**AGENDA ITEM NO. 1  
ELECTION OF DIRECTORS**

Unless a proxy directs to the contrary, it is intended that the proxies will be voted for the election as Directors of the fourteen nominees named on the following pages, to hold office until the next succeeding annual stockholders' meeting or until their respective successors are duly elected and qualify. All nominees are currently Directors of the Company except R. Eden Martin and Patrick G. Ryan, Jr. While management has no reason to believe that any of the nominees will not be available to serve as a Director, if for any reason any of them should become unavailable, the proxies will be voted for such substitute nominees as may be designated by the Board of Directors. The Directors shall be elected by the vote of the majority of votes present in person or represented by proxy at the meeting. Accordingly, since votes withheld will count as present at the meeting (and will therefore also count towards the establishment of a quorum) a vote withheld for a nominee will adversely affect that nominee's ability to secure the necessary majority of the votes present at the meeting. Set forth on the following pages is biographical information concerning each management nominee for election as a Director, the nominee's principal occupation, the period during which the nominee has served as a Director of the Company including service as a Director or employee of Combined Insurance Company of America ("Combined Insurance"), a subsidiary of the Company, or Ryan Insurance Group, Inc. ("Ryan Group"), which merged with the Company in 1982. Ages shown for all Directors are as of December 31, 2001. There are no nominees for the Board other than the following fourteen nominees.

The purpose of the Bequest Plan is to acknowledge the service of outside Directors, to recognize the mutual interest of the Company and its outside Directors in supporting worthy charitable institutions and to assist the Company in attracting and retaining outside Directors of the highest caliber. The Company is funding the Bequest Plan generally through the maintenance of life insurance policies on its outside Directors. Individual outside Directors derive no financial benefit from the Bequest Plan since any and all insurance proceeds and tax deductible charitable donations accrue solely to the Company. Charitable donations by the Company will be directed to charitable institutions designated by the outside Directors. Up to \$100,000 will be contributed annually to tax qualified institutions designated by a participating outside Director for ten years following the death of that Director. An outside Director is not eligible to participate in the Bequest Plan until he or she has completed one full year of service on the Board. The Board retains the right to terminate the Bequest Plan and to decline to make any requested bequest if, in the Board's judgment, doing so is in the best interests of the Company and its stockholders.

### *Deferred Compensation*

## Edgar Filing: AON CORP - Form DEF 14A

Pursuant to the Outside Director Deferred Compensation Plan (the "Deferred Plan"), and pursuant to the Award Plan, outside Directors may defer cash compensation and Common Shares earned into phantom stock accounts, the value of which is measured by reference to Common Shares.

Under the Deferred Plan, outside Directors elect that portion of the annual retainer (referred to as "Fees") which will be credited to either a cash account, the earnings of which are based on one-year Treasury bills, or a stock account the value of which is based upon the performance of the Common Shares on a dividend reinvested basis. The cash account is a bookkeeping device only and no funds are actually invested or set aside for the outside Directors' benefit. The outside Directors' stock accounts are credited with the number of phantom shares that could have been purchased at the average of the high and low price of the Common Shares on the date the Fees are earned. The phantom stock account does not consist of Common Shares, but is maintained for bookkeeping purposes only. As dividends are declared and paid on Common Shares, each outside Director's phantom stock account, for bookkeeping purposes, is credited with the dividends which would have been earned if Common Shares had been purchased and the funds so credited are treated as if reinvested in Common Shares. Each participating outside Director specifies a payout schedule, including a commencement date, pursuant to which the Company will distribute to the outside Director the amount in the outside Director's cash account, or Common Shares equal to the number of shares in the phantom stock account.

Under the Award Plan, outside Directors may also elect to defer receipt of annual award of Common Shares and instead maintain a phantom stock account. As dividends are declared on Common Shares, each outside Director's phantom stock account, for bookkeeping purposes, is credited with the dividends which would have been earned if Common Shares had been received and the funds so credited are treated as if reinvested in Common Shares. Outside Directors may choose a time and

10

schedule for payout of the phantom stock account in Common Shares plus the cash equivalent of any fractional Common Shares.

