INFORMATION ABOUT THE ANNUAL MEETING

Time and Place of the Annual Meeting

Our annual meeting will be held as follows:

Friday, January 16, 2009

Date:

3:00 p.m., local time

Time:

Place: Nampa Civic Center, Home Federal Room, 311 3rd Street South, Nampa, Idaho

Matters to Be Considered at the Annual Meeting

At the meeting, you will be asked to consider and vote upon the following proposals:

Proposal 1. Election of three directors of Home Federal for three-year terms;

2. Proposal Ratification of the appointment of Moss Adams LLP as our independent auditor for the fiscal year ending September 30, 2009; and
- Proposal 3. Adoption of the Home Federal Bancorp, Inc. 2008 Equity Incentive Plan.

You also will transact any other business that may properly come before the annual meeting. As of the date of this proxy statement, we are not aware of any other business to be presented for consideration at the annual meeting other than the matters described in this proxy statement.

Who is Entitled to Vote?

We have fixed the close of business on November 21, 2008, as the record date for stockholders entitled to notice of and to vote at our annual meeting. Only holders of record of Home Federal's common stock on that date are entitled to notice of and to vote at the annual meeting. You are entitled to one vote for each share of Home Federal common stock you own. On November 21, 2008, there were 17,359,427 shares of Home Federal common stock outstanding and entitled to vote at the annual meeting.

How Do I Vote at the Annual Meeting?

Proxies are solicited to provide all stockholders of record on the voting record date an opportunity to vote on matters scheduled for the annual meeting and described in these materials. You are a stockholder of record if your shares of Home Federal common stock are held in your name. If you are a beneficial owner of Home Federal common stock held by a broker, bank or other nominee (i.e., in Astreet name@), please see the instructions in the following question.

Shares of Home Federal common stock can only be voted if the stockholder is present in person or by proxy at the annual meeting. To ensure your representation at the annual meeting, we recommend you vote by proxy even if you plan to attend the annual meeting. You can always change your vote at the meeting if you are a stockholder of record.

Voting instructions are included on your proxy card. Shares of Home Federal common stock represented by properly executed proxies will be voted by the individuals named on the proxy card in accordance with the stockholder=s instructions. Where properly executed proxies are returned to us with no specific instruction as how to vote at the annual meeting, the persons named in the proxy will vote the shares "FOR" the election of each of management=s director nominees, "FOR" ratification of the appointment of Moss Adams LLP as our independent auditor for the fiscal year ending September 30, 2009 and "FOR" adoption of the 2008 Equity Incentive Plan. If any other matters are properly presented at the annual meeting for action, the persons named in the enclosed proxy and acting thereunder will have the discretion to vote on these matters in accordance with their best judgment. We do not currently expect that any other matters will be properly presented for action at the annual meeting.

You may receive more than one proxy card depending on how your shares are held. For example, you may hold some of your shares individually, some jointly with your spouse and some in trust for your children. In this case, you will receive three separate proxy cards to vote.

What if My Shares Are Held in "Street Name" by a Broker?

If you are the beneficial owner of shares held in "street name" by a broker, your broker, as the record holder of the shares, is required to vote the shares in accordance with your instructions. If you do not give instructions to your broker, your broker may nevertheless vote the shares with respect to discretionary items, but will not be permitted to vote your shares with respect to non-discretionary items, pursuant to current industry practice. In the case of non-discretionary items, the shares not voted will be treated as Abroker non-votes.@ The proposals to elect directors and ratify the auditor described in this proxy statement are considered discretionary items under the rules of The Nasdaq Stock Market LLC (ANasdaq@). The proposal to adopt the 2008 Equity Incentive Plan is a non-discretionary item.

If your shares are held in street name, you will need proof of ownership to be admitted to the annual meeting. A recent brokerage statement or letter from the record holder of your shares are examples of proof of ownership. If you want to vote your shares of common stock held in street name in person at the annual meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

How Will My Shares of Common Stock Held in the Employee Stock Ownership Plan Be Voted?

We maintain an employee stock ownership plan ("ESOP") which owns 7.83% of Home Federal's common stock. Employees of Home Federal and Home Federal Bank participate in the ESOP. Each ESOP participant may instruct the trustee of the plan how to vote the shares of Home Federal common stock allocated to his or her account under the ESOP by completing a vote authorization form. If an ESOP participant properly executes a vote authorization form, the ESOP trustee will vote the participant=s shares in accordance with the participant=s instructions. Unallocated shares of Home Federal common stock held by the ESOP will be voted by trustee in the same proportion as shares for which the trustee has received voting instructions. Allocated shares for which proper

voting instructions are not received will be voted by the trustee as directed by the ESOP administrator. In order to give the trustees sufficient time to vote, all vote authorization forms from ESOP participants must be received by the transfer agent on or before January 6, 2009.

How Many Shares Must Be Present to Hold the Meeting?

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by proxy, of at least a majority of the shares of Home Federal common stock entitled to vote at the annual meeting as of the record date will constitute a quorum. Proxies received but marked as abstentions or broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

What if a Quorum Is Not Present at the Meeting?

If a quorum is not present at the scheduled time of the meeting, a majority of the stockholders present or represented by proxy may adjourn the meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice will be given unless the adjourned meeting is set to be held after March 21, 2009 or a new record date for the meeting is set. An adjournment will have no effect on the business that may be conducted at the meeting.

Vote Required to Approve Proposal 1: Election of Directors

Directors are elected by a plurality of the votes cast, in person or by proxy, at the annual meeting by holders of Home Federal common stock. Accordingly, the three nominees for election as directors who receive the highest number of votes actually cast will be elected. Pursuant to our Articles of Incorporation, stockholders are not permitted to cumulate their votes for the election of directors. Votes may be cast for or withheld from each nominee. Votes that are withheld will have no effect on the outcome of the election because the nominees receiving the greatest number of votes will be elected. Our Board of Directors unanimously recommends that you vote "FOR" the election of each of its director nominees.

Vote Required to Approval Proposal 2: Ratification of the Appointment of Our Independent Auditor

Ratification of the appointment of Moss Adams LLP as our independent auditor for the fiscal year ending September 30, 2009, requires the affirmative vote of the majority of shares cast, in person or by proxy, at the annual meeting by holders of Home Federal common stock. Abstentions will have the effect of a vote against this proposal. Our Board of Directors unanimously recommends that you vote "FOR" the proposal to ratify the appointment of Moss Adams LLP as our independent auditor for the fiscal year ending September 30, 2009.

Vote Required to Approve Proposal 3: Adoption of the 2008 Equity Incentive Plan

Approval of the Home Federal Bancorp, Inc. 2008 Equity Incentive Plan requires the affirmative vote of the majority of the shares cast, in person or by proxy, at the annual meeting. Abstentions will have the effect of a vote against this proposal and broker non-votes will have no effect on the adoption of this proposal. Our Board of Directors unanimously recommends that you vote "FOR" the approval of the 2008 Equity Incentive Plan.

May I Revoke My Proxy?

You may revoke your proxy before it is voted by:

submitting a new proxy with a later date;

notifying the Secretary of Home Federal in writing before the annual meeting that you have revoked your proxy; or

voting in person at the annual meeting.

If you plan to attend the annual meeting and wish to vote in person, we will give you a ballot at the annual meeting. However, if your shares are held in "street name," you must bring a validly executed proxy from the nominee indicating that you have the right to vote your shares.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of November 21, 2008, the voting record date, information regarding share ownership of:

those persons or entities (or groups of affiliated person or entities) known by management to beneficially own more than five percent of Home Federal's common stock other than directors and executive officers;

each director and director nominee of Home Federal;

each executive officer of Home Federal or Home Federal Bank named in the Summary Compensation Table appearing under "Executive Compensation" below (known as "named executive officers"); and

all current directors and executive officers of Home Federal and Home Federal Bank as a group.

Persons and groups who beneficially own in excess of five percent of Home Federal's common stock are required to file with the Securities and Exchange Commission ("SEC"), and provide a copy to Home Federal, reports disclosing their ownership pursuant to the Securities Exchange Act of 1934. To our knowledge, no other person or entity, other than the ones set forth below, beneficially owned more than five percent of the outstanding shares of Home Federal's common stock as of the close of business on the voting record date.

Beneficial ownership is determined in accordance with the rules and regulations of the SEC. In accordance with Rule 13d-3 of the Securities Exchange Act, a person is deemed to be the beneficial owner of any shares of common stock if he or she has voting and/or investment power with respect to those shares. Therefore, the table below includes shares owned by spouses, other immediate family members in trust, shares held in retirement accounts or funds for the benefit of the named individuals, and other forms of ownership, over which shares the persons named in the table may possess voting and/or investment power. In addition, in computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock subject to outstanding options that are currently exercisable or exercisable within 60 days after the voting record date are included in the number of shares beneficially owned by the person and are deemed outstanding for the purpose of calculating the person's percentage ownership. These shares, however, are not deemed outstanding for the purpose of computing the percentage ownership of any other person.

As of the voting record date, there were 17,359,427 shares of Home Federal common stock outstanding.

The Committee meets quarterly and on an as needed basis to evaluate the effectiveness of Home Federal's internal controls for safeguarding its assets and ensuring the integrity of the financial reporting. The Committee also appoints the independent auditor and reviews the audit report prepared by the independent auditor. The Audit Committee met five times during the year ended September 30, 2008.

Each member of the Audit Committee is "independent" in accordance with the requirements for companies quoted on The Nasdaq Stock Market. Director Navarro has been designated by the Board of Directors as the "audit committee financial expert," as defined by the SEC. Director Navarro is a certified public accountant and is the Chief Financial Officer of Albertsons LLC.

