PROXY STATEMENT

Annual Meeting of Shareholders

To Be Held May 10, 2007

This Proxy Statement is being mailed to shareholders of Patrick Industries, Inc. (the Company) on or about April 9, 2007, and is furnished in connection with the Board of Directors' solicitation of proxies for the Annual Meeting of Shareholders to be held on May 10, 2007 for the purpose of considering and acting upon the matters specified in the Notice of Annual Meeting of Shareholders accompanying this Proxy Statement. If the form of proxy which either accompanies this Proxy Statement is executed and returned, or is voted by Internet or by telephone, it may be revoked by the person giving it at any time prior to the voting thereof by written notice to the Secretary, by delivery of a later dated proxy, or by requesting to vote in person at the meeting. Additional solicitations, in person or by telephone or otherwise, may be made by certain directors, officers, and employees of the Company without additional compensation. Expenses incurred in the solicitation of proxies, including postage, printing and handling, and actual expenses incurred by brokerage houses, custodians, nominees, and fiduciaries in forwarding documents to beneficial owners, will be paid by the Company.

The Annual Report to shareholders for the year ended December 31, 2006, accompanies this Proxy Statement. Additional copies of the Annual Report may be obtained by writing the Secretary of the Company.

VOTING INFORMATION

Each shareholder is entitled to one vote for each share of the Company's Common Stock held as of the record date. For purposes of the meeting, a quorum means a majority of the outstanding shares. As of the close of business on March 16, 2007, the record date for shareholders entitled to vote at the Annual Meeting, there were outstanding 4,912,427 shares of Common Stock entitled to one vote each. In determining whether a quorum exists at the meeting, all shares represented in person or by proxy will be counted. A shareholder may, with respect to the election of directors, (i) vote for the election of all named director nominees, (ii) withhold authority to vote for all named director nominees, or (iii) vote for the election of all named director nominees other than any nominee with respect to whom the shareholder withholds authority to vote by so indicating in the appropriate space on the proxy. With respect to any other proposals, a shareholder may vote for, against, or abstain. Proxies

Edgar Filing: PATRICK INDUSTRIES INC - Form DEF 14A

properly executed and received by the Company prior to the meeting and not revoked will be voted as directed therein on all matters presented at the meeting. In the absence of a specific direction from the shareholder, proxies will be voted for the election of all named director nominees.

The directors are elected by a plurality of the votes cast by shares present in person or by proxy at the Annual Meeting and entitled to vote. Consequently, withholding authority to vote in the election of directors will have no effect on the election of directors. A broker non-vote occurs when a broker holding shares registered in street name is permitted to vote, in the broker's discretion, on routine matters without receiving instructions from the client, but is not permitted to vote without instructions on non-routine matters, and the broker returns a proxy card with no vote on the non-routine matter. Under the rules and regulations of the primary trading markets applicable to most brokers, the election of directors is a routine matter on which a broker has the discretion to vote if instructions are not received from the client in a timely manner. Broker non-votes will have no effect on the election of directors.

The Board of Directors knows of no other matter which may come up for action at the Annual Meeting. However, if any other matter properly comes before the Annual Meeting, the persons named in the proxy form enclosed will vote in accordance with their judgment upon such matter.

Edgar Filing: PATRICK INDUSTRIES INC - Form DEF 14A

Shareholder proposals for inclusion in proxy materials for the next Annual Meeting should be addressed to the Company's Secretary, P.O. Box 638, Elkhart, Indiana 46515-0638, and must be received no later than Tuesday, December 11, 2007. In addition, the Company's By-laws require notice of any other business to be brought before a meeting by a shareholder (but not included in the proxy statement) to be delivered, in writing, to the Company's Secretary, together with certain prescribed information, not less than 90 days nor more than 110 days prior to the first anniversary of the preceding year's annual meeting. Likewise, the Articles of Incorporation and By-laws require that shareholder nominations to the Board of Directors be delivered to the Secretary, together with certain prescribed information in accordance with the procedures for bringing business before an Annual Meeting which directors are to be elected.

Independent Directors:

The Board of Directors is comprised of nine (9) members, of which, six (6) are classified as independent directors and thus comprise a majority of the Board. In general, the Board of Directors determines whether a director is independent by following the guidelines of NASDAQ and the rules and regulations of the Securities and Exchange Commission (SEC), in addition to those other factors it may deem relevant. The Board of Directors has determined that the independent directors are Robert C. Timmins (Lead Director), Terrence D. Brennan, John H. McDermott, Larry D. Renbarger, Walter E. Wells, and Harold E. Wyland. The independent directors met four (4) times in 2006.

