PROXY STATEMENT
FOR ANNUAL MEETING OF
SHAREHOLDERS TO BE HELD
ON JULY 17, 2003

INTRODUCTION

This Proxy Statement and enclosed proxy card are being furnished in connection with the solicitation by the Board of Directors of Syms Corp, a New Jersey corporation, (the "Company"), of proxies for use at the July 17, 2003 Annual Meeting of the Shareholders of the Company or at any adjournment(s) or postponement(s) thereof (the "Annual Meeting") for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. The Annual Meeting will be held at the Company's executive offices located at Syms Way, Secaucus, New Jersey 07094. The cost of preparing and mailing the proxy and this Proxy Statement and all other costs in connection with this solicitation of proxies will be borne by the Company. It is anticipated that the accompanying proxy and this Proxy Statement will be sent to shareholders of the Company on or about June 13, 2003.

Proxies in the accompanying form which are properly executed and duly returned to the Company and not revoked will be voted as specified. Any proxy in which no direction is specified will be voted FOR the election of the nominees for director, FOR the ratification of the appointment of BDO Seidman, LLP as independent accountants, and FOR the approval of an amendment to the Company's Amended and Restated Incentive Stock Option and Appreciation Plan (collectively the "Proposals"), and in the discretion of the proxies named on the proxy card with respect to any other matters properly brought before the meeting and any adjournment(s) or postponement(s) thereof. Each proxy granted is revocable and may be revoked at any time prior to its exercise, by notifying American Stock Transfer & Trust Co., 59 Maiden Lane, New York, NY 10038 in writing, by executing a subsequent proxy or by electing to vote in person at the Annual Meeting. Mere attendance at the Annual Meeting will not serve to revoke a proxy. The Company intends to reimburse brokerage companies and others for forwarding proxy materials to beneficial owners of shares.

Only shareholders of record of the Company's voting securities as of the close of business on June 13, 2003 are entitled to notice of and to vote at the Annual Meeting. As of the record date, 15,440,478 shares of common stock, par value \$.05 per share ("Common Stock"), were outstanding. Each share of Common Stock entitles the record holder thereof to one vote on each of the Proposals and on all other matters properly brought before the Annual Meeting. Concurrently with the mailing of this Proxy Statement, the Company is mailing its Annual Report for its fiscal year ended March 1, 2003 to shareholders of record on June 13, 2003.

Shareholders vote at the Annual Meeting by casting ballots (in person or by proxy) which are tabulated by a representative of the Company's independent transfer agent appointed to serve as Inspector of Election at the meeting and who has executed and verified an oath of office. The holders of a majority of the shares of Common Stock issued and outstanding represented in person or by proxy shall constitute a quorum. The affirmative vote of a plurality of the

Edgar Filing: SYMS CORP - Form DEF 14A

votes cast at the Annual Meeting is sufficient to elect a director. The affirmative vote of a majority of the votes cast at the Annual Meeting is required to ratify the appointment of BDO Seidman LLP as the Company's independent public accountants. The affirmative vote of the holders of a majority of the outstanding shares of Common Stock is required to approve the amendment to the Company's Amended and Restated Incentive Stock Option and Appreciation Plan. Abstentions and broker non-votes are included in the determination of the number of shares present at the Annual Meeting for quorum purposes but not counted in the tabulations of the votes cast on proposals presented to shareholders.

The following table sets forth the estimated annual benefits payable on retirement to persons in specified remuneration and years of participation classifications under the Company's defined benefit pension plan (the "Pension Plan") for employees not covered under collective bargaining agreements:

HIGHEST FIVE YEAR AVERAGE COMPENSATION	15 YEARS OF SERVICE	20 YEARS OF SERVICE	25 YEARS OF SERVICE	30 YEARS OF SERVICE	35 YEARS OF SERVICE
\$ 50,000	\$ 5,700	\$ 7,600	\$ 9,500	\$ 9,500	\$ 9,500
75,000	8,550	11,400	14,250	14,250	14,250

125,000	14,250	19,000	23,750	23,750	23,750
150,000	17,100	22,800	28,500	28,500	28,500

Each participant in the Pension Plan is entitled to an annual retirement benefit equal to 19% of the average compensation (excluding bonuses) during his five consecutive highest paid calendar years during the ten years prior to retirement except that the annual benefit payable to Sy Syms at normal retirement, as per the Pension Plan, cannot exceed \$70,000. A participant's interest vests over a seven year period commencing in the third year at the rate of 20% after completing three years of employment and 20% for each year thereafter, and is 100% vested after the completion of seven years of service. Benefit payments are made in the form of one of five annuity payment options elected by the participant. Amounts in the table are based on a straight life annuity. For the executive officers named in the Summary Compensation Table, compensation for purposes of the Pension Plan generally corresponds to the amounts shown in the "Salary" column of the Summary Compensation Table.

Currently no more than \$160,000 (as adjusted from time to time by the Internal Revenue Service) of cash compensation may be taken into account in calculating benefits payable under the Pension Plan. Executive officers in the Summary Compensation Table were credited with the following years of service at December 31, 2002: Sy Syms, 29 or more years; Marcy Syms, 25 or more years; Ronald Zindman, 13 years; Allen Brailsford, 18 or more years; and Antone Moreira 6 or more years. Benefits under the Pension Plan are not subject to any deduction for social security or other offset amount. The annual retirement benefit is reduced pro rata if the employee has completed less than fifteen years of service. Effective December 31, 1994, the plan was amended to change the pro rata reduction to be based on 25 years of participation. A participant is entitled to be paid his benefits upon his retirement at age 65. If a participant has completed at least 15 years of service he may retire upon reaching age 55 but the benefits he receives will be actuarially reduced to reflect the longer period during which he will receive a benefit. A participant who leaves the Company for any reason other than death, disability or retirement will be entitled to receive the vested portion of his benefit payable over different periods of time depending on the aggregate amount vested and payment option elected.

