JOINT PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 24, 2001

INTRODUCTION

This joint proxy statement is furnished in connection with the solicitation by the respective Board of Directors or Trustees, as the case may be (the "Board"), of each of the Trusts of proxies to be voted at the Joint Annual Meeting of Stockholders or Shareholders, as the case may be, of the Trusts to be held on May 24, 2001, and any adjournment or postponement thereof (the "Meeting"). The Meeting will be held at the East Side Marriott Hotel, 525 Lexington Avenue, New York, New York, on May 24, 2001 at 11:00 a.m. (New York City Time). As used in the Notice of Joint Annual Meeting of Stockholders and as used herein, the term "Directors" shall include Trustees and the term "Stockholders" shall include Shareholders where the use of the terms "Trustees" or "Shareholders" would otherwise be appropriate.

The Meeting is scheduled as a joint meeting of the respective stockholders of the Trusts because the stockholders of all the Trusts are expected to consider and vote on similar matters. The Board of each Trust has determined that the use of a joint Proxy Statement for the Meeting is in the best interest of each Trust's stockholders. In the event that any stockholder present at the Meeting objects to the holding of a joint meeting and moves for an adjournment of his Trust's meeting to a time immediately after the Meeting so that such Trust's meeting may be held separately, the persons named as proxies will vote in favor of such adjournment. Stockholders of each Trust will vote separately on the Proposal relating to their Trust, and an unfavorable vote on a Proposal by the stockholders of one Trust will not affect the implementation of such Proposal by another Trust if the Proposal is approved by the stockholders of that Trust.

The cost of soliciting proxies will be borne by each of the Trusts in proportion to the amount of proxies solicited on behalf of each Trust. In addition, certain officers, directors and employees of each of the Trusts, Morgan Stanley Dean Witter Advisors Inc., Prudential Investments Fund Management

Edgar Filing: BLACKROCK INSURED MUNICIPAL 2008 TERM TRUST INC - Form DEF 14A

LLC, Princeton Administrators L.P., Mitchell Hutchins Asset Management Inc., BlackRock Advisors, Inc., (the "Advisor") (none of whom will receive additional compensation therefor) may solicit proxies by telephone or mail. In addition, certain of the Trusts may employ Georgeson Shareholder Communications Inc. pursuant to its standard contract as proxy solicitor, the cost of which will be borne proportionately by each of the Trusts and is estimated to be approximately \$3,500 per Trust. The Advisor is located at 100 Bellevue Parkway, Wilmington, Delaware 19809.

The affirmative vote of a plurality of the shares present at the Meeting at which a quorum is present is necessary to elect the Director nominees.

Broker non-votes are shares held in street name for which instructions on a particular proposal have not been received from the beneficial owners or other persons entitled to vote and the broker does not have discretionary voting authority. Abstentions and broker non-votes will be counted as shares present for purposes of determining whether a quorum is present. Abstentions and broker non-votes will have no effect on the outcome of the vote on the Proposal.

All properly executed proxies received prior to the Meeting will be voted at the Meeting in accordance with the instructions marked thereon or otherwise as provided therein.

1

The Board of each Trust has fixed the close of business on February 28, 2001, as the record date for the determination of stockholders of each Trust entitled to notice of and to vote at the Meeting. Stockholders of each Trust on that date will be entitled to one vote on each matter to be voted on by that Trust for each share held and a fractional vote with respect to fractional shares with no cumulative voting rights.

The holders of any Trust's Auction Rate Municipal Preferred Stock will have equal voting rights with the holders of that Trust's common stock (i.e., one vote per share), and will vote together with the holders of common stock as a single class on the proposal to elect Directors, except that the holders of Auction Rate Municipal Preferred Stock of each Trust which is electing Class I or II directors at this meeting, voting separately as a class, will separately elect a Director from each of such classes. The two Directors that have been designated as representing the holders of each respective Trust's Auction Rate Municipal Preferred Stock are Richard E. Cavanagh and Frank J. Fabozzi (see "Proposal: Election of Directors," below).

Pursuant to the rules promulgated by the Securities and Exchange Commission the following table sets forth the proposal to be voted on by each Trust:

REMUNERATION

The following table sets forth certain information regarding the compensation of the Fund's directors.

NAME OF PERSON -----	AGGREGATE COMPENSATION FROM THE TRUSTS -----	TOTAL COMPENSATION FROM THE FUND COMPLEX PAID TO DIRECTORS (1) -----
Andrew R. Brimmer	\$148,000 (2) (3)	\$160,000 (4)
Richard E. Cavanagh	\$148,000 (2)	\$160,000 (4)

Frank J. Fabozzi	\$148,000 (2)	\$160,000 (4)
James Clayburn La Force, Jr.	\$148,000 (2)	\$160,000 (4)
Walter F. Mondale	\$148,000 (2)	\$160,000 (4)

