**ANNUAL MEETING OF SHAREHOLDERS
NOVEMBER 22, 2005**

Edgar Filing: PROVIDENT FINANCIAL HOLDINGS INC - Form DEF 14A

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Provident Financial Holdings, Inc. ("Company") to be used at the Annual Meeting of Shareholders of the Company ("Annual Meeting"). The Company is the holding company for Provident Savings Bank, F.S.B. ("Bank"). The Annual Meeting will be held at the Riverside Art Museum, located at 3425 Mission Inn Avenue, Riverside, California, on Tuesday, November 22, 2005, at 11:00 a.m., local time. This Proxy Statement and the enclosed proxy card are being first mailed to shareholders on or about October 12, 2005.

VOTING AND PROXY PROCEDURE

Shareholders Entitled to Vote. Shareholders of record as of the close of business on September 29, 2005 ("Voting Record Date") are entitled to one vote for each share of common stock of the Company ("Common Stock") then held. As of the close of business on the Voting Record Date, the Company had 6,931,612 shares of Common Stock issued and outstanding.

If you are a beneficial owner of Common Stock held by a broker, bank or other nominee (i.e., in "street name"), you will need proof of ownership to be admitted to the Annual Meeting. A recent brokerage statement or letter from a bank or broker are examples of proof of ownership. If you want to vote your shares of Common Stock held in street name in person at the Annual Meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

Quorum. The presence, in person or by proxy, of at least a majority of the total number of outstanding shares of Common Stock entitled to vote is necessary to constitute a quorum at the Annual Meeting. Abstentions will be counted as shares present and entitled to vote at the Annual Meeting for purposes of determining the existence of a quorum. Broker non-votes will be considered shares present and will be included in determining whether a quorum is present.

Voting. The Board of Directors solicits proxies so that each shareholder has the opportunity to vote on the proposals to be considered at the Annual Meeting. When a proxy card is returned properly signed and dated, the shares represented thereby will be voted in accordance with the instructions on the proxy card. Where no instructions are indicated, proxies will be voted in accordance with the recommendation of the Board of Directors. If a shareholder of record attends the Annual Meeting, he or she may vote by ballot. The Board recommends a vote FOR the election of the nominees for director, and FOR the ratification of the appointment of Deloitte & Touche LLP as the Company's independent auditors for the fiscal year ending June 30, 2006.

The two directors to be elected at the Annual Meeting will be elected by a plurality of the votes cast by shareholders present in person or by proxy and entitled to vote. Shareholders are not permitted to cumulate their votes for the election of directors. Votes may be cast for or withheld from each nominee. Votes that are withheld and broker non-votes will have no effect on the outcome of the election because the nominees receiving the greatest number of votes will be elected.

Ratification of the appointment of independent auditors requires the affirmative vote of a majority of the outstanding shares of Common Stock present in person or by proxy and entitled to vote at the Annual Meeting. In determining whether this proposal has received the requisite number of affirmative votes, abstentions will be counted

<PAGE>

and will have the same effect as a vote against the proposal; broker non-votes will be disregarded and will have no effect on the outcome of the vote.

Proxies; Revocation of a Proxy. The Board of Directors solicits proxies so that each shareholder has the opportunity to vote on the proposals to be considered at the Annual Meeting. When a proxy card is returned properly signed and dated, the shares represented thereby will be voted in accordance with the instructions on the proxy card. Where a proxy card is properly signed and dated but no instructions are indicated, proxies will be voted FOR the nominees for directors set forth below, and FOR the ratification of the appointment of Deloitte & Touche LLP as independent auditors.

Shareholders who execute proxies retain the right to revoke them at any time before they are voted. Proxies may be revoked by written notice delivered in person or mailed to the Secretary of the Company or by filing a later proxy prior to a vote being taken on a particular proposal at the Annual Meeting. Attendance at the Annual Meeting will not automatically revoke a proxy, but a shareholder of record in attendance may request a ballot and vote in person, thereby revoking a prior granted proxy.

