Only stockholders of record at the close of business on October 19, 2001, shall be entitled to notice of, and to vote at, the meeting. - FOR the approval of the amendment to the Company's Articles of Incorporation to increase the authorized preferred stock of the Company from 3,000,000 shares of non-voting preferred stock, par value \$.001 per share, to 10,000,000 shares of preferred stock, par value \$.001 per share, having such rights and preferences, including voting rights, as the Board of Directors of the Company may determine.

Edgar Filing: CELLPOINT INC - Form PRER14A

him or her within 60 days through the exercise of options, if any, and such shares are deemed to be outstanding for the purpose of computing the percentage of the Company's Common Stock beneficially owned by him or her and by the directors and executive officers as a group. Such shares, however, are not deemed to be outstanding for the purpose of computing the percentage of the Company's Common Stock beneficially owned by any other person.

The foregoing table does not include shares issuable upon conversion of notes and exercise of warrants currently held by Castle Creek Technology Partners LLC ("Castle Creek"). On December 6, 2000, the Company and Castle Creek entered into a Securities Purchase Agreement pursuant to which the Company issued to Castle Creek 6% convertible notes in the aggregate original principal amount of \$10,000,000 and five-year warrants to purchase up to 210,526 shares of Common Stock. The notes are not convertible and the warrants are not exercisable to the extent that, after giving effect to such conversion and exercise, Castle Creek would be the beneficial owner of more than 4.99% of the outstanding shares of the Company's Common Stock. On July 25, 2001, the Company and Castle Creek entered into a Note Purchase, Modification and Forebearance Agreement (the "July Agreement"), pursuant to which the Company has agreed to purchase the remaining \$9.25 million principal amount in convertible notes currently held by Castle Creek. The Company became obligated to pay \$3.0 million to Castle Creek by September 24, 2001 and \$4.955 million by October 23, 2001 (of which \$1.0 million was paid as a non-refundable deposit on July 25, 2001), plus all accrued and unpaid interest from the original issuance date through October 23, 2001 or, if earlier, the date of the purchase. As part of the transaction, the Company has issued to Castle Creek five-year warrants to purchase 500,000 shares of Common Stock, exercisable after one year, at an exercise price of \$3.14 per share (subject to specified anti-dilution adjustment). The shares issuable upon exercise of such warrants are to be registered with the Securities and Exchange Commission. In addition, the Company has granted to Castle Creek a security interest in its assets (including the assets of its subsidiaries), including its intellectual property. Castle Creek has agreed not to trade in the Company's stock effective July 25, 2001 until the note repurchase is completed. The fixed conversion price of the notes was changed to \$4.00 with no floating conversion price if the notes are purchased on a timely basis and the Company complied with all its other obligations to Castle Creek in all material respects. The Company also agreed to certain limitations on the terms of future debt and equity financings, which limitations would not apply to a financing that provided the proceeds for the final purchase of the notes. The Company granted Castle Creek a full release of all claims and agreed not to disparage Castle Creek; Castle Creek agreed not to disparage the Company.

3

On September 26, 2001, the Company and Castle Creek entered into an amendment of the July Agreement to repurchase the convertible notes currently held by Castle Creek and related matters. Pursuant to the amendment, the Company paid \$2.25 million to Castle Creek on September 26, 2001 for principal and accrued interest. The remaining outstanding convertible notes will be subject to a fixed conversion price of \$4.00, and are scheduled to be repurchased on October 1, 2002 for approximately \$6.1 million plus accrued interest (subject to specified adjustments in the event of a material breach by the Company). The outstanding notes are prepayable in part or in whole at any time. The July Agreement, except as modified by the amendment, remains in effect.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Company focuses primarily on: (a) the adequacy of the Company's internal controls and financial reporting process and the reliability of the Company's financial statements; (b) the independence and performance of the Company's independent auditors; and (c) the Company's compliance with financial regulatory requirements.

We meet with management of the Company no less than quarterly to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting. We also discuss these matters with the Company's independent auditors and the Company's financial and accounting personnel.

The Company's independent auditors and the Company's internal financial and accounting personnel have unrestricted access to the members of the Audit Committee.

The Audit Committee's functions are described in further detail in the Audit Committee Charter adopted by the Board of Directors on July 7, 2000, and filed as an exhibit to the Company's Proxy Statement for its Annual Meeting of Stockholders held on December 6, 2000.

