or both of the following: (a) designate employees to be recipients of awards and (b) determine the size of any such awards; provided, however, (i) the Committee shall not delegate such responsibilities to any such officer for awards granted to an employee who is considered an insider (as defined in the Plan); (ii) the resolution providing such authorization sets forth the total number of awards such officer(s) may grant; and (iii) the officer(s) shall report periodically to the Committee regarding the nature and scope of the awards granted pursuant to the authority delegated.

AMENDMENTS

The Committee may alter, amend, modify, suspend, or terminate the Plan and any related award agreement in whole or in part; provided, however, that, without the prior approval of the Company's stockholders, options or SARs issued under the Plan will not be re-priced, replaced, or re-granted through cancellation, or by lowering the option price of a previously granted option or the grant price of a previously granted SAR, and no material amendment of the Plan shall be made without stockholder approval if stockholder approval is required by law, regulation, or stock exchange rule.

ADJUSTMENTS

In the event of a stock dividend, recapitalization, stock split, reverse stock split, subdivision, combination, reclassification or similar change of the Company's capital structure without consideration, the Committee may approve, in

Edgar Filing: STANDARD MOTOR PRODUCTS INC - Form DEF 14A

its discretion, an adjustment of the number and kind of shares available for grant under the Plan, and subject to the various limitations set forth in the Plan, the number of shares subject to outstanding awards under the Plan, and the exercise price of outstanding stock options and of other awards.

10

In the event of a merger or asset sale any or all outstanding awards may be assumed or an equivalent award substituted by a successor corporation. In the event the successor corporation refuses to assume or substitute the awards outstanding under the Plan, the outstanding awards shall vest and become exercisable as to 100% of the shares subject thereto.

U.S. TAX CONSEQUENCES

THE FOLLOWING IS A GENERAL SUMMARY AS OF THE DATE OF THIS PROXY STATEMENT OF THE UNITED STATES FEDERAL INCOME TAX CONSEQUENCES TO THE COMPANY AND PARTICIPANTS IN THE PLAN. THE FEDERAL TAX LAWS MAY CHANGE AND THE FEDERAL, STATE AND LOCAL TAX CONSEQUENCES FOR ANY PARTICIPANT WILL DEPEND UPON HIS OR HER INDIVIDUAL CIRCUMSTANCES. EACH PARTICIPANT IS ENCOURAGED TO SEEK THE ADVICE OF A QUALIFIED TAX ADVISOR REGARDING THE TAX CONSEQUENCES OF PARTICIPATION IN THE PLAN.

NON-QUALIFIED STOCK OPTIONS

A participant will realize no taxable income at the time a non-qualified stock option is granted under the plan, but generally at the time such non-qualified stock option is exercised, the participant will realize ordinary income in an amount equal to the excess of the fair market value of the shares on the date of exercise over the stock option exercise price. Upon a disposition of such shares, the difference between the amount received and the fair market value on the date of exercise will generally be treated as a long-term or short-term capital gain or loss, depending on the holding period of the shares. The Company will generally be entitled to a deduction for federal income tax purposes at the same time and in the same amount as the participant is considered to have realized ordinary income in connection with the exercise of the non-qualified stock option.

INCENTIVE STOCK OPTIONS

A participant will realize no taxable income, and the Company will not be entitled to any related deduction, at the time any incentive stock option is granted. If certain employment and holding period conditions are satisfied, then no taxable income will result upon the exercise of such option and the Company will not be entitled to any deduction in connection with the exercise of such stock option. Upon disposition of the shares after expiration of the statutory holding periods, any gain realized by a participant will be taxed as long-term capital gain and any loss sustained will be long-term capital loss, and the Company will not be entitled to a deduction in respect to such disposition. While no ordinary taxable income is recognized at exercise (unless there is a "disqualifying disposition," see below), the excess of the fair market value of the shares over the stock option exercise price is a preference item that is recognized for alternative minimum tax purposes.

Except in the event of death, if shares acquired by a participant upon the exercise of an incentive stock option are disposed of by such participant before the expiration of the statutory holding periods (i.e., a "disqualifying disposition"), such participant will be considered to have realized as compensation taxed as ordinary income in the year of such disposition an amount, not exceeding the gain realized on such disposition, equal to the difference

Edgar Filing: STANDARD MOTOR PRODUCTS INC - Form DEF 14A

between the stock option price and the fair market value of such shares on the date of exercise of such stock option. Generally, any gain realized on the disposition in excess of the amount treated as compensation or any loss realized on the disposition will constitute capital gain or loss, respectively. If a participant makes a "disqualifying disposition," generally in the fiscal year of such "disqualifying disposition" the Company will be allowed a deduction for federal income tax purposes in an amount equal to the compensation realized by such participant.

11

STOCK APPRECIATION RIGHTS

A grant of a stock appreciation right (which can be settled in cash or the Company Common Stock) has no federal income tax consequences at the time of grant. Upon the exercise of stock appreciation rights, the value received is generally taxable to the participant as ordinary income, and the Company generally will be entitled to a corresponding tax deduction.

RESTRICTED STOCK

A participant receiving restricted stock may be taxed in one of two ways: the participant (i) pays tax when the restrictions lapse (i.e., they become vested) or (ii) makes a special election to pay tax in the year the grant is made. At either time the value of the award for tax purposes is the excess of the fair market value of the shares at that time over the amount (if any) paid for the shares. The Company receives a tax deduction at the same time and for the same amount taxable to the participant. If a participant elects to be taxed at grant, then, when the restrictions lapse, there will be no further tax consequences attributable to the awarded stock until the participant disposes of the stock.