If your Common Stock is held in street name, you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares voted. Your broker or bank may allow you to deliver your voting instructions via the telephone or the Internet. Please see the instruction form that accompanies this proxy statement. If you wish to change your voting instructions after you have returned your

Edgar Filing: PROVIDENT FINANCIAL HOLDINGS INC - Form DEF 14A

voting instruction form to your broker or bank, you must contact your broker or bank.

Participants in the Provident Savings Bank ESOP. If a shareholder is a participant in the Provident Savings Bank, F.S.B. Employee Stock Ownership Plan (the "ESOP"), the proxy card represents a voting instruction to the trustees of the ESOP as to the number of shares in the participant's plan account. Each participant in the ESOP may direct the trustees as to the manner in which shares of Common Stock allocated to the participant's plan account are to be voted. Unallocated shares of Common Stock held by the ESOP and allocated shares for which no voting instructions are received will be voted by the trustees in the same proportion as shares for which the trustees have received voting instructions.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Persons and groups who beneficially own in excess of 5% of the Common Stock are required to file with the Securities and Exchange Commission ("SEC"), and provide a copy to the Company, certain reports disclosing their ownership pursuant to the Securities Exchange Act of 1934, as amended ("Exchange Act"). Based on these reports, the following table sets forth, as of the close of business on the Voting Record Date, certain information as to those persons who were beneficial owners of more than 5% of the outstanding shares of Common Stock. Management knows of no persons other than those set forth below who beneficially owned more than 5% of the outstanding shares of Common Stock as of the close of business on the Voting Record Date.

The following table also sets forth, as of the close of business on the Voting Record Date, information as to the shares of Common Stock beneficially owned by (a) each current director of the Company and each of management's nominees for director, (b) each of the executive officers named in the Summary Compensation Table ("named executive officers") and (c) all executive officers and directors of the Company as a group.

PROPOSAL I - ELECTION OF DIRECTORS

The Company's Board of Directors consists of seven members. The Board of Directors is divided into three classes with three-year staggered terms, with approximately one-third of the directors elected each year. Mr. Seymour M. Jacobs resigned as a director effective November 18, 2004 and the Board of Directors voted to decrease the size of the Board from eight to seven members. A majority of the Board of Directors is comprised of independent directors, in accordance with the requirements for companies quoted on The Nasdaq Stock Market. The Board of Directors has determined that all of the members of the Board of Directors are independent, except for Mr. Blunden who serves as President and Chief Executive Officer of the Company and the Bank and Mr. Schrader who served as an Executive Vice President of the Bank until his retirement on March 31, 2003.

The Nominating and Corporate Governance Committee of the Board of Directors has nominated for election as directors Craig G. Blunden and Roy H. Taylor, each to serve for a three-year term, or until their respective successors have been elected and qualified. Each of the nominees for election as director is a current member of the Board of Directors of the Company and the Bank.

4

<PAGE>

It is intended that the proxies solicited by the Board of Directors will be voted for the election of the above-named nominees. If either nominee is unable to serve, the shares represented by all valid proxies will be voted for the election of such substitute as the Board of Directors may recommend or the Board of Directors may adopt a resolution to amend the Bylaws and reduce the size of the Board. At this time, the Board of Directors knows of no reason why either nominee might be unavailable to serve.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF MESSRS. BLUNDEN AND TAYLOR.

The following table sets forth certain information regarding the nominees for election at the Annual Meeting, as well as information regarding those directors continuing in office after the Annual Meeting.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

Edgar Filing: PROVIDENT FINANCIAL HOLDINGS INC - Form DEF 14A

The Boards of Directors of the Company and the Bank conduct their business through meetings of the Boards and through their committees. During the fiscal year ended June 30, 2005, the Board of Directors of the Company held 11 meetings and the Board of Directors of the Bank held 11 meetings. No director of the Company or the Bank attended fewer than 75% of the total meetings of the Boards and committees on which that person served during this period.

