(Print or Type Responses)

Edgar Filing: DOLLAR GENERAL CORP - Form 4

aggregate purchase price of \$117,629.00 (or \$15.85 per common share); and 16,601 shares issued upon settlement of 8,500 STRYPES purchased on October 2, 2000 for an aggregate purchase price of \$264,180.00 (or \$15.91 per common share).

NOTE (3) - On May 21, 1998, the Turner Children Trust (the "Trust"), with respect to which the reporting person serves as co-trustee, entered into a Forward Purchase Contract and a related pledge agreement with the Dollar General STRYPES Trust, an unaffiliated third party buyer, relating to up to 7,500,000 shares of common stock of Dollar General Corporation. On June 12, 1998, the maximum number of shares subject to the Forward Purchase Contract was increased to 8,417,000 (the "Contract Commitment") as a result of the exercise of an over-allotment option by the underwriters of the STRYPES offering.

Under the Forward Purchase Contract, the number of shares to be delivered by the Trust was based on the average closing price of the common stock on the 20 trading days ending on May 10, 2001 (the "Exchange Price"). The Trust was obligated to deliver on May 14, 2001 a number of shares (or, at the option of the Trust (exercisable prior to May 1, 2001), the cash equivalent) equal to the product of (i) the Contract Commitment multiplied by (ii) the Exchange Amount, which was determined as follows:

- (a) If the Exchange Price was less than or equal to \$53.2406 (the "Equity Appreciation Cap"), the Exchange Amount would be one, and
- (b) If the Exchange Price was greater than the Equity Appreciation Cap, the Exchange Amount would be that fraction of a share having a value (based on the Exchange Price) equal to the Equity Appreciation Cap.

As a result of stock splits by Dollar General Corporation after the date of the Forward Purchase Contract, the Contract Commitment was adjusted to 16,439,246 shares and the Equity Appreciation Cap was effectively adjusted to \$27.2592.

In consideration therefor, the Trust received an aggregate purchase price of \$245,021,649 (or \$14.90 per common share, adjusted for stock splits). The Trust delivered to a collateral agent the number of shares equal to the Contract Commitment to secure its obligations under the contract, but retained all dividend and voting rights in the shares prior to settlement. The Trust could accelerate settlement of the Forward Purchase Contract in whole or in part prior to May 14, 2001 under certain circumstances.

On May 14, 2001, the Trust delivered to the Dollar General STRYPES Trust 16,439,246 shares of Dollar General common stock in settlement of its obligation under the Forward Purchase Contract.

/s/ Cal Turner Jr.
