PROXY STATEMENT
Annual Meeting of Stockholders

This Proxy Statement is being furnished to stockholders in connection with the solicitation of proxies by the Board of Directors of First Cash Financial Services, Inc., a Delaware corporation (the "Company"), for use at the Annual Meeting of Stockholders of the Company (the "Annual Meeting") to be held at the Company's corporate offices located at 690 East Lamar Boulevard, Suite 400, Arlington, Texas 76011 at 10:00 a.m. CDT, on Tuesday, June 12, 2007, and at any adjournments thereof for the purpose of considering and voting upon the matters set forth in the accompanying Notice of Annual Meeting of Stockholders. This Proxy Statement and the accompanying form of proxy are first being mailed to stockholders on or about May 10, 2007.

The close of business on April 19, 2007 has been fixed as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting and any adjournment thereof. As of the record date, there were 32,412,504 shares of the Company's common stock, par value \$.01 per share ("Common Stock"), issued and outstanding. The presence, in person or by proxy, of a majority of the outstanding shares of Common Stock on the record date is necessary to constitute a quorum at the Annual Meeting. Abstentions and broker non-votes will be counted as present for the purposes of determining the presence of a quorum. Each share of Common Stock is entitled to one vote on all questions requiring a stockholder vote at the Annual Meeting. A plurality of the votes of the shares of Common Stock present in person or represented by proxy at the Annual Meeting is required for the approval of Item 1 as set forth in the accompanying Notice. Stockholders may not cumulate their votes in the election of directors. Abstentions and broker non-votes will not be counted as having been voted on Item 1 and will have no effect on the vote. The affirmative vote of a majority of the shares of Common Stock present or represented by proxy and represented at the Annual Meeting is required for the approval of Item 2. Broker non-votes will not be counted as having been voted on Item 2 and will have no effect on the vote while abstentions will have the same effect as votes against Item 2.

All shares represented by properly executed proxies, unless such proxies previously have been revoked, will be voted at the Annual Meeting in accordance with the directions on the proxies. If no direction is indicated, the shares will be voted: (i) TO ELECT TWO DIRECTORS; (ii) TO RATIFY THE SELECTION OF HEIN & ASSOCIATES LLP AS

INDEPENDENT AUDITORS OF THE COMPANY FOR THE YEAR ENDING DECEMBER 31, 2007; AND (iii) TO TRANSACT SUCH OTHER BUSINESS AS MAY PROPERLY COME BEFORE THE MEETING. The enclosed proxy, even though executed and returned, may be revoked at any time prior to the voting of the proxy (a) by the execution and submission of a revised proxy, (b) by written notice to the Secretary of the Company or (c) by voting in person at the Annual Meeting.

ANNUAL REPORT

The Annual Report to Stockholders, covering the Company's fiscal year ended December 31, 2006 including audited financial statements, is enclosed herewith. The Annual Report to Stockholders does not form any part of the material for solicitation of proxies.

The Company will provide, without charge, a copy of its Annual Report on Form 10-K upon written request to Rick L. Wessel, the Chief Executive Officer and President at 690 East Lamar Boulevard, Suite 400, Arlington, Texas 76011. The Company will provide exhibits to its Annual Report on Form 10-K, upon payment of the reasonable expenses incurred by the Company in furnishing such exhibits.

ITEM 1

TO ELECT TWO DIRECTORS

The Bylaws of the Company provide that the Board of Directors will determine the number of directors, but shall consist of at least one director and no more than 15 directors. The stockholders of the Company elect the directors. At each annual meeting of stockholders of the Company, successors of the class of directors whose term expires at the annual meeting will be elected for a three-year term. Any director elected to fill a vacancy or newly created directorship resulting from an increase in the authorized number of directors shall hold office for a term that shall coincide with the remaining term of that class. In no case will a decrease in the number of directors shorten the term of any incumbent director. Any vacancy on the Board of Directors howsoever resulting may be filled by a majority of the directors then in office, even if less than a quorum, or by a sole remaining director. The stockholders will elect two directors for the coming year; nominees presently serve as directors of the Company and will be appointed for a term of three years.

Unless otherwise instructed or unless authority to vote is withheld, the enclosed proxy will be voted for the election of the nominee listed herein. Although the Board of Directors does not contemplate that the nominee will be unable to serve, if such a situation arises prior to the Annual Meeting, the person named in the enclosed proxy will vote for the election of such other person as may be nominated by the Board of Directors.