In addition, under the Award Plan, outside Directors are also entitled to certain deferred benefits when they retire from the Board. The Award Plan provides for an amount to be credited to an account on behalf of each outside Director, as follows:

- (i) \$10,000 for each annual period of Board service prior to 1994, but not more than \$100,000 in the aggregate; and
- (ii) \$20,000 per annum for each annual period of service commencing with April 15, 1994.

Upon retirement from the Board, or upon death or disability, the vested value accumulated in the account as to a particular outside Director (the "Accrued Vested Retirement Amount") will be distributed in ten installments consisting of Common Shares.

The following table shows, as of February 25, 2002, the total number of Common Share equivalents credited to the phantom stock accounts of each outside Director (including Messrs. Martin and Ryan, each of whom are nominees for election and including Messrs. Cole, Perkins, Turner and Weber, who are currently outside Directors and retiring on April 19, 2002) under the Deferred Plan and under the Award Plan ("Phantom Shares"), and the number of Common Share equivalents representing the Accrued Vested Retirement Amount (the "Retirement Shares").

The Company has fully reported deferrals by outside Directors of cash compensation into Phantom Share accounts in the Deferred Plan and in the Award Plan on a cumulative basis for each year since 1993 in a form similar to that set out in the above table. Although this disclosure is not required under the proxy rules, in the interest of keeping all stockholders informed of deferrals of compensation by outside Directors into Phantom Share accounts under the Company's outside Director compensation plans, the Company intends to continue this disclosure in future years.

(1)  
Chairman.

When the Board of Directors is not in session, the Executive Committee is empowered to exercise the power and authority in the management of the business and affairs of the Company as would be exercised by the Board of Directors, subject to certain exceptions. The Executive Committee did not meet in 2001, but it acted by unanimous written consent on two occasions.

The functions of the Audit Committee and its activities during 2001 are described below under the heading "Report of the Audit Committee". The Audit Committee operates pursuant to a charter which has been approved by the Board of Directors and which is attached to this Proxy Statement as Appendix I. The Audit Committee met eight times during 2001.

The Investment Committee is responsible for the formation of broad investment policy applicable to the operating subsidiaries of the Company. This policy is implemented by all subsidiaries based on the specific financial requirements of the individual units. The Investment Committee met five times during 2001.

The Nominating Committee recommends nominees to the Board to fill vacancies or as additions to the Board of Directors. Although the Committee does not specifically solicit suggestions from stockholders regarding possible candidates, the Committee will consider stockholders' recommendations. Suggestions, together with a description of the proposed nominee's qualifications, stock holdings in the Company, other relevant biographical information, and an indication of the willingness of the proposed nominee to serve, should be sent to the Corporate Secretary of the Company. Suggestions may be submitted at any time of year but should be received by November 4, 2002 in order to be considered in connection with the annual meeting of the Company's stockholders in the spring of 2003. The Nominating Committee met once

during 2001.

The Organization and Compensation Committee annually reviews and determines the compensation of the Chairman and Chief Executive Officer of the Company. The Organization and Compensation Committee also reviews, advises and consults with the Chairman and Chief Executive Officer on the compensation of the President and Chief Operating Officer and of other officers and key employees and as to the Company's policy on compensation. The Organization and Compensation Committee also administers the Aon Stock Incentive Plan (and its predecessor plans, the Aon Stock Option Plan and the Aon Stock Award Plan) and the Aon Deferred Compensation Plan, including granting stock options and stock awards and interpreting the plans, and has general oversight responsibility with respect to the Company's other employee benefit programs. In addition, the Organization and Compensation Committee also renders advice and counsel to the Chairman and Chief Executive Officer on the selection of senior officers of the Company and key executives of the

12

Company's major subsidiaries. The Organization and Compensation Committee met six times during 2001 and acted by unanimous written consent on three occasions.

The Board of Directors met eleven times during 2001 and acted by unanimous written consent on four occasions. All incumbent Directors attended at least 82% of the meetings of the Board and all committees of the Board on which the respective Directors served.

#### **REPORT OF THE AUDIT COMMITTEE**

The Board of Directors has determined that all members of the Committee are independent of the Company. The Committee operates pursuant to a Charter that was last amended and restated by the Board on April 20, 2001, a copy of which is attached to this proxy as Appendix I.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity and extent of disclosures in the financial statements.

The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from management and the Company including the matters in the written disclosures required by the Independence Standards Board. The Audit Committee has also considered non-audit services provided to the Company by the independent auditors and concluded that such services are compatible with maintaining the auditors' independence.

