NOTICE OF ANNUAL MEETING OF SHAREHOLDERS

to be held
December 20, 2001

TO THE SHAREHOLDERS OF
WINLAND ELECTRONICS, INC.:

The 2001 Annual Meeting of Shareholders of Winland Electronics, Inc. will be held at the Company's corporate offices located at 1950 Excel Drive, Mankato, Minnesota, at 7:00 p.m. on Thursday, December 20, 2001, for the following purposes:

1. To set the number of members of the Board of Directors at five (5) and to elect members of the Board of Directors.
2. To act upon a shareholder proposal demanding a Company policy for the grant of options and bonuses to the Company's executive officers, if such proposal is properly presented at the Annual Meeting.
3. To take action on any other business that may properly come before the meeting or any adjournment thereof.

Only a few months ago, we sent several mailings to you regarding the Special Meeting of Shareholders held on August 21, 2001. We called that meeting in response to a demand from Dyna Technology, Inc., a Utah corporation totally owned by Ralph I. Call and his wife Nola D. Call. At that meeting, shareholders rejected Mr. Call's proposal to remove all of the Company's directors and replace them with his own slate. Shareholders holding approximately 45% of the outstanding shares voted against Mr. Call's proposal and shareholders holding approximately 39% of the outstanding shares voted in favor of the proposal.

Now we are obligated by the rules of the American Stock Exchange to call our 2001 Annual Meeting of Shareholders for the purposes described above. Mr. Call and Dyna Technology may try again to solicit your vote to elect an alternative slate of directors. **Your Board of Directors urges you not to return any proxy card you may receive from Dyna Technology or its representatives.** If you have already executed a proxy card you received from them, you have the legal right to change your vote. Simply sign and date the enclosed WHITE proxy card and return it in the envelope provided, or vote your shares by phone as described in the following materials. Only your latest-dated proxy card counts.

Accompanying this Notice of Annual Meeting is a Proxy Statement and form of Proxy. The Company's 2000 Annual Report to Shareholders was previously mailed to shareholders. Only shareholders of record as shown on the books of the Company at the close of business on October 22, 2001 will be entitled to vote at the 2001 Annual Meeting or any adjournment thereof. Each shareholder is entitled to one vote per share on all matters to be voted on at the meeting.

Your vote is important. We urge you to vote your shares as soon as possible, regardless of whether you plan to attend the Annual Meeting. This will not prevent you from voting your shares in person if you subsequently choose to attend the meeting. Please note that, if you hold your shares in the name of a brokerage firm, bank, bank nominee or other institution and you wish to vote in person at the Annual Meeting, you must contact the person responsible for your account and obtain the necessary documents that will allow you to so cast your vote.

Edgar Filing: WINLAND ELECTRONICS INC - Form DEF 14A

If you have any questions or need assistance in voting your shares, please call Linda A. Annis or Jennifer A. Thompson at 507-625-7231 (Monday through Friday from 8 a.m. to 5 p.m. CST).

BY ORDER OF THE BOARD OF DIRECTORS,

WINLAND ELECTRONICS, INC.

NOTICE OF ANNUAL MEETING OF SHAREHOLDERS

to be held
December 20, 2001

BACKGROUND

Since the August 21, 2001 Special Meeting of Shareholders, Winland's management and Board of Directors have attempted unsuccessfully to negotiate a resolution relating to the demands voiced by Dyna Technology and Ralph Call. On August 30, 2001, Winland's Board of Directors met with Messrs. Paul Holzhueter and Steve Fraley, who were at that time members of the "Shareholders' Protective Committee" (the "Committee") organized by Mr. Call, together with legal counsel for both Winland and the Committee. Mr. Call chose not to participate in person but by telephone conference. The participants in the meeting discussed the Committee's concerns with Winland's management and its operations. Winland's Board attempted to compromise with Mr. Call by offering a seat on the Board and a membership on the Board's nominating committee to Mr. Holzhueter. Although Mr. Holzhueter indicated an interest in serving on the Board, Mr. Call concluded that this change would be insufficient, in his opinion, and would not agree to refrain from further efforts to change the Board of Directors.

As a result of the August 30, 2001 meeting, Mr. Holzhueter and his legal counsel began to evaluate Winland's corporate documents and director and officer insurance policy to determine the protection available to Mr. Holzhueter upon becoming a director. Mr. Holzhueter also terminated his involvement with the Committee. After Mr. Holzhueter and his legal counsel informed Winland that they considered Winland's director and officer insurance to be inadequate, Winland attempted to clarify terms in its insurance policy to satisfy Mr. Holzhueter's concerns. As a result of Winland's inability to obtain a revised insurance policy by October 8, 2001, Mr. Holzhueter declined to join the Winland Board of Directors.

