Item 2.02 Results of Operations and Financial Condition.

Attached and incorporated herein by reference as Exhibit 99.1 is a copy of a press release of Genco Shipping & Trading Limited (the "Company"), dated February 25, 2009, reporting the Company's financial results for the fourth quarter and fiscal year ended December 31, 2008.

The information set forth under "Item 2.02 Results of Operations and Financial Condition," including the Exhibit attached hereto, shall not be deemed "filed" for purposes of Section 18 of the Securities Act of 1934, as amended, nor shall such information be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such filing.

Item 2.06 Material Impairments.

On February 25, 2009, in connection with its review of financial statements to be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2008, the Audit Committee of the Company's Board of Directors determined that the Company's investment in Jinhui Shipping & Transportation Limited was other-than-temporarily impaired under U.S. generally accepted accounting principles as of December 31, 2008. The Audit Committee made this determination primarily due to the severity of the current decline in the investment's market value versus the Company's cost basis. As a result, the Company is recording a \$103.9 million impairment loss at December 31, 2008, which is being reclassified from the Company's statement of equity and recorded in its income statement. The Company does not believe that this impairment charge will result in any future cash expenditures.