EMPLOYMENT AGREEMENTS

The Company has entered into an employment agreement dated November 1, 1996 with its Executive Vice President - General Merchandise Manager, Ronald Zindman. Pursuant to the agreement, Mr. Zindman is to receive a minimum salary of \$225,000 per year from inception through March 1, 1997; \$300,000 per year for the next succeeding three years; \$350,000 per year for the next succeeding three years; \$400,000 per year for the next succeeding three years; and \$450,000 per year for the final three years of the agreement. The agreement is to remain in effect until March 1, 2009. Termination of the agreement by the Company before that date will require a payment to Mr. Zindman equal to 150% of one year's salary (at the employee's then current rate). If this agreement is terminated by the employee prior to its final term, the Company must pay to the employee a sum equal to 60% of one year's salary (also at the employee's then current rate).

REPORT OF THE STOCK OPTION - COMPENSATION COMMITTEE

The Stock Option - Compensation Committee's executive compensation policy strives to provide compensation rewards based upon both corporate and individual performance while maintaining a relatively simple compensation program in order to avoid the administrative costs which the Stock Option - Compensation Committee believes are inherent in multiple complex compensation plans and agreements. The Company has only one employment agreement with an executive officer, Ronald Zindman, and has only one executive compensation plan, the Option Plan.

The determination of compensation ranges for executive officers reflects a

Edgar Filing: SYMS CORP - Form DEF 14A

review of salaries and bonuses for executive officers holding similar positions in retailers of relatively comparable size and orientation. However, in making compensation decisions, the Stock Option - Compensation Committee remains cognizant of the Board of Directors' responsibility to enhance shareholder value. The Stock Option - Compensation Committee utilizes cash bonuses, when it feels a bonus is merited, based on factors such as an executive's individual performance and the Company's performance relative to its past performance and the performance of competitors. The Company has available a long-term incentive for executives to both remain in the employ of the Company and to strive to maximize shareholder value through the Option Plan, which aligns the interests of executives with those of shareholders.

Determination of Marcy Syms' compensation as the Company's Chief Executive Officer for the fiscal year ended March 1, 2003 reflects the Company's performance and a comparison with chief executive officer compensation of the Company's competitors, but also reflects recognition of Ms. Syms unique, ongoing contribution to the growth, success and profitability of the Company.

10

It is the responsibility of the Stock Option - Compensation Committee to address the issues raised by the tax laws which make certain non-performance-based compensation to executives of public companies in excess of \$1,000,000 non-deductible to the Company. In this regard, the Stock Option - Compensation Committee must determine whether any actions with respect to this limit should be taken by the Company. At this time, it is not anticipated that any Executive Officer will receive any such compensation in excess of this limit. Therefore, the Stock Option - Compensation Committee has not taken any action to comply with the limit.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company leases its store in Elmsford, New York from Sy Syms, Chairman of the Board and principal shareholder of the Company. The lease for this store between the Company and Mr. Syms expired November 30, 1999 and the property had been occupied by the Company on a month-to-month basis through November 30, 2002. On December 1, 2002, Syms Corp and Sy Syms entered into a lease for the Elmsford store for a fixed annual rent of \$796,500 which expires on November 30, 2010. The audit committee of the Board of Directors, which is comprised solely of the independent directors of the Board of Directors, reviewed and ratified the execution and delivery of such lease. During the fiscal year ended March 1, 2003, the Company paid to Sy Syms approximately \$649,000 in fixed rent.

On April 2, 2001, the Company loaned the Marcy Syms Revocable Trust \$800,000. The loan is evidenced by the Trust's ten-year Note which is guaranteed by Marcy Syms, Chief Executive Officer and President of the Company and daughter of Sy Syms, and is secured by a first priority mortgage on the real estate which Ms. Syms owns in Westchester County, New York. The Note bears interest at the rate of 5.43% per annum (the then applicable federal long term rate) payable

Edgar Filing: SYMS CORP - Form DEF 14A

annually. In fiscal 2002, the Marcy Syms Revocable Trust paid in full a Note to the Company in the amount of \$800,000.

On January 10, 2002, an independent committee of the Board of Directors was established to review the potential acquisition of Stanley Blacker, Inc., a corporation owned by the Sy Syms Revocable Living Trust. This committee obtained an independent appraisal as to the fair market value of the business enterprise of Stanley Blacker, Inc., and on April 18, 2002, the Board of Directors approved the acquisition based on the independent committee's recommendation to acquire the assets of Stanley Blacker, Inc. The assets of Stanley Blacker, Inc. consisted substantially of trademarks and trade names licensed to third party manufacturers of clothing and accessories. The acquisition of such assets was consummated on May 1, 2002, for a purchase price consisting of \$250,000 paid in cash, \$250,000 paid by the issuance of 44,138 shares of the Company's Common Stock and the balance by the taking of the assets subject to a note payable to Fleet National Bank in the principal amount of \$1,675,000 together with interest thereon of approximately \$11,355, which note was paid in full by the Company.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) Beneficial Ownership Reporting Compliance of the Securities Exchange Act of 1934, as amended, requires the Company's officers and directors, and persons who own more than 10% of a registered class of the Company's equity securities, to file initial statements of beneficial ownership (Form 3), and statements of changes in beneficial ownership (Forms 4 and 5), of Common Stock of the Company with the Securities and Exchange Commission. Executive officers, directors and greater than 10% shareholders are required to furnish the Company with copies of all such forms they file.

11

To the Company's knowledge, based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons that no additional forms were required, all filing requirements applicable to its executive officers, directors, and greater than 10% shareholders were met.

AUDIT COMMITTEE REPORT

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and reporting process. The Company's independent auditors are responsible for expressing an opinion on the conformity of the Company's audited financial statements to generally accepted accounting principles.

In this context, the Audit Committee has reviewed and discussed with management and the independent auditors the Company's audited financial statements. The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (communication with audit committees). In addition, the Audit Committee has received from the independent auditors the written disclosures required by Independence Standards Board Standard No. 1 (independence discussions with audit committees) and discussed with them their independence from the Company and its

Edgar Filing: SYMS CORP - Form DEF 14A

management.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended March 1, 2003, for filing with the Securities and Exchange Commission.