The Board of Directors of the Company consists of five directors divided into three classes. At each annual meeting of stockholders, one class is elected to hold office for a term of three years. Directors serving until the earlier of (i) resignation or (ii) expiration of their terms at the annual meeting of stockholders in the years indicated are as follows: 2007 - Ms. Tara U. MacMahon and Mr. R. Neil Irwin; 2008 - Mr. Phillip E. Powell; and 2009 - Messrs. Rick L. Wessel and Richard T. Burke. All officers serve at the discretion of the Board of Directors. No family relationships exist between any director and any executive officer, except that Mr. John C. Powell, vice president of information technology, is the brother of Mr. Phillip E. Powell, the chairman of the Board of Directors of the Company. The directors standing for election at the Annual Meeting of Stockholders are as follows:

Tara U. MacMahon,

age 49, has served as a director of the Company since June 2001. Ms. MacMahon is the founder and has served as managing general partner of Tara Capital Management LP, an investment management and advisory firm for ten years. Ms. MacMahon has 24 years experience in the financial services industry.

R. Neil Irwin,

age 65, has served as a partner at the international law firm of Bryan Cave since 2000, where he represents both private and public companies in a variety of activities ranging from the purchase and sale of assets and businesses to managing litigation simultaneously in multiple jurisdictions. For over 35 years Mr. Irwin has practiced law in the business area with special emphasis on transactional matters for many private and public companies.

Directors Not Standing For Election

Rick L. Wessel

, age 48, has served as chief executive officer since November 2006, as president since May 1998, as a director since November 1992, as secretary and treasurer of the Company from May 1992 to November 2006 and as chief financial officer from May 1992 to December 2002. Prior to February 1992, Price Waterhouse LLP employed Mr. Wessel for approximately nine years.

Richard T. Burke

, age 63, has served as a director of the Company since December 1993. Mr. Burke is the founder and, until February 1988, was the chief executive officer of UnitedHealth Group, a leading company in the managed health care industry. Mr. Burke remains a director of UnitedHealth Group and currently serves as Chairman of the Board. From 1995 until February 2001, Mr. Burke was the owner and chief executive officer of the Phoenix Coyotes, a professional sports franchise of the National Hockey League. Mr. Burke is also a director of Meritage Homes Corporation.

Phillip E. Powell, age 56, has served as a director of the Company since March 1990. He has served as a consultant since December 2005, as president from March 1990 until May 1992, and as chief executive officer from May 1992 until December 2004. Mr. Powell has been engaged in the financial services industry for over 30 years.

Board of Directors, Committees and Meetings

The Board of Directors held thirteen meetings during the year ended December 31, 2006. Each director attended, either telephonically or in person, 100% of the Board of Directors meetings during the year ended December 31, 2006. Members of the Board of Directors are encouraged to attend the Company's annual meeting; however, attendance is not mandatory. Mr. Powell and Mr. Wessel attended last year's annual meeting.

During 2006, the Audit, Compensation, and Nominating and Corporate Governance Committees each consisted of Richard T. Burke, Joe R. Love and Tara U. MacMahon. The Audit Committee held six meetings during the year ended December 31, 2006, the Compensation Committee held four meetings during the year ended December 31, 2006 and the Nominating and Corporate Governance Committee held one meeting during the year ended December 31, 2006. Each member attended 100% of the committee meetings, either in person or telephonically.

On April 4, 2007, Mr. Joe R. Love passed away after a brief illness. On April 10, 2007, the Board of Directors appointed Mr. R. Neil Irwin as a director. Mr. Irwin was also appointed as a member of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee.

Audit Committee. The Audit Committee is responsible for the oversight of the Company's accounting and financial reporting processes. This includes the selection and engagement of the Company's independent auditors and review of the scope of the annual audit, audit fees and results of the audit. The Audit Committee reviews and discusses with management and the Board of Directors such matters as accounting policies, internal accounting controls, procedures for preparation of financial statements and other financial disclosures, scope of the audit, the audit plan and the independence of such accountants. In addition, the Audit Committee has oversight over the Company's internal audit function. The Board of Directors has determined that Mr. Burke is an audit committee financial expert as defined by Item 401(h) of Regulation S-K of the Securities Exchange Act of 1934, as amended ("Exchange Act"), and independent under the listing standards of The Nasdaq Stock Market ("Nasdaq").