Messrs. Jonnerhag and Childs, directors of the Company who serve on the Audit Committee, are "independent" for purposes of the NASDAQ National Market Listing Standards. The Board of Directors of the Company has determined that Messrs. Jonnerhag and Childs do not have a relationship with the Company which may interfere with their independence from the Company and its management. Ms. Duplessis, who serves as a member of the Audit Committee, is not an independent member of the Audit Committee as she is also the Executive Vice

Edgar Filing: CELLPOINT INC - Form PRER14A

President and Secretary of the Company. The Board of Directors has appointed Ms. Duplessis to the Audit Committee because it has determined that Ms. Duplessis' participation in the Committee is required in the best interests of the Company and its stockholders. The Board has reached these conclusions based on the extensive involvement by Ms. Duplessis in and her knowledge of all of the operations of the Company and its consolidated subsidiaries.

The Audit Committee had four meetings during Fiscal 2001. The Audit committee has reviewed and discussed the audited financial statements of Fiscal 2001 with management. The Audit Committee has discussed with the independent auditors the matters required to be discussed under Statement on Auditing Standards 61 as modified. The Audit Committee has inquired as to the independent accountant's independence and has received the written disclosures and the letter required by Independence Standards Board Standard No. 1, Independence Discussions with Committees. Based upon the foregoing, the Audit Committee recommended to the Board of Directors that the audited financial statements for Fiscal 2001 be included in the Company's Annual Report on Form 10-KSB.

Mr. Henricsson is entitled to one year's severance if his employment is terminated in certain circumstances. In addition, if Mr. Henricsson's employment is terminated within 12 months following a "change of control", Mr. Henricsson shall be entitled to receive his base salary for one year following such termination, and all then non-exercisable options shall become vested.

The Company has an agreement with Ms. Duplessis pursuant to which Ms. Duplessis receives a base salary of 120,000 Pounds Sterling per year. Such employment agreement is for a term of three years, subject to automatic renewals and certain rights of termination as specified therein. Ms. Duplessis is entitled to one year's severance if her employment is terminated in certain circumstances. In addition, if Ms. Duplessis' employment is terminated within 12 months following a "change of control", Ms. Duplessis shall be entitled to receive her base salary for one year following such termination, and all then non-exercisable options shall become vested.

The Company has an employment agreement with Lars Wadell, the Company's Chief Financial Officer, pursuant to which Mr. Wadell receives a base salary of 96,000 Pounds Sterling per year.

The Company has no set bonus policy. Bonuses may be awarded by the independent directors of the Board. There is no bonus plan currently under discussion or in place with the Company. The Board

8

has established a salary review committee consisting of Messrs. Persson, Jonnerhag and Henricsson. This committee also reviews salaries for all staff. This informal committee meets once annually for annual salary reviews, and otherwise as the needs arise in connection with determining compensation for new employees. The directors of the Company do not receive salaries for being directors but do have options in the Company.

STOCK INCENTIVE PLAN

The Board of Directors of the Company has adopted a stock incentive plan (the "Plan"). Pursuant to the provisions of the Plan, 2,000,000 shares of the Company's Common Stock are reserved for issuance upon exercise of options. The Plan is designed to retain qualified and competent officers, employees, and directors of the Company.

The Company's Board of Directors, or a committee thereof, shall administer the Plan and is authorized, in its sole and absolute discretion, to grant options thereunder to all eligible employees of the Company, including officers and directors (whether or not employees) of the Company. Options will be granted pursuant to the provisions of the Plan on such terms and at such prices as determined by the Company's Board of Directors. The exercise price will not be lower than the closing price on the date the options are issued, or if such prices are not available, at the fair market value as determined by the Board of Directors. Options granted under the Plan will be exercisable after the period

Edgar Filing: CELLPOINT INC - Form PRER14A

specified in the option agreement. Options granted under the Plan will not be exercisable after the expiration of ten years from the date of grant. The Plan will also authorize the Company to make loans to optionees to enable them to exercise their options. During Fiscal 2001, 192,600 options were exercised, 250,300 were cancelled, and 244,900 options were granted. There were 803,100 options outstanding as of October 15, 2001. To date, the Company has not issued any SAR's.

STOCK WARRANT PLAN

The Company has adopted a stock warrant plan (the "Warrant Plan"). Pursuant to the provisions of the Warrant Plan, eligible employees, consultants and affiliates will be given the opportunity to purchase warrants, which warrants can be exercised, upon vesting, to purchase shares of the Company's Common Stock. An aggregate of 1,000,000 shares of the Company's Common Stock have been reserved for issuance pursuant to the Warrant Plan. The Plan is designed primarily to retain qualified and competent officers, employees, and directors.