Nominating Committee

The Nominating Committee consists of Directors Stamey (Chairman), Hedemark and Tinstman. The Nominating Committee and its Chair are appointed annually by the Board of Directors. Members of the Committee are selected from the pool of directors who are not up for election during the appointment year. The Nominating Committee meets annually and on an as needed basis, and is responsible for selecting qualified individuals to fill expiring director's terms and openings on the Board of Directors. Final approval of director nominees is determined by the full Board, based on the recommendations of the Nominating Committee. This Committee met on December 3, 2008 to nominate the directors for election at the 2009 annual meeting of stockholders. Committee members receive no additional fees for serving on the Committee.

In its deliberations for selecting candidates for nominees as director, the Nominating Committee considers the candidate's knowledge of the banking business and involvement in community, business and civic affairs, and also

considers whether the candidate would provide for adequate representation of Home Federal Bank's market area. Any director nominated by the Committee must be highly qualified with regard to some or all the attributes listed in the preceding sentence. In searching for qualified director candidates to fill vacancies on the Board, the Committee solicits its current Board of Directors for names of potentially qualified candidates. Additionally, the Committee may request that members of the Board of Directors pursue their own business contacts for the names of potentially qualified candidates. The Committee would then consider the potential pool of director candidates, select the top candidate based on the candidates' qualifications and the Board's needs, and conduct an investigation of the proposed candidate's background to ensure there is no past history that would cause the candidate not to be qualified to serve as a director of

Home Federal. The Committee will consider director candidates recommended by the Company's stockholders. If a stockholder has submitted a proposed nominee, the Committee would consider the proposed nominee, along with any other proposed nominees recommended by members of the Board of Directors, in the same manner in which the Committee would evaluate its nominees for director. For a description of the proper procedure for stockholder nominations, see "Stockholder Proposals" in this proxy statement.

Compensation Committee

The Compensation Committee is comprised of Directors Hedemark (Chairman), Helpenstell, Navarro and Stamey. It is expected that if elected, Mr. Little will replace Dr. Helpenstell who is retiring effective as of the annual meeting of stockholders. The Compensation Committee meets annually and on an as needed basis regarding the personnel, compensation and benefits related matters of Home Federal.

The Committee also meets, outside of the presence of Mr. Williams, to discuss his compensation and make its recommendation to the full Board, which then votes on Mr. Williams' compensation. Mr. Williams makes recommendations to the Compensation Committee regarding the compensation of all other executive officers. The Committee considers the recommendations of Mr. Williams and makes its recommendation to the full Board, which then votes on executive compensation. This Committee met six times during the year ended September 30, 2008.

Corporate Governance

Director Independence. Our common stock is listed on the Nasdaq Global Select Market. In accordance with Nasdaq requirements, at least a majority of our directors must be independent directors. The Board of Directors has determined that five of our seven directors are independent. Directors Helpenstell, Hedemark, Stamey, Tinstman and Navarro are all independent. The Board of Directors has also determined that Mr. Little, who has been nominated to be director, is independent. Only Len E. Williams, who serves as President and Chief Executive Officer of Home Federal and Home Federal Bank, and Daniel L. Stevens, who stepped down in January 2008 as President and Chief Executive Officer of Home Federal and Chief Executive Officer of Home Federal Bank, are not independent.

Code of Ethics. The Board of Directors has adopted a written Code of Ethics that applies to our directors, officers and employees. You may obtain a copy of the Code of Ethics free of charge by writing to: Eric S. Nadeau, Secretary, Home Federal Bancorp, Inc., 500 12th Avenue South, Nampa, Idaho 83651, or by calling (208) 466-4634. In addition, our Code of Ethics is available on our website at www.myhomefed.com.

Stockholder Communication with the Board of Directors. The Board of Directors maintains a process for stockholders to communicate with the Board of Directors. Stockholders wishing to communicate with the Board of Directors should send any communication to Daniel L. Stevens, Chairman of the Board, Home Federal Bancorp, Inc., 500 12th Avenue South, Nampa, Idaho 83651. Any such communication should state the number of shares beneficially owned by the stockholder making the communication.

Annual Meeting Attendance by Directors. We do not have a policy regarding Board member attendance at annual meetings of stockholders. All of the members of the Board of Directors attended our most recent meeting of stockholders, which was held on December 17, 2007.

Related Party Transactions. We have followed a policy of granting loans to our officers and directors, which fully complies with all applicable federal regulations, including those governing loans and other transaction with affiliated persons of Home Federal Bank. Loans to our directors and executive officers are made in the ordinary course of business and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with all customers, and do not involve more than the normal risk of collectibility or present other unfavorable features.

All loans and aggregate loans to individual directors and executive officers, without regard to loan amount, are completely documented and underwritten using the same underwriting policies, procedures, guidelines and documentation requirements as are used for non-director and non-executive customers of Home Federal Bank. Following

9

the normal underwriting approvals by underwriting personnel, all such loans are then presented for review and approval by the Board of Directors of Home Federal Bank, pursuant to Regulation O of the Federal Reserve Board and the requirements of the Office of Thrift Supervision. There are no exceptions to these procedures and all approvals are documented in the Board meeting minutes. All loans to directors and executive officers were performing in accordance with their terms at September 30, 2008.

(1) The directors did not receive any equity awards in the year ended September 30, 2008.

Represents the dollar amount of expense recognized for financial statement reporting purposes in fiscal 2008 for awards made in prior years and being earned by the director ratably over the five-year period from the date of the award. Amounts are calculated pursuant to the provisions of Financial Accounting Standards Board Statement of Financial Accounting Standards No. 123 (revised 2004), "Share-Based Payment" ("FAS 123R"). For a discussion of valuation assumptions, see Note 9 of the Notes to Consolidated Financial Statements in Home Federal's Annual Report on Form 10-K for the year ended September 30, 2008.

date fair value of \$25,700. As of September 30, 2008, Directors Helpenstell, Malson, Hedemark, Stamey and Tinstman each had 8,127 shares of restricted stock outstanding and Director Navarro had 1,818 shares of restricted stock outstanding.

For Director Navarro, represents a grant of options to purchase 20,000 shares of common stock with a grant date fair value of \$57,200. As of September 30, 2008, Directors Helpenstell, Malson, Hedemark, Stamey and Tinstman each had 15,239 vested and 10,159 unvested options outstanding and Director Navarro had 9,088 vested and 13,632 unvested options outstanding.
- (4) Represents the expense to accrue the estimated present value of future benefits for the director deferred incentive plan.
- (5) Represents the aggregate change in actuarial present value of each director=s accumulated benefit under the director retirement plan.
- (6) Represents dividends received on unvested restricted stock.
- (7) Director Malson retired from the Boards of Directors of Home Federal and Home Federal Bank effective as of January 30, 2008. In connection with his retirement, the Boards took action to reduce the number of directors from eight to seven.

Fees. Directors of Home Federal are currently not compensated, but serve and are compensated by Home Federal Bank. Mr. Williams, however, receives no fees or other remuneration for his service as an employee director.

For the year ended September 30, 2008, Board members received an annual retainer of \$15,000 and \$1,500 for each Board meeting attended and \$250 for each committee meeting attended (\$300 for the chair of each committee). It is not anticipated that separate directors' fees will be paid to directors of Home Federal until such time as these persons devote significant time to the separate management of the affairs of Home Federal, which is not expected to occur until we become actively engaged in additional businesses other than holding the stock of Home Federal Bank. We may determine that such compensation is appropriate in the future.

Director Deferred Incentive Plan. Home Federal Bank maintains a nonqualified deferred incentive plan for directors, which was last amended effective September 14, 2007. All members of the Board of Directors participate in the plan, except for Mr. Williams, who declined participation. Until October 1, 2006, the plan provided an incentive award percentage determined by reference to Home Federal's return on assets and return on equity for the year. Each year, the percentage was determined and multiplied by the participant's directors' fees for the year. The resulting amount was set aside in an unfunded deferral account for that participant. Although the incentive award has been discontinued, participants may still elect to defer all or a part of their directors' fees into the deferral account under the plan. The deferral accounts are credited annually with an interest credit that is based on the growth rate of Home Federal Bank's net worth in Home Federal, subject to a maximum of 12% per year. Upon the participant's termination of service, the value of the participant's combined deferral accounts will begin to be paid. Hardship distributions are permitted, as well as certain limited in-service distributions as permitted by law. The plan also provides a death benefit equal to the director deferrals and interest credit on such amounts plus the greater of the value of the participant's deferral accounts, or a fixed death benefit. All benefits are paid over 120 months, and during that period, the deferral account is adjusted for interest. The director may elect to change the form of benefit, subject to the approval of Home Federal Bank and compliance with legal restrictions. The present value of benefits accrued under this plan, which includes Mr. Stevens' benefits, was \$734,000 at September 30, 2008.

Director Retirement Plan. Home Federal adopted a director retirement plan, effective January 1, 2005, that replaced prior plans. The plan is an unfunded nonqualified retirement plan for directors. All members of the Board of Directors participate in the plan, except for Mr. Williams, who declined participation. Upon the later of attaining age 72 or termination of service, the director will receive an annual benefit equal to 50 percent of the fees paid to the director for the preceding year, payable in monthly installments over 15 years. If the director retires before attaining age 72, his vested accrual benefit will be paid in monthly installments, with interest at a rate of 7.5 percent per year, over 180 months. The accrued benefit vests at a rate of 10 percent per year, except in the event of disability, in which case the vested percentage is 100 percent. If the director terminates service within 24 months following a change in control, he will receive 100 percent of his accrued benefit, plus a change in control benefit equal to 2.99 times his prior years directors fees. Change in control payments are subject to reduction to avoid excise taxes under Section 280G of the Internal Revenue Code. In the event a director dies before termination of service, his beneficiary would receive his projected benefit, which is the final benefit the director would have received had he attained age 72, assuming a 4% annual increase in the directors' fees. In the event the director dies after separation from service, but before receiving the full 15 years of annual benefits, the remaining payments shall be paid to his or her beneficiaries. In-service distributions are permitted in limited circumstances. The present value of benefits accrued under this plan was \$543,000 at September 30, 2008.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis.

