DEREGISTRATION OF SECURITIES

On November 20, 2000, Universal Compression Holdings, Inc., a Delaware corporation, filed a registration statement on Form S-3 (No. 333-50302) covering the sale of 900,726 shares of Universal's common stock, par value \$.01 per share, from time to time by selling stockholders named in the prospectus. This registration statement was filed to register the sale of the remaining shares of Universal common stock issued to the former stockholders of Gas Compression Services, Inc. that were not covered under a previous registration statement of Form S-3 (No. 333-46208) filed on September 20, 2000. These shares were issued as part of Universal's acquisition of Gas Compression Services, Inc. on September 15, 2000. On January 5, 2001, Universal filed a pre-effective amendment to this registration statement, and the Commission declared it effective on January 11, 2001.

In accordance with the undertaking contained in Part II, Item 17(A) (3) of the registration statement pursuant to Item 512(a) (3) of Regulation S-K, Universal is filing this post-effective amendment to remove from registration all of the shares that remain unsold under the registration statement as of the date hereof. Universal is deregistering these shares because its obligation to maintain the effectiveness of the registration statement pursuant to the terms of the Registration Agreement between Universal and the selling stockholders, dated September 15, 2000, has expired.

Accordingly, Universal is filing this Post-Effective Amendment No. 1 to the Registration Statements on Form S-3 to deregister the number of shares of its common stock covered by the registration statement that remain unsold as of the date hereof.