The Board of Directors of the Company has an Audit Committee, currently consisting of Directors Barr (Chairman), Bennett and Guthrie, which is responsible for reviewing the adequacy of the Bank's system of internal accounting controls, approving the services provided by the Company's outside auditor and meeting with the Company's outside auditor to discuss the results of the annual audit and any related matters. The Audit Committee has a Charter which specifies its obligations and the Committee believes it has fulfilled its responsibilities under the Charter. The Charter was attached to last year's annual meeting proxy statement as Appendix A. Each member of the Audit Committee is "independent," in accordance with the requirements for companies quoted on The Nasdaq Stock Market. In addition, Mr. Barr meets the definition of "audit committee financial expert," as defined by the SEC. The Audit Committee met five times during the fiscal year ended June 30, 2005.

The Board of Directors also has a Nominating and Corporate Governance Committee, currently consisting of Directors Thomas (Chairman), Barr, Bennett, Guthrie, and Taylor, for selecting the nominees for election as directors. The Committee has a Charter which specifies its obligations, a copy of which is available on the Company's website at www.myprovident.com. Each member of the Committee is "independent," in accordance with the requirements for companies quoted on The Nasdaq Stock Market. The Nominating and Corporate Governance Committee met once during the fiscal year ended June 30, 2005.

Only those nominations made by the Committee or properly presented by shareholders will be voted upon at the Annual Meeting. In its deliberations for selecting candidates for nominees as director, the Nominating Committee considers the candidate's knowledge of the banking business and involvement in community, business and civic affairs, and also considers whether the candidate would provide for adequate representation of the Bank's market area. Any nominee for director made by the Committee must be highly qualified with regard to some or all these attributes. In searching for qualified director candidates to fill vacancies on the Board, the Committee solicits its current Board of Directors for names of potentially qualified candidates. Additionally, the Committee may request that members of the Board of Directors pursue their own business contacts for the names of potentially qualified candidates. The Committee would then consider the potential pool of director candidates, select the candidate the Committee believes best meets the then-current needs of the Board, and conduct a thorough investigation of the proposed candidate's background to ensure there is no past history that would cause the candidate not to be qualified to serve as a director of the Company. Although the Company's Nominating and Corporate Governance Committee Charter does not specifically provide for

6

<PAGE>

the consideration of shareholder nominees for directors, the Committee will consider director candidates recommended by the Company's shareholders in accordance with the Company's Certificate of Incorporation. Because the Company's Certificate of Incorporation provides a process for shareholder nominations, the Committee did not feel it was necessary to provide for shareholder nominations of directors in its Charter. If a shareholder submits a proposed nominee, the Committee would consider the proposed nominee, along with any other proposed nominees recommended by members of the Company's Board of Directors, in the same manner in which the Committee would evaluate its nominees for director. For a description of the proper procedure for shareholder nominations, see "Shareholder Proposals and Nominations" in this proxy statement.

The Personnel/Compensation Committee, currently consisting of Directors Taylor (Chairman) and Thomas, is responsible for reviewing the Bank's employee benefit programs and wage and salary administration program, making recommendations to the full Board of Directors on annual salary increases and bonuses and addressing other personnel issues as they arise. The Personnel/Compensation Committee met four times during the fiscal year ended June 30, 2005.

Board Policies Regarding Communications with the Board of Directors and Attendance at Annual Meetings

The Board of Directors maintains a process for shareholders to communicate with the Board of Directors. Shareholders wishing to communicate with the Board of Directors may do so by mailing a letter marked "Confidential" to the Board of Directors, Provident Financial Holdings, Inc., 3756 Central Avenue, Riverside, California 92506. Any communication must state the number of shares beneficially owned by the shareholder making the communication. The Company does not have a policy regarding Board member attendance at annual meetings of shareholders. All members of the Board of Directors, except Director Jacobs, attended the 2004 Annual Meeting of Shareholders.