RESTRICTED STOCK UNITS

In general, no taxable income is realized upon the grant of a restricted stock unit award. The participant will generally include in ordinary income the fair market value of the restricted stock units at the time they vest. The Company generally will be entitled to a tax deduction at the time and in the amount that the participant recognizes ordinary income.

PERFORMANCE SHARES

The participant will not realize income when a performance share is granted, but will realize ordinary income when shares are transferred to him or her. The amount of such income will be equal to the fair market value of such transferred shares on the date of transfer. The Company will be entitled to a deduction for federal income tax purposes at the same time and in the same amount as the participant is considered to have realized ordinary income as a result of the transfer of shares.

SECTION 162(M) LIMIT

The Plan is intended to enable the Company to provide certain forms of performance-based compensation to executive officers that will meet the requirements for tax deductibility under Section 162(m) of the Internal Revenue Code. Section 162(m) provides that, subject to certain exceptions, the Company may not deduct compensation paid to any one of certain executive officers in excess of \$1 million in any one year. Section 162(m) excludes certain performance-based compensation from the \$1 million limitation.

CASH-BASED AWARDS AND OTHER STOCK-BASED AWARDS

The participant will recognize, as a general rule, ordinary income at the time of payment of cash or delivery of actual shares of Common Stock. Future appreciation on shares of Common Stock held beyond the ordinary income recognition event will be taxable at capital gains rates when the shares of Common Stock are sold. The Company, as a general rule, will be entitled to a tax deduction that corresponds in time and amount to the ordinary income recognized by the participant, and the Company will not be entitled to any tax deduction in respect of capital gain income recognized by the participant.

FOR THESE REASONS, THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE APPROVAL OF THE STANDARD MOTOR PRODUCTS, INC. 2006 OMNIBUS INCENTIVE PLAN.

Except as indicated in the footnotes to this table, the stockholder named in the table has sole voting power and sole investment power with respect to the shares set forth opposite such stockholder's name. Unless otherwise indicated, the address of each individual listed in the table is c/o Standard Motor Products, Inc., 37-18 Northern Boulevard, Long Island City, New York.

SUPPLEMENTAL RETIREMENT PROGRAM

Effective October 1, 2001, the Company adopted an unfunded supplemental retirement program for eligible employees. Participation is limited to those employees who as of the effective date have been designated by the Compensation and Management Development Committee. The benefits under this supplemental retirement program (the "Supplemental Program") are computed under a formula

Edgar Filing: STANDARD MOTOR PRODUCTS INC - Form DEF 14A

which takes into account a percentage of the participant's average annual base salary plus bonus and other incentive compensation earned in three (3) of the last five (5) years of service prior to age 60 ("Final Average Earnings") and years of participating service. The maximum benefit payable to a participant under the Supplemental Program is an amount equal to 50% of the participant's Final Average Earnings. If a participant terminates his employment voluntarily prior to age 60 or is terminated for cause (as defined under the Supplemental Program), such participant will forfeit his benefits under the Supplemental Program. The benefits under the Supplemental Program are in addition to benefits payable to participants under the Company's 401(k) Plan and SERP. Benefits under the Supplemental Program will be paid from general corporate funds in the form of a single life annuity and are not subject to any deduction for Social Security or other offset amounts.

It is not possible to calculate exactly each participant's benefits under the Supplemental Program prior to retirement. However, the tables below indicate the aggregate amount of annual benefits payable under the Supplemental Program using the formula described above for the specified final average earnings and years of participating service for Category A and Category B participants, respectively, and are based upon retirement at age 60 and payment in the form of a life annuity. A participant must have completed the number of years of participating service specified in order to receive the benefit listed. Benefits do not increase pro rata between the years of participating service categories specified.

REPORT OF THE COMPENSATION AND MANAGEMENT DEVELOPMENT COMMITTEE

The Compensation and Management Development Committee of the Board of Directors is responsible for approving the compensation packages (base salary and bonus) of the Company's executive officers, for administering the Company's equity incentive plans, and for reviewing the Company's overall compensation policies including the structure of its bonus program. The Committee is comprised of six directors who are "independent" as defined under the listing standards of the New York Stock Exchange. The Committee met one time in 2005 and operates under a written charter adopted by the Board of Directors.

EXECUTIVE COMPENSATION PHILOSOPHY

The Company's executive compensation program is designed to (1) attract, motivate and retain exceptional talent whose abilities are critical to the Company's long-term success, (2) maintain a portion of the executive's total compensation at risk, tied to achievement of annual and long term financial, organizational and management performance goals, and (3) provide variable compensation incentives directly linked to the performance of the Company and improvement in stockholder return so that executives manage from the perspective of owners with an equity stake in the Company. In this regard, the levels of executive compensation established by the Committee are designed to be consistent with those available to other executives in comparable companies.

28

ELEMENTS OF COMPENSATION

The key elements of the Company's executive compensation are generally base salary, bonus and long-term equity incentives. While the elements of compensation are considered separately, the Committee also considers the complete compensation package provided by the Company to the individual executive to ensure that it will be effective in motivating and incentivizing such executive and to assess its competitiveness with comparable positions at other comparable companies.

BASE SALARY. Base salaries for executive officers are determined by evaluating the responsibilities of the position, the experience of the individual, and the competitive marketplace. Base salary adjustments are determined annually by evaluating the factors above, the Company's financial performance, the Company's achievement of certain non-financial performance measures, and the performance of the executive officer.