This Compensation Discussion and Analysis describes the compensation philosophy and policies for the year ended September 30, 2008, that applied to the executives named in the summary compensation table below (known as the

"named executive officers"). It explains the structure and rationale associated with each material element of each named executive officer's total compensation, and it provides important context for the more detailed disclosure tables and specific compensation amounts provided following the discussion and analysis.

Role of the Compensation Committee. The Compensation Committee is composed entirely of independent directors. The Committee sets and administers the policies that govern our executive compensation programs, and

various incentive and stock option programs. All decisions relating to the compensation of the named executive officers are shared with and approved by the full Board of Directors.

Compensation Philosophy and Objectives. The Compensation Committee believes that a compensation program for executive officers should take into account management skills, long-term performance results, and stockholder returns. The principles underlying our compensation policies are:

to attract and retain key executives who are highly qualified and are vital to our long-term success;

to provide levels of compensation commensurate with those offered in the Treasure Valley as measured by local, regional, and national financial industry compensation surveys;

to align the interests of executives with stockholders by having a significant portion of total compensation based on meeting or exceeding defined performance measures;

to motivate executives to enhance long-term stockholder value and thereby helping them build their own personal ownership in Home Federal; and

to integrate the compensation program with our long-term strategic planning and management process.

We target executive compensation at levels that we believe to be consistent with others in the banking industry. The named executive officers' compensation is weighted toward programs contingent upon our level of annual and long-term performance. In general, for senior management positions, including the named executive officers, we will pay base salaries that target the market median and above of other banks of similar asset size, growth strategy and complexity, and with similar products and markets. Goals for specific components include:

Base salaries for executives generally are targeted between the 50th and 75th percentiles.

The Annual Incentive Plan will provide cash compensation at the 50th percentile when target performance-based goals are achieved and between the 50th and 75th percentiles if annual goals are exceeded.

Performance-based Long-Term Incentive Plan was not offered last year; however, it is being researched for future consideration.

Elements of Compensation. We use the pay components listed below to balance various objectives. The compensation framework helps encourage achievement of strategic objectives and creation of stockholder value, recognize and reward individual initiative and achievements, maintain an appropriate balance between base salary and annual and long-term incentive opportunity, and allows us to compete for, retain and motivate talented executives critical to our success.

Salary. We pay our executives cash salaries intended to be competitive and to take into account the individual's experience, performance, responsibilities, and past and potential contribution to Home Federal and Home Federal Bank. There is no specific weighting applied to the factors considered, and the Committee uses its own judgment and expertise in determining appropriate salaries within the parameters of the compensation philosophy. We target salaries between the 50th and 75th percentiles of competitive practice. This is described in greater detail below, under "Benchmarking."

Salary decisions also take into account the positioning of projected total compensation with target-level performance incentives. Because incentive opportunities are defined as a percentage of salary, changes in salary have an effect on total compensation. Prior to recommending salary increases to the Board of Directors, the Compensation Committee

reviews the projected total compensation based on the proposed salaries.

Annual Cash Incentive. We use an annual incentive to focus attention on current strategic priorities and drive achievement of short-term corporate objectives. Awards are provided under the terms of the annual cash incentive plan.

12

Edgar Filing: Home Federal Bancorp, Inc. - Form DEF 14A

Our named executive officers are eligible to receive annual cash incentive compensation at the end of each year if performance targets are achieved. The Compensation Committee possesses the ability to award discretionary incentive amounts under the cash incentive plan in recognition of other achievements, such as merger and acquisition activities, which are not part of the established performance objectives.

For the fiscal year ended September 30, 2008, the financial performance target was based on the budgeted earnings before income taxes of Home Federal Bank. The target for fiscal year 2008 was \$6.5 million. Home Federal Bank's actual adjusted earnings before income taxes totaled \$4.7 million for fiscal year 2008, or 72% of target. The following table summarizes the goals for income before income taxes at each level of award:

Performance Metric	Threshold	Target	Target Plus	Stretch
Income before income taxes	\$ 5,825,000	\$ 6,472,000	\$ 7,119,000	\$ 9,061,000

The annual cash incentive for Ms. Bateman includes an individual performance component in addition to specific bank financial performance goals. For the other named executive officers, incentive payments are based solely on the financial performance of the Bank. As a result, no cash incentive compensation was paid to Messrs. Williams, Stevens, Nadeau, Schoelkoph, Emerson or Eyre. However, The Compensation Committee recommended to the Board of Directors a modified incentive award to all other employee participants in the annual cash incentive plan, including Ms. Bateman. The modified award included the remuneration for the individual performance component of the plan and the payment of 50% of the amount that would have been awarded had the Bank achieved the threshold level of income before income taxes.

The table below shows the award opportunities at threshold, target, target plus and stretch, as a percentage of salary as well as each named executive officer's actual award for fiscal 2008:

Name	Threshold	Target	Target Plus	Stretch	Cash Award (\$)
Len E. Williams	25%	50%	100%	150%	--
Daniel L. Stevens	25%	50%	100%	150%	--
Eric S. Nadeau	20%	40%	80%	120%	--
Robert A. Schoelkoph	7.5%	15%	30%	45%	--
Steven D. Emerson	20%	40%	80%	120%	--
Steven K. Eyre	20%	40%	80%	120%	--
Cindy L. Bateman	15%	30%	60%	90%	8,682

In October 2008, the Compensation Committee recommended to the Board of Directors the following cash incentive award opportunities for the named executive officers, other than Messrs. Stevens and Schoelkoph who are now retired, for fiscal year 2009:

Name	Target	Target Plus
Len E. Williams	50%	100%
Eric S. Nadeau	40%	80%
Steven D. Emerson	40%	80%
Steven K. Eyre	40%	80%
Cindy L. Bateman	30%	60%

None of the named executive officers has an individual performance component in their 2009 cash incentive award opportunity. Each award will be based on the financial performance of Home Federal. However, Messrs. Emerson and Eyre do have incentive opportunity based on the performance of their respective lines of business. For

those two officers, 75% of their 2009 cash incentive award will be based on the performance of the company as a whole and 25% of their award will be based on the performance of their line of business compared to budget. Nonetheless, no award will be paid to any of the named executive officers if one of the performance metrics is not met, although the Compensation Committee possesses the ability to award discretionary incentive amounts under the cash incentive plan in recognition of other achievements, such as merger and acquisition activities, which are not part of the established performance objectives.

The performance metrics for the fiscal year 2009 annual cash incentive plan are (1) total revenue (defined as net interest income plus noninterest income) and (2) income before income taxes and incentive compensation expense, allocated as follows:

Performance Metrics	Weight	Target	Target Plus
Total revenue	25%	Budget	105% of budget
Income before income taxes and incentive compensation	75%	Budget	115% of budget

Long-Term Incentives. Equity-based compensation is intended to attract and retain qualified executives, to provide these persons with a proprietary interest in Home Federal as an incentive to contribute to our success, and to reward executives for outstanding performance. Equity-based compensation functions as a long-term incentive because awards are generally made with a five-year gradual vesting schedule or a three year cliff vesting schedule. Awards are made either in the form of stock options, stock appreciation rights or restricted stock. Currently, we have in place the 2005 Recognition and Retention Plan and the 2005 Stock Option and Incentive Plan, each of which was approved by our Board of Directors and stockholders. Awards remain available for grant under these two plans. We are proposing the 2008 Equity Incentive Plan for approval by stockholders this year.

The equity-based plans are administered and interpreted by the Compensation Committee of the Board of Directors. Under the plans, the Committee receives recommendations from Mr. Williams and approves which officers and key employees will receive awards, the number of shares subject to each option or shares of restricted stock awarded, and the vesting of the awards. The per share exercise price of an option will equal at least 100% of the fair market value of a share of common stock on the date the option is granted. In addition, newly hired executives may receive awards at the time of their employment. In determining whether to make option or restricted stock awards, the Compensation Committee may take into account historical awards and then-current competitive conditions.

401(k) and Employee Stock Ownership Plan. Home Federal Bank sponsors both a 401(k) plan and an employee stock ownership plan. The purpose of these plans is to provide participating employees with an opportunity to obtain beneficial interests in the stock of Home Federal and to accumulate capital for their future economic security. The Chief Financial Officer, the Executive Vice President of Commercial Banking and the Director of Human Resources are trustees for the 401(k) plan.

Executive Retirement Benefits. We have entered into salary continuation agreements with each of the named executive officers, except Ms. Bateman. These agreements help support the objective of maintaining a stable, committed and qualified team of key executives through the inclusion of retention and non-competition provisions. Under the agreement, an executive will be entitled to a stated annual benefit for a period of 15 years upon retirement from Home Federal after attaining age 65, or upon attaining age 65, if his or her employment had been previously terminated due to disability. There are also benefits for early retirement and termination after a change in control.

Other Compensation. The named executive officers participate in our broad-based employee benefit plans, such as medical, vision, dental, long-term and short-term disability, and term life insurance programs. For certain of the named executive officers, we also provide the following perquisites: auto allowance for business and personal use for transportation for the executive, customers and employees; social and civic club dues for networking and entertaining;

and business and personal use of a cell phone for accessibility to the executive.

