INTRODUCTION

The enclosed proxy card (the "Proxy") is solicited by the Board of Directors (the "Board of Directors") of Salisbury Bancorp, Inc. Any Proxy given may be revoked at any time before it is actually voted on any matter in accordance with the procedures set forth on the Notice of Annual Meeting. This Proxy Statement and the enclosed form of Proxy are being mailed to stockholders (the "Stockholders") on or about April 10, 2006. The cost of preparing, assembling and mailing this Proxy Statement and the material enclosed herewith is being borne by the Company. In addition, proxies may be solicited by directors, officers and employees of the Company and Salisbury Bank and Trust Company (the "Bank") personally by telephone or other means. The Company will reimburse banks, brokers, and other custodians, nominees, and fiduciaries for their reasonable and actual costs in sending the proxy materials to the beneficial owners of the Company's common stock (the "Common Stock").

If your shares are in a brokerage or fiduciary account, your broker or bank will send you a voting instruction form instead of a Proxy. Please follow the instructions on such form to instruct your broker or bank how to vote your shares. If you wish to attend the meeting and vote your shares in person, you must follow the instructions on the voting instructions form to obtain a legal proxy from your broker or bank.

Edgar Filing: SALISBURY BANCORP INC - Form DEF 14A

Compensation Committee, Nominating and Governance Committee and an Audit Committee. The members of the committees are appointed by the Board of Directors.

Executive Committee

The Executive Committee has general supervision over the affairs of the Company between meetings of the Board of Directors. The members of the Executive Committee include John R. H. Blum, Louise F. Brown, John F. Perotti, and Michael A. Varet. The Executive Committee met once separately from the Board during the year 2005.

Human Resources and Compensation Committee

The Human Resources and Compensation Committee is responsible for reviewing the Company's general compensation strategy; establishing salaries and reviewing benefit programs, including pensions and incentive compensation plans; and advising the Board of Directors and making recommendations with respect to such plans. The members of the Committee include Nancy F. Humphreys, Holly J. Nelson and Michael A. Varet. The Committee met six (6) times during the year 2005.

8

Nominating and Governance Committee

The Nominating and Governance Committee is responsible for assisting the Board of Directors in identifying and evaluating potential nominees for director and recommending qualified nominees to the Board for consideration. The Nominating and Governance Committee selects the director nominees to stand for election at the Company's annual meetings of stockholders. The Nominating and Governance Committee's process for identifying and evaluating nominees for director, including nominees recommended by stockholders, has historically operated informally and without any differences in the manner in which nominees recommended by stockholders are evaluated. However, the Company's Bylaws provide that if the Committee or Board proposes a nominee age 72 or greater, then such nomination requires two-thirds approval by the full Board.

The Nominating and Governance Committee and the Board of Directors consider factors such as those summarized below in evaluating director candidates and believe that the Company's Bylaws, Nominating and Governance Committee Charter and the qualifications and considerations such as those enumerated below provide adequate guidance and flexibility in evaluating candidates.

- o Sound business judgment and financial sophistication in order to understand the Company's financial and operating performance and to provide strategic guidance to management.
- o Business management experience.
- o Integrity, commitment, honesty and objectivity.
- o A general familiarity with (i) prudent banking principles; (ii) bank operations/technology; (iii) pertinent laws, policies and regulations; (iv) markets and trends affecting the financial services industries; and (v) local economic and business opportunities.
- o Strong communication skills in order to function effectively with the Company's constituencies.
- o A financial interest in the Company as a stockholder. However, generally, candidates should not have relationships with the Company or the Bank which would disqualify the candidate from being considered independent.
- o Generally, candidates should be involved in philanthropic, education,

Edgar Filing: SALISBURY BANCORP INC - Form DEF 14A

- business or civic leadership positions.
- o Generally, candidates should be familiar with the geographic areas served by the Company.
 - o Candidates should evidence a willingness and commitment to devote sufficient time and energy to prepare for and attend Board and Committee meetings and to diligently perform the duties and responsibilities of service as a director.
 - o Candidates should not have interests which conflict with those of the Company or the Bank.

The Company has not paid a fee to any third party or parties to identify or assist in identifying or evaluating potential nominees. The Board and Nominating and Governance Committee does not discriminate on the basis of sex, race, color, gender, national origin, religion or disability in the evaluation of candidates.

A copy of the Company's written Nominating and Governance Committee Charter is available on the Company's website at www.salisburybank.com.

The members of the Nominating and Governance Committee are Louis E. Allyn, II, John R. H. Blum and Louise F. Brown. All such members are "independent" in accordance with the independence

9

standards of the American Stock Exchange (the "AMEX"). The Committee did not meet during the year 2005. All nominees for elections as directors at the 2006 Annual Meeting were nominated by the Nominating and Governance Committee and the Board of Directors.