Compensation Committee. The Compensation Committee approves the standards for salary ranges for executive, managerial and technical personnel of the Company and establishes, subject to existing employment contracts, the specific compensation and bonus plan of all corporate officers. In addition, the Compensation Committee oversees the Company's stock option plans and the incentive compensation plans.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee is responsible for making recommendations to the Board of Directors concerning the governance structure and practices of the Company, including the size of the Board of Directors and the size and composition of various committees of the Board of Directors. In addition, the Nominating and Corporate Governance Committee is responsible for identifying individuals believed to be qualified to become directors, and to recommend to the Board of Directors the nominees to stand for election as directors at the Annual Meeting of stockholders.

Directors' Fees

For the year ended December 31, 2006, Ms. MacMahon and Messrs. Burke and Love each received \$25,000 as compensation for attending the 2006 meetings of the Board of Directors and committee meetings thereof. In addition, the directors are reimbursed for their reasonable expenses incurred for each Board of Directors and committee meetings attended. See "Compensation of Directors" for a complete summary.

Corporate Governance

The Board of Directors has adopted a Code of Ethics to govern the conduct of all of the officers, directors and employees of the Company. In addition, the Board of Directors has adopted charters for the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. The Code of Ethics and committee charters can be accessed on the Company's website at www.firstcash.com.

Director Independence

The Board of Directors has determined that, with the exception of Phillip E. Powell, chairman and former chief executive officer of the Company, and Rick L. Wessel, chief executive officer and president of the Company, all of its directors, including all of the members of the Audit, Compensation, and Nominating and Corporate Governance Committees, are "independent" as defined by Nasdaq and the Securities and Exchange Commission ("SEC") and for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). No director is deemed independent unless the Board of Directors affirmatively determines that the director has no material relationship with the Company, either directly or as an officer, stockholder or partner of an organization that has a relationship with the Company. In making its determination, the Board of Directors observes all criteria for independence established by the rules of the Securities and Exchange Commission and Nasdaq. In addition, the Board of Directors considers all commercial, banking, consulting, legal, accounting, charitable or other business relationships any director may have with the Company.

Director Qualifications

In discharging its responsibilities to nominate candidates for election to the Board of Directors, the Nominating and Corporate Governance Committee has not specified any minimum qualifications for serving on the Board of Directors. However, the Nominating and Corporate Governance Committee endeavors to evaluate, propose and approve candidates with business experience and personal skills in finance, marketing, financial reporting and other areas that may be expected to contribute to an effective Board of Directors. The Nominating and Corporate Governance Committee seeks to assure that the Board of Directors is composed of individuals who have experience relevant to the needs of the Company and who have the highest professional and personal ethics, consistent with the Company's values and standards. Candidates should be committed to enhancing stockholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Each director

must represent the interests of all shareholders.

Identifying and Evaluating Nominees for Directors

The Nominating and Corporate Governance Committee will utilize a variety of methods for identifying and evaluating nominees for director. Candidates may come to the attention of the Nominating and Corporate Governance Committee through current Board of Directors members, professional search firms, shareholders or other persons. These candidates will be evaluated at regular or special meetings of the Nominating and Corporate Governance Committee, and may be considered at any point during the year. As described above, the Nominating and Corporate Governance Committee will consider properly submitted shareholder nominations for candidates for the Board of Directors. Following verification of the shareholder status of persons proposing candidates, recommendations will be aggregated and considered by the Nominating and Corporate Governance Committee. If any materials are provided by a shareholder in connection with the nomination of a director candidate, such materials will be forwarded to the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee may also review materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a shareholder.

Procedure for Contacting Directors

The Board of Directors has established a procedure for stockholders to send communications to the Board of Directors. Stockholders may communicate with the Board of Directors generally or with a specific director at any time by writing to the Company's Corporate Secretary at the Company's address, 690 East Lamar Blvd., Suite 400, Arlington, Texas 76011. The Secretary will review all messages received and will forward any message that reasonably appears to be a communication from a stockholder about a matter of stockholder interest that is intended for communication to the Board of Directors. Communications will be sent as soon as practicable to the director to whom they are addressed, or if addressed to the Board of Directors generally, to the Chairman of the Nominating and Corporate Governance Committee. Because other appropriate avenues of communication exist for matters that are not of stockholder interest, such as general business complaints or employee grievances, communications that do not relate to matters of stockholder interest will not be forwarded to the Board of Directors. The Corporate Secretary has the option, but not the obligation, to forward these other communications to appropriate channels within the Company.