Corporate Governance

The Company and the Bank are committed to establishing and maintaining high standards of corporate governance. The Board of Directors is cognizant of its responsibility to comply with the provisions contained in the Sarbanes-Oxley Act of 2002, the rules and regulations of the SEC adopted thereunder, and the rules of The Nasdaq Stock Market with respect to corporate governance. The Board and its committees will

Edgar Filing: PROVIDENT FINANCIAL HOLDINGS INC - Form DEF 14A

continue to evaluate and improve the Company's and the Bank's corporate governance principles and policies as necessary and as required.

Code of Ethics. On June 30, 1995, the Board of Directors adopted, and on June 24, 2004 revised, the Code of Ethics. The Code is applicable to the Company's employees, as well as the Board of Directors, Chief Executive Officer, Chief Financial Officer, Senior Management and Controller, and requires individuals to maintain the highest standards of professional conduct. A copy of the Code of Ethics is available on the Company's website at www.myprovident.com.

DIRECTORS' COMPENSATION

Non-employee directors of the Bank currently receive a monthly retainer of \$2,000, a fee of \$400 for each committee meeting attended, and a fee of \$1,000 for each special board meeting attended. The committee chairman receives a fee of \$500. In addition, directors are covered under the Bank's policies for medical, dental and vision care. Dependent coverage is available at the directors' own expense. Following retirement from the Board of Directors, directors continue to receive this coverage. No separate fees are paid for service on the Board of Directors of the Company.

On April 28, 2005, the Board of Directors of the Company approved the acceleration of the vesting of outstanding stock options granted under the 1996 Stock Option Plan. The options that were accelerated were issued prior to January 1, 2004 to directors, officers and key employees who have three or more continuous years of service with the Company or an affiliate of the Company.

For the fiscal year ended June 30, 2005, non-employee Directors Barr, Bennett, Guthrie, Schrader, Taylor and Thomas each received a \$7,000 cash award payment and were granted options to acquire 1,500 shares of Common Stock

7

<PAGE>

under the Company's 2003 Stock Option Plan. The options vest at a rate of 20% per year over a five year period. Options will become immediately exercisable in the event of a change of control of the Company.

Option Grants in Last Fiscal Year

The following table sets forth information concerning the grant of stock options to Mr. Milton J. Knox, a named executive officer of the Company, during the fiscal year ended June 30, 2005. No options were granted to the Chief Executive Officer and the other named executive officers of the Company during the fiscal year ended June 30, 2005.

Individual Grants

Name	Number of Securities Underlying Options Granted (1)	Percent of Total Options Granted to Employees in Fiscal Year	Exercise Price (per share)	Expiration Date	Potential Realizable Value at Assumed Annual Rates of Stock Price Appreciation for Option Term (2)

Milton J. Knox 25,000 36.76% \$27.80 09/21/2014 \$437,082 \$1,107,651

- (1) The reported option grants vest at the rate of 20% per annum. Options will become immediately exercisable in the event of a change in control of the Company.
- (2) The dollar gains under these columns result from calculations required by the SEC's rules and are not intended to forecast future price appreciation of the Common Stock of the Company. It is important to note that options have value to the listed executive only if the stock price increases above the exercise price shown in the table during the effective option period. In order for the listed executive to realize the potential values set forth in the 5% and 10% columns in the table, the price per share of the Common Stock would be approximately \$45.28 and \$72.11, respectively, as of the expiration of the options.

Option Exercise/Value Table

The following information with respect to options exercised during the fiscal year ended June 30, 2005, and remaining unexercised at the end of the fiscal year, is presented for the Chief Executive Officer and the other named executive officers.