BONUS. The Company utilizes an Economic Value Added (EVA) based bonus program to more closely align executive compensation to continuous improvements in corporate performance and increases in stockholder value. Simply stated, EVA is equal to net operating profit after tax, less a charge for the cost of capital. Bonuses tied to EVA are such that increasing EVA year over year will be favorable for the Company's stockholders as well as those whose compensation is based on EVA. In the event of decreasing EVA, bonuses will be affected negatively to the point of erasing the portion based upon EVA. EVA bonuses earned in any one year may not necessarily be paid out in full. In order to promote longer-term stockholder improvement and to provide for years which may produce "negative EVA" results, the entire bonus structure is monitored through a "banking" feature. The "bank" allows only a portion of the year's earnings to be paid out in any given year, saving the remainder for lean year's growth or negative growth. Due to this feature, it is possible to receive a nominal bonus

Edgar Filing: STANDARD MOTOR PRODUCTS INC - Form DEF 14A

in a poor year only because the individual has a bank upon which to draw. It is also possible to completely exhaust the bank or create a negative bank. In the case of a negative bank, bonuses tied to EVA would not be paid until the bank is once again positive. However, the Board may in its discretion reset negative bank balances to zero in order to preserve an incentive for continuous effort in future years. For 2005, bank balances were set at negative 100%.

Under the EVA bonus program, the bonuses of the officers are based on a range of 40% -70% on year-over-year improvement in Company EVA and the remaining 30% - 60% on MBO goals approved by the Compensation and Management Development Committee. Earned MBO bonuses are paid out in full each year.

LONG-TERM EQUITY INCENTIVES. As part of the Company's compensation program, the Compensation and Management Development Committee from time to time grants stock options to the Company's executive officers and other key employees. This feature further strengthens the link between continuous Company improvement and long-term compensation. These grants generally include proportional vesting over multi-year periods at increasing exercise prices. The grants also require a holding period before they may be exercised. If the 2006 Omnibus Incentive Plan is approved by the Company's stockholders, the Compensation and Management Development Committee intends to grant restricted stock and other types of equity-based awards to the Company's executives and other key employees.

29

CHIEF EXECUTIVE OFFICER COMPENSATION

The executive compensation policy described above is applied in setting the compensation of our Chief Executive Officer, Lawrence I. Sills. Mr. Sills generally participates in the same executive compensation plans and arrangements available to the other senior executives. Accordingly, his compensation also consists of an annual base salary, an annual cash bonus and, potentially, long-term equity-linked compensation in the form of stock options. The Compensation and Management Development Committee's general approach in establishing Mr. Sills' compensation is to be competitive with peer companies, but to have a large percentage of his target compensation based upon certain performance criteria and targets established in the Company's strategic plan. If the 2006 Omnibus Incentive Plan is approved by the Company's stockholders, the Compensation and Management Development Committee intends to grant restricted stock and other types of equity-based awards to Mr. Sills.

Mr. Sills' compensation for the fiscal year ended December 31, 2005 included \$403,000 in base salary and bonus compensation of \$146,250. Mr. Sills' base salary for 2005 was the same as his 2004 base salary and was based on, among other factors, the Company's performance and the 2004 compensation of chief executives of comparable companies, although his compensation was not linked to any particular group of these companies. In 2005, Mr. Sills received a grant of stock options to purchase 12,500 shares of Common Stock.

TAX DEDUCTIBILITY OF EXECUTIVE COMPENSATION

The Committee has considered the potential impact of Section 162(m) of the Internal Revenue Code on the compensation paid to the Company's executive officers. Section 162(m) disallows a tax deduction for any publicly held corporation for individual compensation exceeding \$1 million in any taxable year for any of the Named Executive Officers, unless compensation is performance-based. In general, it is the Committee's policy to qualify, to the maximum extent possible, its executives' compensation for deductibility under applicable tax laws.

Edgar Filing: STANDARD MOTOR PRODUCTS INC - Form DEF 14A

In approving the amount and form of compensation for the Company's executive officers, the Committee will continue to consider all elements of the cost to the Company of providing such compensation, including the potential impact of Section 162(m).

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. The Committee is comprised of six directors who are "independent" as defined under the listing standards of the New York Stock Exchange. The Committee met seven times in 2005 and operates under a written charter adopted by the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the Company's systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed with management the audited financial statements in the Annual Report on Form 10-K for the fiscal year ended December 31, 2005, including a discussion of the quality and the acceptability of the Company's financial reporting and controls.

The Committee also reviewed with Grant Thornton LLP, the Company's independent registered public accounting firm, that is responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality and the acceptability of the Company's financial reporting, and such other matters as are required to be discussed with the Committee under generally accepted auditing standards, including SAS No. 61 (Codification of Statements on Auditing Standards, AU Section 380). In addition, the Committee discussed with Grant Thornton the auditors' independence from management and the Company, including the matters in the auditors' written disclosures required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committee).

The Committee also discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Committee meets periodically with the internal and the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2005 for filing with the Securities and Exchange Commission.

8.3 OTHER RESTRICTIONS. The Committee shall impose such other conditions and/or restrictions on any Shares of Restricted Stock or Restricted Stock Units granted pursuant to this Plan as it may deem advisable including, without limitation, a requirement that Participants pay a stipulated purchase price for each Share of Restricted Stock or each Restricted Stock Unit, restrictions based upon the achievement of specific performance goals, time-based restrictions on vesting following the attainment of the performance goals, time-based restrictions, and/or restrictions under applicable laws or under the requirements of any stock exchange or market upon which such Shares are listed or traded, or holding requirements or sale restrictions placed on the Shares by the Company upon vesting of such Restricted Stock or Restricted Stock Units.