Although we were disappointed by Mr. Holzhueter's decision, we continued to act in the best interest of Winland's shareholders by building a board dominated by outside, independent directors. The Board has experienced significant change over the last year. On May 31, 2001, our former Chief Executive Officer and Chairman of the Board, Mr. W. Kirk Hankins, resigned his positions. On June 15, 2001, our Vice President of Sales and Marketing, Mr. Kirk P. Hankins, resigned his Board position. More recently, Mr. Dave Ewert, a director since 1998, and Mr. Jim Legus, a director since 2000, resigned from the Board. We thank our former directors for their efforts on behalf of the Company and its shareholders.

The remaining directors considered several candidates to replace Mr. Ewert and Mr. Legus and possibly increase the size of the Board, including two candidates proposed by Mr. Call. In a meeting of the Board held on October 30, 2001, the Board decided to reduce the number of directors from seven to five in order to contain costs and increase the efficiency of the Board processes. At the same meeting, the Board elected Mr. R. Terren Dunlap and Mr. James Reissner. Both Mr. Dunlap and Mr. Reissner are highly qualified businessmen who have experience managing publicly-held companies. We are pleased that they have joined our Board and are confident that they will be strong and capable directors. Additional information about Messrs. Dunlap and Reissner is set forth below under "Election of Directors".

While discussing the Committee's representation on the Winland Board, Mr. Call indicated that he would be willing to sell his shares of Winland common stock for an aggregate purchase price of \$1 million to recover his investment and expenses for his proxy contest. Even though the sale of Mr. Call's shares would end his and the Committee's efforts to cause further expenses and disruptions for the Company and its management by initiating another proxy fight, the Board rejected Mr. Call's offer. In the Board's opinion, it is not in the best interest of the

Edgar Filing: WINLAND ELECTRONICS INC - Form DEF 14A

Company and its shareholders to redeem Mr. Call's shares at a per-share price well in excess of the current market value of Winland common stock.

Please help your Board of Directors avoid a further diversion from productive activities of the Company's resources in time and money in connection with Mr. Call's efforts to obtain Board seats for his nominees. Please vote for our directors and against the shareholder proposal submitted by Dyna Technology, by telephone or by mail, as described below. **Your Board urges you not to return any proxy card you may receive from Dyna Technology or the "Shareholder Protective Committee".**

PROXY INFORMATION

The accompanying Proxy is solicited by the Board of Directors of Winland Electronics, Inc. (the "Company") for use at the 2001 Annual Meeting of Shareholders of the Company to be held on Thursday, December 20, 2001, at the location and for the purposes set forth in the Notice of Annual Meeting, and at any adjournment thereof.

You may vote your shares by telephone or by mail as follows. Please help us save administrative and postage costs by voting by telephone.

BY TELEPHONE:

On a touch-tone telephone, please call the toll-free number printed on your proxy card or electronic notification, 24 hours a day, seven days a week. You may vote by phone until 11:00 p.m. Central Time on December 19, 2001.

Enter the three digit company number and seven digit personal identification number shown on your proxy card or electronic notification.

Follow the simple recorded instructions.

BY MAIL:

Sign and date the enclosed proxy card.

Mail the proxy card in the enclosed postage-paid envelope.

The cost of soliciting proxies, including the preparation, assembly and mailing of the proxies and soliciting material, as well as the cost of forwarding such material to the beneficial owners of stock, will be borne by the Company. Directors, officers and regular employees of the Company may, without compensation other than their regular remuneration, solicit proxies personally or by telephone.

Any shareholder giving a Proxy may revoke it any time prior to its use at the 2001 Annual Meeting by giving written notice of such revocation to the Secretary or any other officer of the Company or by filing a later dated written Proxy with an officer of the Company. Personal attendance at the 2001 Annual Meeting is not, by itself, sufficient to revoke a Proxy unless written notice of the revocation or a later dated Proxy is delivered to an officer before the revoked or superseded Proxy is used at the 2001 Annual Meeting. Proxies will be voted as directed therein. Proxies which are signed by shareholders but which lack specific instruction with respect to any proposal will be voted in favor of such proposal as set forth in the Notice of Meeting or, with respect to the election of directors, in favor of the number and slate of directors proposed by the Board of Directors and listed herein.