Corporate Governance and Nominations Committee Processes:

The Corporate Governance and Nominations Committee will consider board nominees recommended by shareholders. Those recommendations should be sent to the Chair of the Corporate Governance and Nominations Committee, care of the Corporate Secretary of Patrick Industries, Inc., P.O. Box 638, Elkhart, Indiana 46515-0638. In order for a shareholder to nominate a candidate for director, under the Company's By-Laws, timely notice of the nomination must be given in writing to the Secretary of the Company. To be timely, such notice must be received at the principal executive offices of the Company not less than 90 days, or more than 110 days prior to the next Annual Meeting of Shareholders. Notice of nomination must include the name, address, and number of shares owned by the person submitting the nomination; the name, age, business address, residence address, and principal occupation of the nominee; and the number of shares beneficially owned by the nominee. It must also include the information that would be required to be disclosed in the solicitation of proxies for election of directors under the federal securities laws, as well as whether the individual can understand basic financial statements and the candidate's other board memberships (if any). The nominee's consent to be elected and serve must be submitted. The Corporate Governance and Nominations Committee may require any nominee to furnish any other information, within reason, that may be needed to determine the eligibility of the nominee. As provided in its Charter, the Corporate Governance and Nominations Committee will follow procedures which the committee deems reasonable and appropriate in the identification of candidates for election to the board and evaluating the background and qualification of those candidates. Those processes include consideration of nominees suggested by an outside search firm, by incumbent board members, and by shareholders. The Committee will seek candidates having experience and abilities relevant to serving as a director of the Company, and who represent the best interests of shareholders as a whole and not any specific group or constituency.

The Committee will consider a candidate's qualifications and background, including, but not limited to, responsibility for operating a public company or a division of a public company, international business experience, a candidate's technical background or professional qualification, and any other public company boards on which the candidate is a director. The Committee will also consider whether the candidate would be independent for purposes of the NASDAQ National Market and SEC rules and regulations. The Committee may, from time to time, engage the service of a professional search firm to identify and evaluate potential nominees.

The Board of Directors has an Audit Committee comprised of Robert C. Timmins (Chairman), Terrence D. Brennan, John H. McDermott, Larry D. Renbarger, Walter E. Wells, and Harold E. Wyland who are not employees of the Company. COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS

Compensation Discussion and Analysis

Summary:

We believe that the compensation plan as it relates to our named executive officers should be aligned with the Company's strategic plan, its operating performance, and increasing management ownership in the Company. Our objective is to attract and retain highly qualified executives and to align the interest of our Board of Directors with our senior management team in efforts to facilitate strong leadership in an environment that creates and promotes productivity and goal oriented results. In order to meet these objectives, the Compensation committee has met numerous times over the past several years and conducted market studies and analysis to ensure that we are providing a competitive complete package as it relates to our senior management team. Our compensation plan currently includes the following components and our general objectives as they relate to each:

Annual Base Salaries Base salaries are based on job responsibility, individual performance, experience, skill level, and market practices.

Annual Non-Equity Incentive Plan Awards and Performance Bonuses Non-Equity Incentive Plan Awards and Performance Bonuses are intended to reward outstanding performance and efforts as they relate to the Company's strategic plan and are tied to items including Return on Equity. The Board reserves the right at any time to award discretionary bonuses to senior management based on outstanding performance or other factors.

Long-Term Incentives In efforts to increase management ownership in the Company, our plan links performance to our strategic plan and our shareholder interests in efforts to provide long-term shareholder value.

Executive Retirement Plan In efforts to retain a highly qualified management team, our executive officers, upon approval by the Board of Directors, participate in a supplemental retirement program which is based on base wages, years of service, and other criteria.

Perquisites Perquisites are minimized to promote team oriented results.

Severance Benefits We continue to support our executive team and want to provide reasonable and equitable protection consistent with comparable practices of comparable companies.

Benchmarking:

We use a variety of resources including SEC filings as they relate to our customers, suppliers, and other companies of our size to assist in establishing our compensation programs for our senior executives. Our major competitors are not publicly traded and therefore we do not have access to their compensation information to make appropriate comparisons at this level. Along with current market rates for companies of our size, structure, and reporting responsibilities, we utilize market surveys, Board member experience, external compensation studies, and engage the assistance of our advisors and contacts within the industry to help supplement our decision making process. While the Manufactured Housing industry, which represents approximately 44% of our revenue base, has been operating at the lowest levels in more than 40 years, we have worked to provide an appropriate compensation package that recognizes the inherent limitations on organic growth while fully recognizing the significant efforts put in by our management team to not only execute on strategies in conjunction with our strategic plan but to continue to promote a culture of performance based results and team oriented goal setting. Additionally, with the change in management personnel related to Mr. Hassler being appointed President and Chief Executive Officer in 2004, we recognized that our new senior management team, while experienced within the industry and with the Company, owned very little Company stock. Accordingly, we have taken on the initiative of increasing management's ownership of Company common stock through the issuance of both restricted and unrestricted stock awards in conjunction with our 1987 Omnibus Stock Option Program as amended.