To the extent deemed appropriate by the Committee, the Company may retain the certificates representing Shares of Restricted Stock in the Company's possession until such time as all conditions and/or restrictions applicable to such Shares have been satisfied or lapse.

A-13

Except as otherwise provided in this Article 8, Shares of Restricted Stock covered by each Restricted Stock Award shall become freely transferable by the Participant after all conditions and restrictions applicable to such Shares have been satisfied or lapse (including satisfaction of any applicable tax withholding obligations), and Restricted Stock Units shall be paid in cash, Shares, or a combination of cash and Shares as the Committee, in its sole discretion shall determine.

8.4 CERTIFICATE LEGEND. In addition to any legends placed on certificates pursuant to Section 8.3, each certificate representing Shares of Restricted Stock granted pursuant to this Plan may bear a legend such as the following or as otherwise determined by the Committee in its sole discretion:

"The sale or transfer of Shares of stock represented by this certificate, whether voluntary, involuntary, or by operation of law, is subject to certain restrictions on transfer as set forth in the Standard Motor Products, Inc. 2006 Omnibus Incentive Plan, and in the associated Award Agreement. A copy of this Plan and such Award Agreement may be obtained from Standard Motor Products, Inc."

8.5 VOTING RIGHTS. Unless otherwise determined by the Committee and set forth in a Participant's Award Agreement, to the extent permitted or required by law, as determined by the Committee, Participants holding Shares of Restricted Stock granted hereunder may be granted the right to exercise full voting rights with respect to those Shares during the Period of Restriction. A Participant shall have no voting rights with respect to any Restricted Stock Units granted hereunder.

Edgar Filing: STANDARD MOTOR PRODUCTS INC - Form DEF 14A

8.6 TERMINATION OF EMPLOYMENT. Each Award Agreement shall set forth the extent to which the Participant shall have the right to retain Restricted Stock and/or Restricted Stock Units following termination of the Participant's employment with or provision of services to the Company, its Affiliates, and/or its Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Shares of Restricted Stock or Restricted Stock Units issued pursuant to this Plan, and may reflect distinctions based on the reasons for termination.

8.7 SECTION 83(B) ELECTION. The Committee may provide in an Award Agreement that the Award of Restricted Stock is conditioned upon the Participant making or refraining from making an election with respect to the Award under Code Section 83(b). If a Participant makes an election pursuant to Code Section 83(b) concerning a Restricted Stock Award, the Participant shall be required to file promptly a copy of such election with the Company.

ARTICLE 9. PERFORMANCE UNITS/PERFORMANCE SHARES

9.1 GRANT OF PERFORMANCE UNITS/PERFORMANCE SHARES. Subject to the terms and provisions of this Plan, the Committee, at any time and from time to time, may grant Performance Units and/or Performance Shares to Participants in such amounts and upon such terms as the Committee shall determine.

9.2 VALUE OF PERFORMANCE UNITS/PERFORMANCE SHARES. Each Performance Unit shall have an initial value that is established by the Committee at the time of grant. Each Performance Share shall have an initial value equal to the Fair Market Value of a Share on the Grant Date. The Committee shall set performance goals in its discretion which, depending on the extent to which they are met, will determine the value and/or number of Performance Units/Performance Shares that will be paid out to the Participant.

A-14

9.3 EARNING OF PERFORMANCE UNITS/PERFORMANCE SHARES. Subject to the terms of this Plan, after the applicable Performance Period has ended, the holder of Performance Units/Performance Shares shall be entitled to receive payout on the value and number of Performance Units/Performance Shares earned by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding performance goals have been achieved.

9.4 FORM AND TIMING OF PAYMENT OF PERFORMANCE UNITS/PERFORMANCE SHARES. Payment of earned Performance Units/Performance Shares shall be as determined by the Committee and as evidenced in the Award Agreement. Subject to the terms of this Plan, the Committee, in its sole discretion, may pay earned Performance Units/Performance Shares in the form of cash or in Shares (or in a combination thereof) equal to the value of the earned Performance Units/Performance Shares at the close of the applicable Performance Period, or as soon as practicable after the end of the Performance Period. Any Shares may be granted subject to any restrictions deemed appropriate by the Committee. The determination of the Committee with respect to the form of payout of such Awards shall be set forth in the Award Agreement pertaining to the grant of the Award.

9.5 TERMINATION OF EMPLOYMENT. Each Award Agreement shall set forth the extent to which the Participant shall have the right to retain Performance Units and/or Performance Shares following termination of the Participant's employment with or provision of services to the Company, its Affiliates, and/or its Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Awards of

Edgar Filing: STANDARD MOTOR PRODUCTS INC - Form DEF 14A

Performance Units or Performance Shares issued pursuant to this Plan, and may reflect distinctions based on the reasons for termination.

ARTICLE 10. CASH-BASED AWARDS AND OTHER STOCK-BASED AWARDS

10.1 GRANT OF CASH-BASED AWARDS. Subject to the terms and provisions of the Plan, the Committee, at any time and from time to time, may grant Cash-Based Awards to Participants in such amounts and upon such terms as the Committee may determine.

10.2 OTHER STOCK-BASED AWARDS. The Committee may grant other types of equity-based or equity-related Awards not otherwise described by the terms of this Plan (including the grant or offer for sale of unrestricted Shares) in such amounts and subject to such terms and conditions, as the Committee shall determine. Such Awards may involve the transfer of actual Shares to Participants, or payment in cash or otherwise of amounts based on the value of Shares and may include, without limitation, Awards designed to comply with or take advantage of the applicable local laws of jurisdictions other than the United States.