The Board of Directors of the Company, or a committee thereof, shall administer the Plan and is authorized, in its sole and absolute discretion, to grant options thereunder to all eligible employees, consultants and affiliates including the Company's officers and directors (whether or not employees). Warrants will be sold to eligible persons at prices determined by independent appraisers to be fair market prices at the time of such sale. Each warrant will have an exercise price equal to no less than either 125% or 150% of the closing price of the Company's Common Stock on the date immediately preceding the date of sale. Each warrant sold pursuant to the Warrant Plan will be subject to a vesting period as determined by the Board of Directors, and will expire no later than five years from the date of issuance. To date, warrants with respect to an aggregate of 518,800 shares have been sold.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Since the formation of the Company, Peter Henricsson and Lynn Duplessis, the Company's founders and directors and executive officers, have periodically made loans to fund the Company's cash needs. Mr. Henricsson and Ms. Duplessis loaned the Company an aggregate of \$300,000 in June and July 1999. Interest of 5% was charged on the outstanding balance of this loan, which was repaid in full in December 1999.

9

The Company is currently offering for sale to "non-U.S. Persons" pursuant to Regulation S under the Securities Act of 1933, as amended, an initial maximum of 80 units, plus if the offering is oversubscribed, an additional 60 units. Each unit in the Regulation S Offering consists of shares of the Company's Common Stock and warrants to purchase Common Stock. The shares of Common Stock and the shares issuable upon exercise of the warrants may, at the request of the holder thereof, be exchanged for Swedish Depositary Receipts ("SDRs") after those shares have been registered with the Securities and Exchange Commission ("SEC") in the United States. As of September 25, 2001, the Company has sold an aggregate of 95 units, consisting of 1,568,114 shares and 784,071 warrants, for aggregate gross proceeds of \$2,071,130. The placement agent for the Regulation S offering is Borsinsikt AB. Mats Jonnerhag, a director of the Company, is a 66% stockholder of Borsinsikt AB. The placement agent will receive a commission equal to 6% of the proceeds from the Regulation S offering plus warrants equal to 6% of the number of shares issued. The disinterested members of the Board of Directors of the Company have approved the terms of this transaction as being fair to the Company.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Edgar Filing: CELLPOINT INC - Form PRER14A

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors, executive officers and persons who own beneficially more than ten percent of the Company's outstanding Common Stock to file with the SEC initial reports of beneficial ownership and reports of changes in beneficial ownership of Common Stock and other securities of the Company on Forms 3, 4 and 5, and to furnish the Company with copies of all such forms they file. One of the Company's directors and officers (Mr. Jonnerhag) inadvertently filed his Statement of Changes of Beneficial Ownership of Securities on Form 4 more than ten days after the required filing date pursuant to the reporting requirements of the Securities Exchange Act of 1934. One stockholder beneficially owning more than ten percent of the Company's Common Stock (Novel Electronics Systems & Technologies Ltd.) inadvertently filed its Statement of Changes of Beneficial Ownership of Securities on Form 4 more than ten days after the required filing date pursuant to the reporting requirements of the Securities Exchange Act of 1934.

PROPOSALS NOS. 2 AND 3 ADOPTION OF AMENDMENTS TO ARTICLES OF INCORPORATION

GENERAL

The Company is currently authorized to issue 22,000,000 shares of common stock, par value \$.001 per share (the "Common Stock"), and 3,000,000 shares of Preferred Stock, par value \$.001 per share (the "Preferred Stock"). As of October 19, 2001 17,069,622 shares of the Common Stock were issued and outstanding and no shares of Preferred Stock were outstanding. The Company wishes to amend certain provisions of the Articles of Incorporation to (i) increase the authorized common stock of the Company, and (ii) to provide the Board of Directors with the authority to issue shares of the Corporation's Preferred Stock with such rights and preferences as the Board may determine from time to time. The Board of Directors of the Company believes that the best interests of the Company and its stockholders will be served by adopting the amendment (the "Amendment") to the Articles of Incorporation that is attached hereto as EXHIBIT A. On October 17, 2001, the Board of Directors adopted a resolution approving the Amendment.

