As of the date hereof, to the knowledge of High River, the full Board consists of eleven (11) directors. will nominate a slate of persons sufficient to constitute the full Board. Additionally, if, for any reason, any Nominee or Additional Nominee is unable to stand for election at the Annual Meeting, High River intends to nominate a person in the place of such Nominee or Additional Nominee (a "Substitute"). Neither the delivery of this Notice in accordance with the Bylaw Requirements nor any delivery by High River of additional information to the Corporation from and after the date hereof shall be deemed to constitute an admission by High River or any of its affiliates that such delivery is required or as to the legality or enforceability of the Bylaws or any other matter, or a waiver by High River or any of its affiliates of its right to contest or challenge, in any way, the enforceability of the Bylaws or any other matter.

[Form of Nominee Agreement follows]

Edgar Filing: MYLAN LABORATORIES INC - Form DFAN14A

High River Limited Partnership

_____, 2005

Dear Mr./Ms. _____:

This will confirm our understanding as follows:

1. You have agreed to become a member of a slate of nominees (the "Slate") to stand for election as directors of Mylan Laboratories, Inc. ("MYLAN") and to serve as a director of MYLAN if elected. You understand that High River Limited Partnership ("High River") intends to nominate you in connection with a proxy contest (the "Proxy Contest") with management of MYLAN in respect of the election of directors of MYLAN at the Annual Meeting of Shareholders of MYLAN (the "Annual Meeting"), expected to be held in 2005, or a special meeting of shareholders of MYLAN called for a similar purpose (a "Special Meeting").

2. High River agrees to pay the costs of the Proxy Contest.

3. You understand that, under the Bylaws of MYLAN, it may be difficult, if not impossible, to replace a nominee who has agreed to serve on the Slate and later decides not to seek election. Accordingly, the Slate is relying upon your agreement to seek election at the Annual Meeting or Special Meeting and to serve as a director if elected. You are being supplied with a questionnaire in which you will provide information necessary for High River to give the required notice to MYLAN and to prepare the proxy solicitation materials to be sent to shareholders of MYLAN and filed with the Securities and Exchange Commission. You have agreed that (i) you will immediately complete and sign the questionnaire and return it to High River, and (ii) your responses to the questions contained therein will be correct and complete in all respects. In addition, you have agreed that, concurrently with your execution of this letter, you will execute a letter or other instrument directed to MYLAN informing MYLAN that you consent to be a nominee of High River for election as a director of MYLAN and, if elected, to serve as a director of MYLAN.

4. High River hereby agrees that, if you are part of the Slate as nominated, High River will defend, indemnify and hold you harmless from and against any and all losses, claims, damages, penalties, judgments, awards, liabilities, costs, expenses and disbursements (including, without limitation, reasonable attorneys' fees, costs, expenses and disbursements) incurred by you if you become a party, or are threatened to be made a party, to any civil, criminal, administrative or arbitratative action, suit or proceeding, and any appeal thereof (each, a "Claim"), to the extent relating solely to your role as a nominee (or intended nominee) for election as a director of MYLAN on the Slate. Your right of indemnification hereunder will continue after the election has taken place, but High River will indemnify you only with respect to events that occur during the period from the date hereof until the earlier of: (1) the date of the Annual Meeting or Special Meeting, as the case may be, or (2) such time when you cease to be an intended nominee on the Slate (in either case, the "Indemnification Coverage End"). Anything to the contrary herein notwithstanding, High River will not indemnify, defend or hold you harmless for

Edgar Filing: MYLAN LABORATORIES INC - Form DFAN14A

(a) any action taken by you or on your behalf that occurs prior to the date hereof or subsequent to the Indemnification Coverage End, or (b) any actions taken by you as a director of MYLAN, if you are elected. High River will have no obligation to indemnify, defend or hold you harmless if: (i) you are found to have violated any state or federal law in connection with the Proxy Contest unless you demonstrate that your action was taken in good faith and in a manner you reasonably believed to be in or not opposed to the best interests of electing the Slate; or (ii) you acted in a manner that constitutes gross negligence or willful misconduct. To be entitled to indemnification hereunder, you must promptly notify High River of any Claim made against you or known by you to be threatened. High River will be entitled to control the defense of any Claim with counsel chosen by High River. High River will not be responsible for any settlement of any Claim against you otherwise covered by this indemnity without the prior written consent of High River. High River may not enter into any settlement of any Claim without your prior written consent unless the settlement includes a release of you from any and all liability in respect of the Claim.

