PROXY STATEMENT

The enclosed proxy is solicited by the Board of Directors of SMITH-MIDLAND CORPORATION (the “Company”) for use at the Annual Meeting of Stockholders to be held on Monday, August 15, 2016, at 5:00 p.m. local time at Smith-Midland Corporation located at 5119 Catlett Road, Midland, Virginia 22728 and at any adjournment or adjournments thereof.

These proxy solicitation materials are first being mailed to stockholders of record on or about July 13, 2016, together with the Company’s Annual Report to Stockholders.

This proxy statement, form of proxy and the annual report are available at: <http://www.edocumentview.com/SMID>

Stockholders of record at the close of business on July 1, 2016 will be entitled to vote at the Annual Meeting or any adjournment thereof. On or about the record date, 4,878,628 shares of the Company’s Common Stock, \$.01 par value per share (“Common Stock”), were issued and outstanding. The Company has no other outstanding voting securities.

Each share of Common Stock entitles the holder to one vote with respect to all matters submitted to Stockholders at the Annual Meeting. A quorum for the Annual Meeting is a majority of the shares outstanding. Abstentions and broker non-votes are each included in the determination of the number of shares present and voting for the purpose of determining whether a quorum is present. Broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (1) the broker does not receive voting instructions from the beneficial owner and (2) the broker lacks discretionary authority to vote the shares. Brokers are prohibited from exercising discretionary authority on non-routine matters. Proposals one and three are considered non-routine matters and, therefore, brokers cannot exercise discretionary authority regarding these proposals for beneficial owners who have not returned proxies to the brokers (so-called “broker non-votes”).

Abstentions or broker non-votes or failures to vote will have no effect in the election of directors, who will be elected by a plurality of the affirmative votes cast.

The affirmative vote of the holders of a majority of the shares present in person or by proxy and entitled to vote to ratify the appointment of BDO USA, LLP as the Company’s independent auditors for the year ending December 31, 2016 will be required for approval. An abstention will be counted as a vote against this proposal.

The affirmative vote of the majority of the shares present in person or by proxy and entitled to vote is required to approve an advisory vote on executive compensation for named executives. This vote is advisory it will not be binding on the Company or its Board of Directors. However,, the Board will review the voting results and take them into consideration when making future decisions regarding executive compensation.

An Annual Report, containing the Company’s audited financial statements for the years ended December 31, 2015 and December 31, 2014, is being mailed to all Stockholders entitled to vote.

Execution of a proxy will not in any way affect a Stockholder’s right to attend the Annual Meeting and vote in person. The proxy may be revoked at any time before it is exercised by written notice to the Secretary prior to the Annual Meeting, or by giving to the Secretary a duly executed proxy bearing a later date than the proxy being revoked at any time before such proxy is voted, or by appearing at the Annual Meeting and voting in person. The shares represented

by all properly executed proxies received in time for the Annual Meeting will be voted as specified therein. Proxies that are signed and returned but do not include voting instructions shares will be voted in favor of the election of Directors of those persons named in this Proxy Statement, in favor of the proposal to ratify and approve the selection of BDO USA, LLP as the independent auditors for the Company for the year ending December 31, 2016 and in support of the compensation of the named executive officers as presented in this proxy statement.

The Board of Directors knows of no other matter to be presented at the Annual Meeting. If any other matter should be presented at the Annual Meeting upon which a vote may be taken, such shares represented by all proxies received by the Board of Directors will be voted with respect thereto in accordance with the judgment of the persons named as attorneys in the proxies. The Board of Directors knows of no matter to be acted upon at the Annual Meeting that would give rise to appraisal rights for dissenting stockholders.

Proposal No. 1

ELECTION OF DIRECTORS

Five Directors, constituting the entire Board of Directors, are to be elected at the Annual Meeting. Each Director of the Company is elected at the Company’s Annual Meeting of Stockholders and serves until his successor is elected and qualified. Vacancies and newly created directorships resulting from any increase in the number of authorized Directors may be filled by a majority vote of Directors then remaining in office. Officers are elected by and serve at the discretion of the Board of Directors.

Shares represented by all proxies received by the Board of Directors and not so marked as to withhold authority to vote for an individual Director, or for all Directors, will be voted (unless one or more nominees are unable or unwilling to serve) for the election of the nominees named below. The Board of Directors knows of no reason why any such nominee should be unwilling to serve, but if such should be the case, proxies will be voted for the election of some other person or for fixing the number of Directors at a lesser number.