Equity Trading Restrictions:

The Company has a policy with regards to a mandatory blackout period related to equity transactions which starts on the 15th day of the month ending in a reporting period (March, June, September, and December) and ends three days after the public release of the financial information for that reporting period. During this period, Section 16 insiders and other management employees who have access to inside information are precluded from trading in the public market, any types of company owned equity securities. Additionally, the Company precludes any Section 16 insider, as defined by the Securities and Exchange Commission, Director, Officer, or Employee from trading in the public market, or any other market, based on information that is not made available to the general public.

Edgar Filing: PATRICK INDUSTRIES INC - Form DEF 14A

The components of our executive compensation plan as currently established by the Compensation Committee include the following:

- Base Salary
- Non-Equity Incentive Plan Awards
- Annual Performance Bonus
- Stock Awards
- Non-Qualified Stock Options
- Executive Retirement Plan

Base Salary:

The Compensation Committee reviews and approves the base salaries of named executives each year, as well as at the time of promotion, change in job responsibilities, or any other change deemed to be a material event. Base salaries are set on the first day of January of each year. The Compensation Committee sets the salary for the President and CEO, and approves the base salaries for the other named executives based on recommendations by the President and CEO. The Compensation Committee recommended and the Board subsequently approved a base salary increase for the Named Executive Officers based on recommendations by Mr. Hassler, President and CEO, as well as a review of individual performance and trends in the marketplace effective January 1, 2007. The following table summarizes 2006 and 2007 base salaries:

<u>Name</u>	<u>2006 Base Salary</u>	<u>2007 Base Salary</u>	<u>% Increase</u>
Paul E. Hassler	\$320,000	\$335,000	4.7%
Andy L. Nemeth	200,000	217,000	8.5%
Gregory J. Scharnott	200,000	207,000	3.5%

Non-Equity Incentive Plan Awards:

The Annual Non-Equity Incentive Plan Awards are reviewed and approved each year and are based on the achievement of financial targets. The 2006 target was based on the Company achieving a level of return on equity computed as pre-tax net income divided by Beginning Equity. The award is calculated as a percent of base salary and payouts start at \$0 and are capped at 81% of base salary. The formula was set-up primarily during this time period to take into account the handicapped market environment with regards to the Manufactured Housing industry and attainment of the Company's strategic financial targets in conjunction with its strategic plan. Given the limited trading activity of the Company's stock at this time, due to the large concentration of institutional investors and limited market float, we believe that this formula accurately takes into account return to shareholders and overall alignment with its financial goals and objectives. This formula is used as a key measure of the Company's performance. While this earnings target has been used in recent years, the Compensation Committee reserves the right to modify, cancel, change, or reallocate any components of this calculation or criteria at any time. The awards in conjunction with the 2006 operating results were recommended by the Compensation Committee and unanimously approved by the Board of Directors.

Actual and potential non-equity incentive plan awards for 2006 are set forth in the table below. Potential 2006 awards are expressed as a percentage of base salary.

Annual Performance Bonus:

We believe in rewarding management in situations outside of the Annual Non-Equity Incentive Plan for accomplishments that benefit the shareholders and short and long-term goals of the Company and its strategic plan. Due to the depressed conditions in the Manufactured Housing industry, which are beyond the Company's control, management must continue to work and make decisions that do not immediately have a financial impact on the Company, but promote the long term goals and direction as they relate to the strategic plan. In these situations, it is our belief that our management team should be rewarded to decrease the gap between financial results and actual operating management and performance.

Stock Awards:

Annual Performance Based Stock Awards:

We believe that increasing senior management's ownership in the Company is critical to our long-term strategic plan and keeping management goals aligned with increasing shareholder value. The Company's current plan provides for the issuance of unrestricted stock awards upon reaching levels of return on equity, as calculated above, at levels at or in excess of 10%. Upon attainment of return on equity of 10%, the Compensation Committee will award the Senior Executives a pool of up to 25,000 shares of unrestricted stock awards. The Named Executive Officer, upon grant, will be entitled to all rights and voting privileges associated with such stock grant and will be responsible for the payment of all applicable taxes associated therewith.