10.3 VALUE OF CASH-BASED AND OTHER STOCK-BASED AWARDS. Each Cash-Based Award shall specify a payment amount or payment range as determined by the Committee. Each Other Stock-Based Award shall be expressed in terms of Shares or units based on Shares, as determined by the Committee. The Committee may establish performance goals in its discretion. If the Committee exercises its discretion to establish performance goals, the number and/or value of Cash-Based Awards or Other Stock-Based Awards that will be paid out to the Participant will depend on the extent to which the performance goals are met.

A-15

10.4 PAYMENT OF CASH-BASED AWARDS AND OTHER STOCK-BASED AWARDS. Payment, if any, with respect to a Cash-Based Award or an Other Stock-Based Award shall be made in accordance with the terms of the Award, in cash or Shares as the Committee determines.

10.5 TERMINATION OF EMPLOYMENT. The Committee shall determine the extent to which the Participant shall have the right to receive Cash-Based Awards or Other Stock-Based Awards following termination of the Participant's employment with or provision of services to the Company, its Affiliates, and/or its Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, such provisions may be included in an agreement entered into with each Participant, but need not be uniform among all Awards of Cash-Based Awards or Other Stock-Based Awards issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination.

ARTICLE 11. TRANSFERABILITY OF AWARDS

11.1 TRANSFERABILITY. Except as provided in Section 11.2 below, during a Participant's lifetime, his or her Awards shall be exercisable only by the Participant. Awards shall not be transferable other than by will or the laws of descent and distribution; no Awards shall be subject, in whole or in part, to attachment, execution, or levy of any kind; and any purported transfer in violation hereof shall be null and void. The Committee may establish such procedures as it deems appropriate for a Participant to designate a beneficiary to whom any amounts payable or Shares deliverable in the event of, or following, the Participant's death, may be provided.

11.2 COMMITTEE ACTION. The Committee may, in its discretion, determine that notwithstanding Section 11.1, any or all Awards (other than ISOs) shall be

Edgar Filing: STANDARD MOTOR PRODUCTS INC - Form DEF 14A

transferable to and exercisable by such transferees, and subject to such terms and conditions, as the Committee may deem appropriate; provided, however, no Award may be transferred for value (as defined in the General Instructions to Form S-8).

ARTICLE 12. PERFORMANCE MEASURES

12.1 PERFORMANCE MEASURES. The performance goals upon which the payment or vesting of an Award to a Covered Employee that is intended to qualify as Performance-Based Compensation shall be limited to the following Performance Measures:

- (a) Net earnings or net income (before or after taxes);
- (b) Earnings per share (basic or diluted);
- (c) Net sales or revenue growth;
- (d) Net operating profit;
- (e) Return measures (including, but not limited to, return on assets, capital, invested capital, equity, sales, or revenue);
- (f) Cash flow (including, but not limited to, operating cash flow, free cash flow, cash flow return on equity, and cash flow return on investment);

A-16

- (g) Earnings before or after taxes, interest, depreciation, and/or amortization;
- (h) Gross or operating margins;
- (i) Productivity ratios;
- (j) Share price (including, but not limited to, growth measures and total shareholder return);

- (o) Customer satisfaction;
- (p) Working capital targets; and
- (q) Economic value added or EVA(R) (net operating profit after tax minus the sum of capital multiplied by the cost of capital).

Any Performance Measure(s) may be used to measure the performance of the Company, Subsidiary, and/or Affiliate as a whole or any business unit of the Company, Subsidiary, and/or Affiliate or any combination thereof, as the Committee may deem appropriate, or any of the above Performance Measures as compared to the performance of a group of comparator companies, or published or special index that the Committee, in its sole discretion, deems appropriate, or the Company may select Performance Measure (j) above as compared to various stock market indices. The Committee also has the authority to provide for accelerated vesting of any Award based on the achievement of performance goals pursuant to the Performance Measures specified in this Article 12.

12.2 EVALUATION OF PERFORMANCE. The Committee may provide in any such Award that any evaluation of performance may include or exclude any of the following events that occurs during a Performance Period: (a) asset write-downs, (b) litigation or claim judgments or settlements, (c) the effect of changes in tax laws, accounting principles, or other laws or provisions affecting reported results, (d) any reorganization and restructuring programs, (e) extraordinary nonrecurring items as described in Accounting Principles Board Opinion No. 30 and/or in management's discussion and analysis of financial condition and results of operations appearing in the Company's annual report to shareholders for the applicable year, (f) acquisitions or divestitures, and (g) foreign

Edgar Filing: STANDARD MOTOR PRODUCTS INC - Form DEF 14A

exchange gains and losses. To the extent such inclusions or exclusions affect Awards to Covered Employees, they shall be prescribed in a form that meets the requirements of Code Section 162(m) for deductibility.

12.3 ADJUSTMENT OF PERFORMANCE-BASED COMPENSATION. Awards that are intended to qualify as Performance-Based Compensation may not be adjusted upward. The Committee shall retain the discretion to adjust such Awards downward, either on a formula or discretionary basis or any combination, as the Committee determines.