The Audit Committee discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Audit Committee meets with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Audit Committee held eight meetings during fiscal year 2001.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, including in respect of auditor independence. Members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by management, the independent auditors, and the internal auditors.

In reliance on the reviews and discussions referred to above, and subject to the limitations on the role and responsibilities of the Committee referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2001 for filing with the Securities and Exchange Commission. The Audit Committee and the Board have also approved, and have requested that stockholders ratify, the selection of Ernst & Young LLP as the Company's independent auditor for the year 2002.

The Company has entered into an Employment Agreement with Michael D. O'Halleran, President and Chief Operating Officer of the Company dated January 1, 2001, to expire on December 31, 2007 unless terminated earlier. The agreement provides for a base salary of \$1,000,000 per year; subject to adjustment but not below \$750,000; an annual incentive bonus of up to 180% of his base salary under the Bonus Plan for Senior Executives; 22,500 stock award shares per year; and stock options at the discretion of the Organization and Compensation Committee of the Board of Directors with the advice of the Chairman and Chief Executive Officer. As required by the agreement, the Company has purchased insurance on the life of Mr. O'Halleran that provides coverage sufficient for payment to Mr. O'Halleran's executor, administrator or beneficiary of a lump sum cash amount equal to his salary, at the rate in effect at the time of his death, to which he would have been entitled from the date of his death through the original term of the agreement. If the Company terminates his employment for any other reason (other than for cause), Mr. O'Halleran will be entitled to receive his base salary through the original term of the agreement and a fully vested stock award for the number of shares that he would otherwise have received during the balance of the term of the agreement. In addition, under those circumstances, his previous stock awards will vest as permitted by the applicable plan and his stock options will become exercisable in full. The Board is also obligated to consider whether it should also make a grant of stock options that it determines to be equitable in light of other stock option grants made to Mr. O'Halleran. Non-competition and non-solicitation covenants apply for two years after termination of employment without regard to the reason for the termination of employment.

### PENSION PLAN TABLE

The following table shows the estimated annual pension benefits payable to a covered participant at normal retirement age (65 years) under the Company's qualified defined benefit pension plan (the "Aon Pension Plan"), as well as under the non-qualified supplemental pension plan (the "Excess Benefit Plan"). The Excess Benefit Plan provides benefits that would otherwise be denied participants by reason of certain Internal Revenue Code limitations on qualified plan benefits, based on remuneration that is covered under the plans and years of service with the Company and its subsidiaries:

Remuneration	Years of Service						
	10	15	20	25	30	35	40

A participant's remuneration covered by the Aon Pension Plan and the Excess Benefit Plan is the average of his or her base salary for each year prior to 1993, and the aggregate of base salary and certain eligible bonus payments for the 1993 year and each year thereafter, for the five consecutive calendar plan years during the last ten years of the participant's career for which the average is the highest or, in the case of a participant who has been employed for less than five full years, the period of his or her employment with the Company and its subsidiaries. Covered compensation and the estimated years of service for each Named Executive as of December, 31 2001 are: Mr. Ryan \$2,276,827 and 22 years; Mr. Conway \$782,054 and 27 years; Mr. Medvin \$1,163,231 and 22 years; Mr. O'Halleran \$1,948,982 and 14 years; and Mr. Skilling \$1,160,712 and 25 years. The annual pension amounts included in the table above are based upon the following assumptions: (1) that retiring participants have attained age 65 and are fully vested, and (2) that retiring participants have chosen to have benefits payable as straight life annuities.

### ORGANIZATION AND COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

#### Philosophy

The Company's executive compensation program is structured to attract, retain and motivate top quality and experienced individuals in the highly competitive environments of the brokerage and consulting industries. The program provides competitive compensation opportunities while supporting a pay for performance culture that emphasizes at-risk or equity based compensation. Grants of stock-based compensation ensure that individual efforts result in the reward of employees linked to the interest of shareholders.

The executive compensation program is administered by the Organization and Compensation Committee of the Board (the "Compensation Committee") consisting entirely of outside Directors. In this capacity the Compensation Committee determines the compensation for the Company's Chief Executive Officer, Patrick G. Ryan, and the compensation of the other Named Executives in consultation with Mr. Ryan. In addition, the Compensation Committee advises and consults with Mr. Ryan regarding the compensation of other officers and key employees.