Name	Shares Acquired on Exercise	Value Realized	Number of Securities Underlying Unexercised Options at Fiscal Year End (1)		Value of Unexercised In-the-Money Options at Fiscal Year End (2)

- (1) On April 28, 2005, the Board of Directors of the Company approved the acceleration of the vesting of certain outstanding stock options granted under the 1996 Stock Option Plan. The options that were accelerated were issued prior to January 1, 2004 to directors, officers and key employees who have three or more continuous years of service with the Company or an affiliate of the Company.
- (2) Value of unexercised in-the-money stock options equals the market value of shares covered by in-the-money options on June 30, 2005 less the option exercise price. Options are in-the-money if the market value of shares covered by the options is greater than the exercise price.

Employment Agreement

The Bank has entered into an employment agreement with Mr. Blunden. The agreement has a term of three years and may be renewed by the Board for an additional year each year unless Mr. Blunden has attained age 62 or the Board or Mr. Blunden has given advance notice of their intention not to extend the term of the agreement. The agreement further provides for a base salary which may not be reduced except as part of a general salary reduction policy

<PAGE>

for senior executives of the Bank and, at any time, below the initial base salary of the agreement. Mr. Blunden's base salary is subject to annual review by the Board. Mr. Blunden's current base salary under the agreement is \$345,000. In the event of a "change of control" of the Bank (as defined below), Mr. Blunden's base salary is fixed as the sum of his then current base salary and any bonuses paid during the 12-month period preceding the change in control. Under the agreement, Mr. Blunden is eligible to participate in all fringe benefit programs available to employees of the Bank as well as any program made available to senior executives of the Bank, including the use of an employer-provided automobile. The agreement also provides for the reimbursement of expenses incurred by Mr. Blunden in the course of his employment.

In the event of Mr. Blunden's termination without cause by the Bank, the agreement provides for (i) a lump sum payment equal to the discounted present value of the aggregate future base salary payments Mr. Blunden would have received over the then remaining term of the agreement and (ii) the continuation of life and medical insurance at the Bank's expense for Mr. Blunden and his dependents. If Mr. Blunden's

employment terminates by reason of his death or disability, the Bank is also obligated to continue life and medical insurance benefits for Mr. Blunden and his dependents, as applicable.

In the event of Mr. Blunden's termination without cause following a change in control of the Bank, Mr. Blunden is entitled to an additional payment equal to three times the sum of his base salary and bonuses during the 12 months preceding his termination of employment reduced by the value of any other payments made by the Bank by reason of Mr. Blunden's termination without cause. In the event that a change of control of the Bank had occurred on June 30, 2005, based solely on the cash compensation paid to Mr. Blunden during 2005 and excluding the value of any other employee benefits which may be payable, Mr. Blunden would have received a payment of approximately \$1.7 million. For purposes of the agreement, "change in control" is defined to mean (i) a change in control of the Bank as determined under applicable regulations of the Office of Thrift Supervision and (ii) a change in the composition of the Board following a merger, consolidation or other business combination involving the Bank such that a majority of the directors of the resulting entity consists of persons who were not directors immediately prior to such transaction.

Post-Retirement Compensation Agreement

The Bank has entered into a separate post-retirement compensation agreement with Mr. Blunden. The agreement provides that if Mr. Blunden terminates employment with the Bank after attaining age 60, the Bank will provide Mr. Blunden with a monthly benefit for life equal to 50% of his final average monthly salary. For purposes of the agreement, "final average monthly salary" is defined as the average of Mr. Blunden's highest paid 36 consecutive months of employment with the Bank determined by reference to the gross amount of Mr. Blunden's monthly salary excluding bonus and incentive awards, director's fees and accelerated payments of future salary. Assuming that Mr. Blunden's current compensation level was equivalent to his "final average monthly salary," the normal monthly benefit payable under the agreement would be approximately \$13,009. Under the agreement, Mr. Blunden may elect to receive the actuarially determined lump sum equivalent of the normal monthly benefit or a joint-and-survivor benefit. Mr. Blunden may also elect to receive an early retirement benefit under the agreement which is reduced proportionately to reflect the number of months then remaining to Mr. Blunden's 60th birthday. However, in the event of Mr. Blunden's termination of employment prior to age 60 by reason of his death or disability, the agreement provides for payment of the normal monthly benefit to Mr. Blunden or his beneficiary. At June 30, 2005, the accrued liability of the Bank with respect to its obligations under the agreement was \$1.5 million.

