**Raanan I. Horowitz Appointed as President and CEO
of Elbit Systems of America**

Haifa, Israel, October 17 - 2007 - Elbit Systems Ltd. (NASDAQ: ESLT) announced that, effective October 15, 2007, its U.S. subsidiary, Elbit Systems of America, LLC (ESA), a leading provider of high performance defense, homeland security and commercial aviation products and systems, has appointed Raanan I. Horowitz as ESA's President and CEO, as well as a member of ESA's Board of Directors. Mr. Horowitz replaces Joseph A. Parini, who was serving as ESA's interim President and CEO. Mr. Parini will continue in his role as Chairman of the Board of Directors of ESA.

Mr. Horowitz joined the Elbit Group in 1989, and since 1991 he has held senior positions in the Group's U.S. companies. In 2001, Mr. Horowitz was appointed to serve as the Executive Vice President and General Manager of EFW Inc. (EFW), an Elbit Systems of America company. In that position, he has been involved in managing the provision of mission critical systems to various defense platforms and programs for the U.S. armed forces. Prior to that appointment, Mr. Horowitz served in a number of senior management positions in EFW, including Executive Vice President and Chief Operating Officer, Vice President of Operations and Vice President of the Ground Systems Business Unit.

Mr. Horowitz is active in a range of industry-wide activities, including serving on the U.S. Army Science Board. He also serves on the Boards of Directors of the Lone Star Chapter of the National Defense Industry Association (NDIA) and the Texas-Israel Chamber of Commerce, and he is a member of the Business Executives for National Defense (BENS) organization.

Mr. Horowitz holds a MBA, a master of science degree in electrical engineering and a bachelor of science degree in mechanical engineering.

This press release contains forward-looking statements (within the meaning of Section 27A of the Securities Act of 1933, as amended and Section 21E of the Securities Exchange Act of 1934, as amended) regarding Elbit Systems Ltd. and/or companies in the Elbit Systems Group, to the extent such statements do not relate to historical or current fact. Forward Looking Statements are based on management’s expectations, estimates, projections and assumptions. Forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, as amended. These statements are not guarantees of future performance and involve certain risks and uncertainties, which are difficult to predict. Therefore, actual future results, performance and trends may differ materially from these forward-looking statements due to a variety of factors, including, without limitation: scope and length of customer contracts; governmental regulations and approvals; changes in governmental budgeting priorities; general market, political and economic conditions in the countries in which the Elbit Systems Group operates or sells, including Israel and the United States among others; differences in anticipated and actual program performance, including the ability to perform under long-term fixed-price contracts; and the outcome of legal and/or regulatory proceedings. The factors listed above are not all-inclusive, and further information is contained in Elbit Systems Ltd.’s latest annual report on Form 20-F, which is on file with the U.S. Securities and Exchange Commission. All forward-looking statements speak only as of the date of this release. Elbit Systems does not undertake to update its forward-looking statements.