The holders of the Common Stock are entitled to one vote for each share held of record on all matters to be voted on by those stockholders. There is no cumulative voting with respect to the election of directors of the Company, with the result that the holders of more than 50% of the Common Stock voted for the election of directors can elect all of those directors. The holders of the Common Stock are entitled to receive dividends when, as, and if declared by the Company's Board of Directors from funds legally available therefor. In the event of liquidation, dissolution, or winding up of the Company, the holders of the Common Stock are entitled to share ratably in all assets remaining available for distribution to them after payment of the Company's liabilities and after provision has been made for each class of stock, if any, having preference over the holders of the Common Stock. Holders of shares of the Common Stock, as such, have no conversion, preemptive or other subscription rights, and there are no redemption provisions applicable to the Common Stock. All of the outstanding shares of the Common Stock are fully paid and non-assessable.

The Company is authorized to issue up to 3,000,000 shares of non-voting Preferred Stock with such other designations, rights and preferences (other than as to voting rights) as may be determined from time to time by the Board of Directors. The Preferred Stock currently authorized is non-voting. The Board of Directors is empowered, without stockholder approval, to issue Preferred Stock

Edgar Filing: CELLPOINT INC - Form PRER14A

with liquidation privileges, dividend, conversion, or other rights that could adversely affect the rights of the holders of the Common Stock.

ADDITIONAL AUTHORIZED CAPITAL; CHANGES TO PREFERRED STOCK

The Amendment would increase the total authorized capital stock of the Company to a total of 60,000,000 shares, consisting of 50,000,000 shares of Common Stock, and 10,000,000 shares of Preferred Stock. The Board of Directors would be given the authority to determine all rights associated with the Preferred Stock, including, but not limited to, determining dividends, conversion right, redemption prices, maturity dates, and other rights and preferences. Unlike the current Articles of Incorporation, the Board of Directors would be permitted to determine the voting rights, if any, associated with such shares of Preferred Stock.

11

As of the Record Date, the Company has 17,069,622 shares of Common Stock outstanding. In addition, the Company has reserved shares of Common Stock for issuance upon derivative securities as set forth below:

- (1) Represents only shares with respect to which options have been granted pursuant to the Company's Option Plan; there are an additional 1,004,300 shares reserved under the Option Plan.
 - (2) Represents only shares with respect to which warrants have been sold pursuant to the Warrant Plan; there are an additional 481,200 shares reserved for issuance under the Warrant Plan.
 - (3) Does not include 500,000 shares which may be issuable pursuant to currently non-exercisable warrants held by Castle Creek. Represents 210,526 warrants exercisable at \$11.40 per share, and a \$6.1 million note, convertible at \$4.00 per share. Pursuant to its agreement with the Company, Castle Creek may not convert its notes or exercise its warrants if, after giving effect thereto, Castle Creek would own more than 4.99% of the outstanding Common Stock.
 - (4) Represents warrants issued in September and October 2001 in offerings described below.

If all of the derivative securities were to be exercised, the Company would not have sufficient authorized shares of Common Stock to be issued. If the Amendment is not approved, the Company will be in default under these instruments.

Edgar Filing: CELLPOINT INC - Form PRER14A

On September 25, 2001, the Company closed a private placement for \$3.25 million, pursuant to which it issued 3,250,000 shares of Common Stock plus 1,625,000 warrants to purchase shares of Common Stock at an exercise price of \$2.25 per share, exercisable for two years. The units were sold to accredited investors pursuant to Regulation 506 under the Securities Act of 1933, as amended (the "Securities Act"). The proceeds from the sale of these units were used to repurchase a portion of the convertible notes held by Castle Creek.

On September 25, 2001, the Company also completed an offering pursuant to Regulation S under the Securities Act, in which non-U.S. persons (as that term is defined in Regulation S) purchased 1,568,144 shares of Common Stock and 784,071 warrants to purchase shares of Common Stock, exercisable at \$2.36 per share for two years. The proceeds from the Regulation S offering aggregated \$2,071,130, and will be used for working capital.

The Company is also currently in the process of completing separate offerings under Regulation D. The purpose of these offerings is to fund the working capital needs of the Company. The Company is offering to qualified accredited investors that are currently stockholders of the Company units consisting of Common Stock and warrants to purchase Common Stock. The unit prices are \$100,000 in one placement, with a maximum of 70 units to be sold, and \$60,000 in a second placement, with a maximum of 40 units to be sold. If these offerings are oversubscribed, the Company may issue an additional 50 units and 30 units, respectively. The exact number of shares and warrants comprising each unit is to be determined by a 20% discount to the volume weighted average price of the Company's Common Stock on Nasdaq for the five days preceding the closing of the purchase. There is no minimum number of units to be sold, and there may be multiple closings. Through the date of this Proxy Statement, the Company has issued 1,238,096 shares of Common Stock and 619,048 warrants to purchase Common Stock, half of which are exercisable at \$3.50 per share for twelve months and the

12

other half of which are exercisable at \$5.00 per share for twenty-four months. The Company received proceeds of \$1,300,000 from the sale of such securities. The Company currently anticipates that the offerings will terminate on or about November 30, 2001.