#### Components

There are three distinct components to the executive compensation program:

Base Salary

Short Term Incentive Compensation

Long Term Incentive Compensation

*Base Salary*

Base salaries for the Named Executives are established at levels considered appropriate in light of the executives' responsibilities and performance versus the competitive market both within the insurance industry and externally.

*Short Term Incentive Compensation*

The Senior Officer Incentive Compensation Plan (the "Incentive Plan") is designed to permit amounts to be paid thereunder during a year to qualify as performance based compensation as that term is defined in Section 162(m) of the Internal Revenue Code of 1986, thereby enhancing the ability of the Company to deduct the full amount paid to a Named Executive even though the individual's total compensation may exceed \$1,000,000.

Under the terms of the Incentive Plan as in effect during 2001 each Named Executive was eligible to receive a maximum bonus of 180% of the prior year's Base Salary. However, in no event could a bonus exceed \$3,000,000. Payment of a bonus is further conditioned on the Company's achievement of annually established performance thresholds, which are materially linked to the interests of stockholders. It is important to note that the Incentive Plan provides the Compensation Committee the discretion to grant bonuses which are less than the amounts provided for on an aggregate or individual basis, based upon objective and subjective performance criteria tailored to each individual.

For bonus payments payable during calendar year 2001 the Compensation Committee, in exercising its discretion, adjusted the level of bonuses to reflect the Company's and the individuals' performance during 2000. Bonus decisions for the year 2001 will be made in March of 2002 after the 2001 financial statements have been finalized.

*Long Term Incentive Compensation*

The Aon Stock Incentive Plan, adopted in 2001, rewards executives for long term strategic management and subsequent enhancement of stockholder value by providing the executive with an opportunity to acquire an appropriate ownership interest in the Company.

The Plan authorizes grants of options and awards. Options and award grants have been an effective tool in the attraction and retention of key individuals throughout the Company. Options are subject to a standard four year vesting schedule and awards are subject to a standard ten year vesting schedule, which by design provides an incentive for grant recipients to continue their service with the Company.

During 2001, awards were granted under the Aon Stock Incentive Plan to Mr. O'Halleran, while options were granted to Mr. Ryan and to the four Named Executives. For more detailed information regarding the options granted to the Named Executives refer to the table Executive Compensation Options Grants in 2001 Fiscal Year. For more detailed information regarding options exercised by the Named Executives during 2001 please refer to the table Executive Compensation Aggregated Option Exercises in Last Fiscal Year and Fiscal Year-End Option Values.

In general, options are granted on criteria similar to, and for similar purposes as, those for the granting of awards. Grants of awards and options are made based on an assessment of an executive's

past performance, an appraisal of the executive's talents and other strengths and most notably the long term contribution the executive can make to the Company's performance. In addition, consideration is given, among other things, to the number of awards and options previously made to an executive and the number of awards and options outstanding in the aggregate to all individuals.

**CEO Compensation**

## Edgar Filing: AON CORP - Form DEF 14A

The Compensation Committee regards the evaluation of the Chief Executive Officer, Mr. Ryan, as a critical Board of Directors responsibility. As such, Mr. Ryan's compensation components are determined following an annual review of his and the Company's performance conducted collectively, without Mr. Ryan, by all outside Directors of the Company. During this review, the Compensation Committee and other outside Directors discuss in detail the extent to which Mr. Ryan had achieved his beginning of the year objectives and subjective performance goals.

Based upon the Company's performance during 2000, the Compensation Committee, in consultation with the other outside Directors, determined that an Incentive Plan award of \$1,462,500 would be made to Mr. Ryan. All senior officers received Incentive Plan awards.

In addition, in 2001 Mr. Ryan was granted an option to purchase 300,000 Common Shares, subject to the normal provisions of the Aon Stock Award Plan. The Compensation Committee believes that this grant is an integral component of Mr. Ryan's total compensation package and provides a direct link to the interests of stockholders. For more detailed information regarding Mr. Ryan's grant please refer to the table Executive Compensation Option Grants in 2001 Fiscal Year.

The Compensation Committee believes that a significant portion of Mr. Ryan's compensation should be based upon performance and it has established guidelines in that regard. For calendar year 2001, 78% of Mr. Ryan's total potential compensation was based upon either individual performance or Company performance. For more detailed information regarding Mr. Ryan's compensation components please refer to the Summary Compensation Table.