RATIFICATION OF APPOINTMENT OF INDEPENDENT ACCOUNTANTS PROPOSAL 2

The Board of Directors of the Company has appointed BDO Seidman, LLP ("BDO Seidman") as the independent accountants for the Company for the fiscal year ending February 28, 2004 and recommends that shareholders ratify such appointment. The affirmative vote of a majority of the votes cast at the meeting is necessary for ratification of the appointment of BDO Seidman as the independent accountants for fiscal 2003. If the shareholders do not ratify the appointment of BDO Seidman as the Company's independent accountants, the Board of Directors and the Audit Committee will reconsider this selection.

On May 23, 2003, upon the recommendation of the Company's Audit Committee, the Company's Board of Directors voted to approve the engagement of BDO Seidman as the Company's independent auditors. BDO Seidman will replace Deloitte & Touche LLP ("Deloitte & Touche") as the Company's independent auditors. Effective May 28, 2003, the Company dismissed Deloitte & Touche as the Company's independent auditors. Deloitte & Touche and its predecessor firms had audited the financial statements of the Company for more than the past ten fiscal years and served as the Company's independent accountants for the fiscal year ended March 1, 2003.

A representative of BDO Seidman is expected to be present at the meeting and will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions from shareholders. Representatives of Deloitte & Touche are not expected to attend the meeting.

12

None of Deloitte & Touche's reports on the Company's consolidated financial statements for the past two years contained an adverse opinion or a disclaimer of opinion, or was qualified or modified as to uncertainty, audit scope or accounting principles.

During the Company's two most recent fiscal years and any subsequent interim period preceding the dismissal of Deloitte & Touche as the independent accountants, there were no disagreements between the Company and Deloitte & Touche on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to Deloitte & Touche's satisfaction, would have caused Deloitte & Touche to make reference to the subject matter in connection with its report on the Company's consolidated

Edgar Filing: SYMS CORP - Form DEF 14A

financial statements for such period; and there were no reportable events, as defined in Item 304(a)(1)(v) of Regulation S-K.

The Company provided Deloitte & Touche with a copy of the foregoing statements and received a letter from Deloitte & Touche stating its agreement with such statements. The Company filed this letter as an exhibit to its current report on Form 8-K/A filed with the SEC on June 3, 2003.

During the Company's two most recent fiscal years and any subsequent interim period prior to engaging BDO Seidman as the independent accountants, the Company did not consult BDO Seidman with respect to (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements; or (ii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to this item) or a reportable event (as defined in Item 304(a)(1)(v) of Regulation S-K).

AUDIT FEES: Audit fees billed to the Company by Deloitte & Touche for auditing the Company's annual financial statements for the fiscal year ended March 1, 2003 and reviewing the financial statements included in the Company's quarterly reports on Form 10Q amounted to \$150,000.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES: No services were performed by, or fees incurred to, Deloitte & Touche in connection with the financial information services design and implementation projects for the fiscal year ended March 1, 2003.

ALL OTHER FEES: Fees for employee benefit related services were billed by Deloitte & Touche during the fiscal year ended March 1, 2003 amounted to approximately \$30,000.

The Company and the Audit Committee have considered whether other non-audit services by Deloitte & Touche are compatible with maintaining the independence of Deloitte & Touche in its audit of the Company.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR RATIFICATION OF THE APPOINTMENT OF BDO SEIDMAN. PROXIES SOLICITED HEREBY WILL BE VOTED FOR THE PROPOSAL UNLESS A VOTE AGAINST THE PROPOSAL OR ABSTENTION IS SPECIFICALLY INDICATED.

APPROVAL OF AMENDMENT
TO THE
AMENDED AND RESTATED
INCENTIVE STOCK OPTION AND APPRECIATION PLAN
PROPOSAL 3

The Board of Directors has approved, subject to the approval of the Company's shareholders, an amendment to the Company's Amended and Restated Incentive Stock Option and Appreciation Plan, as amended (the "Option Plan"), which amendment extends the term of the Option Plan to July 28, 2013 and provides that options and/or stock appreciation rights under the Option Plan may

Edgar Filing: SYMS CORP - Form DEF 14A

be granted on or before July 28, 2013. Currently, the Option Plan expires on July 28, 2003 and provides that no options and/or stock appreciation rights may be granted under the Option Plan after such date. A copy of the Option Plan is attached as Appendix A hereto.

The purpose of the Option Plan is to enable the Company to attract and retain key employees and to secure for the Company the benefits of the incentive inherent in ownership of the Company's equity securities by employees who are responsible for the continuing growth and success of the Company. Grants under the Option Plan may take the form of stock options ("Options"), including corresponding stock appreciation rights.

The Company's Option Plan, formerly the 1983 Incentive Stock Option Plan, was adopted by the Board of Directors and approved by the shareholders in July 1983, amended and restated upon the approval of both the Board of Directors, in March 1986, and the shareholders, in May 1986, amended by the Board of Directors in November 1987, amended in May 1993 upon approval of both the Board of Directors and the shareholders and further amended in June 2000 upon approval of both the Board of Directors and the shareholders.

The following is a summary of the Option Plan as now in effect.

COMMON STOCK SUBJECT TO THE AMENDED PLAN

The maximum number of shares of Common Stock that may be the subject of awards under the Option Plan is 1,500,000. The Option Plan does not provide for any maximum or minimum number of Options that may be granted to a single person. However, the aggregate fair market value (determined as of the date an Option is granted) of the Common Stock with respect to which incentive stock options ("ISOs") granted to any individual under the Option Plan (and any other plan of the Company that can grant ISOs) which first become exercisable during any calendar year may not exceed \$100,000. ISOs may not be granted to an individual who, at the time of grant, owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or any parent of the Company, unless at the time of grant the exercise price of such ISO is at least 110% of the fair market value of the Common Stock and such ISO by its terms is not exercisable after the expiration of five years from the date of grant.