The presence at the Annual Meeting in person or by proxy of the holders of a majority of the outstanding shares of the Company's Common Stock entitled to vote shall constitute a quorum for the transaction of business. If a broker returns a "non-vote" proxy, indicating a lack of voting instructions by the beneficial holder of the shares and a lack of discretionary authority on the part of the broker to vote on a particular matter, then the shares covered by such non-vote shall be deemed present at the meeting for purposes of determining a quorum but shall not be deemed to be represented at the meeting for purposes of calculating the vote required for approval of such matter. If a shareholder abstains from voting as to any matter, then the shares held by such shareholder shall be deemed present at the meeting for purposes of determining a quorum and for

Edgar Filing: WINLAND ELECTRONICS INC - Form DEF 14A

purposes of calculating the vote with respect to such matter, but shall not be deemed to have been voted in favor of such matter. An abstention as to any proposal will therefore have the same effect as a vote against the proposal.

The mailing address of the principal executive office of the Company is 1950 Excel Drive, Mankato, Minnesota 56001. The Company expects that this Proxy Statement, the related Proxy and Notice of Meeting will first be mailed to shareholders on or about November 19, 2001.

ELECTION OF DIRECTORS

(Proposal #1)

The Bylaws of the Company provide that the number of directors shall be the number set by the shareholders, which shall be not less than one. The Board of Directors unanimously recommends that the number of directors be set at five and that five directors be elected. Unless otherwise instructed, the Proxies will be so voted.

Under applicable Minnesota law, approval of the proposal to set the number of directors at five and the election of the nominees to the Board of Directors require the affirmative vote of the holders of the greater of (i) a majority of the voting power of the shares represented in person or by proxy at the Annual Meeting with authority to vote on such matter or (ii) a majority of the voting power of the minimum number of shares that would constitute a quorum for the transaction of business at the Annual Meeting.

In the absence of other instruction, the Proxies will be voted for each of the individuals listed below. If elected, such individuals shall serve until the next annual meeting of shareholders and until their successors shall be duly elected and shall qualify. All of the nominees are members of the present Board of Directors. If, prior to the 2001 Annual Meeting of Shareholders, it should become known that any one of the following individuals will be unable to serve as a director after the 2001 Annual Meeting by reason of death, incapacity or other unexpected occurrence, the Proxies will be voted for such substitute nominee(s) as is selected by the Board of Directors. Alternatively, the Proxies may, at the Board's discretion, be voted for such fewer number of nominees as results from such death, incapacity or other unexpected occurrence. The Board of Directors has no reason to believe that any of the following nominees will be unable to serve.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR EACH OF THE AFORESAID CANDIDATES AND THE PROPOSAL TO SET THE NUMBER OF DIRECTORS AT FIVE.

SHAREHOLDER PROPOSAL

(Proposal #2)

The following proposal was submitted for inclusion in this Proxy Statement by Dyna Technology, Inc., 225 South Cordova Avenue, LeCenter, MN 56057. As of the date the proposal was submitted, Dyna Technology owned 404,800 shares of common stock of the Company.

"Shareholder Proposal

RESOLVED, That the shareholders of Winland Electronics, Inc. demand that the Board of Directors adopt a policy prohibiting officers of the Company from receiving any stock options or bonuses in future years unless the Company outperforms the Dow Jones Industrial Index (the "Broad market") by at least 10% as measured by aggregate total return to shareholders over the prior five fiscal

year period.

Supporting Statement

The chart below compares the Company's total return to shareholders ("TRS") to the Broad Market and also discloses the Company's compensation to its senior officers. The chart demonstrates the difficulty the Company has had in relating its performance for its shareholders to its compensation for its senior officers:

6

For the five year period ending on October 31, 2001, the Company's TRS fell 80%, while the Broad Market increased by 50%. Nonetheless, during the year 2000, the Chairman/CEO was permitted to exercise options on 10,000 shares of the Company's stock and, as of the end of the year 2000, held options to acquire an additional 20,000 shares, all in addition to salary and bonuses paid to him that year in the aggregate amount of \$196,300.00. Additionally, the President of the Company was also permitted to exercise options on 10,000 shares of Company stock and also held options to acquire an additional 20,000 shares as of the end of the year 2000, in addition to salary and bonuses paid to him that year in the aggregate amount of \$173,600.00.