Section 16(a) Beneficial Ownership Reporting Compliance

Based solely on the reports furnished pursuant to Section 16a-3(e) of the Exchange Act, all reports as required under Section 16(a) of the Exchange Act were filed on a timely basis during the year ending December 31, 2006.

Compensation Committee Interlocks and Insider Participation in Compensation Decisions

The Compensation Committee reviews compensation paid to management and recommends to the Board of Directors appropriate executive and director compensation. During 2006, Ms. MacMahon and Messrs. Burke and Love served as members of the Compensation Committee and were not employed by the Company.

BASED UPON THE RECOMMENDATION OF THE NOMINATING AND CORPORATE GOVERNANCE COMMITTEE, THE BOARD OF DIRECTORS HAS NOMINATED THE ABOVE-REFERENCED DIRECTORS FOR ELECTION BY THE STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" SUCH ELECTIONS. THE ELECTION OF THESE DIRECTORS REQUIRES A PLURALITY OF THE VOTES OF THE SHARES OF COMMON STOCK PRESENT IN PERSON OR REPRESENTED BY PROXY AT THE ANNUAL MEETING.

RATIFY THE SELECTION OF HEIN & ASSOCIATES LLP AS INDEPENDENT AUDITORS OF THE
COMPANY FOR THE YEAR ENDING DECEMBER 31, 2007

The Audit Committee selected Hein & Associates LLP ("Hein & Associates") as independent accountants to audit the books, records and accounts of the Company for the year ending December 31, 2007. The Board of Directors has endorsed this appointment.

Hein & Associates was first engaged in March 2004 as the Company's principal accountant and has served as the independent accountant to the Company and has audited the Company's consolidated financial statements for the three most recent years ended December 31, 2006. In addition, Hein & Associates has served as the independent accountant engaged to audit the First Cash 401(k) Plan for the four most recent years ended December 31, 2005 and is currently engaged to audit the First Cash 401(k) Plan for the year ended December 31, 2006.

Principal Accountant Fees and Services

Aggregate fees for professional services rendered for the Company by Hein & Associates for the years ended December 31, 2006 and 2005, respectively, were as follows:

Services Provided:	<u>2006</u>	<u>2005</u>
Audit	\$ 203,400	\$ 146,900
Audit Related	-	-
Tax	-	-
All Other	12,000	9,000
Total	\$ 215,400	\$ 155,900

The audit fees for the years ended December 31, 2006 and 2005 were for the audits of the consolidated financial statements of the Company, internal control auditing and reporting as required by Sarbanes Oxley Section 404, issuance of consents, and review of the Company's Securities and Exchange Commission filings.

All fees included under the category "All Other" were paid to Hein & Associates in connection with the audit of the Company's 401(K) Plan for the years ended December 31, 2005 and 2004, respectively.

Audit Committee Pre-Approval Policies and Procedures

The 2006 and 2005 audit and non-audit services provided by Hein & Associates were approved in advance by the Audit Committee. The non-audit services which were approved by the Audit Committee were also reviewed to ensure compatibility with maintaining the auditor's independence.

The Audit Committee implemented pre-approval policies and procedures related to the provision of audit and non-audit services. Under these procedures, the Audit Committee pre-approves both the type of services to be provided by the Company's independent accountants and the estimated fees related to these services. During the approval process, the Audit Committee considers the impact of the types of services and the related fees on the independence of the auditor. The services and fees must be deemed compatible with the maintenance of the auditor's independence, including compliance with SEC rules and regulations.

Throughout the year, the Audit Committee reviews any revisions to the estimates of audit and non-audit fees initially approved.

Ratification of Independent Auditors

In the event the stockholders do not ratify the appointment of Hein & Associates as independent auditors for the year ending December 31, 2007, the adverse vote will be considered as a direction to the Board of Directors to select other auditors for the following year. However, because of the difficulty in making any substitution of auditors so long after the beginning of the year ending December 31, 2007, it is contemplated that the appointment for the year ending December 31, 2007 will be permitted to stand unless the Board of Directors finds other good reason for making a change.