Discretionary Stock Awards:

We believe that management should be rewarded for outstanding performance, irrespective of financial targets and metrics and therefore reserve the right to issue unrestricted stock grants to Named Executive Officers and other individuals at our discretion. In 2006, the Board of Directors, upon recommendation by the Compensation Committee, awarded 11,700 shares to the Named Executive Officers and certain other senior management in conjunction with this discretionary stock award.

The following table summarizes the Stock Awards issued to Named Executives in 2007 as they related to the 2006 fiscal year:

<u>Name</u>	<u>Shares</u>	<u>Market Price</u>	<u>Total</u>
Paul E. Hassler	5,000	\$11.81	\$59,050
Andy L. Nemeth	2,500	\$11.81	29,525

Stock Based Compensation:

The election is made as of the first of the year. The shares are issued as of the first of the year and vest quarterly at 25% per quarter. The officers are responsible for all applicable taxes associated with such shares and are entitled to all rights and voting privileges with respect to such shares.

Non-Qualified Stock Options:

Beginning in 2006, the Company began using performance shares in lieu of stock options as the primary incentive for the Named Executive Officers due to the regulatory reporting requirements and the preference towards stock awards as a primary form of long term incentive compensation. The Compensation Committee has not granted any stock options to the Named Executive Officers since 2005. At December 31, 2006, the Company currently has three (3) non-qualified stock option grants outstanding with grant dates, vesting dates, percent exercisable, and termination dates as follows:

<u>Grant Date</u>	<u>Options Remaining</u>	<u>Vested</u>	<u>Unvested</u>	<u>Termination Date</u>
11/1/01	24,375	100%	0%	10/31/07

A description of all stock awards held by the Named Executives as of the end of fiscal 2006 is contained in the Outstanding Equity Awards at Fiscal Year End table on page 14.

We reserve the right at any time to grant options under its stock option plan.

Executive Retirement Plan:

The Company maintains a non-qualified executive retirement plan for its key executives. Under the plan and upon vesting, the employee is entitled to receive upon the attainment of age 65, 40% of the employee's annual base wages paid over ten years in 520 consecutive weekly payments. The employee may retire at any time upon achieving age 60 and prior to age 65 with a 5% penalty per year. Each employee invited to participate in the plan is approved by the Board of Directors. The employee makes no contributions to the plan and the retirement benefits are unfunded. The Company purchases and is the owner of life insurance policies on certain executives which accumulate cash value as a potential source of funding, if required. The benefits under the plan are unsecured and subject to substantial risk in the event of bankruptcy or other insolvency matters. These benefits are not taxable to the employee until received and vest upon a change in control, the employee achieving 25 years of continuous service, the employee reaching age 65, or a combination of the employee's age and years of service equaling 85. The provisions of the agreement provide for benefits payable in the event of death or disability. All Named Executive Officers are participants in this plan.

Perquisites:

We believe in a performance based compensation and benefits package and therefore provide very few perquisites to our named executives. We do not provide the personal use of a company airplane or a company car or other transportation, nor does the Company provide security at a personal residence, commuting expenses, personal travel using vehicles owned or leased by the Company, housing and other living expenses, clerical or secretarial services for personal matters, club memberships not exclusively used for business memberships, personal financial or tax advice or investment management services, or tax planning, financial planning, or tax preparation costs. We provide a car allowance to our named executives, corporate managers, and general managers, all of which are included as taxable income.

Benefit Plans:

We do not maintain separate benefit plans for our Named Executive Officers. They participate in the same health and welfare plans as all of our other general employees with the same deductibles and co-pays. The Named Executive Officers also participate in the same 401(k) retirement program as all of the other general employees.

The Patrick Industries, Inc. Executive Retirement Plan is a non-qualified unfunded plan awarded to certain named executives by the Board of Directors. As a participant in the Plan, the Company will pay each of the Named Executive Officers, or their beneficiaries, up to 40% of their base salary for 120 months upon retirement (if the employee continues in the employment of the Company until the age of 60, or upon the attainment of other parameters), or upon the employee's death or total disability. A participant vests after 30 years of continuous service, or upon a combination of the years of service plus the employee's age equaling 85. Additionally, the named executives vest upon a change of control event in which a party acquires 33% or more of the Company's outstanding common stock. The Company has a life insurance contract on each named individual as a potential funding source for payments under the obligations; however, the benefits are subject to risk in the event of bankruptcy or certain other events.