Severance Agreements

The Company and the Bank have entered into severance agreements with Ms. Brunner and Messrs. Fenn, Gale, Knox and Ternes. The agreements have a term of one year, which may be extended for an additional year on the anniversary of the effective date of the agreement by the Board of Directors. The agreements provide that in the event of an involuntary termination of the officer following a change in control of the Company or the Bank, they will be entitled to receive two times their then current base salary. A severance payment also will be provided on a similar basis in connection with a voluntary termination of employment where, subsequent to a change in control, the officer is assigned duties inconsistent with their positions, duties, responsibilities and status immediately prior to the change in

10

<PAGE>

control. The Bank or its successor would also be obligated to continue the officer's other employee benefits for a one-year period following termination of employment.

The term "change in control" is defined in the severance agreements as having occurred when, among other things, (a) a person other than the Company purchases shares of the Company's common stock pursuant to a tender or exchange offer for such shares, (b) any person (as such term is used in Sections 13(d) and 14(d)(2) of the Exchange Act) is or becomes the beneficial owner, directly or indirectly, of securities of the Company representing 25% or more of the combined voting power of the Company's then outstanding securities, (c) the membership of the Board of Directors changes as the result of a contested election or (d) shareholders of the Company approve a merger, consolidation, sale or disposition of all or substantially all of the Company's assets, or a plan of partial or complete liquidation. If a change in control of the Company or the Bank occurred during the fiscal year ending June 30, 2005, based solely on the officer's current salary level and excluding the value of any other employee benefits which may be payable, the officers would receive payment as follows: Ms. Brunner, \$249,000; Mr. Fenn, \$297,000; Mr. Gale, \$199,992; Mr. Knox \$230,400; and Mr. Ternes, \$350,000.

AUDIT COMMITTEE MATTERS

Audit Committee Charter. The Audit Committee operates pursuant to a Charter approved by the Company's Board of Directors. The Audit Committee reports to the Board of Directors and is responsible for overseeing and monitoring financial accounting and reporting, the system of internal controls established by management and the audit process of the Company. The Audit Committee Charter sets out the

Edgar Filing: PROVIDENT FINANCIAL HOLDINGS INC - Form DEF 14A

responsibilities, authority and specific duties of the Audit Committee. The Charter specifies, among other things, the structure and membership requirements of the Audit Committee, as well as the relationship of the Audit Committee to the independent accountants, the internal audit department, and management of the Company. A copy of the Audit Committee Charter was attached to last year's annual meeting proxy statement.

Report of the Audit Committee. The Audit Committee reports as follows with respect to the Company's audited financial statements for the fiscal year ended June 30, 2005:

- The Audit Committee has completed its review and discussion of the Company's 2005 audited financial statements with management;
- The Audit Committee has discussed with the independent auditor, Deloitte & Touche LLP, the matters required to be discussed by Statement on Auditing Standards ("SAS") No. 61, *Communication with Audit Committees*, as amended by SAS No. 90, *Audit Committee Communications*, including matters related to the conduct of the audit of the Company's financial statements;
- The Audit Committee has received written disclosures, as required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committee*, indicating all relationships, if any, between the independent auditor and its related entities and the Company and its related entities which, in the auditors' professional judgment, reasonably may be thought to bear on the auditors' independence, and the letter from the independent auditors confirming that, in its professional judgment, it is independent from the Company and its related entities, and has discussed with the auditors the auditors' independence from the Company; and
- The Audit Committee has, based on its review and discussions with management of the Company's 2005 audited financial statements and discussions with the independent auditors, recommended to the Board of Directors that the Company's audited financial statements for the year ended June 30, 2005 be included in the Company's Annual Report on Form 10-K.

