We have audited the accompanying statements of asset and liability of the Alliance One International, Inc. Personal Account Plan as of June 30, 2005 and 2004, and the related statements of changes in Plan liability accounts for the years ended June 30, 2005 and 2004. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the asset and liability of Alliance One International, Inc. NOTES TO FINANCIAL STATEMENTS

Note A - Significant Accounting Policies

Basis of Accounting

The accounting records of the Plan are maintained on the accrual basis.

Valuation of Investment

The receivable from Alliance One International, Inc. is valued at current value. Current value represents contributions, plus interest at the announced rate, less payments in satisfaction of withdrawals.

Estimates

The preparation of financial statements in conformity with accounting principals generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Note B - Description of the Plan

The following description of the Alliance One International, Inc. Personal Account Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan was renamed Alliance One International, Inc. Personal Account Plan concurrent with the merger of Standard Commercial Corporation on May 13, 2005, with and into DIMON Incorporated.

The Plan is a voluntary employee plan through which any eligible participant can loan funds to Alliance One International, Inc. ("Alliance One") for an indefinite period, in exchange for Alliance One's obligation to pay the employee interest on such funds until the loan is repaid by Alliance One on the employee's demand. The funds may be used by Alliance One for any corporate purpose and will be classified as general obligations of Alliance One with no special status. The funds are not held in trust and are subject to forfeiture should Alliance One be unable to repay

the loans.

The purpose of the Plan is to provide a means for employees to maintain a flexible deposit arrangement and to receive interest income at rates competitive with those currently paid by banks or other institutions on short-term deposits. The Plan is not subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Funds deposited with Alliance One are neither guaranteed nor insured by Alliance One nor any federal or state agency.