Audit Committee

Subject to the Audit Committee Charter, attached hereto as Appendix A, -----
the Audit Committee provides assistance to the Board of Directors in fulfilling its responsibility to the stockholders, potential stockholders and investment community relating to corporate accounting, reporting practices of the Company, and the quality and integrity of the financial reports of the Company. In so doing, it is the responsibility of the Audit Committee to appoint the independent auditors for the Company and to maintain free and open means of communication between the directors, the independent auditors, the internal auditors and the financial management of the Company.

The responsibilities of the Audit Committee are governed by the Company's Audit Committee Charter which was adopted by the Company's Board of Directors. Its members are Louis E. Allyn, II, Louise F. Brown, Nancy F. Humphreys, Holly J. Nelson and Michael A. Varet. The Audit Committee met eight (8) times during the year 2005. As of the date of this Proxy Statement, each of the members of the Audit Committee is an "independent director" in accordance with the listing standards of the AMEX. While no member of the Audit Committee qualifies as an "audit committee financial expert" as such term is defined by federal securities laws and regulations, the Board of Directors believes the members of the Audit Committee bring diverse educational, business and professional experience that is beneficial to the audit committee function of the Company and the Bank and enables the Audit Committee to fulfill its responsibility.

Directors Fees

Edgar Filing: SALISBURY BANCORP INC - Form DEF 14A

During 2005, each director received an annual retainer of \$4,000. In addition, directors received \$500 for each Board of Directors meeting attended and \$350 for each committee meeting attended. Directors Cantele and Perotti received no additional compensation for their service as directors or members of any Board committee during 2005.

Directors Stock Retainer Plan

The stockholders of the Company voted to approve the Directors Stock Retainer Plan of Salisbury Bancorp, Inc. (the "Plan") at the 2001 Annual Meeting of Stockholders. The Plan provides non-employee directors of the Company with shares of Common Stock as a component of their compensation for services as non-employee directors. The maximum number of shares of Common Stock that may be issued pursuant to the Plan is 15,000. Each year a grant under the Plan consisting of 120 shares of Common Stock for each non-employee director who served for twelve months and a prorated number of shares to reflect the number of months served for any new non-employee director. The total number of shares of Common Stock issued in 2005 was 940. The next grant date under the Plan will immediately precede the Annual Meeting and will be in the amount of 120 shares per director. The shares of Common Stock issued under the Plan are not registered under the Securities Act of 1933 and therefore are subject to certain restrictions on their transfer unless the requirements of the Securities Act or an exemption therefrom are met.

10

Directors Attendance

During 2005 no director attended fewer than 75% of the aggregate of (1) the total number of meetings of the Company's Board of Directors which he/she was entitled to attend, and (2) the total number of meetings held by all committees of the Company's Board of Directors on which he/she served. The Company does not maintain an attendance policy for directors at the Company's annual meetings. All Directors of the Company attended the Company's annual meeting on April 27, 2005.

Board of Directors' Communications with Stockholders

The Company's Board of Directors does not have a formal process for stockholders to send communications to the Board. However, the volume of such communications has historically been de minimus. Accordingly, the Board considers the Company's informal process to be adequate to address the Company's needs. Historically, such informal process has functioned as follows: the recipient of a stockholder communication would forward it to the Chairman and Chief Executive Officer for appropriate discussion by the Board and the formulation of an appropriate response. Stockholders may forward written communications to the Board by addressing such comments to the Board of Directors of Salisbury Bancorp, Inc., 5 Bissell Street, P. O. Box 1868, Lakeville, Connecticut 06039.

Human Resources and Compensation Committee Report

The Human Resources and Compensation Committee (the "Compensation Committee") consists solely of independent Directors, in accordance with the AMEX Independence Standards. The full Board of Directors of the Company reviews and approves the Compensation Committee's recommendations.

Edgar Filing: SALISBURY BANCORP INC - Form DEF 14A

The goal of the Compensation Committee is to more closely align performance with compensation. Recognizing that recruiting, retaining and rewarding top talent is essential to the ultimate success of the Company, the Compensation Committee is working on designing an incentive program that incorporates Bank-wide and individual goals and objectives.

A rigorous budget process setting clearly defined targets for Bank-wide performance and return for stockholder equity was the first task of the Compensation Committee. In addition, goals were established for Bank-wide and individual performance with methodology pre-determined for base salary increases and annual incentives in the form of a cash bonus (short term incentives). Developing appropriate long term incentives for key executive officers was also a task before the Compensation Committee during 2005.

The Company utilizes the services of a compensation consulting firm to assist the Compensation Committee in the development of this plan; to help establish clearly defined goals; to perform peer group analysis on different forms of compensation to ensure that the Bank's compensation levels remain competitive; and to inform the Compensation Committee of the myriad of long term incentives that are available in the Bank's peer group market place.

In establishing levels of remuneration, the Compensation Committee takes into consideration an individual's performance, level of expertise, responsibilities, length of service to the Company and comparable levels of remuneration paid to executives of other companies of comparable size and development within the industry. The individual interested executive does not participate in the review, discussion or decisions of the Compensation Committee regarding this remuneration.