Independence and Other Matters. Each member of the Audit Committee is "independent," as defined, in the case of the Company, under The Nasdaq Stock Market Rules. The Audit Committee members do not have any relationship to the Company that may interfere with the exercise of their independence from management and the Company. None of the Audit Committee members are current officers or employees of the Company or its affiliates.

COMPENSATION COMMITTEE MATTERS

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Exchange Act that might incorporate future filings, including this Proxy Statement, in whole or in part, the following Report of the Compensation Committee and Performance Graph shall not be incorporated by reference into any such filings.

Report of the Personnel/Compensation Committee. Under rules established by the SEC, the Company is required to provide certain data and information in regard to the compensation and benefits provided to the Company's Chief Executive Officer and other executive officers of the Company and the Bank. The disclosure requirements for the Chief Executive Officer and other executive officers include the use of tables and a report explaining the rationale and considerations that led to the fundamental executive compensation decisions affecting those individuals. Insofar as no separate compensation is currently payable by the Company, the Personnel/ Compensation Committee of the Bank (the

Edgar Filing: PROVIDENT FINANCIAL HOLDINGS INC - Form DEF 14A

"Committee"), at the direction of the Board of Directors of the Company, has prepared the following report for inclusion in this proxy statement.

General. The Personnel/Compensation Committee of the Board of Directors is responsible for establishing and implementing all compensation policies of the Bank and its subsidiaries. The Committee is also responsible for evaluating the performance of the Chief Executive Officer of the Bank and approving an appropriate compensation level. The Chief Executive Officer evaluates the performance of certain Senior Vice Presidents of the Bank and recommends to the Committee individual compensation levels for approval by the Committee.

Compensation Policies. The Committee believes that a compensation plan for executive officers should take into account management skills, long-term performance results and shareholder returns. The principal underlying compensation policies are: (1) to attract and retain key executives who are highly qualified and are vital to the long-term success of the Bank and its subsidiaries; (2) to provide levels of compensation competitive with those offered throughout the banking industry; (3) to motivate executives to enhance long-term shareholder value by helping them build their own ownership in the Company; and (4) to integrate the compensation program with the Bank's long-term strategic planning and management process.

Base Salary. The Bank's current compensation plan involves a combination of salary and bonuses to reward short-term performance, and has included, and, in the future, may include grants of stock options to encourage long-term performance. The salary levels of executive officers are designed to be competitive within the banking and financial services industries. Individual annual performance is reviewed to determine appropriate salary adjustments. Compensation information is obtained by reviewing proxy statements and various compensation surveys including the America's Community Bankers Survey, the California Bankers Association Survey and the Employers Group Survey.

Annual Incentive Plan. The Annual Incentive Plan is based on annual performance of the Company compared to the business plan and individual performance requirements. The Plan is designed to provide for baseline bonuses up to 50% of salary for the Chief Executive Officer, up to 38% of salary for the Chief Financial Officer, up to 25% of salary for Senior Officers, up to 12% of salary for certain managers, and up to 8% of salary for certain department managers. Actual bonuses may exceed the baseline if the Company performs better than the business plan and/or the individual employee performs better than the individual performance requirements. The business plan outlines a number of performance goals such as net income, total assets, return on equity, return on assets, net interest margin, efficiency ratio, and diluted earnings per share, among others. Individual performance requirements are project related and consistent with the duties and responsibilities of the particular employee.