Employment Contracts

The Company entered into Employment Agreements with Paul E. Hassler, Andy L. Nemeth, and Gregory J. Scharnott, pursuant to which they agreed to serve as executive officers of the Company. The Agreements contain a non-compete clause and certain other stipulations and provide for a severance package that includes twelve (12) months base salary for Paul E. Hassler and six (6) months base salary for Andy L. Nemeth and Gregory J. Scharnott. Under the Agreements, voluntary termination with or without good reason, death, disability or retirement, shall not result in any obligation of the Company to make payments.

Potential Payments Upon Termination and Following a Change in Control for Fiscal Year 2006

We believe that the Company should provide reasonable severance benefits to our Named Executive Officers and other general employees that are fair and commensurate with their job duties, functions, and responsibilities. We believe it is important to protect our key employees in the event of a change in control and it is also in the best interest of the Company to obtain a release from employees whose employment is terminated as well as a non-compete agreement from certain employees in the form of a severance agreement. The following table summarizes the severance agreements at December 31, 2006 for our Named Executives in the event they are terminated without cause:

Name	Severance	Payments upon		Confidentiality Agreement
		Termination Without Cause (1)	Non Compete	
Paul E. Hassler	12 Months Base Salary	\$320,000	1 Year	1 Year
Andy L. Nemeth	6 Months Base Salary	100,000	1 Year	1 Year
Gregory J. Scharnott	6 Months Base Salary	100,000	1 Year	1 Year

(1) Employee is required to sign a mutual release of claims in a form satisfactory to the Company.

Director Compensation

Non-employee directors are paid an annual retainer of \$5,000, \$1,000 for each board meeting and conference call they attend, and \$1,000 for each committee meeting they attend with a maximum of \$2,000 per combined event. Committee members receive an additional annual retainer of \$5,000, regardless of the number of committees on which they serve, and effective for fiscal 2007, Committee chairmen receive an additional \$2,000 annual retainer. The lead director receives an additional annual retainer of \$5,000. Employee directors receive no compensation as such. On an annual basis in May, each non-employee director is automatically granted a restricted stock award for 3,000 shares of the Company's common stock which will vest upon such director's continued service as a member of the Board of Directors for one year or earlier upon certain events. Effective for fiscal 2007, non-employee directors will receive an annual share grant of 3,500 shares.

AUDIT COMMITTEE REPORT

The responsibilities of the Audit Committee, which are set forth in the Audit Committee Charter adopted by the Board of Directors, include providing oversight to the Company's financial reporting process through periodic meetings with the Company's independent auditors, principal accounting officer, and management to review accounting, auditing, internal controls, and financial reporting matters. The management of the Company is responsible for the preparation and integrity of the financial reporting information and related systems of internal controls. The Audit Committee, in carrying out its role, relies on the Company's senior management, including senior financial management, and its independent auditors.

We have reviewed and discussed with senior management the Company's audited financial statements included in the 2006 Annual Report to Shareholders. Management has confirmed to us that such financial statements (i) have been prepared with integrity and objectivity and are the responsibility of management and (ii) have been prepared in conformity with accounting principles generally accepted in the United States of America.

We have discussed with McGladrey & Pullen, LLP, our independent auditors, the matters required to be discussed by SAS 61 (Communications with Audit Committee). We have received from McGladrey & Pullen, LLP a letter providing the disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) with respect to any relationships between McGladrey & Pullen, LLP and the Company that in their professional judgment may reasonably be thought to bear on independence. McGladrey & Pullen, LLP has discussed its independence with us, and has confirmed in such letter that, in its professional judgment, it is independent of the Company within the meaning of the federal securities laws.

Based on the review and discussions described above, with respect to the Company's audited financial statements included in the Company's 2006 Annual Report to Shareholders, we have recommended to the Board of Directors that such financial statements be included in the Company's Annual Report on Form 10-K for filing with the Securities and Exchange Commission.

That is the responsibility of management and the Company's independent auditors. In giving our recommendation to the Board of Directors, we have relied on (i) management's representation that such financial statements have been prepared with integrity and objectivity and in conformity with generally accepted accounting principles and (ii) the report of the Company's independent auditors with respect to such financial statements.

The Audit Committee approved the dismissal of McGladrey & Pullen, LLP as the independent registered public accounting firm for the Company, effective on April 5, 2007. The reports of McGladrey & Pullen, LLP on the financial statements of the Company as of and for the years ended December 31, 2005 and 2006 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principle.

The Committee has delegated authority to its Chairman to approve proposed services other than the annual audit, tax and quarterly review services, and the Chairman must report any approvals to the balance of the Committee at the next scheduled meeting.