The Company's underperformance for its shareholders has been a long-term problem. In terms of TRS, a \$100 investment in the Company on October 31, 1996 would have lost \$80.00 by October 31, 2001. That same \$100 investment over the same period would have made \$50.52 in the Broad Market.

Why should the officers who have presided over the Company during this sustained period be awarded options on tens of thousands of the Company's shares? It is not in the best interest of shareholders that officers of the Company be rewarded with stock options when they are responsible for this sustained period of poor performance by the Company.

It is respectfully submitted that it is in the best interest of the Company and its shareholders that the Board of Directors adopt a policy prohibiting the grant or issuance of stock options to the officers of the Company unless the Company has outperformed the Broad Market by at least 10% in terms of aggregate TRS over the previous five year fiscal year period."

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "AGAINST" THE PROPOSAL.

The Board believes that the Company's current executive compensation program is appropriate for the Company. In order to attract and retain qualified executive officers, the management of the Company needs the flexibility to offer adequate financial incentives while considering the Company's overall performance and success at the same time. The Compensation Committee of the Board of Directors, consisting solely of non-employee directors, is responsible for granting stock options and awarding bonuses, and exercises this responsibility, with the help of an independent consultant group, with fairness and good judgment. For example, due to the weak economic conditions and the performance of the Company, the Compensation Committee did not grant any options to any of the executive officers named in the compensation tables below in 2000; see the information provided on "Executive Compensation" below.

Moreover, linking executive officers' options and bonuses to the Dow Jones Industrial Index ("Dow Jones") is not an appropriate method of measuring the Company's or the executive's performance. Stock markets have been extremely volatile during the last two years and often have only limited relationship to a company's performance. Improvements in the Company's performance which are not reflected in the market may merit a bonus or an option. Individual performance may also

justify the grant of an option or bonus even if the overall performance of the Company's stock price has not met the standard required by the Shareholder Proposal. When the Company's stock performance has suffered, the decisions made and the work accomplished by Winland's executive team are even more critical to rebuild for the future than when the stock price has performed well. During these times the Board and the Compensation Committee need the ability to create appropriate incentives for Winland's executive officers by granting options or bonuses before the Company's stock performance exceeds the Dow Jones by 10%. The shareholder proposal is therefore not in the best interests of the Company and its shareholders.

BOARD AND COMMITTEE MEETINGS

During fiscal 2000, the Board of Directors held five meetings. Each director attended all of the meetings of the Board and the committees on which such director served during 2000.

The Company's Board of Directors has three standing committees, the Audit Committee, Compensation Committee and Nomination / Governance Committee. The Stock Option Committee was consolidated with the Compensation Committee.

The Audit Committee is comprised of S. Robert Dessalet, CPA, Thomas J. de Petra and James L. Reissner. This committee reviews the selection and work of the Company's independent auditors and the adequacy of internal controls for compliance with corporate policies and directives. During 2000, the Audit Committee met five times.

The Compensation Committee is comprised of S. Robert Dessalet, CPA, Thomas J. de Petra, R. Terren Dunlap and James L. Reissner. This committee recommends to the Board of Directors from time to time the salaries to be paid to executive officers of the Company and any plan for additional compensation it deems appropriate. During 2000, the Compensation Committee met four times. Moreover, the committee is vested with the same authority as the Board of Directors with respect to the granting of options and the administration of the Company's Stock Option Plans. While the Stock Option Committee was still independent from the Compensation Committee, it did not meet during 2000, but took action by unanimous written consent three times.

The Nomination / Governance Committee is comprised of S. Robert Dessalet, CPA, Lorin E. Krueger and Thomas J. de Petra. This committee recommends to the Board of Directors nominees for vacant positions on the Board, sets goals for the Board and monitors the achievement of such goals. The committee was established in June 2001. This committee will consider a candidate for director proposed by a shareholder. Candidates must have broad training and experience in their chosen fields and must have achieved distinction in their activities. The committee will consider the particular expertise of each nominee and strive to achieve an appropriate breadth of skills among the Board members. A shareholder who wants to propose a candidate has to comply with the provisions of the Company's bylaws regarding nominations for the election of directors. These provisions require a shareholder to provide timely notice in proper written form of the shareholder's intent to nominate a candidate. If the Company held an annual meeting in the previous year, such a notice of a shareholder is "timely" if it was provided not more than ninety (90) and not less than sixty (60) calendar days prior to the date that is one year after the prior year's annual meeting. If no annual meeting was held in the previous year, or if the date of the annual meeting changed by more than thirty (30) days from the prior year's annual meeting (the "Other Meeting Date"), the shareholder's notice is timely if it is received by the later of (i) the close of business on the date ninety (90) days prior to the Other Meeting Date or (ii) the close of business ten (10) days following the date on which the Other Meeting Date is first publicly announced. The shareholder's notice is in proper form if it includes certain specified information regarding the shareholder's name and address, the shareholder's stock ownership, existing arrangements or understandings regarding the nomination, any information regarding each nominee that would be required to be included in a proxy statement had the nominee been nominated by the Company, and the consent of each nominee to serve as director of the Company if so elected.