Benchmarking. As noted earlier, our compensation structure is designed to position an executive's compensation between the 50th and 75th percentiles of a competitive practice. In 2008, the Compensation Committee

Edgar Filing: Home Federal Bancorp, Inc. - Form DEF 14A

worked with Amalfi Consulting, LLC ("Amalfi"), previously known as the Compensation Group of Clark Consulting, to review total compensation levels for the named executive officers. This review included base salary, annual cash incentives, all forms of equity compensation and all other forms of compensation. The primary data source used in setting competitive market levels for the executives is the information publicly disclosed by a "2008 Peer Group" of the 20 companies listed below, which include banks of similar size and geographic location.

2008 Peer Group

PremierWest Bancorp (PRWT)	Rainier Pacific Financial Group, Inc.
Horizon Financial Corp. (HRZB)	(RPFG)
First Financial Northwest, Inc. (FFNW)	Team Financial, Inc. (TFIN)
HF Financial Corp. (HFFC)	Blue Valley Ban Corp. (BVBC)
Columbia Bancorp (CBBO)	BNCCORP, Inc. (BNCC)
Intermountain Community Bancorp (IMCB)	Timberland Bancorp, Inc. (TSBK)
Pacific Continental Corporation (PCBK)	The Bank Holdings (TBHS)
Washington Banking Company (WBCO)	Idaho Independent Bank (IIBK)
Heritage Financial Corporation (HFWA)	Landmark Bancorp, Inc. (LARK)
Riverview Bancorp, Inc. (RVSB)	Pacific Financial Corporation (PFLC)
	Cowlitz Bancorporation (CWLZ)

After consideration of the data collected on external competitive levels of compensation and internal relationships within the executive group, the Compensation Committee makes decisions regarding individual executives' target total compensation opportunities based on the need to attract, motivate and retain an experienced and effective management team.

Review of Prior Amounts Granted and Realized. We desire to motivate and reward executives relative to driving superior future performance, so we do not currently consider prior stock compensation gains as a factor in determining future compensation levels.

Adjustment or Recovery of Awards. We have not adopted a formal policy or any employment agreement provisions that enable recovery, or "clawback," of incentive awards in the event of misstated or restated financial results. However, Section 304 of the Sarbanes-Oxley Act does provide some ability to recover incentive awards in certain circumstances. If we are required to restate our financials due to noncompliance with any financial reporting requirements as a result of misconduct, the Chief Executive Officer and Chief Financial Officer must reimburse us for (1) any bonus or other incentive- or equity-based compensation received during the 12 months following the first public issuance of the non-complying document, and (2) any profits realized from the sale of securities of Home Federal during those 12 months.

Timing of Equity Grants. The Compensation Committee does not have a formal written policy guiding the timing of equity grants. All equity grants were made after formal Compensation Committee approval and subject to full Board approval. We have reviewed our equity grant practices and have confirmed that all past equity grants have been consistent with Securities and Exchange Commission guidelines.

Tax and Accounting Considerations. We take into account tax and accounting implications in the design of our compensation programs. For example, in the selection of long-term incentive instruments, the Compensation Committee reviews the projected expense amounts and expense timing associated with alternative types of awards. Under current accounting rules, Home Federal must expense the grant-date fair value of share-based grants

such as restricted stock and stock options. The grant-date value is amortized and expensed over the service period or vesting period of the grant. In selecting appropriate incentive devices, the Compensation Committee reviews extensive modeling analyses and considers the related tax and accounting issues.

Compensation Consultants. Over the past five years, the Compensation Committee has engaged Amalfi to assist in several executive compensation initiatives, including salary data, equity plan designs and deferred compensation plans. Because Amalfi is knowledgeable in our executive compensation plans, it is an ongoing working relationship. Periodically, the Committee will engage Amalfi on an As needed@ basis.

Role of Executives in Compensation Committee Deliberations. The Compensation Committee frequently requests the Chief Executive Officer and the Chief Financial Officer to be present at Committee meetings to discuss executive compensation and evaluate Company and individual performance. Occasionally other executives may attend a Committee meeting to provide pertinent human resources, financial and/or legal information. Executives in attendance may provide their insights and suggestions, but only Compensation Committee members may vote on decisions regarding changes in executive compensation to recommend to the full Board. The Chief Executive Officer does not provide the recommendations for changes in his own compensation. The Compensation Committee discusses the compensation of the Chief Executive Officer with him, but final deliberations and all votes regarding his compensation for recommendation to the full Board are made in executive session, without the Chief Executive Officer present. The Committee initiates any changes in his compensation based on periodic market reviews and recommendations from outside consultants. Relative to executives other than the Chief Executive Officer, the Committee uses input from Amalfi Consulting in making its recommendations to the full Board.

Compensation of the Chief Executive Officer. Mr. Williams is the President and Chief Executive Officer of Home Federal Bank and Home Federal. As the Chief Executive Officer of the Bank and the Company, a role he assumed in January 2008, he is responsible for the overall supervision of these entities. He oversees management and has responsibility for all policy development and implementation, he coordinates investor relations with stockholders, he has ultimate responsibility for the overall consolidated performance of the related corporate entities, and has final responsibility for the change and the growth of Home Federal Bank and expansion of the business model of Home Federal Bank. During fiscal year 2008, Mr. Williams received a salary increase from \$210,000 to \$245,000 to reflect the increase in his responsibilities and duties in assuming the role of Chief Executive Officer. While Mr. Williams' compensation exceeds that of all of the other named executive officers, except for that of Mr. Stevens who is now retired, the Compensation Committee believes it is commensurate with his experience and level of responsibility.

Conclusion. We believe our compensation program is reasonable and competitive with compensation paid by other financial institutions of similar size. The program is designed to reward managers for strong personal, Company and share-value performance. The Compensation Committee monitors the various guidelines that constitute the program and reserves the right to adjust them as necessary to continue to meet Company and stockholder objectives.

Employment Agreements. Home Federal Bank has entered into an employment agreement with Len E. Williams. The agreement provided for an initial one-year term, a two-year term that commenced on September 11, 2007 and a three year term commencing on September 11, 2009, provided the agreement has not been terminated earlier by either party. On each anniversary beginning on September 11, 2012, the term of the agreement will be extended for an additional year unless notice is given by the Board to Mr. Williams, or vice versa, at least 90 days prior to the anniversary date. The agreement provides that compensation may be paid in the event of disability, death, involuntary termination or a change in control, as described below under "Potential Payments Upon Termination."

Transition Agreement. On August 21, 2006, we entered into a Transition Agreement with Daniel L. Stevens in connection with his proposed retirement in 2008. The purpose of the agreement was to facilitate the executive succession at Home Federal and Home Federal Bank with the transition of Mr. Stevens to retirement and the employment of a successor executive. Effective as of January 30, 2008, Mr. Stevens resigned as President and Chief Executive Officer of Home Federal and Chief Executive Officer of Home Federal Bank. Following his retirement on October 1, 2008, Mr. Stevens continues to serve as a director of, and Chairman of the Boards of, Home Federal and Home Federal Bank.

Under the terms of the agreement, Mr. Stevens forfeited 65,580 incentive stock options that were exercisable on July 19, 2009 and 2010, which were replaced by a grant of 65,580 non-qualified stock options. In connection with the forfeiture of his incentive stock options, Mr. Stevens will also receive incentive payments on July 19, 2009 and 2010 for the options that become exercisable on each date. The value he will receive on each date will be based on the difference in the aggregate value of the shares that would have been received if the incentive stock options were

exercised as of the date of the agreement less the cost to exercise the incentive stock options on the dates they became exercisable. The incentive payments, however, may be forfeited if Mr. Stevens is not a director of Home Federal and Home Federal Bank under certain circumstances on July 19, 2009 and 2010. The benefits Mr. Stevens is entitled to receive during calendar year 2008 from other compensation plans will be determined pursuant to the terms of each plan. As a result of remaining employed through September 30, 2008, Mr. Stevens became entitled to his fully accrued benefits under his Home Federal Salary Continuation Agreement and Executive Deferred Incentive Agreement.

The agreement may be terminated: (1) by the consent of Mr. Stevens and Home Federal; (2) upon Mr. Stevens' death; (3) upon Mr. Stevens' disability that gives Home

Federal the right to terminate his employment pursuant to Home Federal Bank's current employment policies; (4) by Home Federal if it were required to comply with any law or instruction of any governmental authority; and (5) by either party if the other party violates any provision of the agreement and the violation is not cured within 30 days of notice of such violation.

Severance Agreements. Home Federal Bank has entered into three-year change in control severance agreements with Messrs. Nadeau, Schoelkoph, Emerson and Eyre. On each anniversary of the initial date of the severance agreements, the term of each agreement may be extended for an additional year at the discretion of the Board or an authorized committee of the Board. Mr. Schoelkoph's agreement terminated effective as of his retirement on October 4, 2008. The severance agreements also provide for a severance payment and other benefits if the executive is involuntarily terminated within 12 months after a change in control of Home Federal as described below under "Potential Payments Upon Termination."

(1) Represents the incentives that could have been earned under the annual cash incentive plan. No incentives were paid to the named executive officers, with the exception of Ms. Bateman who received a discretionary incentive of \$8,682, because the relevant performance criterion was not met. See "Annual Cash Incentive" on pages 13-14 for additional discussion on the plan and related awards.

(2) Option awards vest ratably over the five-year period from the grant date, with the first 20% vesting one year after the grant date. The awards to Messrs. Nadeau and Eyre were

granted in conjunction with their hiring during fiscal year 2008. Their stock awards vest ratably over the five-year period from the grant date, with the first 20% vesting one year after the grant date. All other stock awards vest on the third anniversary of the grant date.