12.4 COMMITTEE DISCRETION. In the event that applicable tax and/or securities laws change to permit Committee discretion to alter the governing Performance Measures without obtaining shareholder approval of such changes, the Committee shall have sole discretion to make such changes without obtaining shareholder approval. In addition, in the event that the Committee determines that it is advisable to grant Awards that shall not qualify as Performance-Based Compensation, the Committee may make such grants without satisfying the requirements of Code Section 162(m) and base vesting on Performance Measures other than those set forth in Section 12.1.

A-17

ARTICLE 13. NONEMPLOYEE DIRECTOR AWARDS

The Board or Committee shall determine all Awards to Nonemployee Directors. The terms and conditions of any grant to any such Nonemployee Director shall be set forth in an Award Agreement.

ARTICLE 14. DIVIDEND EQUIVALENTS

Any Participant selected by the Committee may be granted dividend equivalents based on the dividends declared on Shares that are subject to any Award, to be credited as of dividend payment dates, during the period between the date the Award is granted and the date the Award is exercised, vests or expires, as determined by the Committee. Such dividend equivalents shall be converted to cash or additional Shares by such formula and at such time and subject to such limitations as may be determined by the Committee.

ARTICLE 15. BENEFICIARY DESIGNATION

Each Participant under this Plan may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under this Plan is to be paid in case of his death before he receives any or all of such benefit. Each such designation shall revoke all prior designations by the same Participant, shall be in a form prescribed by the Committee, and will be effective only when filed by the Participant in writing with the Company during the Participant's lifetime. In the absence of any such beneficiary designation, benefits remaining unpaid or rights remaining unexercised at the Participant's death shall be paid to or exercised by the Participant's executor, administrator, or legal representative.

ARTICLE 16. RIGHTS OF PARTICIPANTS

16.1 EMPLOYMENT. Nothing in this Plan or an Award Agreement shall interfere with or limit in any way the right of the Company, its Affiliates, and/or its Subsidiaries, to terminate any Participant's employment or service on the Board or to the Company at any time or for any reason not prohibited by law, nor confer upon any Participant any right to continue his employment or service as a Director or Third Party Service Provider for any specified period of time.

Edgar Filing: STANDARD MOTOR PRODUCTS INC - Form DEF 14A

Neither an Award nor any benefits arising under this Plan shall constitute an employment contract with the Company, its Affiliates, and/or its Subsidiaries and, accordingly, subject to Articles 3 and 19, this Plan and the benefits hereunder may be terminated at any time in the sole and exclusive discretion of the Committee without giving rise to any liability on the part of the Company, its Affiliates, and/or its Subsidiaries.

16.2 PARTICIPATION. No individual shall have the right to be selected to receive an Award under this Plan, or, having been so selected, to be selected to receive a future Award.

16.3 RIGHTS AS A SHAREHOLDER. Except as otherwise provided herein, a Participant shall have none of the rights of a shareholder with respect to Shares covered by any Award until the Participant becomes the record holder of such Shares.

A-18

ARTICLE 17. CHANGE OF CONTROL

17.1 CHANGE OF CONTROL OF THE COMPANY. Notwithstanding any other provision of this Plan to the contrary, the provisions of this Article 17 shall apply in the event of a Change of Control, unless otherwise determined by the Committee in connection with the grant of an Award as reflected in the applicable Award Agreement.

Upon a Change of Control, except to the extent that another Award meeting the requirements of Section 17.2 (a "Replacement Award") is provided to the Participant to replace such Award (the "Replaced Award"), all then-outstanding Stock Options and Stock Appreciation Rights shall immediately become fully vested and exercisable, and all other then-outstanding Awards whose exercisability depends merely on the satisfaction of a service obligation by a Participant to the Company, Subsidiary, or Affiliate shall vest in full and be free of restrictions related to the vesting of such Awards. The treatment of any other Awards shall be as determined by the Committee in connection with the grant thereof, as reflected in the applicable Award Agreement.

Except to the extent that a Replacement Award is provided to the Participant, the Committee may, in its sole discretion, determine that any or all outstanding Awards granted under the Plan, whether or not exercisable, will be canceled and terminated and that in connection with such cancellation and termination the holder of such Award may receive for each Share of Common Stock subject to such Awards a cash payment (or the delivery of shares of stock, other securities or a combination of cash, stock and securities equivalent to such cash payment) equal to the difference, if any, between the consideration received by shareholders of the Company in respect of a Share of Common Stock in connection with such transaction and the purchase price per share, if any, under the Award multiplied by the number of Shares of Common Stock subject to such Award; provided that if such product is zero or less or to the extent that the Award is not then exercisable, the Awards will be canceled and terminated without payment therefore.

17.2 REPLACEMENT AWARDS. An Award shall meet the conditions of this Section 17.2 (and hence qualify as a Replacement Award) if: (i) it has a value at least equal to the value of the Replaced Award as determined by the Committee in its sole discretion; (ii) it relates to publicly traded equity securities of the Company or its successor in the Change of Control or another entity that is affiliated with the Company or its successor following the Change of Control; and (iii) its other terms and conditions are not less favorable to the Participant than the terms and conditions of the Replaced Award (including the

Edgar Filing: STANDARD MOTOR PRODUCTS INC - Form DEF 14A

provisions that would apply in the event of a subsequent Change of Control). Without limiting the generality of the foregoing, the Replacement Award may take the form of a continuation of the Replaced Award if the requirements of the preceding sentence are satisfied. The determination of whether the conditions of this Section 17.2 are satisfied shall be made by the Committee, as constituted immediately before the Change of Control, in its sole discretion.