### Compensation Consultant and Competitive Data

In order to ensure that the compensation program is competitive and appropriate, the Compensation Committee annually reviews the levels of executive compensation from a number of general survey sources, with a particular focus on available data relating to the position of Chief Executive Officer. In addition, the Compensation Committee periodically retains a nationally recognized compensation consultant, which may or may not be affiliated with the Company, to provide an analysis of the compensation policies and practices of the Peer Group companies and a comparison thereof to the Company's.

#### COMPARISON OF FIVE-YEAR CUMULATIVE TOTAL RETURN(1)

Aon Corporation, Standard & Poor's and Peer Group Indices  
Fiscal Years Ended December 31

(1)

The "Peer Group" of the Company is comprised of issuers which are, taken as a whole, in the same industry or which have similar lines of business. The Peer Group comprises: AFLAC Incorporated; Arthur J. Gallagher & Co.; Marsh & McLennan Companies, Inc.; Brown & Brown Inc.; and Unum Provident Corporation. Results for E.W. Blanch Holdings Inc., which in prior years had been included in the Peer Group and performance graphs, are no longer available as a result of the acquisition of it by an unaffiliated company outside the Peer Group. The performance graph assumes that the value of the investment of Aon Common Shares and the Peer Group index was allocated pro rata among the Peer Group companies according to their respective market capitalizations, that the value of the Peer Group index was determined by weighing the contribution of the constituent companies according to their respective market capitalizations as of the beginning of each annual period, and that all dividends were reinvested.

#### **COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION**

Donald S. Perkins, Edgar D. Jannotta, Lester B. Knight, Andrew J. McKenna, Robert S. Morrison, Richard C. Notebaert, George A. Schaefer and Fred L. Turner served as members of the Organization and Compensation Committee during the Company's last fiscal year.

Mr. McKenna, who serves as a Director of the Company, Chairman of the Nominating Committee and a member of the Executive Committee and the Organization and Compensation Committee of the Company, and Mr. Medvin, the Company's executive vice president and chief financial officer, serve on the board of directors of a private company, Schwarz. Mr. McKenna is also the chairman and chief executive officer of Schwarz.

The Company retained William Blair & Company, L.L.C., an investment banking firm for which Edgar D. Jannotta is Chairman and Partner, to perform certain financial advisory and investment banking services for the Company during 2001 and anticipates that the firm will continue to be retained to perform services in 2002. The services were provided on substantially the same terms as those prevailing at the time for comparable transactions with unrelated parties, and did not involve during 2001, nor are expected to involve in 2002, payments from or to the Company and its subsidiaries and affiliates for services in excess of 5% of the Company's or the other entity's consolidated gross revenues during 2001. Mr. Jannotta serves as a Director of the Company and is a member of the Investment Committee and a member of the Organization and Compensation Committee of the Company.

## CERTAIN TRANSACTIONS

On July 16, 2001, following receipt of the unanimous recommendation of a Special Committee of the Board of Directors comprised solely of independent directors (who were advised by legal and financial advisors separately retained by the Special Committee), the full Board of Directors approved and the Company completed a transaction with companies controlled by Patrick G. Ryan as a result of which Ryan family members simplified the manner in which they hold Common Shares from indirect ownership through corporations to direct ownership by Ryan family members and associated trusts. The number of Common Shares beneficially owned by Mr. Ryan was unchanged as a result of the transaction. The recommendation and approval of the transaction were based upon consideration of contractual terms and other benefits received by the Company including the receipt of cash, net of expenses, of approximately \$5 million, and certain stock transfer restrictions on Common Shares owned by the Ryan family members.