AMENDED PLAN ADMINISTRATION

The Option Plan is administered by the Stock Option-Compensation Committee (the "Committee"), currently consisting of Harvey A. Weinberg, David A. Messer and Wilbur L. Ross, Jr., or in the absence of a duly constituted Committee, by the Board of Directors of the Company. A member of the Committee may not vote upon the granting of an Option or stock appreciation right ("SAR") to himself.

Subject to the express provisions of the Option Plan, the Committee has authority, among other things: (i) to determine (a) the participants, (b) the time of grant and exercise price of, and the number of shares of Common Stock to be subject to the Options or SARs granted to each participant, (c) whether an Option will be an ISO or a nonqualified option, (d) whether a SAR will be related to an Option (whenever granted) and (e) the exercise period and exercise terms of each Option and SAR; (ii) to construe the Option Plan and certificates granted pursuant thereto; (iii) to establish, amend and rescind rules for

Edgar Filing: SYMS CORP - Form DEF 14A

administering the Option Plan; and (iv) to make all other determinations deemed by it to be necessary or advisable in administering the Option Plan which shall be final and binding on all persons.

ELIGIBILITY

Under the Option Plan, Options and SARs may be granted only to key employees of the Company (including directors and officers who are also employees) based on the duties of the employees, their present and potential contributions to the success of the Company and any other factor deemed relevant by the Committee. As of June 13, 2003, the Company has approximately 250 employees who are eligible to receive grants under the Option Plan.

GRANTS UNDER THE AMENDED PLAN

INCENTIVE STOCK OPTIONS AND NONQUALIFIED OPTIONS. ISOs meeting the requirements of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), and nonqualified options that do not meet such requirements are both available for grant under the Option Plan. The exercise price of Options will be set by the Committee and stated in the option agreement and, in the case of ISOs, may not be less than 100% of fair market value of the underlying shares on the date of grant (110% in the case of a more than 10% owner of Common Stock).

STOCK APPRECIATION RIGHTS. The Committee may award SARs, which may or may not be granted together with Options, under the Plan. Generally SARs permit the holder thereof to receive an amount (in cash, Common Stock or a combination thereof) equal to the number of shares of Common Stock with respect to which SARs are exercised multiplied by the excess of the fair market value of the Common Stock on the exercise date over the exercise price. In general, the exercise of any portion of the SARs or any related option will cause a corresponding reduction in the number of shares of Common Stock remaining subject to SARs and related option.

EXERCISE OF OPTIONS AND SARs AND RESALE OF STOCK

Options and SARs granted under the Option Plan are exercisable at varying times and amounts and in the manner determined by the Committee at the time of grant, but in no event for more than a ten-year period (or a five-year period in the case of a 10% or greater shareholder). Options and SARs may be exercised by giving written notice to the Company, and with respect to Options, generally accompanied by payment in full by cash or shares of Common Stock with an equivalent market value or, by delivery of notes, property or in any other form. Exercise of SARs related to an option granted under the Option Plan requires surrender of the related option or portion thereof; and exercise of an Option requires surrender of any related SAR.

Options and/or SARs may be exercised by the employee during employment by the Company except if employment terminates by reason of death, disability or retirement. If employment terminates on account of disability (as defined in Section 22(e)(3) of the Code) or death, an Option or SAR may be exercised by the employee or the employee's executor, administrator or such other party entitled by law to succeed to the rights of the deceased, as the case may be, as to all Common Stock subject to such Option or SAR, for six months following the termination of employment (subject to the term of the Option or SAR); if employment terminates by reason of retirement, an Option or SAR may be exercised for three months following retirement (subject to the term of the Option or SAR) to the extent it was exercisable on the date of retirement.

Common Stock acquired pursuant to the exercise of an Option may be resold pursuant to an exemption, if available, from the registration provisions of the Securities Act of 1933, as amended (the "Act"), including the exemption afforded by Section 4(1) of the Act which will generally be available to the employee, provided that the employee is not deemed to be an "affiliate" of the Company. Affiliates (defined under the Act to include persons who directly or indirectly control the Company) will not be able freely to resell Common Stock acquired through the exercise of Options and SARs in reliance upon the exemption afforded by Section 4(1) of the Act, but may make resales pursuant to another exemption from registration under the Act, if available, including the exemption provided by Rule 144, or pursuant to an appropriate resale prospectus filed as part of a registration statement (if filed by the Company, in its discretion) covering resale of the Common Stock by affiliates.

In addition, directors and executive officers of the Company and beneficial owners of more than 10% of the Company's Common Stock should note the applicable provisions of Section 16(a) and Section 16(b) of the Securities Exchange Act of 1934, as amended.

RIGHT TO TERMINATE EMPLOYMENT

The Option Plan does not impose an obligation (i) on the Company to continue the employment of any holder of an Option and (ii) on the part of any holder of an Option to remain in the employ of the Company.

NON-TRANSFERABILITY

Options and SARs granted under the Option Plan are not transferable other than by will or by the laws of descent and distribution. During the lifetime of the holder, Options and SARs may be exercised only by the holder thereof. Options and SARs may not be assigned, transferred, pledged, hypothecated or disposed of in any way (whether by operation of law or otherwise) except to the extent expressly provided for in the Option Plan, and shall not be subject to execution, attachment or similar process.

DURATION AND AMENDMENTS

The Option Plan will terminate on July 28, 2003 and no Option or SAR shall be granted under it thereafter.

The Option Plan may be terminated at any time and may be modified or amended in such manner as the Committee, or the Board, as the case may be, deems advisable, provided, however, that the Committee or the Board, as the case may be, may not make certain material amendments without the approval of the shareholders. Notwithstanding the foregoing no termination, modification or amendment of the Option Plan may materially alter or adversely affect any outstanding grant under the Option Plan without the written consent of the holder of the grant.

ADJUSTMENTS

The Committee or the Board of Directors, as the case may be, may proportionally adjust the number of shares of Common Stock authorized to be issued under the Option Plan for any increase or decrease in the number of issued shares of Common Stock resulting from a subdivision or consolidation of shares or other capital adjustment, or the payment of a stock dividend or other

Edgar Filing: SYMS CORP - Form DEF 14A

increase or decrease in such shares, or other change in corporate or capital structure, such as a merger, consolidation or reorganization.

