Item 7.01 Regulation FD Disclosure

The Company today announced that the Genco Hunter, a 2007-built Supramax vessel, collided with another vessel while transiting the Singapore Straits. No injuries and no pollution from either vessel have been reported, and the Genco Hunter has been safely anchored. An investigation into the cause of the incident by the Maritime and Port Authority of Singapore has commenced with Genco's full cooperation.

The Company anticipates the Genco Hunter to remain offhire for approximately 14 days and expects to be reimbursed under hull and machinery insurance claims related to this vessel for repair costs.

The Genco Hunter is currently on a time charter with Pacific Basin Chartering Ltd. at a daily rate of \$62,000, less a 5% third party commission.