The Company has made contractual arrangements through a subsidiary to provide ready access to aircraft for executives of the Company and its subsidiaries for business purposes. These arrangements include two dry leases entered into with two aircraft leasing companies affiliated with Patrick G. Ryan and Patrick G. Ryan, Jr., Globe Leasing, Inc. ("Globe") and 17AN Leasing, LLC ("17AN"). In addition, a subsidiary of the Company provides hangar space and related operating support to Globe and 17AN in return for negotiated fees. In 2001, the Company and its subsidiaries paid Globe and 17AN \$695,182 and \$108,370, respectively, for usage of aircraft. Globe and 17AN paid a subsidiary of the Company \$258,786 and \$42,237, respectively, for hangar space and operating support. The Company believes that all of these arrangements are more favorable to the Company than would have been obtained by negotiating similar transactions with unrelated third parties. The payments represented in excess of 5% of each of Globe's and 17AN's consolidated gross revenues in 2001 and are expected to do so again in 2002. Patrick G. Ryan owns 100% of Globe and serves as a director, Chairman of the Board and treasurer; he also indirectly holds 50% of 17AN and serves as a director and Chairman of the Board. Patrick G. Ryan, Jr. serves as a director and president of each of Globe and 17AN.

During the year 2001 and during the year 2002 (to date) the Company and one or more of its subsidiaries retained Sidley Austin Brown & Wood, a law firm of which R. Eden Martin is a Partner, to perform certain legal services, and the Company anticipates that the firm will continue to be retained to

21

---

perform services in 2002. During 2001, corporations and other entities with which Directors are or were associated effected insurance brokerage or other transactions with the Company and certain of its subsidiaries and affiliates in the ordinary course of business. All of these transactions were on substantially the same terms as those prevailing at the time for comparable transactions with unrelated parties. None of these transactions involved during 2001, or is expected to involve in 2002, payments from or to the Company and its subsidiaries and affiliates for property and services in excess of 5% of the Company's or the other entity's consolidated gross revenues during 2001.

On December 14, 2001 underwriting subsidiaries of the Company invested \$227.2 million to obtain an ownership interest in Endurance Specialty Insurance Ltd. ("Endurance"), a newly formed Bermuda-based insurer co-sponsored by the Company, which has a total share capital of \$1.2 billion and which offers property and casualty insurance and reinsurance on a world-wide basis. Also on that date investments were made in Endurance by or on behalf of the following persons, their family members or companies owned by them: Patrick G. Ryan \$17 million; Edgar D. Jannotta \$1 million; Lester B. Knight \$250,000; Andrew J. McKenna \$500,000; Richard C. Notebaert \$1 million; Donald S. Perkins \$100,000; Patrick G. Ryan, Jr. \$1 million; Fred L. Turner \$500,000.

## AGENDA ITEM NO. 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors of the Company, following the recommendation of the Audit Committee, has appointed Ernst & Young LLP as the Company's independent auditors for the year 2002. Ernst & Young LLP was first retained as the Company's independent auditors in February 1986. Although this appointment is not required to be submitted to a vote of the stockholders, the Board of Directors believes it appropriate as a matter of policy to request that the stockholders ratify the appointment of the independent auditors for the year 2002. In the event a majority of the votes cast at the meeting are not voted in favor of the following resolution, the adverse vote will be considered as a direction to the Board of Directors of the Company to select another auditor for the year 2003. Because of the difficulty and expense of making any substitution of auditors for 2002 following the 2002 annual meeting, it is contemplated that the appointment for the year 2002 will be permitted to stand unless the Board finds other good reason for making a change.

*Audit Fees; All Other Fees.* Ernst & Young LLP fees for the 2001 annual audit were \$7.3 million, which includes \$4.0 million for required statutory audits in various domestic and foreign jurisdictions. All other Ernst & Young LLP fees for services rendered during 2001

## Edgar Filing: AON CORP - Form DEF 14A

aggregated \$11.0 million, including \$3.3 million for services which management believes are audit related and \$7.7 million for other non-audit services.

Audit related services included fees for internal audit teaming, principally information technology related (\$2.6 million); and advisory services on accounting matters, business acquisitions, regulatory filings and benefit plan audits (\$0.7 million).

Other non-audit services included domestic and foreign income tax preparation, planning and advisory work (\$2.7 million); assistance relating to the planned spin-off of the Company's underwriting operations (\$1.4 million); cash management and repatriation of funds (\$1.0 million); information security advisory reviews (\$0.9 million); and other projects (\$1.7 million) performed to assist various parts of the company of which no one project exceeded \$250,000.

No financial information system design and implementation services were provided by Ernst & Young LLP during 2001.

### **YOUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE FOLLOWING RESOLUTION AGENDA ITEM NO. 2:**

RESOLVED, that the appointment of Ernst & Young LLP by the Board of Directors as the Company's independent auditors for the year 2002 is hereby ratified.