REPORT OF AUDIT COMMITTEE

Edgar Filing: WINLAND ELECTRONICS INC - Form DEF 14A

The Board of Directors maintains an Audit Committee comprised of three of the Company's outside directors. The Board of Directors and the Audit Committee believe that the Audit Committee's current member composition satisfies the Listing Standards of the American Stock Exchange ("AMEX") that governs audit committees, Section 121.B, including the requirement that audit committee members all be "independent directors" as that term is defined by AMEX Listing Standards Section 121(A).

In accordance with its written charter adopted by the Board of Directors, the Audit Committee assists the Board of Directors with fulfilling its oversight responsibility regarding the quality and integrity of the accounting, auditing and financial reporting practices of the Company. In discharging its oversight responsibilities regarding the audit process, the Audit Committee:

- (1) reviewed and discussed the audited financial statements with management;
- (2) discussed with the independent auditors the material required to be discussed by Statement on Auditing Standards No. 61; and
- (3) reviewed the written disclosures and the letter from the independent auditors required by the Independence Standards Board's Standard No.1, and discussed with the independent auditors any relationships that may impact their objectivity and independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2000, as filed with the Securities and Exchange Commission.

Compensation to Directors

The outside directors are paid \$500 for attendance at each Board meeting, \$300 for each meeting of the Compensation Committee and the Nomination / Governance Committee, and \$500 for each meeting of the Audit Committee, plus expenses. The Board had several meetings to prepare for the Special Meeting and to negotiate with the Shareholders' Protective Committee after the Special Meeting. The Board expects to have further meetings in preparation of the Annual Meeting. To limit the Company's cost for the compensation of directors for these meetings, the Board decided that outside directors will receive a flat fee of \$1,000 per month and the Chairman of the Board will receive an additional flat fee of \$2,000 per month, until the Annual Meeting is over and negotiations with the Shareholders' Protective Committee have been terminated. In addition, the Company's 1997 Stock Option Plan provides for automatic option grants to each director who is not an employee of the Company (a "Non-Employee Director"). Each Non-Employee Director who is elected for the first time as a director is granted a nonqualified option to purchase 5,000 shares of Common Stock. Each Non-Employee Director who is re-elected as a director of the Company or whose term of office continues after a meeting of shareholders at which directors are elected shall, as of the date of such re-election or shareholder meeting, automatically be granted a nonqualified option to purchase 5,000 shares of Common Stock. No director shall receive more than one option pursuant to the formula plan in any one fiscal year. All options granted pursuant to these provisions are granted at a per share exercise price equal to 100% of the fair market value of the Common Stock on the date of grant, and they are immediately exercisable and expire on the earlier of (i) three months after the optionee ceases to be a director (except by death) and (ii) five (5) years after the date of grant. In the event of the death of a Non-Employee Director, any option granted to such Non-Employee Director pursuant to this formula plan may be exercised at any time within six (6) months of the death of such Non-Employee Director or until the date on which the option, by its terms, expires, whichever is earlier. In addition, Mr. de Petra received approximately \$6,000 for consulting services he provided to the Company.

Employment Agreements and Termination of Employment Arrangements

Effective May 31, 2001, W. Kirk Hankins resigned from his positions as Chief Executive Officer and Chief Financial Officer of the Company and from his positions as a member of the Company's Board of Directors and as Chairman of the Board. The Company and Mr. Hankins entered into a

12

Separation Agreement and Release pursuant to which Mr. Hankins releases the Company from any and all claims arising out of or in connection with his employment with the Company. In consideration of this release, the Company agreed to make severance payments to Mr. Hankins in the total amount of One Hundred Fifty Five Thousand Six Hundred Nine and 79/100 Dollars (\$155,609.79), less required deductions and withholding. Mr. Hankins will receive this amount in installments payable on the Company's regular payroll dates through June 21, 2002.