The Board unanimously recommends that Stockholders vote FOR election of the five nominees for Director.

The following table sets forth certain information concerning each nominee for election as a Director of the Company:

## GENERAL INFORMATION RELATING TO THE BOARD OF DIRECTORS AND OFFICERS

### Director Independence

Currently G.E. Borst and Richard Gerhardt are the only independent directors of the Company as determined under the NASDAQ Marketplace Rules. The other Directors are not considered independent in view of their positions as executive officers of the Company.

### Meetings and Committees of the Board of Directors

The Board of Directors does not have standing Compensation, Nominating or Audit Committees or any committees performing similar functions at the current time. Until Mr. Gerhardt's addition to the Board on May 25, 2016, the Company's Board was only composed of four members, with only one independent member. Assuming Mr. Gerhardt is elected to continue as a director by the shareholders, the Company intends to establish both a Compensation and an Audit Committee.

Currently, compensation of executive officers, board advisers and directors of the Company, including, but not limited to, the grant of options pursuant to the Company's 2008 Stock Option Plan or other plan which may be established, is decided by the Board of Directors as a whole. The Company does not have a formal Compensation Committee Charter.

The Company believes that a standing Nominating Committee is not necessary or cost efficient for a company its size. All directors participate in the consideration of director nominees. The Company does not have a formal Nominating Committee Charter. While the Board of Directors has received a small number of stockholder recommendations for consideration of director candidates, it has not received a sufficient amount to warrant the adoption of a formal policy in that regard, although it may consider doing so in the future. It is the Board's intent to consider any stockholder nominees that may be put forth. The Board has not identified any specific minimum qualifications or skills that it believes must be met by a nominee for director. It is the intent of the Board to review from time to time the appropriate skills and characteristics of directors in the context of the current make-up of the

Board and the requirements and needs of the Company at a given time.

In selecting nominees for the Board, the Company considers the diversity of each candidate in regards to the anticipated needs of the Company as a whole so as to leverage the experience and education of each director in achieving the goals of the Company.

The Board of Directors met formally three times during 2015 and met informally on a number of occasions, voting on corporate actions, in some cases, by written consent. All of the Company's current directors attended all of the meetings of the Board of Directors in person.

With the exception of Rodney I. Smith and Ashley B. Smith, who are father and son, respectively, no Director or executive officer of the Company is related by blood, marriage, or adoption to any of the Company's other Directors or executive officers. There are no related-party transactions required to be disclosed pursuant to Item 404 of Regulation S-K.

#### Audit Committee

The Company currently does not have a standing Audit Committee and because the Company's Bylaws require a minimum of two committee members, the entire Board of Directors has functioned as the Audit Committee. The Company also does not have an Audit Committee Charter. With the addition of a second independent director (Mr. Gerhardt) in May 2016, the Company now intends to form an Audit Committee. The Board of Directors oversees all accounting and financial reporting processes and the audit of the Company's financial statements. The Board is responsible for overseeing the quality and integrity of the Company's financial statements and the qualifications, independence, selection and performance of the Company's independent registered public accounting firm. The Board of Directors has determined that the Board does not currently have a person serving on it who qualifies as a Financial Expert as defined by the rules of the Securities and Exchange Commission. The Board of Directors does not believe that the addition of such an expert would add anything meaningful to the Company at this time given that its members have the sufficient knowledge and experience to fulfill the duties and obligations that an Audit Committee would have.

The Board of Directors has recommended that the audited financial statements for fiscal year ended December 31, 2015 be included in the Company's Annual Report on Form 10-K for the fiscal year then ended.

#### Leadership Structure

We believe that the Company is better served by the combined Chairman/CEO type of leadership. By having a strong single leader, a company of our size can adapt to market changes faster with fewer levels of decision makers. It provides a cohesive vision and strategy for the Company and strong execution ability. This type of leadership model helps assure a clear and direct line of communication to the Board of any risks, challenges or other key management issues and opportunities.

#### Risk Oversight

It is the responsibility of the Board to oversee the assets of the Company and to ensure that appropriate controls are in place to minimize risks associated with such assets. While the Board is tasked with the responsibility to detect potential high level risks, management is tasked with managing risk on a daily basis. Where possible, management, in conjunction with the Board, has defined high level risk controls to help mitigate the most significant risks to the Company.