The Company anticipates that a representative of Ernst & Young LLP will be present at the annual meeting. The representative will be given the opportunity to make a statement if he or she desires to do so, and is expected to be available to respond to any questions which may be submitted at the meeting.

### **VOTING PROCEDURES**

The holders of at least a majority of the issued and outstanding Shares entitled to vote, present in person or represented by proxy, will constitute a quorum for the transaction of business at any meeting of the stockholders of the Company. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum at a meeting. Except as otherwise required by applicable law or the certificate of incorporation of the Company, any proposal properly presented at a meeting at which a quorum is present will be decided by the vote of the holders of a majority of the Shares present in person or represented by proxy and entitled to vote on the proposal at that meeting. An abstention with respect to a particular proposal will have the effect of a vote against that proposal. If a duly executed proxy is marked to indicate that all or a portion of the Shares represented by that proxy are not being voted with respect to a particular proposal, those non-voted Shares will not be considered present and entitled to vote on the proposal even though those Shares will be counted for purposes of determining the presence or absence of a quorum. Each matter included for consideration by the stockholders in this Proxy Statement shall be decided by the vote of the holders of a majority of the Shares present in person or represented by proxy and entitled to vote on the matter.

We hope that you will be present at the meeting. If you cannot attend, please validate the enclosed proxy by mail, by telephone or by using the Internet so that your Shares will be represented. To validate a proxy by mail, please sign the enclosed proxy and return it in the accompanying envelope. The envelope is addressed and requires no postage. To validate a proxy by telephone or by using the Internet please follow the instructions located on each proxy card. There may be costs incurred by a stockholder for use of the Internet and the telephone which are charged by Internet access providers and telephone companies.

**Each proxy duly validated by mail, telephone or by using the Internet prior to the meeting and not otherwise revoked will be voted according to its terms. Stockholders who receive more than one proxy should validate each proxy in order to be sure all of their shares are voted. If no specific direction is indicated on a duly validated proxy as to the manner of voting, the proxy will be voted in accordance with the recommendations of the Board of Directors set forth herein.**

You may revoke your proxy at any time before it is voted at the meeting. A proxy may be revoked by (a) delivering to the Company a duly executed written notice of revocation dated later than the date of the proxy which is being revoked; (b) delivering to the Company by mail, by telephone or by using the Internet a duly validated replacement proxy relating to the same Shares and dated later than the date of the proxy which is being replaced; or (c) by attending the annual meeting of stockholders and voting in person. Written revocations should be sent to the Office of the Corporate Secretary of the Company at the mailing address listed on page one of this Proxy Statement. All proxy procedures are designed to authenticate a stockholder's identity, allow voting instructions to be given and confirm that instructions have been properly recorded consistent with the requirements of applicable law.

#### **PROPOSALS OF STOCKHOLDERS FOR 2003 ANNUAL MEETING**

In order to be considered for inclusion in the Company's proxy statement for the annual meeting of the stockholders of the Company in the year 2003, stockholder proposals conforming to applicable rules and regulations must be received by the Company not later than November 4, 2002. Stockholder proposals not submitted for inclusion in the Company's proxy statement but submitted for presentation at the annual meeting of the stockholders of the Company in the year 2002 will be considered untimely submitted under applicable rules unless received on or before the close of business on January 25, 2003.

All proposals should be sent to the Office of the Corporate Secretary of the Company at the mailing address listed on page one of this Proxy Statement, with a copy of such proposal to be sent to the Office of the Chief Counsel of the Company at that same mailing address.

#### **AVAILABILITY OF 10-K REPORT**

The Company will file its Annual Report on Form 10-K for the year ended December, 31 2001 with the Securities and Exchange Commission on or before April 1, 2002. A copy of the report, including any financial statements and schedules, and a list describing any exhibits not contained therein, may be obtained without charge by any stockholder. The exhibits are available upon payment of charges which approximate the Company's cost of reproduction of the exhibits. Requests for copies of the report should be sent to the Office of the Corporate Secretary at the mailing address of the Company listed on page one of this Proxy Statement.