Representatives of Hein & Associates are expected to be present at the meeting, with the opportunity to make a statement if desired to do so. Such representatives are also expected to be available to respond to appropriate questions.

BASED UPON THE RECOMMENDATION OF THE AUDIT COMMITTEE, THE BOARD OF DIRECTORS HAS RECOMMENDED THE RATIFICATION OF HEIN & ASSOCIATES LLP AS INDEPENDENT AUDITORS. SUCH RATIFICATION REQUIRES THE AFFIRMATIVE VOTE OF THE HOLDERS OF A MAJORITY OF THE OUTSTANDING SHARES OF COMMON STOCK PRESENT OR REPRESENTED BY PROXY AND REPRESENTED AT THE ANNUAL MEETING.

Beneficial ownership has been determined in accordance with Rule 13d-3 under the Exchange Act. In addition, shares are deemed to be beneficially owned by a person if the person has the right to acquire shares (for example, upon exercise of an option or warrant) within 60 days of the date as of which the information is provided. In computing the percentage ownership of any person, the amount of shares is deemed to include the amount of shares beneficially owned by such person by reason of such acquisition rights. To our knowledge, except as indicated in the footnotes to this table and pursuant to applicable community property laws, the persons named in the table have sole voting and investment power with respect to all shares of common stock shown as beneficially owned by them.

COMPENSATION

Compensation Discussion and Analysis

Compensation Philosophy

The Company's compensation philosophy is to promote a "culture of ownership" among its executives by aligning their interests with those of its stockholders. This is best accomplished by:

- paying senior executives a base salary commensurate with their backgrounds, special skill sets, and responsibilities;

- offering incentive cash bonuses conditioned not only on the executive's individual performance, but also on his or her contribution to the Company's consolidated financial results; and
- making periodic grants of stock options in order to induce executives to remain in the Company's employ as well as align their interests with those of the Company's stockholders.

The Compensation Committee retains broad flexibility in the administration of the Company's compensation packages. This flexibility is critical to retaining key executives.

The Compensation Committee reviews and administers the compensation program for each of the key executives. Compensation is typically set at the first meeting each calendar year after reviewing performance for the past year and prospects for the year ahead. The Compensation Committee regularly meets with the chief executive officer and chief financial officer, both of whom provide insight into how individual executives are performing.

Elements of Compensation

The Company's principal focus is on total direct compensation, including a portion that is assured and a portion that is at risk. To achieve these objectives, the compensation paid to the named executive officers typically consists of base salary, short-term incentive cash compensation and long-term incentive compensation in the form of stock option grants.

Base Salary

The Company offers what it believes to be competitive base salaries to its named executive officers. The base salary must be sufficient to attract talented executives and provide a secure base of cash compensation. In addition, base salary levels for the Company's executive officers are set generally to be competitive in relation to the salary levels of executive officers in other companies within the specialty consumer finance industry or other companies of comparable size, growth, performance and complexity, taking into consideration the executive officer's position, responsibility and need for special expertise. Annual salary increases, typically determined in January of each year, are not assured and adjustments to base salary compensation take into account subjective factors such as the executive's performance during the prior year, responsibilities, and experience. In 2006, the average salary increase for the named executive officers was 9.8%.

Short-Term Incentive Compensation

The Company's short-term incentive plans for the named executive officers are intended to drive short-term (typically one year) operating and financial results deemed crucial to the Company's long-term success.

Annual Cash Bonuses

The Company's program includes granting annual cash bonuses reflecting the Company's and the individual executives' performance. Annual cash bonuses paid to each named executive officer to reflect the breadth of their expertise and responsibility, and to make the cash component of the named executive officers' compensation competitive with that of their peers at competing firms. The Company maintains discretion to vary overall cash compensation for a given year by varying the size of the cash bonus based on corporate performance and individual performance. These cash bonuses reflect a material part of the named executive officers' overall compensation, with target payments typically ranging from 20% to 200% of salary, depending on position and overall company performance, and subject to the Compensation Committee's discretion to award bonuses greater or lower than the target if they deem it appropriate.

