12,800,000 Shares of Common Stock

This prospectus supplement relates to the prospectus dated April 19, 2019 which permits the resale by the selling stockholders listed in the prospectus, as amended and supplemented from time to time, of up to 12,800,000 shares of our common stock, par value \$0.01 per share (“Common Stock”), consisting of (i) up to 7,800,000 shares of Common Stock issuable upon conversion of, and for the payment of interest from time to time at our option for, convertible promissory notes and (ii) 5,000,000 shares of Common Stock issuable upon the exercise of a five-year warrant.

We will not receive proceeds from the sale of the shares of Common Stock by the selling stockholders. We expect to use proceeds received from the exercise of the warrant, if any, to fund our patent enforcement actions and for other working capital and general corporate purposes.

Accordingly, we have attached the 8-K to this prospectus supplement. You should read this prospectus supplement together with the prospectus, which is to be delivered with this prospectus supplement.