5. Each of us recognizes that should you be elected to the Board of Directors of MYLAN all of your activities and decisions as a director will be governed by applicable law and subject to your fiduciary duty to the shareholders of MYLAN and, as a result there is, and can properly be, no agreement between you and High River that governs any decisions you make as a director of MYLAN.

If this letter reflects your understanding of our agreement, please so indicate by signing in the space provided below and returning one signed copy to us, whereupon this letter will become a binding agreement between us.

INFORMATION ABOUT NOMINEE PURSUANT TO SECTION 2.03(C) (I) OF THE BYLAWS

Name: Carl C. Icahn

Age: 69

Business address: 767 Fifth Avenue, New York, NY 10153

Residence address: 15 West 53rd Street, Penthouse B&C, New York, NY 10019

(B) Principal occupation or employment: See (D) (x) below.

(C) Class or series and number of capital shares of Mylan that are owned beneficially or of record by Nominee: See (D) (iii) below.

(D) Other information relating to Nominee:

(i) Mr. Icahn has an interest in the election of directors at the 2005 annual meeting of shareholders of Mylan (the "Annual Meeting") indirectly through (1) his beneficial ownership of the Shares and (2) his relationship with High River, which has entered a Nominee Agreement with each Nominee pursuant to which High River will pay the costs relating to the nominations and will indemnify, defend and hold harmless the Nominees against certain losses.

(ii) From time to time, Mr. Icahn and his affiliates establish short positions in securities that they believe will fall in price. On the day Mylan announced a proposed transaction with King Pharmaceuticals, Inc. ("King"), the price of King common stock increased by roughly 24% over the closing price on the prior day. As of February 25, 2005, Mr. Icahn and his affiliates have a short position in 5,339,000 shares of King common stock. Mr. Icahn and his affiliates began establishing such short position in King common stock on July 26, 2004. The last sale of King's stock short was made by them on January 21, 2005. Mr. Icahn and his affiliates may continue to increase, or may decrease, their short position in King stock. The short position currently represents less than 15% of the value of the Shares, and is therefore a small position, as compared to Mr. Icahn's beneficial holdings of Mylan common stock. If the proposed Mylan/King transaction is not consummated, Mr. Icahn and his affiliates will not only benefit from the fact that Mylan will not be proceeding with a transaction that Mr. Icahn considers to be very risky and detrimental to Mylan, but they may also benefit because of their short position in King, and therefore Mr. Icahn and his affiliates are in a position to benefit if the proposed Mylan/King transaction is not consummated in a way that is different from other Mylan shareholders.

Each of Mr. Icahn, Hopper and Barberry disclaims beneficial ownership of the Shares for all other purposes. (vii) Neither Mr. Icahn nor any of his associates have any arrangement or understanding with any person with respect to (A) any future employment by Mylan or its affiliates; or (B) any future transactions to which Mylan or any of its affiliates will or may be a party.

(viii) Mr. Icahn is a party to a Nominee Agreement. Information with respect to High River is set forth in Annex D.

(ix) High River has brought the following lawsuits against Mylan and other defendants:

(1) High River Limited Partnership v. Mylan Laboratories Inc., Robert Coury, Perry Corp., Richard C. Perry and Does 1-100, pending in the United States District Court for the Southern District of New York. This action was filed in the United States District Court for the Middle District of Pennsylvania on December 10, 2004. The complaint alleges that the defendants were complicit in a scheme of unlawful vote-buying in an attempt to cause Mylan to acquire King at an inflated price. The complaint seeks an order enjoining the defendants' manipulation of the Mylan shareholder vote with respect to the proposed King acquisition and providing judicial supervision of Mylan's conduct of the shareholder vote to ensure a fair voting process and other relief.

(2) High River Limited Partnership v. Mylan Laboratories Inc., et al., filed in the United States District Court for the Middle District of Pennsylvania on February 22, 2005. The complaint alleges that Mylan violated the Pennsylvania Business Corporation Law by adopting an amendment to the Company's bylaws imposing an unfair and unreasonable process for shareholder nomination of persons for election as director. The complaint seeks an order enjoining the implementation or enforcement of the challenged amendment and providing other relief.

