Item 5.02 Departures of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers; Compensatory Arrangements of Certain Officers

On June 6, 2007, the Board of Directors (the Board) of NuVasive, Inc. (the Company), upon recommendation by its Nominating and Corporate Governance Committee, elected Ms. Eileen M. More to serve as a Director of the Company, effective June 6, 2007. Ms. More's term as a member of the Board of Directors is set to expire at the Company's Annual Meeting of Stockholders in 2009. There is no arrangement or understanding between Ms. More and any other person pursuant to which Ms. More was selected as a director of the Company. Ms. More does not have any direct or indirect material interest in any existing or proposed transaction to which the Company is or may become a party. The addition of Ms. More brings the Company's Board to eight members.

During Ms. More's distinguished career, she has worked primarily in venture capital and as an investment analyst. Until 2002, Ms. More was a General Partner at Oak Investments, one of the largest venture capital funds in the United States, which she joined in 1978. Ms. More founded Oak's healthcare investment practice, and was also an active investor in the information technology and retail sectors, with early stage investments in dozens of successful healthcare and technology companies. Ms. More's focus has been on identifying promising companies and management teams, and building companies. Her investments include leadership roles with Genzyme Corporation, Alexion Pharmaceuticals, OraPharma, Inc., Osteotech, Inc. and Compaq Computer.

Ms. More retired from Oak in 2002, but continues to serve on several boards. Ms. More is Chairman Emeritus of the Connecticut Venture Group and a Board member of the University of Connecticut Research and Development Corporation.

For her service on the Board and each committee, Ms. More will receive a cash retainer pursuant to the Company's standard compensation practices. Ms. More was also awarded, on the date of her appointment, an option to purchase up to 42,000 shares of the Company's common stock under the Company's 2004 Equity Incentive Plan (the 2004 Plan). The 2004 Plan also provides for an automatic annual grant of an option to purchase 6,000 shares of the Company's common stock in connection with each future annual meeting of stockholders.