CERTAIN UNITED STATES FEDERAL INCOME TAX CONSEQUENCES OF THE OPTION PLAN

The following summary generally describes the principal United States federal income tax consequences of Options and SARs granted under the Option Plan. It is general in nature and is not intended to cover all tax consequences that may apply to a particular participant or to the Company. The provisions of the Code and the regulations thereunder relating to these matters are complicated and their impact in any one case may depend upon the particular circumstances. This discussion is based on the Code as currently in effect and does not address state, local or foreign tax matters.

16

NONQUALIFIED STOCK OPTIONS. If an Option that is not an ISO is granted in accordance with the terms of the Option Plan, generally no income will be recognized by the recipient at the time the Option is granted. On exercise of such Option, the amount by which the fair market value of the Common Stock on the date of the exercise exceeds the purchase price of such shares will generally be taxable to the recipient as ordinary income, and generally will be deductible for tax purposes by the Company (or one of its subsidiaries) in the year in which the recipient recognizes the ordinary income. The disposition of shares acquired upon exercise of any Option will ordinarily result in capital gain or loss (long-term if the shares have been held for more than 12 months) in an amount equal to the difference between the amount realized on such disposition and their tax basis (i.e., generally the sum of the purchase price and the amount of ordinary income recognized in connection with the exercise of the Option).

INCENTIVE STOCK OPTIONS. If an ISO is granted in accordance with the terms of the Option Plan, no income will be recognized by the recipient at the time the ISO is granted. On exercise of an ISO, the recipient will generally not recognize any income and the Company (or one of its Subsidiaries) will generally not be entitled to a deduction for tax purposes. However, the difference between the purchase price and the fair market value of the shares received on the date of exercise will be treated as a positive adjustment in determining alternative minimum taxable income, which may subject the recipient to the alternative minimum tax. The disposition of shares acquired upon exercise of an ISO will ordinarily result in long-term capital gain or loss. However, if the recipient disposes of the shares acquired upon exercise of an ISO within two years after the date of grant or within one year after the date of exercise (a "disqualifying disposition"), the recipient will generally recognize ordinary income, and the Company (or one of its subsidiaries) will generally be entitled to a deduction for tax purposes, in the amount of the excess of the fair market value of the Common Stock on the date the ISO is so exercised over the purchase price (or the gain on sale, if less). Any excess of the amount realized by the recipient on the disqualifying disposition over the fair market value of the shares on the date of exercise of the ISO will ordinarily constitute long-term or short-term capital gain (depending on the applicable holding period).

STOCK APPRECIATION RIGHTS. If a SAR is granted in accordance with the terms of the Option Plan, no income will be recognized by the recipient at the time the SAR is granted. The amount of any cash (or the fair market value of any Common Stock) received upon the exercise of SARs under the Option Plan will be included in the holder's ordinary income and the Company (or one of its Subsidiaries) will be entitled to a deduction for such amount.

Edgar Filing: SYMS CORP - Form DEF 14A

WITHHOLDING TAXES. To the extent a holder of an Option or a SAR recognizes ordinary income in connection therewith, the Company may be required to withhold applicable income taxes related thereto.

ERISA STATUS

The Option Plan is not subject to the provisions of the Employee Retirement Income Security Act of 1976, as amended, nor is it qualified under Section 401(a) of the Code.

SYMS CORP

AMENDED AND RESTATED

INCENTIVE STOCK OPTION AND APPRECIATION PLAN

1. PURPOSES OF THE PLAN

The purposes of this Incentive Stock Option and Appreciation Plan (the "Plan") are to assist Syms Corp., a New Jersey corporation (the "Corporation"), and its subsidiaries (hereinafter defined) in attracting and retaining key employees and to secure for the Corporation and its subsidiaries the benefits of the incentive inherent in ownership of the Corporation's equity securities by employees who are responsible for the continuing growth and success of the Corporation and its subsidiaries. The Plan is intended to allow the granting of options which will be "incentive stock options" as defined in Section 422 of the Internal Revenue Code of 1986, as amended ("Code"), and options that are not incentive stock options ("nonqualified stock options"). The Plan is also intended to allow the granting of stock appreciation rights ("SARs"). Except with respect to options designated as nonqualified stock options, and stock appreciation rights, all terms and conditions of this Plan and any option agreements, and other instruments evidencing the grant of options pursuant hereto, shall be construed in accordance with provisions of the Code applicable to incentive stock options.

For the purposes of this Plan, the term "subsidiary" and/or "subsidiaries" shall have the same meaning as the term "subsidiary corporation" defined in Section 424(f) of the Code, as from time to time amended.

2. SHARES SUBJECT TO THE PLAN

Subject to the provisions of Section 14 of the Plan, an aggregate of 1,000,000 shares of Common Stock, par value \$.05 per share, of the Corporation ("Common Stock"), are available for the granting of stock appreciation rights and issuance upon the exercise of options under the Plan.

The shares to be issued upon the exercise of options under the plan may be authorized but unissued shares of Common Stock or issued shares of Common Stock which are held in the treasury of the Corporation. If an option or stock appreciation right granted under the Plan shall expire or terminate for any reason without having been exercised in full (other than an option or stock appreciation right surrendered for cancellation upon exercise), the unpurchased shares and the stock appreciation rights which were subject thereto shall, unless the Plan shall have been terminated, be added to the shares otherwise available for options and stock appreciation rights under the Plan.

3. TERMS OF THE PLAN

Subject to the provisions of Sections 15 and 17, the Plan shall commence effective as of July 29, 1983, and options and/or stock appreciation rights granted under the Plan must be granted no later than July 28, 2003.