#### **OTHER MATTERS**

The Board of Directors is not aware of any business to be acted upon at this meeting other than that which is described in this Proxy Statement, but in the event any other business should properly come before the meeting which requires a vote of the stockholders, the proxy holders (as indicated on the accompanying proxy card or cards) will vote the proxies according to their best judgment in the interest of the Company.

By Order of the Board of Directors

#### **APPENDIX I**

#### **AON CORPORATION AUDIT COMMITTEE CHARTER April 2001**

*Organization:*

## Edgar Filing: AON CORP - Form DEF 14A

This charter governs the operations of the Audit Committee. The Committee shall review and reassess the charter at least annually and obtain the approval of the Board of Directors. The Committee shall be appointed by the Board of Directors and shall be comprised of at least three directors. All (currently seven) members of the Committee shall be independent of management and the Company. Members of the Committee shall be considered independent if they have no relationship that may interfere with the exercise of their independence from management and the Company. All Committee members shall be financially literate and at least one member shall have an accounting or related financial management expertise.

### *Statement of Policy:*

The Audit Committee shall provide assistance to the Board of Directors in fulfilling its oversight responsibility to the shareholders, potential shareholders, the investment community, and others relating to the Company's financial statements and the financial reporting process, the systems of internal accounting and financial controls, the internal audit function, the annual independent audit of the Company's financial statements, and the legal compliance and ethics programs as established by management and the Board. In so doing, it is the responsibility of the Committee to maintain free and open communication between the Committee, independent auditors, the internal auditors, and management of the Company. In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities, and personnel of the Company and the power to retain outside counsel, or other experts for this purpose.

### *Responsibilities and Processes:*

An important responsibility of the Audit Committee is to oversee the Company's financial reporting process on behalf of the Board and report the results of its activities to the Board. Management is responsible for the preparation, presentation, and integrity of the Company's financial statements, and the independent auditors are responsible for auditing those financial statements. The Committee in carrying out its responsibilities believes its policies and procedures should remain flexible, in order to best react to changing conditions and circumstances. The Committee should take the appropriate actions to set the overall corporate "tone" for quality financial reporting, sound business risk practices, and ethical behavior.

The following shall be the principal recurring processes of the Audit Committee in carrying out its oversight responsibilities. The processes are set forth as a guide with the understanding that the Committee may supplement them as appropriate.

The Committee shall have a clear understanding with management and the independent auditors that the independent auditors are ultimately accountable to the Board and the Audit Committee, as representatives of the Company's shareholders. The Committee shall have the authority and responsibility to evaluate and, where appropriate, recommend to the Board replacement of the independent auditors. The Committee shall satisfy itself as to the independence of the auditors from management and the Company based on, amongst other things, discussions with the auditors and review of the matters included in the auditor's written disclosures required by the Independence Standards Board, and shall also consider the compatibility of nonaudit services

### Appendix I-1

with the auditor's independence. Annually, the Committee shall review and recommend to the Board the selection of the Company's independent auditors, subject to shareholders' ratification. If requested by the Board, the Committee shall make the independent auditor available to the full Board to provide a basis for the Board's selection of the independent auditor. The Committee, or the Committee Chair acting on behalf of the Committee, shall approve the appointment, replacement, reassignment or dismissal of the senior internal audit executive.

The Committee shall discuss with the internal auditors and the independent auditors the overall scope and plans for their respective audits including the adequacy of staffing and compensation. Also, the Committee shall discuss with management, the internal auditors, and the independent auditors the adequacy and effectiveness of the accounting and financial controls, including the Company's system to monitor and manage the business risk, and legal and ethical compliance programs. Further, the Committee shall meet separately with the internal auditors and the independent auditors, with and without management present, to discuss the results of their examinations.

The Committee shall review the interim financial statements with management and the independent auditors prior to the filing of the Company's Quarterly Report on Form 10-Q. Also, the Committee shall discuss the results of the quarterly review and any other matters required to be communicated to the Committee by the independent auditors under auditing standards generally accepted in the United States. The chair of the Committee may represent the entire Committee for the

purpose of these reviews.

The Committee shall review with management and the independent auditors the financial statements to be included in the Company's Annual Report to Shareholders. This review should include a discussion of the judgments of management and the independent auditor about the quality, not just acceptability, of accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements. As part of this review and discussion, the Committee shall consider the results of the annual audit and any other matters required to be communicated to the Committee by the independent auditors under auditing standards generally accepted in the United States.