The Company is a party to an Employment Agreement effective January 1, 1999 with Lorin E. Krueger, President and Chief Executive Officer (since June 1, 2001), which agreement's initial term expires December 31, 2003, with additional one-year terms thereafter, unless either party gives notice to the other party 60 days prior to the end of such term that such party wishes to terminate the agreement. The agreement provides for an annual base salary in an amount determined by the Compensation Committee, which amount the Compensation Committee has determined shall remain at \$123,600 for 2001. Mr. Krueger is entitled to receive an annual bonus consisting of stock options and/or a cash payment at the sole discretion of the Compensation Committee. If Mr. Krueger terminates his employment for good reason during the two years following a change in control of the Company, he is entitled to an amount equal to the salary and bonus paid to him for the two fiscal years preceding such termination, which amount shall be paid in 24 equal monthly installments. Mr. Krueger has agreed that, during the two-year period following the termination of his employment, except following a change of control as hereinbefore described, he will not (i) compete with the Company, (ii) solicit or communicate with the Company's customers or (iii) solicit any of the Company's employees to leave the Company.

Compliance with Section 16(a) of the Exchange Act

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors, and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the "SEC"). Executive officers, directors and greater than ten-percent shareholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file. Based solely on its review of the copies of such forms received by it, the Company believes that, during fiscal year 2000, all executive officers, directors and greater than ten-percent beneficial owners complied with the applicable filing requirements; except that James Legus filed his initial Form 3 late.

Audit Fees

The aggregate fees billed and to be billed by McGladrey for professional services rendered for the audit of annual financial statements for 2000 and for review of the financial statements included in the Forms 10-QSB for such year were \$53,386.

13

Financial Information Systems Design and Implementation Fees

The aggregate fees billed and to be billed by McGladrey for services to the Company for financial information systems design and implementation in 2000 were \$24,590.

All Other Fees

Edgar Filing: WINLAND ELECTRONICS INC - Form DEF 14A

The aggregate fees billed and to be billed by McGladrey for all other non-audit services, including services in connection with the Company's tax forms preparation and services relating to executive compensation for 2000 were \$23,639.

The Company's Audit Committee has considered whether provision of the above non-audit services is compatible with maintaining McGladrey's independence and has determined that such services are compatible with maintaining McGladrey's independence.

OTHER BUSINESS

SHAREHOLDER PROPOSALS FOR 2002 ANNUAL MEETING

Under the SEC Rules, we are required to provide the following information to you based on the assumption that the date for our annual meeting in 2002 will deviate less than thirty (30) days from the date for this Annual Meeting: Any appropriate proposal submitted by a shareholder of the Company and intended to be presented at the 2002 annual meeting of shareholders must be received by the Company by July 12, 2002, to be considered for inclusion in the Company's proxy statement and related proxy for the 2002 annual meeting. Also, a shareholder proposal intended to be presented at the 2002 annual meeting but not included in the Company's proxy statement for such meeting, must be received by the Company after September 20, 2002, but on or before October 20, 2002. According to the Company's bylaws, a shareholder proposal received outside of this time period will be considered untimely. Management named in the Company's proxy form for the 2002 annual meeting will then have discretionary authority to vote shares represented by such proxies on the shareholder proposal, if presented at the meeting, without including information about the proposal in the Company's proxy materials.

We anticipate that we will return in 2002 to our traditional meeting schedule and have the annual meeting some time in May or June 2002. In this case, proposals submitted by a shareholder of the Company and intended to be presented at the 2002 annual meeting would have to be received a reasonable time before we print and mail our proxy materials for the 2002 annual meeting. Under our bylaws, a shareholder proposal intended to be presented at the 2002 annual meeting but not included in the Company's proxy statement for such meeting, would have to be received by the later of (i) the close of business on the date ninety (90) days prior to the date of the 2002 annual meeting or (ii) the close of business ten (10) days following the date on which the date of the 2002 annual meeting is first publicly announced.

We will inform you of any changes of the aforesaid dates in a timely manner and will provide notice of the new dates in our earliest possible quarterly report on Form 10-QSB.

Any shareholder proposal must provide the information required by the Company's Bylaws and comply with any applicable laws and regulations. All submissions should be made to the Secretary of the Company at the Company's principal offices at 1950 Excel Drive, Mankato, Minnesota 56001.