Edgar Filing: SYMS CORP - Form DEF 14A

4. ADMINISTRATION OF THE PLAN

The Plan shall be administered by a committee (the "Committee") which shall consist of not less than two members who shall be appointed by the Board of Directors of the Corporation or, in the absence of such a committee, by the Board of Directors of the Corporation. All actions of the Committee or the Board of Directors with respect to the Plan shall be taken in accordance with the By-Laws of the Corporation. Directors of the Corporation who are either eligible to receive options or stock appreciation rights or both, or to whom options or stock appreciation rights or both have been granted, may vote on any matters affecting the administration of the Plan or the granting of options and stock appreciation rights under the Plan; provided, however, that no director shall vote upon the granting of an option or stock appreciation right to himself, but any such director may be counted in

determining the existence of a quorum at any meeting of the Board of Directors at which the Plan is administered or action is taken with respect to the granting of an option or stock appreciation right. Any action of the Committee or the Board of Directors may be taken by a written instrument signed by all of the members of the Committee or the Board of Directors, as the case may be, and any action so taken by written consent shall be as fully effective as if it had been taken by a majority of the members at a meeting duly held and called.

Subject to the express provisions of the Plan, the Committee or the Board of Directors, as the case may be, shall have the authority, in its discretion: (i) to determine the individuals to receive options or stock appreciation rights or both, the times when they shall receive them, whether a stock appreciation right shall be related to an option (whenever granted), the number of shares to be subject to each option and the number of shares with respect to which stock appreciation rights are to be granted, the exercise price (which must be a lawful consideration) for shares of Common Stock subject to each option and the exercise price (which must be a lawful consideration) of each stock appreciation right, the term of each option or stock appreciation right, the date each option or stock appreciation right shall become exercisable, the adjustment, if any, in the exercise price of an option or a stock appreciation right and the number of shares subject to any option or stock appreciation right upon the happening of any event described in paragraph 14; whether an option shall be an incentive stock option; whether an option or stock appreciation right granted hereunder shall be exercisable in whole, in part or in installments, and, if in installments, the number of shares to be subject to each installment, the date each installment shall become exercisable and the term of each installment; to accelerate the date of exercise of any installment; to determine whether shares may be issued upon exercise of an option as partly paid and, if so, the dates when future installments of the exercise price shall become due and the amounts of such installments; to determine the other terms and provisions of each option or stock appreciation right granted under the Plan; (ii) to construe the respective option certificates or stock appreciation right certificates and the Plan; (iii) to establish, amend and rescind rules and regulations for the administration of the Plan; and (iv) to make all other determinations deemed by it necessary or advisable for administering the Plan. The determinations of the Committee or the Board of Directors, as the case may be, on the matters referred to in this Section 4 shall be conclusive.

5. ELIGIBILITY AND SELECTION

Only key employees (including employees who are officers or directors) of the Corporation or of any of its subsidiaries are eligible to receive options

Edgar Filing: SYMS CORP - Form DEF 14A

or stock appreciation rights or both under the Plan. For the purposes of the Plan, the term "key employees" shall mean and include all persons who have responsibility in the management, administration or supervision of the business or affairs of the Corporation or any of its subsidiaries or are engaged in the development, sale, marketing or promotion of the services of the Corporation or any of its subsidiaries. Directors of the Corporation who are not employees of the Corporation or of a subsidiary are not eligible to receive options or stock appreciation rights under the Plan. In determining the employees to whom options or stock appreciation rights shall be granted under the Plan and the number of shares of Common Stock as to which options or stock appreciation rights may be granted to such employees, the Committee or the Board of Directors, as the case may be, shall consider the duties of the employees, their present and potential contributions to the success of the business of the Corporation, and such other factors as the Committee or the Board of Directors deem relevant in furthering the purposes of the granting of such options or stock appreciation rights and the interests of the Corporation. An employee may receive more than one option or stock appreciation right or both under the Plan.

6. LIMITATIONS ON AMOUNT OF OPTIONS

Except to the extent that the Board designates all or a portion of an option as a nonqualified stock option, the aggregate fair market value (determined as of the date the options are granted) of shares of Common Stock as to which options are exercisable for the first time by an individual during any calendar year (under this Plan and all other plans of the Corporation providing for the grant of options qualifying as "incentive stock options" under

A-2

Section 422 of the Code) shall not exceed \$100,000. If an option is granted pursuant to which the aggregate fair market value of shares with respect to which it first becomes exercisable in any calendar year by an individual exceeds such \$100,000 limitation, the portion of such option which is in excess of the \$100,000 limitation shall be treated as a non-qualified option pursuant to Section 422(d)(1) of the Code.

7. EXERCISE PRICE

The exercise price for each share of Common Stock issuable upon the exercise of an option (other than nonqualified stock options, for which the exercise price must be a lawful consideration determined by the Committee or Board of Directors) granted under the Plan shall not be less than the fair market value (or in the case of an option granted to any person who, at the time of the grant of such option, is the owner of more than ten percent (10%) of the total combined voting power of all classes of stock of the Corporation, not less than 110% of the fair market value) of a share of Common Stock at the time of granting of the option, as determined by the Committee or the Board of Directors, provided that the method of determination shall not be inconsistent with any regulations applicable to "incentive stock options" which may be promulgated by the Internal Revenue Service or the Secretary of the Treasury. The exercise price of a stock appreciation right related to an option shall be the price of the related option. The exercise price (which must be a lawful consideration) of a stock appreciation right not related to an option shall be determined by the Committee or Board of Directors at the time the stock appreciation right is granted.

Edgar Filing: SYMS CORP - Form DEF 14A

8. TERMS OF OPTIONS AND STOCK APPRECIATION RIGHTS

Options and stock appreciation rights under the Plan shall be exercisable as shall be determined by the Committee or the Board of Directors, as the case may be, at the time of grant; PROVIDED, HOWEVER, that options and stock appreciation rights granted thereunder shall be exercisable for a period not exceeding ten (10) years from the date such option or stock appreciation right is granted; PROVIDED, HOWEVER, that an option granted to any person who, at the time such option is granted, is the owner of stock possessing more than ten percent (10%) of the total combined voting power of all classes of stock of the Corporation, must expire no later than five (5) years after the date of grant of the option. Options and stock appreciation rights shall be subject to earlier termination as hereinafter provided.