12

<PAGE>

Long Term Incentive Compensation. The Stock Option Plan is designed to attract and retain qualified personnel and nonemployee directors, to provide such officers, key employees and nonemployee directors with a proprietary interest in the Company as an incentive to contribute to the success of the Company and the Bank and to reward officers and key employees for outstanding performance. Stock options have been granted to key employees of the Company and its subsidiaries, including the Bank. The Stock Option Plan is administered and interpreted by a committee of the Board of Directors. Under the Stock Option Plan, such committee determines which officers and key employees will be granted options, the number of shares subject to each option, and the exercisability of such options. The per share exercise price of an option will equal at least 100% of the fair market value of a share of Common Stock on the date the option is granted.

Compensation of the Chief Executive Officer. During the fiscal year ended June 30, 2005, the base salary of Craig G. Blunden, President and Chief Executive Officer of the Bank, was \$335,000 along with an incentive bonus of \$231,563. The Committee believes Mr. Blunden's current compensation is appropriate based on competitive salary surveys and the performance of the Bank.

Personnel/Compensation Committee:

Roy H. Taylor, Chairman
William E. Thomas

Compensation Committee Interlocks and Insider Participation. No members of the Personnel/ Compensation Committee were officers or employees of the Company or any of its subsidiaries during the year ended June 30, 2005, were formerly Company officers or had any relationships otherwise requiring disclosure.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's executive officers and directors, and persons who own more than 10% of any registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the SEC. Executive officers, directors and greater than 10% shareholders are required by regulation to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms it has received and written representations provided to the Company by the above referenced persons, the Company believes that, during the fiscal year ended June 30, 2005, all filing requirements applicable to its reporting officers, directors and greater than 10% shareholders were properly and timely complied with.

TRANSACTIONS WITH MANAGEMENT

As required by federal regulations, all loans or extensions of credit to executive officers and directors are made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons (except for loans made pursuant to programs generally available to all employees) and do not involve more than the normal risk of repayment or present other unfavorable features. In addition, loans made by the Bank to a director or executive officer in an amount that, when aggregated with the amount of all other loans by the Bank to such person and his or her related interests, are in excess of the greater of \$25,000 or 5% of the Bank's capital and surplus (up to a maximum of \$500,000) are subject to approval in advance by a majority of the disinterested members of the Board of Directors.

PROPOSAL II - RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

Deloitte & Touche LLP served as the Company's independent auditors for the fiscal year ended June 30, 2005. The Audit Committee of the Board of Directors has appointed Deloitte & Touche LLP as independent auditors for the fiscal year ending June 30, 2006, subject to approval by shareholders. A representative of Deloitte & Touche LLP will be present at the Annual Meeting to respond to shareholders' questions and will have the opportunity to make a statement if he or she so desires.

The following table sets forth the aggregate fees billed to the Company by Deloitte & Touche LLP for professional services rendered for the fiscal years ended June 30, 2005 and 2004.

	June 30,	
	2005	2004
Audit Fees (1)	\$508,602	\$165,970
Audit-Related Fees	--	2,400(2)
Tax Fees	40,000	36,172
All Other Fees	--	--

- (1) Includes fees paid to Deloitte & Touche LLP for the annual audit and quarterly reviews of the consolidated financial statements. For the year ended June 30, 2005, also includes fees related to compliance with Section 404 of the Sarbanes-Oxley Act of 2002 regarding the Company's internal control over financial reporting.
- (2) Includes fees paid to Deloitte & Touche LLP primarily for consulting on financial accounting/reporting standards and controls.

The Audit Committee will establish general guidelines for the permissible scope and nature of any permitted non-audit services to be provided by the independent auditors in connection with its annual review of its Charter.

<PAGE>

Pre-approval may be granted by action of the full Audit Committee or by delegated authority to one or more members of the Audit Committee. If this authority is delegated, all approved non-audit services will be presented to the Audit Committee at its next meeting. In considering non-audit services, the Audit Committee or its delegate will consider various factors, including but not limited to, whether it would be beneficial to have the service provided by the independent auditors and whether the service could compromise the independence of the independent auditors.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS INDEPENDENT AUDITORS OF THE COMPANY FOR THE FISCAL YEAR ENDING JUNE 30, 2006.