Executive Performance Incentive Plan

The chief executive officer receives annual incentive compensation through the stockholder approved Executive Performance Incentive Plan that provides for the payment of annual cash incentive compensation based upon the achievement of performance goals established annually by the Compensation Committee based on one or more specified performance criteria. Under this plan, a maximum performance award is established

Edgar Filing: FIRST CASH FINANCIAL SERVICES INC - Form DEF 14A

for the participants, of which the participant can earn from 0% to 100% of the maximum award. Performance criteria, which are selected and weighted by Compensation Committee, include total revenues, net income from operations, diluted earnings per share and store opening targets. The Compensation Committee also administers the calculation of amounts earned under the Executive Performance Incentive Plan.

Long-Term Incentive Compensation

The compensation objective of retaining the best people for the job leads the Company to make periodic equity award grants. These awards provide incentive for the named executive officers to stay with the Company over the long term. These equity awards also provide additional flexibility to the Compensation Committee to reward superior, or reflect sub par, performance by named executive officers.

The Company believes that such equity grants align the executive's interests with those of the Company's stockholders. A majority of the stock options granted by the Company have been nonqualified stock options and have had exercise prices equal to or greater than the fair market value of the underlying stock at the time of grant.

The date of grant for equity awards granted to senior executive officers is the date of Compensation Committee approval. The Company does not have a program, plan or practice of timing the grant of equity awards in coordination with the release of material non-public information.

In 2005, the Company issued significant equity awards to its key executives as part of its strategy for providing meaningful long-term performance-based incentives for the management team. Accordingly, a large percentage of the equity awards issued in 2005 had exercise prices that significantly exceeded the fair market value of the underlying stock at the time of grant. Based upon the structure and size of the awards made in 2005, the Company did not anticipate making equity awards to these key executives in 2006, and accordingly, no such awards were made to named executive officers in 2006.

Perquisites and Personal Benefits

Certain of the named executive officers received additional remuneration consistent with the Company's approach to hiring and retaining key personnel. Such perquisites include health insurance, life insurance, disability insurance, automobiles allowances, club memberships, and matching contributions to 401K accounts. The aggregate incremental cost to the Company during fiscal 2006 of such benefits is reflected in the Summary Compensation Table below.

Chief Executive Officer Compensation

Mr. Wessel was elected to the position of chief executive officer in November 2006. Mr. Wessel's salary was increased from \$550,000 to \$605,000 effective January 1, 2006. Mr. Wessel received a cash award under the Executive Performance Incentive Plan in the amount of \$600,000 for the year ended December 31, 2006. Mr. Wessel received no equity awards for the year ended December 31, 2006.

Thee Company has entered into an employment agreement with Mr. Wessel and a consulting agreement with Mr. Powell which contain change-of-control provisions. Executive officers who do not have an employment agreement serve at the will of the Board of Directors, thus enabling the Board of Directors to remove an executive officer whenever it is in our best interests, with full discretion on any severance package (excluding vested benefits). The Committee believes that the employment agreements and change-of-control provisions that have been entered into were merited in light of all relevant circumstances, including each individual's past employment experience, desired terms and conditions of employment and the strategic importance of their respective positions, including stability and retention. The Committee believes that the employment agreement and the consultant agreement are necessary in order to attract and retain the executives. The Committee believes that the change-of-control provisions are necessary

in order to retain and maintain stability among the executive group and that the terms of the change-of-control provisions are reasonable based on its review of the change-of-control provisions for similarly situated peer group companies. The Committee reviews the agreements at the time they are entered into in order to determine current market terms for the particular executive and agreement.

Mr. Barron served as chief executive officer from January 2005 until the date of his resignation as an officer and employee of the Company in November 2006. Mr. Barron's salary was increased from \$500,000 to \$550,000 effective January 1, 2006. Mr. Barron received no bonuses, cash awards under the Executive Performance Incentive Plan or equity awards for the year ended December 31, 2006.

The overall goal of the Compensation Committee is to insure that compensation policies are established that are consistent with the Company's strategic business objectives and that provide incentives for the attainment of those objectives. This is affected in the context of a compensation program that includes base pay, annual incentive compensation and stock ownership.

Other Items

Due to relatively small size of the Company's industry and the limited number of public competitors, the Compensation Committee has not employed in formal compensation benchmarking studies.

Deductibility of compensation expense under IRC Section 162 (m) has not been a material consideration for the Compensation Committee to date due to the levels and types of compensation paid.