9. STOCK APPRECIATION RIGHTS

Subject to and in accordance with the provisions of this Plan and the relevant instrument, (a) upon exercise of a stock appreciation right related to an option, the holder will be entitled to receive an amount equal to the excess of the fair market value of the shares covered by the related options surrendered, or portion thereof, over the aggregate option price of such shares, and (b) upon exercise of a stock appreciation right not related to an option, the holder will be entitled to receive an amount equal to the excess of the fair market value of the shares covered by the stock appreciation right over the aggregate exercise price of such stock appreciation right.

10. EXERCISE OF OPTIONS AND STOCK APPRECIATION RIGHTS

Each option shall be exercised, in whole or in part, as to such number of shares of Common Stock and at such time or times as the Committee or the Board of Directors shall have determined at the time of grant. Except as provided in Sections 11 and 12 hereof, the holder of an option (other than a nonqualified stock option) may exercise the option only if the holder is at the time of exercise in the employ of the Corporation or a subsidiary of the Corporation or was employed within the proceeding three months before the date of exercise. Options shall be exercised only by the giving by the holder thereof of written notice to the Corporation at its principal office, or at such other office as may be designated by the Corporation, specifying the number of shares purchased and accompanied by payment in full by cash, certified or bank cashier's check, delivery of notes containing terms approved by the Committee or the Board of Directors, shares of Common Stock of the Corporation owned by the holder of the option (except upon the exercise of an option which was originally granted under the Corporation's Qualified Stock Option Plan), or by any other property, or in any other form, acceptable to the Committee of the

A-3

Board of Directors, as the case may be. An option may be exercised by an employee as to all or part of the shares covered thereby by surrendering for cancellation the option and any related stock appreciation right at the time of payment for shares purchased. Certificates representing the shares of stock purchased upon exercise shall be issued as promptly as practicable thereafter. The holder of an option shall not have any of the rights of a stockholder of the Corporation with respect to the shares of Common Stock issuable upon exercise of the option until one or more certificates evidencing such shares of Common Stock shall have been issued to the holder of the option. In no event may a fraction of a share be purchased or issued under the Plan.

Edgar Filing: SYMS CORP - Form DEF 14A

A stock appreciation right shall be exercisable on such date or dates and during such period as shall be determined pursuant to the provisions of the instrument evidencing such stock appreciation right. A stock appreciation right related to an option may be exercised only when the related option is eligible to be exercised and shall expire no later than the expiration of the related option. A stock appreciation right shall be exercised by the holder giving written notice thereof on the prescribed form and surrendering for cancellation the related option, if any.

11. TERMINATION OF EMPLOYMENT

Except as provided in Section 12, no option or stock appreciation right granted under the Plan shall be exercisable after the holder thereof shall have ceased to be an employee of the Corporation or any of its subsidiaries and, except as provided in Section 12, upon the termination of employment, any such option or stock appreciation right and all rights thereunder, to the extent that such rights shall not have been exercised, shall terminate immediately. Options and stock appreciation rights granted under the Plan shall not be affected by any change of employment so long as the holder continues to be an employee of the Corporation or of any subsidiary of the Corporation.

12. EXERCISE UPON DEATH, DISABILITY OR RETIREMENT OF THE EMPLOYEE

- a. If the holder of an option or stock appreciation right dies while employed by the Corporation or any of its subsidiaries, the option or stock appreciation right may be exercised as to all shares subject to the option or stock appreciation right by the executor or administrator of such deceased employee or by such other person at the time entitled by law to the rights of such deceased employee under the option or stock appreciation right, at any time within six (6) months after death, but in no event after the expiration of the term of the option or stock appreciation right.
- b. In the event that the employment of the holder of any option or stock appreciation right by the Corporation or a subsidiary of the Corporation is terminated by reason of the "disability" of the holder of the option or stock appreciation right, the option or stock appreciation right may be exercised as to all shares subject to the option or stock appreciation right by the holder thereof at any time within six (6) months after the date of such termination of employment, but in no event after the expiration of the term of the option or stock appreciation right. For purposes of the Plan, the term "disability" shall mean a physical or mental disability as defined in Section 22(e)(3) of the Code.
- c. In the event that the employment of the holder of any option or stock appreciation right by the Corporation or a subsidiary of Corporation is terminated by reason of the retirement of the holder of the option or stock appreciation right, the option or stock appreciation right may be exercised (to the extent otherwise exercisable on the date of the retirement of the holder of the option or stock appreciation right) by the holder thereof at any time within three (3) months after the date of such retirement, but in no event after the expiration of the term of the option or stock appreciation right.

Edgar Filing: SYMS CORP - Form DEF 14A

13. NON-TRANSFERABILITY OF OPTIONS AND STOCK APPRECIATION RIGHTS

Options and stock appreciation rights shall not be transferable otherwise than by the last will and testament of the holder of the option or stock appreciation right or the applicable laws of descent and distribution, and during the lifetime of the holder options and stock appreciation rights may be exercised only by the holder thereof. Options and stock appreciation rights may not be assigned, transferred, pledged, hypothecated or disposed of in any way (whether by operation or law or otherwise) except to the extent expressly provided for in the Plan, and shall not be subject to execution, attachment or similar process.

Any assignment, transfer, pledge, hypothecation or other disposition of any option or stock appreciation right attempted contrary to the provisions of this Plan, or any levy of execution, attachment or other process attempted upon an option or stock appreciation right, will be null and void and without effect. Any attempt to make such assignment, transfer, pledge, hypothecation or other disposition of an option or stock appreciation right or any attempt to make any such levy of execution, attachment or other process will cause the option or stock appreciation right to terminate immediately upon the happening of any such event if the Corporation, at any time, should, in the sole discretion of the Committee or the Board of Directors, so elect, by written notice to the employee or to the person then entitled to exercise the option or stock appreciation right under the provisions of Section 12 hereof; PROVIDED, HOWEVER, that any such termination of the option or stock appreciation right under the foregoing provisions of this Section 13 will not prejudice any rights or remedies which the Corporation or any subsidiary may have under the Plan, any certificate, instrument or otherwise.