#### Code of Ethics

Our Board of Directors has adopted a Professional Code of Ethics as well as a Finance Code of Professional Conduct. The Professional Code of Ethics covers all employees of the Company and describes the policies and procedures for their ethical conduct. The Finance Code of Professional Conduct covers conduct in the practice of financial management and specifically relates to the Chief Executive Officer, the Chief Financial Officer, Accounting Manager and other associates of the finance organization.

#### Communications Between Stockholders and the Board of Directors

Stockholders and other interested parties wishing to communicate with members of the Board of Directors should send a letter to the Secretary of the Company with instructions as to which director(s) is to receive the communication. The Secretary will forward the written communication to each member of the Board of Directors

identified by the stockholder or, if no individual director is identified, to all members of the Board of Directors.

#### Director Attendance at Annual Meeting

The Company has not in the past required members of the Board of Directors to attend each annual meeting of the stockholders because the formal meetings have been attended by very few stockholders, and have generally been brief and procedural in nature. All of the Company's current directors, however, attended the 2015 Annual Meeting of stockholders except for Mr. Gerhardt who was elected by the Board of Directors to fill a vacancy when the Board was expanded to five members in May 2016. The Board will continue to monitor stockholder interest and attendance at future meetings and re-evaluate this policy as appropriate.

#### Director Compensation

All Directors, whether employee or non-employee, receive \$1,000 per meeting attended as compensation for their services as Directors and are reimbursed for expenses incurred in connection with the performance of their duties. For the twelve months ended December 31, 2015, total payments made to all Directors were \$12,000.

#### Employment Contracts and Termination of Employment and Change in Control Arrangements.

The Company entered into a four-year Employment Agreement with Rodney I. Smith, its current Chairman of the Board and Chief Executive Officer, effective as of September 30, 2002. The term of employment automatically renews commencing on the date one year after the effective date, and on an annual basis thereafter, for an additional one year, unless earlier terminated or not renewed as provided for therein. The agreement provides for an annual base salary of \$99,000 (“Base Salary”), which will be reviewed at least annually and adjusted from time to time at the determination of the Board of Directors. It also provides for an annual royalty fee of \$99,000 payable as consideration for Mr. Smith’s assignment to the Company of all of his rights, title and interest in and to the Patents (as defined in the agreement). Payment of the royalty continues only for as long as the Company is using the inventions underlying the Patents. Mr. Smith is also entitled to performance-based bonus as determined by the Board each calendar year.

Mr. Smith's employment agreement provides further that if Mr. Smith (i) voluntarily leaves the employ of the Company within six months of his becoming aware of a Change of Control (as defined in the agreement) of the Company, then he shall be entitled to receive a lump sum amount equal to three times the five-year average of his combined total annual compensation, which includes the Base Salary and bonus, less one dollar (\$1.00), and certain other unpaid accrued amounts as of the date of his termination, or (ii) is terminated by the Company without Cause (as defined in the agreement) or leaves the Company with Good Reason (as defined in the agreement), Mr. Smith shall be entitled to a lump sum payment equal to three times the combined Base Salary and bonus paid during the immediately preceding calendar year, and such other unpaid accrued

amounts. In any of such cases, the Company will provide Mr. Smith with certain Company fringe benefits for two years, subject to certain conditions as provided for in the agreement, and all of Mr. Smith's unvested options to purchase Company stock shall become fully vested and exercisable on the date of termination. Mr. Smith will be entitled to exercise all such options for three years from the date of termination. The Company will have no further obligations to Mr. Smith, other than with respect to the payment of royalties.

In the event Mr. Smith's employment by the Company is terminated as a result of Mr. Smith's (i) death, his estate shall be entitled to a lump sum payment of one times the combined Base Salary and bonus, and certain other accrued and unpaid amounts, or (ii) disability, Mr. Smith shall be entitled to Base Salary and bonus for a period of one year commencing with the date of termination, and all other unpaid accrued amounts.

In the event Mr. Smith's employment is terminated for cause or Mr. Smith voluntarily leaves the employ of the Company for no reason, Mr. Smith shall be entitled to accrued but unpaid Base Salary and Bonus up to the date of termination, and all other unpaid amounts.

The employment agreement also contains non-competition and non-solicitation covenants for one year following Mr. Smith's termination of employment for any reason.

On December 31, 2008, the board of directors approved an amendment to the Employment Agreement to include changes required to be in compliance with Section 409A of the Internal Revenue Code, nonqualified deferred compensation.