Accordingly, the Company does not have sufficient authorized but unissued shares of Common Stock to enable the Company to raise additional capital and to allow the conversion of the derivative securities listed above. The failure to approve the proposal to increase the capital stock of the Company will limit the Company's ability to finance its working capital needs.

The Company is also proposing to increase the number of authorized shares of Preferred Stock and to amend the terms of Preferred Stock authorized under the Articles of Incorporation. There are currently 3,000,000 shares of Preferred Stock authorized, but no shares of Preferred Stock are outstanding. The Articles of Incorporation currently only permit the Company to issue non-voting shares of Preferred Stock. The limited number of authorized shares of Preferred Stock and the limitation on the voting rights of the Preferred Stock as contained in the current Articles have greatly limited the Company's flexibility in seeking additional working capital. The Board of Directors has recommended that the Articles of Incorporation be amended to increase the number of authorized shares of Preferred Stock and to allow the Board of Directors of the Company the widest possible flexibility in setting the terms of Preferred Stock that may be issued in the future. The Company will, therefore, be afforded the greatest flexibility possible in seeking additional financing, as the Board of Directors deems appropriate in the exercise of its reasonable business judgment. The Company currently has no commitments or plans for the issuance of any shares of

Edgar Filing: CELLPOINT INC - Form PRER14A

Preferred Stock.

If the Amendment is approved, the Board of Directors will have the right, without further stockholder approval or action, to issue up to 10,000,000 shares of Preferred Stock, having such rights and preferences, including voting rights, as the Board of Directors may determine. The ability of the Company to issue such shares of Preferred Stock may, under certain circumstances, make it more difficult for a third party to gain control of the Company (e.g., by means of a tender offer), prevent or substantially delay such a change of control, discourage bids for the Common Stock at a premium, or otherwise adversely affect the market price of the Common Stock.

Upon the consent by the stockholders to the adoption of Amendment, the Company will make the necessary filing of the Amendment with the Secretary of State of Nevada, and such Amendment will become effective upon filing.

RECOMMENDATION

The Board of Directors has adopted, and recommends that the stockholders approve the adoption of the Amendment. The Board of Directors of the Company believes that it is in the best interests of the Company and its stockholders in the current competitive business environment, that the Amendment be approved so that the Company can continue to finance its working capital needs. Without approval of the Amendment, the Company will not have sufficient authorized but unissued shares of Common Stock to raise funds sufficient to fund the Company's continuing operations.

APPROVAL OF THE AMENDMENT REQUIRES THE AFFIRMATIVE VOTE OF A MAJORITY OF THE OUTSTANDING SHARES OF THE COMPANY'S COMMON STOCK.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE
"FOR" THE PROPOSALS TO APPROVE THE ADOPTION
OF THE AMENDMENTS.

13

PROPOSAL NO. 4 PROPOSAL TO APPROVE THE AMENDMENT TO THE COMPANY'S STOCK WARRANT PLAN

GENERAL

In April 2000, the Board of Directors of the Company adopted a stock warrant plan (the "Warrant Plan"). The Warrant Plan was approved by the stockholders of the Company at the annual meeting of stockholders held in December 2000. Pursuant to the provisions of the Warrant Plan, 1,000,000 shares of the Company's Common Stock are reserved for issuance upon exercise of warrants. In October 2001, the Board of Directors approved an amendment to the Warrant Plan to increase the number of shares of Common Stock that may be issued under the Warrant Plan by 500,000 shares, increasing the total number of shares that may be issued pursuant to the Warrant Plan to 1,500,000. This amendment is now being submitted to the stockholders for approval.

