(2) Form, Schedule or Registration Statement No.:

(3) Filing Party:

(4) Date Filed:

EXPLANATORY NOTE

Computer Associates International, Inc., a Delaware corporation ("Computer Associates", "CA" or the "Company"), is filing the materials contained in this Schedule 14A with the Securities and Exchange Commission on August 14, 2001 in connection with the solicitation of proxies for electing the board of directors of Computer Associates at the 2001 annual meeting of Computer Associates' stockholders.

THE FOLLOWING LETTER WAS SENT TO CA SHAREHOLDERS ON AUGUST 14, 2001:

ONE COMPUTER ASSOCIATES PLAZA
ISLANDIA, NEW YORK 11749
TEL: +1 631 342 6000
FAX: +1 631 342 6800
CA.COM

August 14, 2001

Dear Computer Associates Shareholder:

As we quickly approach CA's annual meeting on August 29, we want to thank those of you who have already voted for CA's current management and board, and encourage those of you who haven't yet voted to do so now.

YOUR VOTE IS IMPORTANT - PLEASE VOTE YOUR WHITE PROXY TODAY

INSTITUTIONAL SHAREHOLDER SERVICES AND PROXY MONITOR RECOMMEND VOTING FOR CA'S DIRECTOR NOMINEES

- |X| Institutional Shareholder Services ("ISS") and Proxy Monitor, the world's two largest independent providers of proxy voting and corporate governance services, have recommended that their institutional clients vote in favor of CA's existing Board.

- |X| In its report supporting CA's slate of directors, ISS said: "We conclude that shareholders should vote in favor of the incumbent directors, thereby allowing management to continue its ongoing strategy to reposition CA for the future."*

WHEN YOU VOTE, CONSIDER THESE FACTS ABOUT WYLY'S RECORD

We urge you to consider a few facts about Wyly's performance when he was chairman of Michaels Stores:

- o in 1995, he bet against his own company's stock price with a deal that

Edgar Filing: COMPUTER ASSOCIATES INTERNATIONAL INC - Form DEFA14A

could pay him \$1.77 million for every dollar Michaels' stock price fell BELOW a specified price,

- o IN 1998, MICHAELS WAS NAMED BY THE CALIFORNIA PUBLIC EMPLOYEES' RETIREMENT SYSTEM, AS ONE OF CORPORATE AMERICA'S POOREST PERFORMERS WITH "SOME OF THE MOST EGREGIOUS CORPORATE GOVERNANCE PRACTICES" OF ANY PUBLICLY TRADED COMPANY, AND
- o in 2001, Michaels was forced to restate earnings because it settled a lawsuit by employees who claimed Michaels violated California law.

THIS IS THE SAME WYLY WHO:

- o in 1979, was CHARGED by the SEC for failing to disclose certain securities transactions and who consented to a federal court order barring him from violating anti-fraud, proxy and other provisions of the federal securities laws, and
- o in 1986 purchased with his family, Frost Brothers, a 69-year old retail chain, which filed for BANKRUPTCY only two years later.

CONSIDER WHETHER YOU CAN TRUST ANYTHING THAT WYLY SAYS WHEN:

- o Wyly says he has a \$65 million investment in CA(1) when in fact he only owns 100 shares and options worth about \$15 million at the current market price(2).
- o WYLY SAYS TO STERLING SOFTWARE EMPLOYEES AND CUSTOMERS ON MARCH 30, 2000 THAT "I'M KEEPING MY CA STOCK THAT COMES IN THE MERGER"(3) AND THEN SELLS ALL HIS SHARES 10 MONTHS LATER(4).
- o Wyly says he has won all three proxy fights he has launched(5) when in fact he lost a proxy fight against Informatics in 1985(6).
- o Wyly says HE sold the first company he ever started - University Computing Company - to Computer Associates in 1987(7) when in fact he was forced out of the company in 1979(8).

WE URGE YOU NOT TO TURN CA OVER TO SAM WYLY.

WE BELIEVE WYLY'S PLAN TO BREAK UP CA WOULD HURT CUSTOMERS AND DESTROY SHAREHOLDER VALUE

Our customers have told us that they don't want CA to be broken up. In fact, we believe two-thirds of our customers view CA as a one-stop provider of a wide range of software solutions for their diverse business needs.

We think Wyly's plan is misguided and would hurt CA's customers, shareholders and employees. In our view, it would also increase expenses and create wasteful administrative duplication.

WE BELIEVE OUR CUSTOMERS LIKE HOW WE ARE SERVING THEM TODAY, AND THAT THEY THINK WYLY'S PLAN TO BREAK UP CA IS A BAD IDEA

AS YOU CONSIDER YOUR VOTE, WE URGE YOU TO KEEP THE FOLLOWING IN MIND:

- |X| CA's existing management team has grown CA to the fourth-largest software firm in the world with a market capitalization of over \$18 billion.

Edgar Filing: COMPUTER ASSOCIATES INTERNATIONAL INC - Form DEFA14A

- |X| IN THE LAST THREE YEARS, WE'VE GENERATED OVER \$4 BILLION IN CASH FROM OPERATIONS AND RETURNED OVER \$1.5 BILLION TO SHAREHOLDERS IN THE FORM OF DIVIDENDS AND SHARE REPURCHASES.
- |X| CA's stock price increased over 14,100% between its IPO on December 11, 1981 and June 29, 2001.
- |X| YEAR-TO-DATE, OUR STOCK PRICE HAS RISEN OVER 75%, OUTPERFORMING THE S&P 500, THE NASDAQ COMPOSITE, APPLE, CISCO, COMPAQ, DELL, EMC, HEWLETT-PACKARD, IBM, INTEL AND MICROSOFT(10) IN A VERY DIFFICULT ECONOMIC ENVIRONMENT.
- |X| From FY 1982-FY 2001, CA's revenues grew at a 30% CAGR.

THE CHOICE IS CLEAR: VOTE CA'S WHITE PROXY

We know that we have to earn your support every day, AND WE INTEND TO STAY FOCUSED ON CONTINUING TO BUILD AND IMPROVE CA. Having built CA over the last 25 years, we couldn't be more excited about the potential of CA over the next 25 years. The choice is clear. We urge you to support the existing CA management and Board by PROMPTLY SIGNING AND RETURNING THE WHITE CARD.

YOUR VOTE IS IMPORTANT! Enclosed you will find a WHITE proxy card with which to vote. Only the WHITE proxy card allows you to vote for the current Board of Directors. We urge you to vote FOR all of the items on the WHITE proxy and to mail back ONLY the WHITE proxy in the enclosed postage-paid envelope. We urge you to ignore and throw away any green cards that may be sent to you by Wily or Ranger Governance. The prompt return of your WHITE proxy will ensure that your vote is counted.

Very truly yours,

CHARLES B. WANG
CHAIRMAN

SANJAY KUMAR
PRESIDENT & CHIEF EXECUTIVE OFFICER