(1) All option awards, except for Mr. Stevens's awards, vest ratably over a five year period with the first 20% vesting one year after the grant date. The option awards to Mr. Stevens are subject to the transition agreement described in footnote (3) below. Stock awards granted on 10/19/07 vest on 10/19/10. All other stock awards vest ratably over a five year period with the first 20% vesting one year after the grant date.

(2) In December 2007, Home Federal completed its second-step conversion. As a result, each outstanding share was exchanged for 1.1360 shares in the new public company. Accordingly, all outstanding shares of restricted stock and stock options (and the related exercise prices) were adjusted based on the exchange ratio.

(3) On August 21, 2006, Mr. Stevens forfeited 65,580 incentive stock options, half of which were exercisable on July 19, 2009 and half of which were exercisable on July 19, 2010. These were replaced by a grant of 65,580 non-qualified stock options (74,498 after the conversion) with the same exercise dates, in connection with his transition agreement described above.

The following information is presented with respect to the nature and value of pension benefits, as defined by the SEC, for our named executive officers at September 30, 2008.

(1) We entered into a salary continuation agreement with Mr. Nadeau during fiscal year 2008; however, the agreement was not effective until October 1, 2008.

(2) Ms. Bateman does not have a salary continuation agreement.

We have entered into salary continuation agreements with each of the named executive officers, with the exception of Ms. Bateman. Under these agreements, if the participant makes the required contributions, then upon the participant's normal retirement date (age 65), Home Federal Bank will pay a monthly benefit equal to 50% of the average of the participant's final 36 months of base salary (the final salary benefit), plus the participant's deferral account balance. The participant's deferral account balance is the sum of the participant's elective deferrals plus interest credited. The final benefit paid in connection with a participant's normal retirement will be paid in monthly payments over 180 months and other payments based on accrual balances will be paid over 180 months, with interest credited on unpaid amounts at 7.5% per year. In addition, the agreements provide for benefits upon early retirement, disability, death or change in control, as described below under "Potential Payments Upon Termination."

Nonqualified Deferred Compensation

The following information is presented with respect to plans that provide for the deferral of compensation on a basis that is not tax-qualified in which the named executive officers participated in the year ended September 30, 2008.

Cindy L. Bateman	--	--	--	--	--

We have entered into executive deferred incentive agreements with Daniel L. Stevens and Robert A. Schoelkoph. Mr. Stevens also has a director deferred incentive agreement. Until October 1, 2006, the agreements provided an incentive award percentage determined by reference to Home Federal Bank's return on assets for the year. Each year, the percentage was determined and multiplied by the participant's base salary for the year. The resulting amount was set aside in an unfunded deferral account for that participant. Although the incentive award has been discontinued, the deferral account is credited annually with an interest credit equal to the percentage that is based on the growth rate in Home Federal's retained earnings, subject to a maximum of 12% per year. Upon the participant's

Edgar Filing: Home Federal Bancorp, Inc. - Form DEF 14A

termination of employment after his or her normal retirement date (age 65), Home Federal Bank will pay the value of the participant's deferral account in 180 equal monthly installments. During the payment period, the deferral account is adjusted for interest. The agreements also provide for benefits upon early retirement, early termination, disability, death or change in control, as described below under "Potential Payments Upon Termination."

Potential Payments Upon Termination

We have entered into agreements with the named executive officers that provide for potential payments upon disability, termination and death. In addition, our equity plans also provide for potential payments upon termination. - (1) At September 30, 2008, Mr. Stevens was eligible for full retirement benefits, which are presented in the table above. Early retirement benefits are presented for all other named executive officers. Messrs. Stevens and Schoelkoph retired on September 30, 2008 and October 4, 2008, respectively. As a result, we present only the retirement and early retirement benefits for them.
- (2) Under the terms of Home Federal's 2005 Stock Option and Incentive Plan, 2005 Recognition and Retention Plan, and each employee's salary continuation agreement, the unvested options, restricted stock and salary continuation agreement benefits would accelerate upon a termination associated with a change in control. Home Federal places a hard cap limit on change in control payouts restricting such payments to the amounts below those defined as golden parachute payments under 280G of the Internal Revenue Code. The terms specified under Mr. William's employment agreement and Mr. Nadeau's, Mr. Schoelkoph's, Mr. Emerson's, and Mr. Eyre's severance agreements set the cash severance payout amounts at slightly below the 280G limit. Due to this 280G cap on payouts, the remaining severance balance was placed in the health and welfare benefits category with zero values reported for the intrinsic value of unvested equity. In the absence of the 280G limitation, amounts under all categories, with the exception of cash severance, would exceed the levels reported here. Under the terms of the agreements, each employee may select to receive the severance payment in the relevant form of their choosing (equity or health/welfare benefits) with a commensurate reduction in the cash severance to remain in compliance with the 280G limitation.

(3)

Present value of payout is presented in the table and is based upon a discount rate of 7.5% per the terms of the agreement. Distributions to be made in 180 equal monthly installments.

- (4) The amount reported would be attributed to the vested amount of the salary continuation agreement upon the date of termination. Although vesting in the salary continuation benefit would accelerate under a change in control, except for Messrs. Stevens and Schoelkoph who are 100% vested in their accrual balances at September 30, 2008, due to the 280G limitations specified under the contract no additional payment amount would be made.
- (5) Messrs. Stevens and Schoelkoph are 100% vested in their benefits under this plan.
- (6) The effective date of Mr. Nadeau's salary continuation agreement is October 1, 2008; therefore, no payments would be made under this plan at a termination date of September 30, 2008.
- (7) Distributions to be made in 180 equal monthly installments.

Employment Agreement. Home Federal Bank has entered into an employment agreement with Len E. Williams. The agreement provides for potential payments upon his termination in a variety of scenarios. The agreement may be terminated by Home Federal Bank at any time, by Mr. Williams if he is assigned duties inconsistent with his position, duties and responsibilities, or upon the occurrence of certain events. If Mr. Williams' employment is terminated without cause or upon voluntary termination following the occurrence of an event described in the preceding sentence, Home Federal Bank would be required to honor the terms of the agreement through the expiration of the then current term, including payment of salary at the rate in effect immediately prior to the termination and provision of substantially the same group life insurance, hospitalization, medical, dental, prescription drug and other health benefits, and long-term disability insurance (if any) for the benefit of Mr. Williams and his dependents and beneficiaries who would have been eligible for such benefits if he had not been terminated.

The employment agreement also provides for a severance payment and other benefits if Mr. Williams is involuntarily terminated within 12 months following a change in control of Home Federal. The agreement authorizes severance payments on a similar basis if Mr. Williams voluntarily terminates his employment following a change in control because he is assigned duties inconsistent with his position, duties and responsibilities immediately prior to the change in control. In the event of Mr. Williams' involuntary termination within 12 months after a change in control, Home Federal Bank must (1) pay to him in a lump sum an amount equal to 2.99 times of his base amount, which is his average annual compensation during the five-year period prior to the effective date of the change in control; and (2) provide to Mr. Williams during the remaining term of his agreement substantially the same group life insurance, hospitalization, medical, dental, prescription drug and other health benefits, and long-term disability insurance (if any) for the benefit of Mr. Williams and his dependents and beneficiaries who would have been eligible for such benefits if he had not been terminated.

Section 280G of the Internal Revenue Code provides that severance payments (either separately or in conjunction with other payments made on account of a change in control) that equal or exceed three times an individual's base amount will result in the individual receiving "excess parachute payments" if the payments are conditioned upon a change in control. Individuals receiving parachute payments in excess of 2.99 times of their base amount are subject to a 20% excise tax on the amount by which the value of the individual's change in control benefits exceed one times the individual's base amount (the excess parachute payment). If excess parachute payments are made, we would not be entitled to deduct the amount of these excess payments. The employment agreement provides that severance and other payments that are subject to a change in control will be reduced as much as necessary to ensure that no amounts payable to Mr. Williams will be considered excess parachute payments.

In the event of the death of Mr. Williams while employed under his employment agreement and prior to any termination of employment, Home Federal Bank shall pay to his estate, or such person as he may have previously designated, the salary which was not previously paid to him and which he would have earned if he had continued to be employed under the agreement through the last day of the calendar month in which he died, together with the benefits provided under the employment agreement through that date.

If Mr. Williams becomes entitled to benefits under the terms of the then-current disability plan, if any, of Home Federal or Home Federal Bank or becomes otherwise unable to fulfill his duties under his employment agreement, he shall be entitled to receive such group and other disability benefits, if any, as are then provided by us for executive employees. In the event of such disability, the employment agreement shall not be suspended, except that (1) the obligation to pay salary will be reduced in accordance with the amount of disability income benefits received by the executive, if any, such that, on an after-tax basis, Mr. Williams shall realize from the sum of disability income benefits and the salary the same amount as he would realize on an after-tax basis from the salary if the obligation to pay the salary were not reduced; and (2) upon a resolution adopted by a majority of the disinterested members of the Board of Directors or the committee of the Board, we may discontinue payment of the salary beginning six months following a determination that the executive has become entitled to benefits under the disability plan or otherwise unable to fulfill his duties under the employment agreement.

