Item 8.01. Other Events

Belden Inc. (Belden, the Company, us, we, or our) is filing this Current Report on Form 8-K to recast certain prior period amounts to conform with the segment reporting changes made in the quarter ended April 2, 2017 in connection with the formation of the new Network Solutions segment, with respect to the financial information contained in our Annual Report on Form 10-K for the year ended December 31, 2016.

In the first quarter, we formed a new segment called Network Solutions to leverage the Company's strengths in networking, IoT, and cybersecurity technologies. This new segment represents the combination of the former Industrial IT and Network Security segments. The formation is a natural evolution in our organic and inorganic strategies for a range of industrial and non-industrial applications. As a result of this change, the Company now has four reportable segments: Broadcast Solutions, Enterprise Solutions, Industrial Solutions, and Network Solutions. The rules of the Securities and Exchange Commission require that when a registrant prepares, on or after the date a registrant reports an accounting change such as the change noted above, a new registration, proxy or information statement (or amends a previously filed registration, proxy, or information statement) that includes or incorporates by reference financial statements, the registrant must recast the prior period financial statements included or incorporated by reference in the registration, proxy or information statement to reflect this type of change. Accordingly, the Company is filing this Form 8-K to recast our consolidated financial statements for each of the three years in the period ended December 31, 2016, to reflect the change in segment reporting as described above. The updates do not represent a restatement of previously issued financial statements. The recast information of Items contained in the Company's 2016 Form 10-K is presented in Exhibits 99.1, 99.2, 99.3, and 99.4 to this Form 8-K.

The information included in this Form 8-K is presented for informational purposes only in connection with the reporting changes described above and does not amend or restate our audited consolidated financial statements, which were included in our 2016 Form 10-K. This Form 8-K does not reflect events occurring after we filed our 2016 Form 10-K and does not modify or update the disclosures herein in any way, other than to illustrate the realignment of our organizational structure as described above. For significant developments which have occurred subsequent to the filing of the 2016 Form 10-K, refer to our Quarterly Report on Form 10-Q for the quarter ended April 2, 2017.