Effective at the beginning of 2006 the Company began expensing the cost of employee stock options in accordance with the fair value method prescribed in SFAS No. 123R. The Company recorded stock-based compensation expense of \$583,000 in 2006. The expense related to equity compensation has been and will continue to be a material consideration in the overall compensation program design.

Compensation Committee Report

The Compensation Committee of the Company has reviewed and discussed the Compensation Discussion and Analysis set forth above with management and, based on such review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement and incorporated by reference into the Company's Annual Report on Form 10-K.

Members of the Compensation Committee:

Richard T. Burke
R. Neil Irwin
Tara U. MacMahon

The Compensation Committee report above does not constitute "soliciting material" and will not be deemed "filed" or incorporated by reference into any of the Company's filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates it by reference herein.

Summary Compensation Table

The table below summarizes the total compensation paid or earned by each of the named executive officers for the year ended December 31, 2006. The Company does not pay a separate fee to Mr. Powell for his director services because he is compensated for those services pursuant to his consulting agreement with the Company. In March 2006, Mr. Love exercised warrants to purchase 250,000 shares of the Company's common stock with an exercise price of \$2.67 per share and sold an aggregate of 190,000 of these shares at an average price of \$18.55 per share.

Audit Committee Report

The ultimate responsibility for good corporate governance rests with the Board of Directors, whose primary role is oversight, counseling and direction to the Company's management in the best long-term interests of the Company and its stockholders. The Audit Committee, in accordance with its charter, has been established for the purpose of overseeing the accounting and financial reporting processes of the Company and audits of the Company's annual financial statements. As described more fully in its charter, the purpose of the Audit Committee is to assist

Edgar Filing: FIRST CASH FINANCIAL SERVICES INC - Form DEF 14A

the Board of Directors in its general oversight of the Company's financial reporting, internal controls and audit functions. Management is responsible for the preparation, presentation and integrity of the Company's financial statements; establishing and applying accounting and financial reporting principles; designing and implementing systems of internal controls; and establishing procedures designed to reasonably assure compliance with accounting standards, applicable laws and regulations. The Company's independent auditing firm is responsible for performing an independent audit of the consolidated financial statements in accordance with generally accepted auditing standards. In accordance with law, the Audit Committee has ultimate authority and responsibility to select, compensate, evaluate and, when appropriate, replace the Company's independent auditors. The Audit Committee has the authority to engage its own outside advisers, including experts in particular areas of accounting, as it determines appropriate, apart from counsel or advisers hired by management. All of the members of the Audit Committee meet the independence and experience requirements of Nasdaq and the Securities and Exchange Commission. The Board of Directors has determined that Richard T. Burke qualifies as an "audit committee financial expert" as defined by the Securities and Exchange Commission.

The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent auditors, nor can the Audit Committee certify that the independent auditors are "independent" under applicable rules. The Audit Committee serves a Board of Directors-level oversight role, in which it provides advice, counsel and direction to management and the auditors on the basis of the information it receives, discussions with management and the auditors, and the experience of the Audit Committee's members in business, financial and accounting matters. Stockholders should understand that the designation of "an audit committee financial expert" is a Securities and Exchange Commission disclosure requirement related to Messrs. Burke's experience and understanding with respect to certain accounting and auditing matters. The designation does not impose on Messrs. Burke any duties, obligations or liability greater than generally imposed on them as members of the Audit Committee and the Board of Directors, and this designation as an audit committee financial expert pursuant to this Securities and Exchange Commission requirement does not affect the duties, obligations or liability of any other member of the Audit Committee or the Board of Directors.

In this context, the Audit Committee has met and held discussions with management and Hein & Associates, the Company's independent public accountants for the year ended December 31, 2006. Management represented to the committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and Hein & Associates. The Audit Committee discussed with Hein & Associates the matters required to be discussed by Statement of Auditing Standard No. 61, under which Hein & Associates must provide the Audit Committee with additional information regarding the scope and results of its audit of the Company's financial statements.

In addition, the Audit Committee has discussed with Hein & Associates its independence from the Company and its management, including matters in the written disclosures required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

The Audit Committee discussed with the Company's independent public accountants the overall scope and plans for their respective audits. The Audit Committee met with Hein & Associates, with and without management present, to discuss the results of its examinations, the evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2006 filed with the Securities and Exchange Commission.