17.3 TERMINATION OF EMPLOYMENT. Upon a termination of employment or termination of directorship of a Participant occurring in connection with or during the period of two (2) years after such Change of Control, other than for Cause, (i) all Replacement Awards held by the Participant shall become fully vested and (if applicable) exercisable and free of restrictions, and (ii) all Stock Options and Stock Appreciation Rights held by the Participant immediately before the termination of employment or termination of directorship that the Participant held as of the date of the Change of Control or that constitute Replacement Awards shall remain exercisable for not less than one (1) year following such termination or until the expiration of the stated term of such Stock Option or SAR, whichever period is shorter; provided, that if the applicable Award Agreement provides for a longer period of exercisability, that provision shall control.

A-19

ARTICLE 18. AMENDMENT, MODIFICATION, SUSPENSION, AND TERMINATION

18.1 AMENDMENT, MODIFICATION, SUSPENSION, AND TERMINATION. Subject to Section 18.3, the Committee may, at any time and from time to time, alter, amend, modify, suspend, or terminate this Plan and any Award Agreement in whole or in part; provided, however, that, without the prior approval of the Company's shareholders and except as provided in Section 4.4, Options or SARs issued under this Plan will not be repriced, replaced, or regranted through cancellation, or by lowering the Option Price of a previously granted Option or the Grant Price of a previously granted SAR, and no material amendment of this Plan shall be made without shareholder approval if shareholder approval is required by law, regulation, or stock exchange rule.

18.2 ADJUSTMENT OF AWARDS UPON THE OCCURRENCE OF CERTAIN UNUSUAL OR NONRECURRING EVENTS. The Committee may make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events (including, without limitation, the events described in Section 4.4 hereof) affecting the Company or the financial statements of the Company or of changes in applicable laws, regulations, or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent unintended dilution or enlargement of the benefits or potential benefits intended to be made available under this Plan. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under this Plan.

18.3 AWARDS PREVIOUSLY GRANTED. Notwithstanding any other provision of this Plan to the contrary (other than Section 18.4), no termination, amendment, suspension, or modification of this Plan or an Award Agreement shall adversely affect in any material way any Award previously granted under this Plan, without the written consent of the Participant holding such Award.

18.4 AMENDMENT TO CONFORM TO LAW. Notwithstanding any other provision of this Plan to the contrary, the Board of Directors may amend the Plan or an Award Agreement, to take effect retroactively or otherwise, as deemed necessary or advisable for the purpose of conforming the Plan or an Award Agreement to any present or future law relating to plans of this or similar nature (including, but not limited to, Code Section 409A), and to the administrative regulations

Edgar Filing: STANDARD MOTOR PRODUCTS INC - Form DEF 14A

and rulings promulgated thereunder. By accepting an Award under this Plan, a Participant agrees to any amendment made pursuant to this Section 18.4 to any Award granted under the Plan without further consideration or action.

ARTICLE 19. WITHHOLDING

19.1 TAX WITHHOLDING. The Company shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company, the minimum statutory amount to satisfy federal, state, and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising as a result of this Plan.

A-20

19.2 SHARE WITHHOLDING. With respect to withholding required upon the exercise of Options or SARs, upon the lapse of restrictions on Restricted Stock and Restricted Stock Units, or upon the achievement of performance goals related to Performance Shares, or any other taxable event arising as a result of an Award granted hereunder, Participants may elect, subject to the approval of the Committee, to satisfy the withholding requirement, in whole or in part, by having the Company withhold Shares having a Fair Market Value on the date the tax is to be determined equal to the minimum statutory total tax withholding that could be imposed on the transaction. All such elections shall be irrevocable, made in writing, and signed by the Participant, and shall be subject to any restrictions or limitations that the Committee, in its sole discretion, deems appropriate.

ARTICLE 20. SUCCESSORS

All obligations of the Company under this Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

ARTICLE 21. GENERAL PROVISIONS

21.1 FORFEITURE EVENTS.

- (a) The Committee may specify in an Award Agreement that the Participant's rights, payments, and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture, or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events may include, but shall not be limited to, termination of employment for cause, termination of the Participant's provision of services to the Company, Affiliate, and/or Subsidiary, violation of material Company, Affiliate, and/or Subsidiary policies, breach of noncompetition, confidentiality, or other restrictive covenants that may apply to the Participant, or other conduct by the Participant that is detrimental to the business or reputation of the Company, its Affiliates, and/or its Subsidiaries.
- (b) If the Company is required to prepare an accounting restatement due to the material noncompliance of the Company, as a result of misconduct, with any financial reporting requirement under the securities laws, if the Participant knowingly or grossly negligently engaged in the misconduct, or

Edgar Filing: STANDARD MOTOR PRODUCTS INC - Form DEF 14A

knowingly or grossly negligently failed to prevent the misconduct, or if the Participant is one of the individuals subject to automatic forfeiture under Section 304 of the Sarbanes-Oxley Act of 2002, the Participant shall reimburse the Company the amount of any payment in settlement of an Award earned or accrued during the twelve (12) month period following the first public issuance or filing with the United States Securities and Exchange Commission (whichever just occurred) of the financial document embodying such financial reporting requirement.

21.2 LEGEND. The certificates for Shares may include any legend which the Committee deems appropriate to reflect any restrictions on transfer of such Shares.

A-21

21.3 GENDER AND NUMBER. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine, the plural shall include the singular, and the singular shall include the plural.

21.4 SEVERABILITY. In the event any provision of this Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of this Plan, and this Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

21.5 REQUIREMENTS OF LAW. The granting of Awards and the issuance of Shares under this Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

21.6 DELIVERY OF TITLE. The Company shall have no obligation to issue or deliver evidence of title for Shares issued under this Plan prior to:

- (a) Obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and
- (b) Completion of any registration or other qualification of the Shares under any applicable national or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable.

