Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On February 11, 2014, awards were issued to certain of the Company’s officers, including the Chief Executive Officer, the Chief Financial Officer and the other named executive officers (as defined in Item 4.02 (a)(3) of Regulation S-K promulgated by the Securities and Exchange Commission) pursuant to the Company’s 2011 Stock Benefit Plan (the “Plan”) as approved by the Compensation Committee (the “Committee”) and the Board of Directors (the “Board”) of Home Properties, Inc. (the “Company” or “HME”)

The form of the Master Agreement sets forth the terms and conditions on which restricted stock units are earned by the award recipient. The restricted stock units are payable upon vesting in shares of the Company’s common stock. Service-vested awards vest ratably over three years on each anniversary of the grant date subject to continued employment. Performance-vested awards relate to the performance period January 1, 2014 to December 31, 2016 and vest fifty percent on December 31, 2016 and fifty percent as of December 31, 2017, subject to continued employment and based on achievement of performance goals as set forth in the Master Agreement. The exact number of shares earned is determined based on performance over the three-year period as measured by reference to total shareholder return (“TSR”) on the Company’s common stock based on stock appreciation and reinvested dividends as described in the Master Agreement.

The performance requirements and goals linked to the vesting of the performance awards are as follows:

Performance Requirements	Performance Goals			Weighting
	Threshold	Target	Maximum	
Home Properties TSR – 50%	7%	9%	11%	50%
Relative NAREIT All Equity REIT Index TSR – 25%	HME TSR is better than -350 basis points (“bps”) from the index return	HME TSR is 50 bps above the index return	HME TSR is at least 500 bps above the index return	25%
Relative NAREIT Apartment Index TSR – 25%	HME TSR is better than -350 bps from the index return	HME TSR is 50 bps above the index return	HME TSR is at least 500 bps above the index return	25%

Each of the service-vested restricted stock units and the performance-vested restricted stock units has a dividend equivalent right associated with it, which is payable in cash upon the vesting of the related award. Each of the dividend equivalent rights is subject to the same terms and conditions as the restricted stock unit to which it relates, including vesting.

The foregoing description of the Master Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Master Agreement filed as Exhibit 10.1 hereto and incorporated herein by reference.

The number of the restricted stock units awarded to each named executive officer is set forth below:

Name	Title	Service-Vested	Performance-Vested at Target

John E. Smith	Senior Vice President	1,311	3,935
Bernard J. Quinn	Senior Vice President	1,311	3,935