(x) Mr. Icahn has served as Chairman of the Board and a director of Starfire Holding Corporation ("Starfire") (formerly Icahn Holding Corporation), a privately-held holding company, and Chairman of the Board and a director of various subsidiaries of Starfire, since 1984. Mr. Icahn is and has been since 1994 a majority shareholder, the Chairman of the Board and a Director of American Railcar Industries, Inc. ("ARI"), a Missouri corporation. ARI is primarily engaged in the business of manufacturing, managing, leasing and selling of railroad freight and tank cars. (xi) On January 5, 2001, Reliance Group Holdings, Inc. ("Reliance") commenced an action in the United States District Court for the Southern District of New York against Mr. Icahn, Icahn Associates Corp. and High River alleging that High River's tender offer for Reliance 9% senior notes violated Section 14(e) of the Exchange Act. Reliance sought a temporary restraining order and preliminary and permanent injunctive relief to prevent defendants from purchasing the notes. The Court initially imposed a temporary restraining order. Defendants then supplemented the tender offer disclosures. The Court conducted a hearing on the disclosures and other matters raised by Reliance. It then denied plaintiff's motion for a preliminary injunction and ordered dissolution of its temporary restraining order following dissemination of the supplement.

Reliance took an immediate appeal to the United States Court of Appeals for the Second Circuit and sought a stay to restrain defendants from purchasing notes during the pendency of the appeal. On January 30, 2001, the Court of Appeals denied plaintiff's stay application. On January 30, Reliance also sought a further temporary restraining order from the District Court. The Court considered the matter and reimposed its original restraint until noon the next day, at which time the restraint was dissolved. The appeal was argued on March 9 and denied on March 22, 2001.

ANNEX C

The written consent of each Nominee to being named as a nominee for election as a director of Mylan and to serve as a director if elected is attached to this Annex C.

ANNEX D

Certain Information relating to High River is set forth below.

(i) High River's business address is 100 South Bedford Road, Mount Kisco, New York 10549. High River is primarily engaged in the business of holding and investing in securities.

(ii) High River has an interest in the election of directors at the Annual Meeting through (1) its beneficial ownership of the Shares and (2) the Nominee Agreements entered with each Nominee pursuant to which High River will pay the costs relating to the nominations and will indemnify, defend and hold harmless the Nominees against certain losses.

(iii) From time to time, High River and its affiliates establish short positions in securities that they believe will fall in price. On the day Mylan announced a proposed transaction with King Pharmaceuticals, Inc., the price of King common stock increased by roughly 24% over the closing price on the prior day. As of February 25, 2005, High River and its affiliates have a short position in 5,339,000 shares of King common stock. High River and its affiliates began establishing such short position in King common stock on July 26, 2004. The last sale of King's stock short was made by them on January 21, 2005. High River and its affiliates may continue to increase, or may decrease, their short position in King stock. The short position currently represents less than 15% of the value of the Shares, and is therefore a small position, as compared to High River's beneficial holdings of Mylan common stock. If the proposed Mylan/King transaction is not consummated, High River and its affiliates will not only benefit from the fact that Mylan will not be proceeding with a transaction that High River considers to be very risky and detrimental to Mylan, but they may also benefit because of their short position in King, and therefore High River and its affiliates are in a position to benefit if the proposed Mylan/King transaction is not consummated in a way that is different from other Mylan shareholders.

(iv) The following table indicates the date of each purchase or sale of securities of Mylan by High River within the past two years, and the number of shares in each such purchase or sale.

FOR IMMEDIATE RELEASE
ICAHN REACTS TO TERMINATION OF MYLAN/KING TRANSACTION,
NOTIFIES MYLAN OF DIRECTOR SLATE

New York, New York, February 28, 2005
Contact: Susan Gordon (212) 702-4309

Carl C. Icahn today responded to the announcement by Mylan Laboratories, Inc. and King Pharmaceuticals that they have terminated their agreement for the proposed Mylan/King transaction. Mr. Icahn stated that the announcement was a victory for all Mylan shareholders and a victory for shareholder activism in general. "Shareholders must speak out when management is pursuing a course of action that they object to" Mr. Icahn noted. "In this case, we believed that the King transaction would have been a serious and possibly fatal mistake for Mylan."

Mr. Icahn went on to observe that "as the shareholder with the largest ownership interest in Mylan, I have lost faith in the current Mylan Board, as I believe many other large shareholders have." Mr. Icahn believes that the course top Mylan management is pursuing may continue to deteriorate values at Mylan and that, therefore, shareholders should have the right to determine if they want to have the company sold now.

Mr. Icahn restated his announcement that he is putting up a slate of directors to stand against the Mylan Board at the upcoming annual shareholder meeting. However, Mr. Icahn hopes that a proxy fight will not be necessary and that the Mylan Board will allow shareholders to decide if they want the company sold. In this regard, Mr. Icahn's affiliate, High River Limited Partnership, continues to stand by its prior proposal to acquire Mylan for \$20 per share without a

"break-up fee", which it believes would set up a bidding process for Mylan. Information regarding Mr. Icahn's nominees will be set forth in a 13D filing with the SEC.