The Board of Directors recommends approval of the amendment. The Board of Directors of the Company believes that it is in the best interests of the Company and its stockholders, in the current competitive business environment, that the amendment to the Warrant Plan be approved, so that the Company can continue to attract and retain eligible participants to make significant contributions to the Company. The Warrant Plan permits certain compensation to be tailored to support corporate and business objectives and allow the Company to respond to competitive compensation practices. The amendment, if approved, would increase the total number of shares authorized for issuance under the Plan

Edgar Filing: CELLPOINT INC - Form PRER14A

to 1,500,000. The Board of Directors believes that the additional share reserve is necessary to permit the Company to make available competitive long-term incentives for Warrant Plan participants to improve the Company's performance and thereby create stockholder value.

Set forth below is a brief description of the principal features of the Warrant Plan.

Pursuant to the provisions of the Warrant Plan, eligible employees, consultants and affiliates are given the opportunity to purchase warrants, which warrants can be exercised, upon vesting, to purchase shares of the Company's Common Stock. Employees, consultants and affiliates, including the Company's officers and directors (whether or not employees), who have been designated as eligible may participate in the Warrant Plan. The number of persons who would currently be eligible to participate in the Warrant Plan is approximately 140. All such warrant awards may be granted singly, in combination or in tandem, or in substitution for awards granted previously under the Warrant Plan or any other plan of the Company. The Warrant Plan terminates on April 15, 2010.

As of October 15, 2001, there were 518,800 warrants in the aggregate outstanding under the Warrant Plan. Shares related to awards (or portions thereof) that are forfeited, canceled or terminated, expire unexercised, will be restored to the total number of shares available for issuance pursuant to awards granted under the Warrant Plan.

The Warrant Plan provides that, in the event of a stock split, stock dividend, combination or reclassification of shares, recapitalization, merger or similar event, the Board may determine whether or not proportional adjustments will be made. In addition, the Board has discretion to determine whether or not other equitable adjustments shall be made in the event of any other change affecting the Company's Common Stock or any distribution (other than normal cash dividends) to stockholders of the Company.

The Warrant Plan provides that it shall be administered by the Board of Directors of the Company, or a committee consisting of at least two members of the Board. Under the Warrant Plan, the Board of Directors has the sole authority, among other things, to grant awards; determine the term, conditions and limitations of awards; establish rules, procedures, regulations and guidelines relating to

14

the Warrant Plan generally and to interpret the Warrant Plan and award agreements entered into pursuant to the Warrant Plan.

Generally, a participant in the Warrant Plan may exercise an award in accordance with the terms set by the Board, irrespective of whether or not such person is employed by or associated with the Company or a subsidiary of the Company at such time.

The exercise price of a warrant granted under the Warrant Plan will be not less than either 125% or 150% of the fair market value of the Company's Common Stock on the date of grant, as determined by the Board at the time of grant. The exercise price of a warrant must be paid in full in cash at the time of exercise, or, if permitted by the Board, may be paid in whole or in part by the delivery of shares, the delivery of a promissory note or by any other means acceptable to the board of directors.

Warrants granted under the Warrant Plan may be subject to acceleration of exercisability or vesting in the event of a change in control of the Company, as set forth in agreements between the Company and certain of its officers and directors which provide for certain protections and benefits in the event of a

Edgar Filing: CELLPOINT INC - Form PRER14A

change in control (as defined in such agreements) or as may otherwise be determined by the Board under and in accordance with the terms and conditions of the Warrant Plan.

The Warrant Plan may not, without the approval of the stockholders as set forth therein, be amended to materially increase the aggregate number of shares of the Company's Common Stock that may be issued under the Warrant Plan as described above. The Warrant Plan may not be changed in such a way as to alter, impair, amend, modify, suspend or terminate any rights of a participant or any obligations of the Company under any award theretofore granted in any manner adverse to such participant without the consent of such participant.

RECOMMENDATION

The Board of Directors has adopted, and recommends that the stockholders approve the adoption of the amendment to the Warrant Plan. The Board of Directors of the Company believes that it is in the best interests of the Company and its stockholders, in the current competitive business environment, that the amendment to the Warrant Plan be approved, so that the Company can continue to attract, retain and eligible participants to make significant contributions to the Company. The Warrant Plan will permit certain compensation to be tailored to support corporate and business objectives and allow the Company to respond to competitive compensation practices.

APPROVAL REQUIRES THE AFFIRMATIVE VOTE OF A MAJORITY OF THE VOTES CAST AT THE MEETING, IN PERSON OR BY PROXY, ON SUCH PROPOSAL.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE
"FOR" THE PROPOSAL TO APPROVE THE ADOPTION
OF THE AMENDMENT TO THE WARRANT PLAN.