- (1) Represents the total compensation earned by such persons during the calendar year ended December 31, 2000 from the twenty-two closed-end funds advised by the Advisor (the "Fund Complex"). One of these funds, The BlackRock Target Term Trust terminated on December 29, 2000.
- (2) Represents the aggregate compensation earned by such persons during the calendar year ended December 31, 2000. Of this amount, Messrs. Brimmer, Cavanagh, Dixon, Fabozzi, La Force and Mondale deferred \$9,000, \$9,000, \$0, \$0, \$70,000 and \$28,000, respectively, pursuant to the Fund Complex's deferred compensation plan (described below).
- (3) At a meeting of the Boards of Directors held on August 24, 2000, Dr. Brimmer was appointed "lead director" for each Board of Directors in the Fund Complex. For his services as lead director, Dr. Brimmer will be compensated in the amount of \$40,000 per annum by the Fund Complex to be allocated among the Trusts in the Fund Complex based on each Trust's relative net assets.
- (4) Of this amount, Messrs. Brimmer, Cavanagh, Dixon, Fabozzi, La Force and Mondale deferred \$12,000, \$12,000, \$0, \$0, \$77,500 and \$31,000, respectively, pursuant to the Trusts' deferred compensation plan (described below).

11

Each Independent Director receives an annual fee calculated as follows: (i) \$6,000 from each Trust in the Fund Complex and (ii) \$1,500 for each meeting of each board in the Fund Complex attended by such Independent Director. The total annual aggregate compensation for each Independent Director is capped at \$160,000 per annum. In the event that the \$160,000 cap is met with respect to an Independent Director, the amount of the Independent Director's fee borne by each Trust in the Fund Complex is reduced by reference to the net assets of the Trust relative to the other Trusts in the Fund Complex. In addition, the attendance fees of each Independent Director of the Trusts are reduced proportionately, based on each respective Trust's net assets, so that the aggregate per meeting fee for all meetings of the boards of directors of the Trusts held on a single day does not exceed \$20,000 for any Director. For BTM, fees of \$75,500 were accrued by the Trust between July 1, 1999 and June 30, 2000. For BAT, BGT, BRM, BLN, BFC, BRF, BMN, BQT, BPS, BSD and BMT fees of \$25,000, \$73,000, \$74,000, \$45,000, \$43,000, \$34,500, \$74,000, \$81,000, \$12,000, \$24,100 and \$73,000, respectively, were accrued by each Trust from January 1, 2000 to December 31, 2000. For BHY, BCT, RAA, RFA, RNJ, RNY, BKN and BKT fees of \$16,000, \$13,500, \$12,000, \$12,000, \$12,000, \$14,000, \$55,500 and \$69,000, respectively, were accrued from November 1, 1999 to October 31, 2000. None of the Directors received any pension or retirement benefits. None of the officers of the Trusts received any compensation, including pension or retirement benefits, from the Trusts for such period. Messrs. Fink, Schlosstein, Amero, Anderson, Huebsch, Kapito, Gabbay, Klingert, Kong, Schaney, Shea and Ms. Ackerley, officers of the Trusts, are also affiliated with the Advisor. They receive compensation from the Advisor or one of its affiliates although under the terms of the investment advisory agreements some portion of their compensation could be reimbursable by a particular Trust to the extent such person's working time is devoted to that particular Trust's operations.

Under a deferred compensation plan (the "Plan") approved by the Boards of Directors of each Trust on February 24, 2000, Independent Directors may elect to defer receipt of all or a portion of their annual compensation received from a

Edgar Filing: BLACKROCK INSURED MUNICIPAL 2008 TERM TRUST INC - Form DEF 14A

Trust. Deferred amounts earn a return for the Directors as though equivalent dollar amounts had been invested in common shares of certain other Trusts selected by the Directors. This has the same economic effect for the Directors as if the Directors had invested the deferred amounts in such other Trusts. The Plan is not funded and obligations thereunder represent general unsecured claims against the general assets of a Trust. A Trust may, however, elect to invest in common shares of those Trusts selected by the Directors in order to match its deferred compensation obligations.

THE BOARD OF DIRECTORS OF EACH TRUST, INCLUDING THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE NOMINEES.

16

According to the AMEX listing standards, a member is independent if he/she is not an officer or employee of the Trust or a person having a relationship which, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and (i) is not employed by the Trust or BlackRock for the current year or any of the past three years; (ii) did not receive compensation from the Trust or BlackRock in excess of \$60,000 during the previous year, other than as compensation for board service, benefits under a tax-qualified retirement plan or non-discretionary compensation; (iii) does not have an immediate family member who is, or has been in any of the past three years, employed by the Trust or BlackRock; (iv) is not a partner in, or controlling shareholder or executive officer of, any for-profit business organization which received payments from or made payments to the Trust in excess of the greater of 5% gross revenue or

INTERACTION WITH MANAGEMENT

Management of the Trust shall inform the Audit Committee in advance of any proposed changes in accounting or financial reporting practices and of any other unusual events that could have a significant impact on the Trust's financial statements. Management shall advise the Audit Committee in advance when it seeks a second opinion on a significant accounting issue from an accountant that is not the Trust's independent auditor. The Trust's internal auditor shall have direct independent access to the Audit Committee.

RESOURCES

The Board of Trustees shall ensure that the Audit Committee had adequate resources with which to discharge its responsibility.

MEETINGS

The Audit Committee shall meet on a regular basis and special meetings shall be called as circumstances require. The committee shall meet privately with any internal auditor and the independent public accountant whenever it believes that it is necessary to do so.

17