Severance Agreements. Home Federal Bank entered into three-year change in control severance agreements with each of Messrs. Nadeau, Schoelkoph, Emerson and Eyre. On each anniversary of the initial date of the severance agreements, the term of each agreement may be extended for an additional year at the discretion of the Board or an authorized committee of the Board. Mr. Schoelkoph's agreement terminated effective as of his retirement on October 4, 2008. The severance agreements provide for a severance payment and other benefits if the executive is involuntarily terminated within 12 months after a change in control of Home Federal. Each agreement also authorizes severance payments if the executive voluntarily terminates employment within 12 months following a change in control because of being assigned duties inconsistent with the executive's position, duties, responsibilities and status immediately prior to the change in control. The severance benefit is equal to 2.99 times the executive's average annual compensation during the five-year period prior to the effective date of the change in control (known as the base amount). This amount will be paid to the executive by Home Federal Bank in a cash lump sum within 25 days after

the later of the date of the change in control or the date of the executive's termination. Home Federal Bank also will continue to pay, for the remaining term of the executive's agreement, the life, health and disability coverage of the executive and his eligible

dependents. Plan benefits are reduced to the extent necessary to avoid the payment of an excise tax under Section 280G of the Internal Revenue Code.

Salary Continuation Agreements. As described above, we have entered into salary continuation agreements with each of the named executive officers, with the exception of Ms. Bateman. Under these agreements, upon the participant's normal retirement date (age 65), Home Federal Bank will pay a monthly benefit equal to 50% of the average of the participant's final 36 months of base salary (the final salary benefit). Under Mr. Stevens' and Mr. Schoelkoph's agreements, there was a required contribution and the monthly benefit included the participant's deferral account balance (the sum of the participant's elective deferrals plus interest credited). Mr. Stevens and Mr. Schoelkoph both retired after the end of the 2008 fiscal year and benefit payments have begun under their agreements. Mr. Nadeau's agreement was not effective until October 1, 2008.

The salary continuation agreements provide a reduced monthly benefit if the participant terminates employment as a result of early retirement (before age 65). The early retirement benefit is the participant's vested accrual balance. Vesting occurs at a rate of ten percent per plan year. The agreements also provide a disability benefit, which is the same as the early retirement benefit except that the accrual balance is fully vested. There is also a change in control benefit (if the participant is involuntarily terminated within 24 months following the change in control) equal to (1) the participant's accrual balance determined as of the end of the month preceding the change in control and (2) 2.99 times the participant's base annual salary as of the change in control. Plan benefits are reduced to the extent necessary to avoid the payment of an excise tax under Section 280G of the Internal Revenue Code. In the event of the participant's death, the participant's beneficiary would receive the participant's projected benefit. The participant's projected account is the final benefit the participant would have received had the participant attained age 65, assuming a 4% annual increase in the participant's base salary. The final benefit paid in connection with a participant's normal retirement will be paid in monthly payments over 180 months and other payments based on accrual balances will be paid over 180 months, with interest credited on unpaid amounts at 7.5% per year. Final benefits begin upon the participant's termination of service after the participant's death or disability. Final salary benefits paid on account of early retirement begin upon the participant's attainment of age 65. The participant's deferral account balance will be paid in a lump sum within 60 days of the participant's termination of employment.

Executive Deferred Incentive Agreements. As described above, we have entered into executive deferred incentive agreements with Messrs. Stevens and Schoelkoph. Until October 1, 2006, the agreements provided an incentive award percentage determined by reference to our return on assets for the year. Although the incentive award has been discontinued, the deferral account is credited annually with an interest credit equal to the percentage that is based on the growth rate in our retained earnings, subject to a maximum of 12% per year. Upon the participant's termination of employment after disability, death or an involuntary termination within 24 months following a change in control of Home Federal, the value of the participant's deferred account will begin to be paid. Upon the participant's early retirement on or after age 62, but before age 65, the value of the participant's deferral account, plus the value of his incentive award (reduced to reflect either the early commencement of benefits, or a ten percent reduction for each year of service less than ten), will begin to be paid. Upon the participant's termination of employment prior to the participant's early retirement date, the value of the participant's deferral account, plus the value of his incentive award (reduced by ten percent for each year of service less than ten), will be paid beginning on the participant's normal retirement date. Hardship distributions are permitted, as are certain limited in-service distributions, as permitted by law. All benefits are paid over 180 months, and during that period, the deferral account is adjusted for interest. Benefits are reduced to the extent necessary to avoid the payment of an excise tax under Section 280G of the Internal Revenue Code.

Director Plans. Mr. Stevens also participates in the director deferred incentive plan and director retirement plan, as described above under "Directors' Compensation." These plans provide for payments upon termination under a variety of scenarios as described above. Although Mr. Williams is also a director, he has elected to not participate in these plans.

Equity Plans. The Home Federal Bancorp, Inc. 2005 Stock Option and Incentive Plan and 2005 Recognition and Retention Plan provide for accelerated vesting of awards in the event of a change in control. If a tender offer or exchange offer (other than such an offer by Home Federal) is commenced, or if a change in control has occurred, unless the award agreement provides otherwise, all awards granted and not fully exercisable shall become exercisable in full

upon the happening of such event. The plans also provide for accelerated vesting of awards in the event of a participant's death or disability. If the employment of any of our named executive officers had been terminated as of September 30, 2008 by reason of either death or disability, the value of accelerated vesting of restricted stock awards would be as shown in the table above.

Compensation Committee Interlocks and Insider Participation

The members of the Compensation Committee are Directors Hedemark, Helpenstell, Navarro and Stamey. No members of this Committee were officers or employees of Home Federal or any of its subsidiaries during the year ended September 30, 2008, nor were they formerly officers or had any relationships otherwise requiring disclosure.

REPORT OF THE AUDIT COMMITTEE

The following Report of the Audit Committee of the Board of Directors shall not be deemed to be soliciting material or to be incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or the Securities Exchange Act, except to the extent Home Federal specifically incorporates this report therein, and shall not otherwise be deemed filed under these Acts.

Management is responsible for (1) preparing Home Federal's financial statements so that they comply with generally accepted accounting principles and fairly present the financial condition, results of operations and cash flows; (2) issuing financial reports that comply with the requirements of the SEC; and (3) establishing and maintaining adequate internal control structures and procedures for financial reporting. The Audit Committee's responsibility is to monitor and oversee these processes. In furtherance of its role, the Audit Committee has periodic reviews of Home Federal's internal controls and areas of potential exposure, such as litigation matters. The Committee meets at least quarterly and reviews the interim financial results and earnings releases prior to their publication.

In this context, the Audit Committee has reviewed and discussed with management:

The audited financial statements of Home Federal for the fiscal year ended September 30, 2008;

Home Federal's evaluation of the effectiveness of our internal control over financial reporting as of September 30, 2008; and

The related opinions by the Home Federal's independent registered public accounting firm, Moss Adams LLP.

The Audit Committee also has discussed with Moss Adams LLP, the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as currently in effect.

The Audit Committee also has received a written letter from Moss Adams LLP regarding its independence from Home Federal as required by Public Company Accounting Oversight Board Rule 3520 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees), and has discussed with Moss Adams LLP the independence of that firm.

Based on these materials and discussions, the Audit Committee has recommended to the Board of Directors that Home Federal's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended September 30, 2008.

Audit Committee:

Robert A. Tinstman (Chairman)
N. Charles Hedemark
Richard J. Navarro

PROPOSAL 2 B RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITOR

Appointment of Independent Auditor

The Audit Committee of the Board of Directors has appointed Moss Adams LLP as the independent registered public accounting firm to audit Home Federal's financial statements for the fiscal year ending September 30, 2009. Moss Adams LLP served as Home Federal's independent auditor for the fiscal year ended September 30, 2008. In making its determination to appoint Moss Adams LLP as the independent auditor for the 2009 fiscal year, the Audit Committee considered whether the providing of services (and the aggregate fees billed for those services) by Moss Adams LLP, other than audit services, is compatible with maintaining the independence of the independent auditor. You are asked to ratify this appointment at the annual meeting. If the appointment of Moss Adams LLP is not ratified by our stockholders, the Audit Committee may appoint another independent auditor or may decide to maintain its appointment of Moss Adams LLP.

The Audit Committee operates under a written charter adopted by the Board of Directors. In fulfilling its oversight responsibility of reviewing the services performed by Home Federal's independent auditor, the Committee carefully reviews the policies and procedures for the engagement of the independent auditor. The Audit Committee also discussed with Moss Adams LLP the overall scope and plans for the audit, and the results of its audit. The Committee also reviewed and discussed with Moss Adams LLP the fees paid, as described below.

A representative of Moss Adams LLP is expected to attend the meeting to respond to appropriate questions and will have an opportunity to make a statement if he or she so desires.

The Board of Directors unanimously recommends that you vote "FOR" the ratification of the appointment of Moss Adams LLP as independent auditor for Home Federal for the fiscal year ending September 30, 2009.

Audit Fees

The following table sets forth the aggregate fees billed to Home Federal and Home Federal Bank by Moss Adams LLP for professional services rendered for the fiscal years ended September 30, 2008 and 2007.

	Years Ended September 30,	
	2008	2007
Audit Fees	\$ 212,000	\$ 202,000
Audit-Related Fees (1)	32,000	110,000
Tax Fees	7,000	7,000
All Other Fees	--	--

 Consists of review of documents filed in connection with Home Federal's public offering, as well as
 (1) costs incurred in relation to employee benefit plans.

Pre-approval Policy

It is the policy of the Audit Committee to pre-approve all audit and permissible non-audit services to be provided by

the independent auditor and the estimated fees for these services. Pre-approval is typically granted by the full Audit Committee. In considering non-audit services, the Audit Committee will consider various factors, including but not limited to, whether it would be beneficial to have the service provided by the independent auditor and whether the service could compromise the independence of the independent auditor. For the year ended September 30, 2008, the Audit Committee approved all, or 100%, of the services provided by Moss Adams LLP that were designated as audit fees, audit-related fees, tax fees and all other fees as set forth in the table above.