14. ADJUSTMENTS

If (a) the Corporation shall at any time be involved in a transaction to which subsection (a) of Section 424 of the Code is applicable, (b) the Corporation shall declare a dividend payable in, or shall subdivide or combine its Common Stock, or (c) any other event shall occur which, in the judgment of the Committee or the Board of Directors, necessitates action by way of adjusting the terms of the outstanding options, the Committee or the Board of Directors, as the case may be, shall take any such action as in its judgment shall be necessary to preserve to the holders of options and stock appreciation rights, rights substantially proportionate to the rights existing prior to such event. To the extent that such action shall include an increase or decrease in the number of shares of Common Stock subject to options and/or stock appreciation rights outstanding under the Plan, the aggregate number of shares of Common Stock available under Section 2 of the Plan for issuance upon exercise of such outstanding options and exercise of such stock appreciation rights and of additional options and stock appreciation rights which may be granted shall be increased or decreased, as the case may be, proportionately. No action shall be taken by Committee or by the Board of Directors under the provisions of this Section 14 which, in its judgment, would constitute a modification, extension or renewal of an option (within the meaning of Section 424(h) of the Code), other than a nonqualified stock option, or would prevent an option from qualifying as an "incentive stock option" (within the meaning of Section 422 of the Code). The determination of the Committee or the Board of Directors, as the case may be, with respect to any matter referred to in this Section 14 shall be conclusive and binding upon each holder of an option or stock appreciation right under the Plan.

15. TERMINATION AND AMENDMENT OF THE PLAN

- a. Unless sooner terminated, as hereinafter provided, this Plan shall terminate on July 28, 2003, and no options or stock appreciation

Edgar Filing: SYMS CORP - Form DEF 14A

rights shall be granted hereunder after that date. The Board of Directors may, without further approval by the stockholders, at any time terminate or amend this Plan without notice, or make such modifications of this Plan as it shall deem advisable; provided, however, that the Board of Directors may not, without prior approval by the holders of a majority of the outstanding shares of Common Stock of the Corporation, (i) increase the maximum number of shares of Common Stock as to which options or stock appreciation rights or both may be granted under the Plan (except as

A-5

contemplated by the provisions of Section 14 hereof), (ii) extend the term during which options or stock appreciation rights or both may be granted under the Plan (except as provided in Paragraph (c) of this Section 15), (iii) permit the exercise of an option or stock appreciation right after the date on which such option or stock appreciation right would otherwise terminate pursuant to the terms thereof; or (iv) reduce the exercise price per share to less than the fair market value of a share of Common Stock on the date the option (other than a nonqualified stock option) is granted, or, in the case of any option (other than a nonqualified stock option) granted to an individual who, on the date of the grant of the option, is the owner of more than ten percent (10%) of the total combined voting power of all classes of stock of the Corporation, 110% of the fair market value of a share of Common Stock (except, in both cases, as contemplated by the provisions of Section 14 hereof). No termination, amendment or modification of the Plan may, without the consent of the person to whom any option and/or stock appreciation right theretofore has been granted, adversely affect the rights of such person under such option or stock appreciation right or any unexercised portion thereof.

- b. Notwithstanding the limitation set forth in Paragraph (a) of this Section 15, the Plan and any option and the number of shares as to which any option under the Plan shall have been granted may be reduced, retroactively at any time, to conform to the provisions of the Code and the regulations promulgated thereunder, in order that options (other than those designated nonqualified stock options) under the Plan may qualify as "incentive stock options" within the meaning of the Section 422 of the Code, and no such amendment shall be considered prejudicial to the rights of any holder of an option.
- c. Notwithstanding anything to the contrary contained in this Plan, the period during which options may be granted under the Plan may be extended by the Board of Directors (without stockholder approval) to such later date within which options granted under the Plan may qualify as "incentive stock options" under the Code.

16. SUBSTITUTIONS AND ASSUMPTIONS OF OPTIONS AND STOCK APPRECIATION RIGHTS OF CERTAIN CONSTITUENT CORPORATIONS

Anything in this Plan to the contrary notwithstanding, the Board of Directors may, without further approval by the stockholders, substitute new options for prior options and new stock appreciation rights for prior stock appreciation rights of a constituent corporation (as hereinafter defined) or assume the prior options or stock appreciation rights or both of such

Edgar Filing: SYMS CORP - Form DEF 14A

constituent corporation. The term "constituent corporation" shall mean any corporation which has been merged into or consolidated with the Corporation, or whose assets or stock have been purchased or acquired by or liquidated into the Corporation or by or into one or more subsidiaries of the Corporation, or any parent or any subsidiary of any such corporation.

17. INDEMNIFICATION COMMITTEE

In addition to such other rights of indemnification as they may have as directors or as members of the Committee, the members of the Committee shall be indemnified by the Corporation against the reasonable expenses, including attorneys' fees actually and necessarily incurred in connection with the defense of any action, suit or proceeding, or in connection with any appeal therein, to which they or any of them may be a party by reason of any action taken or failure to act under or in connection with the Plan or any option or stock appreciation rights granted thereunder, and against all amounts paid by them in settlement thereof (provided such settlement is approved by independent legal counsel selected by the Corporation) or paid by them in satisfaction of a judgment in any such action, suit or proceedings, except in relation to matters as to which it shall be adjudged in such action, suit or proceeding that such Committee member is liable for negligence or misconduct in the performance of his duties; provided that within 60 days after institution of any such action, suit or proceeding a Committee member shall in writing offer the Corporation the opportunity, at its own expense, to handle and defend the same.

A-6

18. EFFECTIVENESS OF THE PLAN

The plan shall become effective upon adoption by the Board of Directors of the Corporation; provided, however, that the Plan shall be submitted for approval by the stockholders of the Corporation no later than twelve (12) months after the date of adoption of the Plan by the Board of Directors. Should the stockholders of the Corporation fail to approve the Plan within such twelve-month period, all options and/or stock appreciation rights granted thereunder shall be and become null and void.