21.7 INABILITY TO OBTAIN AUTHORITY. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

21.8 INVESTMENT REPRESENTATIONS. The Committee may require any individual receiving Shares pursuant to an Award under this Plan to represent and warrant in writing that the individual is acquiring the Shares for investment and without any present intention to sell or distribute such Shares.

21.9 EMPLOYEES BASED OUTSIDE OF THE UNITED STATES. Notwithstanding any provision of this Plan to the contrary, in order to comply with the laws in other countries in which the Company, its Affiliates, and/or its Subsidiaries operate or have Employees, Directors, or Third Party Service Providers, the Committee, in its sole discretion, shall have the power and authority to:

Edgar Filing: STANDARD MOTOR PRODUCTS INC - Form DEF 14A

- (a) Determine which Affiliates and Subsidiaries shall be covered by this Plan;
- (b) Determine which Employees and/or Directors or Third Party Service Providers outside the United States are eligible to participate in this Plan;
- (c) Modify the terms and conditions of any Award granted to Employees and/or Directors or Third Party Service Providers outside the United States to comply with applicable foreign laws;

A-22

- (d) Establish subplans and modify exercise procedures and other terms and procedures, to the extent such actions may be necessary or advisable. Any subplans and modifications to Plan terms and procedures established under this Section 21.9 by the Committee shall be attached to this Plan document as appendices; and
- (e) Take any action, before or after an Award is made, that it deems advisable to obtain approval or comply with any necessary local government regulatory exemptions or approvals.

Notwithstanding the above, the Committee may not take any actions hereunder, and no Awards shall be granted, that would violate applicable law.

21.10 UNCERTIFICATED SHARES. To the extent that this Plan provides for issuance of certificates to reflect the transfer of Shares, the transfer of such Shares may be effected on a noncertificated basis, to the extent not prohibited by applicable law or the rules of any stock exchange.

21.11 UNFUNDED PLAN. Participants shall have no right, title, or interest whatsoever in or to any investments that the Company, and/or its Subsidiaries, and/or its Affiliates may make to aid it in meeting its obligations under this Plan. Nothing contained in this Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Company and any Participant, beneficiary, legal representative, or any other individual. To the extent that any individual acquires a right to receive payments from the Company, its Subsidiaries, and/or its Affiliates under this Plan, such right shall be no greater than the right of an unsecured general creditor of the Company, a Subsidiary, or an Affiliate, as the case may be. All payments to be made hereunder shall be paid from the general funds of the Company, a Subsidiary, or an Affiliate, as the case may be and no special or separate fund shall be established and no segregation of assets shall be made to assure payment of such amounts except as expressly set forth in this Plan.

21.12 NO FRACTIONAL SHARES. No fractional Shares shall be issued or delivered pursuant to this Plan or any Award. The Committee shall determine whether cash, Awards, or other property shall be issued or paid in lieu of fractional Shares or whether such fractional Shares or any rights thereto shall be forfeited or otherwise eliminated.

21.13 RETIREMENT AND WELFARE PLANS. Neither Awards made under this Plan nor Shares or cash paid pursuant to such Awards, except pursuant to Covered Employee Annual Incentive Awards, may be included as "compensation" for purposes of computing the benefits payable to any Participant under the Company's or any Subsidiary's or Affiliate's retirement plans (both qualified and non-qualified) or welfare benefit plans unless such other plan expressly provides that such compensation shall be taken into account in computing a Participant's benefit.

Edgar Filing: STANDARD MOTOR PRODUCTS INC - Form DEF 14A

21.14 DEFERRED COMPENSATION. No deferral of compensation (as defined under Code Section 409A or guidance thereto) is intended under this Plan. Notwithstanding this intent, if any Award would be considered deferred compensation as defined under Code Section 409A and if this Plan fails to meet the requirements of Code Section 409A with respect to such Award, then such Award shall be null and void. However, the Committee may permit deferrals of compensation pursuant to the terms of a Participant's Award Agreement, a separate plan or a subplan which meets the requirements of Code Section 409A and any related guidance. Additionally, to the extent any Award is subject to Code Section 409A, notwithstanding any provision herein to the contrary, the Plan does not permit the acceleration or delay of the time or schedule of any distribution related to such Award, except as permitted by Code Section 409A, the regulations thereunder, and/or the Secretary of the United States Treasury.

A-23

21.15 NONEXCLUSIVITY OF THIS PLAN. The adoption of this Plan shall not be construed as creating any limitations on the power of the Board or Committee to adopt such other compensation arrangements as it may deem desirable for any Participant.

21.16 NO CONSTRAINT ON CORPORATE ACTION. Nothing in this Plan shall be construed to: (i) limit, impair, or otherwise affect the Company's or a Subsidiary's or an Affiliate's right or power to make adjustments, reclassifications, reorganizations, or changes of its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell, or transfer all or any part of its business or assets; or, (ii) limit the right or power of the Company or a Subsidiary or an Affiliate to take any action which such entity deems to be necessary or appropriate.

21.17 GOVERNING LAW. The Plan and each Award Agreement shall be governed by the laws of the State of New York, excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of this Plan to the substantive law of another jurisdiction. Unless otherwise provided in the Award Agreement, recipients of an Award under this Plan are deemed to submit to the exclusive jurisdiction and venue of the federal or state courts of New York, to resolve any and all issues that may arise out of or relate to this Plan or any related Award Agreement.