PROPOSAL 3 B ADOPTION OF 2008 EQUITY INCENTIVE PLAN

General

On November 24, 2008, the Board of Directors of Home Federal unanimously adopted, subject to stockholder approval, the Home Federal Bancorp, Inc. 2008 Equity Incentive Plan. The purpose of the plan is to promote the long-term growth and profitability of Home Federal by providing our directors, advisory directors, officers and employees with an incentive to achieve corporate objectives, to attract and retain individuals of outstanding competence, and to provide these individuals with an equity interest in Home Federal.

The Equity Incentive Plan will allow us to grant stock options, stock appreciation rights, restricted stock and restricted stock units to directors, advisory directors, officers and other employees of Home Federal and its subsidiaries. The plan will become effective as of the date it is approved by the stockholders. If the plan is approved and awards are granted, it may have a dilutive effect on Home Federal's stockholders and will impact its net income and stockholders' equity, although the actual results cannot be determined until the plan is implemented.

A summary of the Equity Incentive Plan is set forth below. This summary is, however, qualified by and subject to the more complete information set forth in the plan, a copy of which is attached to this proxy statement as Appendix A. We believe the Equity Incentive Plan complies with the requirements of the Office of Thrift Supervision. The Office of Thrift Supervision does not endorse or approve the plan in any manner.

Summary

Administration. The Equity Incentive Plan will be administered by a committee appointed by the Board of Directors, consisting of at least two directors, each of whom must be a non-employee director and an outside director, as those terms are defined in the plan. The committee is authorized to make all determinations and decisions under the plan. The committee also determines the individuals to whom awards will be made, the type and amount of awards that will be made, and the terms and conditions applicable to all awards. The committee is also authorized to establish rules for the administration of the plan. The Board currently anticipates that this committee will be the Compensation Committee.

Number of Shares That May Be Awarded. Home Federal has reserved 1,237,286 shares of its common stock for issuance under the 2008 Equity Incentive Plan in connection with the exercise of awards, which represents 7.12% of the amount of Home Federal common stock outstanding on the voting record date. The fair market value of these shares is approximately \$12,496,589 million, based on the closing price of Home Federal's common stock on November 21, 2008. Shares of common stock to be issued under the plan will be authorized but unissued shares. Any shares subject to an award which expires or is terminated unexercised will again be available for issuance under the plan.

Under the Equity Incentive Plan, the committee may grant stock options and stock appreciation rights that, upon exercise, result in the issuance of 883,776 shares of Home Federal common stock, and restricted stock and restricted stock units for an aggregate of 353,510 shares of Home Federal common stock. The plan limits the number of options, stock appreciation rights and restricted stock awards that may be granted to certain participants in the plan.

Adjustments Upon Changes in Capitalization. Shares awarded under the 2008 Equity Incentive Plan may be adjusted by the committee in the event of any recapitalization, split, reorganization, merger, consolidation, spin-off,

combination, exchange of shares or other securities, stock dividend or other special and nonrecurring dividend or distribution (whether in the form of cash, securities or other property), liquidation, dissolution, or other similar corporate transaction or event.

Eligibility to Receive Awards. The committee may grant awards under the 2008 Equity Incentive Plan to directors, advisory directors, officers and employees of Home Federal and its subsidiaries. The committee will select persons to receive awards among the eligible participants and determine the number of shares for each award granted. There are approximately 220 individuals who are currently eligible to receive awards under the plan.

Terms and Conditions of Stock Options. The committee may grant stock options to purchase shares of Home Federal common stock at a price that is not less than the fair market value of the common stock on the date the option is granted. The fair market value is the closing sales price as quoted on Nasdaq. Stock options may not be exercised later than ten years after the grant date. Subject to the limitations imposed by the provisions of the Internal Revenue Code, certain of the options granted under the 2008 Equity Incentive Plan to officers and employees may be designated as "incentive stock options." Options that are not designated and do not otherwise qualify as incentive stock options are referred to as "non-qualified stock options."

The committee will determine the time or times at which a stock option may be exercised in whole or in part and the method or methods by which, and the forms in which, payment of the exercise price with respect to the stock option may be made. Unless otherwise determined by the committee or set forth in the written award agreement evidencing the grant of the stock option, upon termination of service of the participant for any reason other than for cause, all stock options then currently exercisable by the participant shall remain exercisable for one year for terminations due to death or disability and three months for other terminations, or until the expiration of the stock option by its terms if sooner.

Terms and Conditions of Stock Appreciation Rights. The committee may grant stock appreciation rights, which give the recipient of the award the right to receive the excess of the market value of the shares represented by the stock appreciation rights on the date exercised over the exercise price. The exercise price may not be less than the fair market value of the common stock on the date the right is granted. Upon the exercise of a stock appreciation right, the holder will receive the amount due in shares of Home Federal common stock. Stock appreciation rights may be related to stock options ("tandem stock appreciation rights"), in which case the exercise of one award will reduce to that extent the number of shares represented by the other award. Stock appreciation rights may not be exercised later than ten years after the grant date.

Unless otherwise determined by the committee or set forth in the written award agreement evidencing the grant of the stock appreciation right, upon termination of service of the participant for any reason other than for cause, all stock appreciation rights then currently exercisable by the participant shall remain exercisable for one year for terminations due to death or disability and three months for other terminations, or until the expiration of the stock appreciation right by its terms if sooner.

Terms and Conditions of Restricted Stock Awards. The committee is authorized to grant restricted stock, which are shares of Home Federal common stock subject to forfeiture and limits on transfer until the shares vest, and restricted stock units, which are rights to receive shares of Home Federal common stock subject to similar limits as on restricted stock. During the vesting period, the recipient of restricted stock will have all the rights of a stockholder, including the power to vote and the right to receive dividends with respect to those shares. No such rights apply to restricted stock units, until shares are issued for those units; however, recipients may receive a dividend equivalent payment. Shares of restricted stock and restricted stock units generally may not be sold, assigned, transferred, pledged or otherwise encumbered by the participant during the restricted period. The committee has the right to determine any other terms and conditions, not inconsistent with the 2008 Equity Incentive Plan, upon which a restricted stock award shall be granted.

Vesting of Awards. No award may vest beginning earlier than one year from the effective date of the 2008 Equity Incentive Plan and all awards shall vest no more rapidly than in annual installments of than 20% of the total award. Upon a change in control of Home Federal or upon the termination of the award recipients' service due to death or disability, all unvested awards under the Equity Incentive Plan vest as of the date of the change in control or termination.

Forfeiture of Awards. If the holder of an unvested award terminates service other than due to death, disability or a change in control, the unvested award will be forfeited by the holder. Upon any termination of service for cause, all

stock options or stock appreciation rights not previously exercised shall be immediately forfeited by the holder.

Transferability of Awards. Stock options, stock appreciation rights and unvested restricted stock awards may be transferred upon the death of the holder to whom it was awarded, by will or the laws of inheritance. Stock options

and stock appreciation rights may be transferred during the lifetime of the holder to whom it was awarded only pursuant to a qualified domestic relations order.

Amendment and Termination of the Incentive Plan. The 2008 Equity Incentive Plan shall continue in effect for a term of ten years, after which no further awards may be granted. The Board of Directors may at any time amend, suspend or terminate the plan or any portion thereof, except to the extent stockholder approval is necessary or required for purposes of any applicable federal or state law or regulation or the rules of any stock exchange or automated quotation system on which our common stock may then be listed or quoted. Stockholder approval will generally be required with respect to an amendment to the plan that will: (1) increase the aggregate number of securities that may be issued under the plan, except as specifically set forth under the plan; (2) materially increase the benefits accruing to participants under the plan; (3) materially change the requirements as to eligibility for participation in the plan; or (4) change the class of persons eligible to participate in the plan. No amendment, suspension or termination of the Equity Incentive Plan, however, will impair the rights of any participant, without his or her consent, in any award already granted.

Federal Income Tax Consequences

Non-qualified Stock Options. Under current federal tax law, non-qualified stock options granted under the 2008 Equity Incentive Plan will not result in any taxable income to the optionee at the time of grant or any tax deduction to Home Federal. Upon the exercise of a non-qualified stock option, the excess of the market value of the shares acquired over their cost is taxable to the optionee as compensation income and is generally deductible by Home Federal. The optionee's tax basis for the shares is the market value of the shares at the time of exercise.

Incentive Stock Options. Neither the grant nor the exercise of an incentive stock option under the 2008 Equity Incentive Plan will result in any federal tax consequences to either the optionee or Home Federal, although the difference between the market price on the date of exercise and the exercise price is an item of adjustment included for purposes of calculating the optionee's alternative minimum tax. Except as described below, at the time the optionee sells shares acquired pursuant to the exercise of an incentive stock option, the excess of the sale price over the exercise price will qualify as a long-term capital gain if the applicable holding period is satisfied. If the optionee disposes of the shares within two years of the date of grant or within one year of the date of exercise, an amount equal to the lesser of (i) the difference between the fair market value of the shares on the date of exercise and the exercise price, or (ii) the difference between the exercise price and the sale price will be taxed as ordinary income and Home Federal will be entitled to a deduction in the same amount. The excess, if any, of the sale price over the sum of the exercise price and the amount taxed as ordinary income will qualify as long-term capital gain if the applicable holding period is satisfied. If the optionee exercises an incentive stock option more than three months after his or her termination of employment, he or she generally is deemed to have exercised a non-qualified stock option. The time frame in which to exercise an incentive stock option is extended in the event of the death or disability of the optionee.