The Compensation Committee reviews the Chief Executive Officer's and President's performance annually and adjusts their compensation based on the previously mentioned factors, the

11

Bank's performance, and a comparison of their salaries and the salaries paid to officers at a similar level of peer companies in the banking industry. The Board has historically used the payment of bonus to reward the Chief Executive Officer's and President's performance, which is based on an assessment of various factors such as the Bank's financial performance, attainment of objectives and individual and Company-wide performance. The Chief Executive Officer and/or President do not participate in the review, discussion or decision of the Compensation Committee regarding their remuneration.

However, these plans do not discriminate in scope, term, or operation, in favor of the Executive Officers of the Company and are available generally to all full-time employees.

Pension Plan -----

The Bank maintains a non-contributory defined pension plan for officers and other salaried employees of the Bank who become participants after attaining age 21 and completing one (1) year of service.

Pension benefits are based upon the annual average of an employee's total compensation for the five (5) consecutive plan years of employment during which the employee's compensation was the greatest and during which he or she was a participant. The amount of the annual benefit is 2% of Average Salary offset by .65% of the Social Security wage base per year of service (to a maximum of 25 years) plus one-half of 1% of Average Salary for each year of service over 25 years (to a maximum of ten years). This benefit formula may be modified to conform with changes in the pension laws. Internal Revenue Code Section 401(a)(17) limits earnings used to calculate qualified plan benefits to \$210,000 for 2005. This limit was used in the preparation of this table.

The present annual average total compensation (using last five years of compensation only) and years of service to date of Messrs. Perotti, Cantele and Foley are: Mr. Perotti: \$239,878 with 33 years of service; Mr. Cantele: \$149,181 with 25 years of service; and Mr. Foley: \$104,241 with 24 years of service. The above table shows estimated annual retirement benefits payable at normal retirement date as a straight life annuity for various average salary and service categories. The offset of social security was included in the table based on a participant being 65 years of age in 2005.

Supplemental Retirement Arrangement

In 1994, the Bank entered into a supplemental retirement arrangement (the "Supplemental Retirement Agreement") with John F. Perotti. Following his disability or retirement, Mr. Perotti will receive monthly payments of \$1,250 (adjusted annually to reflect the lesser of a five percent (5%) increase or "The Monthly Consumer Price Index for All Urban Consumers, United States City Average, All Items" published by the Bureau of Labor Statistics) for a period of ten (10) years. These payments are in addition to any payments under the Bank's pension plan. The Supplemental Retirement Agreement includes provisions that would prevent Mr. Perotti from working for a competitor in the proximity of the Bank.

14

Change in Control Agreements

The Bank entered into change in control agreements in 2003 with the Executive Officers. The agreements provide that if following a "change-in-control" of the Company or Bank, the Executive Officer is terminated under certain defined circumstances, or is reassigned, within a period of twelve (12) months following the change in control, such Executive Officer will be entitled to a lump sum payment equal to his or her twelve (12) month compensation based upon the most recent aggregate base salary paid to the Executive Officer in the twelve (12) month period immediately preceding the date

Edgar Filing: SALISBURY BANCORP INC - Form DEF 14A

of change in control. In no event shall any such payments be made in an amount which would cause them to be deemed non-deductible to the Bank by reason of the operation of Section 280G of the Internal Revenue Code.

401(k) Plan

The Bank offers a 401(k) profit sharing plan. This plan began in the year 2000. Each plan year, the Bank will announce the amount of the matching contributions, if any. The amount of the matching contributions is directly related to the employees' 401(k) salary deferral contribution. For the plan year that began January 1, 2005, all eligible participants received a matching contribution equal to fifty percent (50%) of their 401(k) salary deferral contribution to the Plan; however, it is limited to two percent (2%) of the plan compensation not to exceed \$5,496. The Plan expense was \$91,212 for 2005.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's executive officers, directors and other persons who own more than ten percent (10%) of the Company's Common Stock to file with the SEC reports of ownership and changes in ownership of the Company's Common Stock. Executive officers, directors and any stockholders owning greater than ten percent (10%) of the Company's Common Stock are required by the SEC's regulations to furnish the Company with copies of all such reports that they file.

Based solely on a review of copies of reports filed with the SEC since January 1, 2005 and of written representations by certain executive officers and directors, all persons subject to the reporting requirements of Section 16(a) are believed by management to have filed the required reports on a timely basis except as follows: Mr. Perotti failed to timely file one Form 4 to report the acquisition of shares and Mr. Foley failed to timely file one Form 4 to report the distribution of shares to his wife from the Employee Stock Ownership Plan and the 401(k) Plan of Canaan National Bancorp, Inc. upon its merger with the Company, which distribution occurred after the filing deadline.

Stock Price Performance Graph

Set forth below is a line graph with an explanatory table comparing the yearly percentage change in the cumulative total stockholder return on the Company's Common Stock, based on the market price of the Company's Common Stock and assuming reinvestment of dividends, with the total return of the AMEX Major Market Index and the SNL Bank Index for Banks with total assets more than \$250 million and less than \$500 million. The calculation of total cumulative return assumes a \$100 investment in the Company's Common Stock and each of the other indices on December 31, 2000.