Stock Appreciation Rights. The exercise of a stock appreciation right will result in the recognition of ordinary income by the recipient on the date of exercise in an amount of cash and/or the fair market value on that date of the shares acquired pursuant to the exercise. Home Federal will be entitled to a corresponding deduction.

Restricted Stock Awards. Recipients of shares granted under the 2008 Equity Incentive Plan will recognize ordinary income on the date that the shares are no longer subject to a substantial risk of forfeiture, in an amount equal to the fair market value of the shares on that date. In certain circumstances, a holder may elect to recognize ordinary income and determine the fair market value on the date of the grant of the restricted stock. Recipients of shares granted under the Equity Incentive Plan will also recognize ordinary income equal to their dividend or dividend equivalent payments when these payments are received.

Proposed Awards Under the Incentive Plan

No awards have been proposed by the Board of Directors under the 2008 Equity Incentive Plan as of the date of this proxy statement.

The Board of Directors unanimously recommends that you vote "FOR" adoption of the 2008 Equity Incentive Plan.

(b) Each Participant who receives Shares upon exercise of an Option that is an Incentive Stock Option shall give the Company prompt notice of any sale of Shares prior to a date which is two years from the date the Option was granted or one year from the date the Option was exercised. Such sale shall disqualify the Option as an Incentive Stock Option.

(c) The aggregate Fair Market Value (determined with respect to each Incentive Stock Option at the time such Incentive Stock Option is granted) of the Shares with respect to which Incentive Stock Options are exercisable for the first time by a Participant during any calendar year (under this Plan or any other plan of the Company or an Affiliate) shall not exceed \$100,000.

(iii) by a combination thereof.

Payment for any Shares to be purchased upon exercise of an Option may also be made by delivering a properly executed exercise notice to the Company, together with a copy of irrevocable instructions to a broker to deliver promptly to the Company the amount of sale or loan proceeds to pay the purchase price and applicable tax withholding amounts (if any), in which event the Shares acquired shall be delivered to the broker promptly following receipt of payment.

(c) When the requirements of this Section have been satisfied, the Committee shall take such action as is necessary to cause the issuance of a stock certificate evidencing the Option Holder's ownership of such Shares. The Person exercising the Option shall have no right to vote or to receive dividends, nor have any other rights with respect to the Shares, prior to the date the Shares are transferred to such Person on the stock transfer records of the Company, and no adjustments shall be made for any dividends or other rights for which the record date is prior to the date as of which the transfer is effected.

Thereafter, the transferee shall have, with respect to such Non-Qualified Stock Option, all of the rights, privileges and obligations which would attach thereunder to the Participant. If a privilege of the Option depends on the life, Service or other status of the Participant, such privilege of the Option for the transferee shall continue to depend upon the life, Service or other status of the Participant. The Committee shall have full and exclusive authority to interpret and apply the provisions of the Plan to transferees to the extent not specifically addressed herein.

(b) The Company's obligation to deliver Shares with respect to an Option shall, if the Committee so requests, be conditioned upon the receipt of a representation as to the investment intention of the Option Holder to whom such Shares are to be delivered, in such form as the Committee shall determine to be necessary or advisable to comply with the provisions of applicable federal, state or local law. It may be provided that any such representation shall become inoperative upon a registration of the Shares or upon the occurrence of any other event eliminating the necessity of such representation. The Company shall not be required to deliver any Shares under the Plan prior to:

(i) the admission of such Shares to listing on any stock exchange or trading on any automated quotation system on which Shares may then be listed or traded; or

Except as provided in Section 9.3, neither the Committee nor the Board shall have the right or authority following the grant of an Option pursuant to the Plan to amend or modify the Exercise Price of any such Option, or to cancel the Option at a time when the Exercise Price is less than the Fair Market Value of the Shares, in exchange for another Option or Award.

Section 7.4 Voting Rights.

Unless otherwise set forth in the Award Agreement, voting rights appurtenant to the Shares subject to the Restricted Stock Award shall be exercised by the Participant.

Section 7.5 Designation of Beneficiary.

A Participant who has received a Restricted Stock Award may designate a Beneficiary to receive any unvested Shares or Shares distributed in satisfaction of any unvested Share Units that become vested on the date of the Participant's death. Such designation (and any change or revocation of such designation) shall be made in writing in the form and manner prescribed by the Committee. In the event that the Beneficiary designated by a Participant dies prior to the Participant, or in the event that no Beneficiary has been designated, any vested Shares that become available for distribution on the Participant's death shall be paid to the executor or administrator of the Participant's estate.

Section 7.6 Manner of Distribution of Awards.

The Company's obligation to deliver Shares with respect to a Restricted Stock Award shall, if the Committee so requests, be conditioned upon the receipt of a representation as to the investment intention of the Participant or Beneficiary to whom such Shares are to be delivered, in such form as the Committee shall determine to be necessary or advisable to comply with the provisions of applicable federal, state or local law. It may be provided that any such representation shall become inoperative upon a registration of the Shares or upon the occurrence of any other event eliminating the necessity of such representation. The Company shall not be required to deliver any Shares under the Plan prior to (i) the admission of such Shares to listing on any stock exchange or trading on any automated quotation system on which Shares may then be listed or traded, or (ii) the completion of such registration or other qualification under any state or federal law, rule or regulation as the Committee shall determine to be necessary or advisable.

ARTICLE VIII SPECIAL TAX PROVISION

Section 8.1 Tax Withholding Rights.

Where any Person is entitled to receive Shares, the Company shall have the right to require such Person to pay to the Company the amount of any tax which the Company is required to withhold with respect to such Shares, or, in lieu thereof, to retain, or to sell without notice, a sufficient number of Shares to cover the minimum amount required to be withheld.

ARTICLE IX
AMENDMENT AND TERMINATION

Section 9.1 Termination

The Board may suspend or terminate the Plan in whole or in part at any time prior to the tenth anniversary of the Effective Date by giving written notice of such suspension or termination to the Committee. Unless sooner terminated, the Plan shall terminate automatically on the tenth anniversary of the Effective Date. In the event of any suspension or termination of the Plan, all Awards previously granted under the Plan that are outstanding on the date of such suspension or termination of the Plan shall remain outstanding and exercisable for the period and on the terms and conditions set forth in the Award Agreements evidencing such Awards.

Section 9.2 Amendment.

The Board may amend or revise the Plan in whole or in part at any time; provided, however, that, to the extent required to comply with Section 162(m) of the Code or the corporate governance standards imposed under the listing or trading requirements imposed by any national securities exchange or automated quotation system on which the Company lists or seeks to list or trade Shares, no such amendment or revision shall be effective if it amends a material term of the Plan unless approved by the holders of a majority of the votes cast on a proposal to approve such amendment or revision. To the extent OTS regulations are changed subsequent to the Effective Date, the Board shall have the right but not the obligation, to amend or revise the Plan without stockholder approval to conform to the revised regulations.

Section 9.3 Adjustments in the Event of Business Reorganization.

In the event any recapitalization, forward or reverse split, reorganization, merger, consolidation, spin-off, combination, exchange of Shares or other securities, stock dividend or other special and nonrecurring dividend or distribution (whether in the form of cash, securities or other property), liquidation, dissolution, or other similar corporate transaction or event, affects the Shares such that an adjustment is appropriate in order to prevent dilution or enlargement of the rights of Participants under the Plan, then the Committee shall, as it determines appropriate, equitably and proportionately adjust any or all of:

- (i) the number and kind of securities deemed to be available thereafter for grants of Awards in the aggregate to all Participants;
- (ii) the number and kind of securities that may be delivered or deliverable in respect of outstanding Awards; and
- (iii) the Exercise Price of Options and Stock Appreciation Rights.

In addition, the Committee is authorized to make adjustments in the terms and conditions of, and the criteria included in, Awards (including, without limitation, cancellation of Awards in exchange for the in-the-money value, if any, of the vested portion thereof, or substitution of Awards using stock of a successor or other entity) in recognition of unusual or nonrecurring events (including, without limitation, events described in the preceding sentence) affecting the Company or any Affiliate or the financial statements of the Company or any Affiliate, or in response to changes in applicable laws, regulations, or accounting principles.

ARTICLE X
MISCELLANEOUS

The Company reserves the right to remove any participating member of the Board or dismiss any Participant or otherwise deal with any Participant to the same extent as though the Plan had not been adopted.

Section 10.4 Governing Law.

The Plan shall be construed, administered and enforced according to the laws of the State of Idaho without giving effect to the conflict of laws principles thereof, except to the extent that such laws are preempted by federal law. The federal and state courts located in the County or contiguous counties in which the Company's headquarters are located shall have exclusive jurisdiction over any claim, action, complaint or lawsuit brought under the terms of the Plan. By accepting any Award granted under this Plan, the Participant, and any other person claiming any rights under the Plan, agrees to submit himself, and any such legal action as he shall bring under the Plan, to the sole jurisdiction of such courts for the adjudication and resolution of any such disputes.

Section 10.5 Headings.

The headings of Articles and Sections are included solely for convenience of reference. If there is any conflict between such headings and the text of the Plan, the text shall control.

Section 10.6 Non-Alienation of Benefits.

The right to receive a benefit under the Plan shall not be subject in any manner to anticipation, alienation or assignment, nor shall such right be liable for or subject to debts, contracts, liabilities, engagements or torts.

Section 10.7 Notices.

Any communication required or permitted to be given under the Plan, including any notice, direction, designation, comment, instruction, objection or waiver, shall be in writing and shall be deemed to have been given at such time as it is delivered personally or three (3) days after mailing if mailed, postage prepaid, by registered or certified mail, return receipt requested, addressed to such party at the address listed below, or at such other address as one such party may by written notice specify to the other party:
