**PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS**

To be Held on Wednesday, November 15, 2006

WHY DID YOU SEND ME THIS PROXY STATEMENT?

The Board of Directors (the "Board") of GSE Systems, Inc. (the "Company") is furnishing you this proxy statement and accompanying proxy card in connection with the solicitation of proxies by the Board for use at the Annual Meeting of GSE Systems stockholders. The annual meeting will be held at 10:00 a.m. local time on Wednesday, November 15, 2006 at our headquarters located at 7133 Rutherford Rd., Suite 200, Baltimore, Maryland. The proxies may also be voted at any adjournments or postponements of the annual meeting.

This proxy statement summarizes the information you need to make an informed vote on the proposals to be considered at the Annual Meeting. However, you do not need to attend the Annual Meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card using the envelope provided. The address of the Company's principal executive offices is 7133 Rutherford Rd., Suite 200, Baltimore, Maryland, 21244. The proxy materials and the Company's 2005 Annual Report are first being sent to stockholders on or about October 13, 2006.

HOW MANY VOTES DO I HAVE?

We will send this proxy statement, the attached Notice of Annual Meeting and the enclosed proxy card on or about October 13, 2006, to all stockholders. Stockholders who owned GSE Systems Common Stock ("Common Stock") and Series A Cumulative Convertible Preferred Stock ("Series A Preferred Stock") (collectively, "Securities") at the close of business on October 2, 2006 (the "Record Date") are entitled to one vote for each share of common stock they held on that date, in all matters properly brought before the Annual Meeting.

On the Record Date, there were two classes of stock issued and outstanding, the Common Stock and the Series A Preferred Stock. On that date there were 9,462,046 shares of Common Stock outstanding and 42,500 shares of Series A Preferred Stock issued and outstanding. Each share of Common Stock is entitled to one vote. The Series A Preferred Stock is voting stock. The holders of Series A Preferred Stock shall be entitled to such number of votes as is equal to the whole number of shares of Common Stock into which the holder's aggregate number of shares of Series A Preferred Stock are convertible immediately after the close of business on the record date ("Common Stock Equivalents"). The Common Stock Equivalents as of October 2, 2006 totaled 2,401,133 shares.

Brokers who hold shares of GSE Systems Securities in street name may not have the authority to vote on certain matters for which they have not received voting instructions from beneficial owners. Such broker non-votes, although present for quorum purposes, will be deemed shares not present to vote on such matters and will not be included in calculating the number of votes necessary for approval of such matters.

All properly executed written proxies that are delivered pursuant to this solicitation will be voted at the meeting in accordance with the directions given in the proxy unless the proxy is revoked before the meeting. You can revoke your proxy by --

- (a) giving written notice to the Secretary of the Company,
- (b) delivering a later dated proxy, or
- (c) voting in person at the meeting.

As a stockholder, you should specify your choice for each matter on the enclosed form of proxy. If no instructions are given, proxies that are signed and returned will be voted FOR the election of all director nominees, and FOR the proposal to ratify the appointment of KPMG LLP. Other matters that properly come before the annual meeting will be voted upon by the persons named in the enclosed proxy in accordance with their best judgment.

The Company will continue its long-standing practice of holding the votes of all stockholders in confidence from directors, officers and employees except: (a) as necessary to meet applicable legal requirements and to assert and defend claims for or against the Company; (b) in case of a contested proxy solicitation; or (c) if a stockholder makes a written comment on the proxy card or otherwise communicates his/her vote to management.

WHAT PROPOSALS WILL BE ADDRESSED AT THE ANNUAL MEETING?

We will address the following proposals at the Annual Meeting:

1. Election of three Class II directors;
2. Ratification of the selection of KPMG LLP as the Company's independent registered public accountants; and

Our Board has taken unanimous affirmative action with respect to each of the foregoing proposals and recommends that the stockholders vote FOR each of the proposals.

WHO MAY VOTE ON THESE PROPOSALS?

All of the holders of record of GSE Systems Common Stock and Series A Preferred Stock at the close of business on October 2, 2006 will be entitled to vote at the Annual Meeting. At the close of business on the Record Date, the Company had 9,462,046 shares of Common Stock and 42,500 shares of the Series A Preferred Stock outstanding and entitled to vote. The holders of Series A Preferred Stock shall be entitled to such number of votes as is equal to the Common Stock Equivalents which, as of October 2, 2006, totaled 2,401,133 shares.

The Notice of Annual Meeting, this proxy statement, the enclosed proxy and the GSE Systems' Annual Report on Form 10-K for the year ended December 31, 2005 is being mailed to stockholders on or about October 13, 2006.

WHY WOULD THE ANNUAL MEETING BE POSTPONED?

The Annual Meeting will be postponed if a quorum is not present at the Annual Meeting on November 15, 2006. The presence in person or by proxy of at least a majority of (1) the shares of Common Stock and (2) the shares of Series A Preferred Stock outstanding as of the Record Date, will constitute a quorum and are required to transact business at the Annual Meeting. If a quorum is not present, the Annual Meeting may be adjourned until a quorum is obtained.

For purposes of determining whether the stockholders have approved matters other than the election of directors, abstentions are treated as shares present or represented and voting, so abstaining has the same effect as a negative vote. Shares held by brokers who do not have discretionary authority to vote on a particular matter and who have not received voting instructions from their customers are not counted or deemed to be present or represented for the purpose of determining whether stockholders have approved that matter, but they are counted as present for the purposes of determining the existence of a quorum at the Annual Meeting.

A broker non-vote occurs when a broker submits a proxy card with respect to Securities held in a fiduciary capacity (typically referred to as being held in "street name"), but declines to vote on a particular matter because the broker has not received voting instructions from the beneficial owner. Under the rules that govern brokers who are voting with respect to shares held in street name, brokers have the discretion to vote such Securities on routine matters, but not on non-routine matters. Routine matters include the election of directors, increases in authorized common stock for general corporate purposes and ratification of auditors. Non-routine matters include amendments to stock plans.

HOW DO I VOTE BY PROXY?

Whether you plan to attend the Annual Meeting or not, we urge you to complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. Returning the proxy card will not affect your right to attend the Annual Meeting and vote in person.

If you properly fill in your proxy card and send it to us in time to vote, your proxy (one of the individuals named on your proxy card) will vote your shares as you have directed. If you sign the proxy card but do not make specific choices, your proxy will vote your shares as recommended by the Board as follows:

- FOR the election of the three Class II director nominees;
- FOR the ratification of the selection of KPMG LLP as the Company's independent registered public accountants.

If any other matter is presented, your proxy will vote in accordance with his best judgment. At the time this proxy statement went to press, we knew of no matters that needed to be acted on at the Annual Meeting other than those discussed in this proxy statement.

HOW DO I VOTE IN PERSON?

If you plan to attend the Annual Meeting and vote in person on November 15, 2006 or at a later date if the meeting is postponed, we will give you a ballot when you arrive. However, if your shares are held in the name of your broker, bank or other nominee, you must bring a power of attorney executed by the broker, bank or other nominee that owns the shares of record for your benefit and authorizing you to vote the shares.

MAY I REVOKE MY PROXY?

If you give a proxy, you may revoke it at any time before it is exercised. You may revoke your proxy in three ways:

- You may send in another proxy with a later date; or
- You may notify GSE Systems in writing (by you or your attorney authorized in writing, or if the stockholder is a corporation, under its corporate seal, by an officer or attorney of the corporation) at our principal executive offices before the Annual Meeting, that you are revoking your proxy; or
- You may vote in person at the Annual Meeting.

WHAT VOTE IS REQUIRED TO APPROVE EACH PROPOSAL?

Proposal 1: Election of Directors

A plurality of the eligible votes cast is required to elect director nominees. A nominee who receives a plurality means he has received more votes than any other nominee for the same director's seat. There are three nominees for the four Class II seats. A withheld vote will not affect the required plurality. Abstentions shall not be considered to be votes cast.

Proposal 2: Ratification of Independent Accountants

The approval of Proposal 2 requires the affirmative vote of a majority of the votes cast, voting in person or by proxy. Abstentions will have the same effect as votes against the proposals on such matters.

ARE THERE ANY DISSENTERS' RIGHTS OF APPRAISAL?

The Board is not proposing any action for which the laws of the State of Delaware, the Certificate of Incorporation, as amended, or the By-Laws, as amended, of GSE Systems provide a right of a stockholder to dissent and obtain appraisal of or payment for such stockholder's shares.

WHO BEARS THE COST OF SOLICITING PROXIES?

GSE Systems will bear the cost of soliciting proxies to include the costs of preparing, printing and mailing the materials used in the solicitation in the accompanying form. The Company will reimburse brokerage firms and others for expenses involved in forwarding proxy materials to beneficial owners or soliciting their execution. In addition to the solicitation of proxies by mail, proxies may be solicited by our officers and employees (who will receive no compensation therefore in addition to their regular salaries) by telephone or other means of communication. We estimate that the costs associated with solicitations of the proxies requested by this proxy statement will be approximately \$35,000.

WHERE ARE GSE SYSTEMS' PRINCIPAL EXECUTIVE OFFICES?

The principal executive offices of GSE Systems are located at 7133 Rutherford Road, Suite 200, Baltimore, MD 21244 and our telephone number is (410) 277-3740.

HOW CAN I OBTAIN ADDITIONAL INFORMATION ABOUT GSE SYSTEMS?

The Company will, upon written request of any stockholder, furnish without charge a copy of its Annual Report on Form 10-K for the fiscal year ended December 31, 2005 (the "2005 Form 10-K"), as filed with the Securities and Exchange Commission ("SEC"), including financial statements and financial statement schedules required to be filed with the Commission pursuant to Rule 13a-1 under the Act, but without exhibits. A list describing the exhibits not contained in the 2005 Form 10-K will be furnished with the 2005 Form 10-K. Please address all written requests to GSE Systems, Inc., 7133 Rutherford Road, Suite 200, Baltimore, MD 21244, Attention: Corporate Secretary. Exhibits to the Form 10-K will be provided upon written request and payment of an appropriate processing fee which is limited to the Company's reasonable expenses incurred in furnishing the requested exhibits.

GSE Systems is subject to the informational requirements of the Securities Exchange Act of 1934 (Exchange Act) which requires that GSE Systems file reports, proxy statements and other information with the SEC. The SEC maintains a website on the Internet that contains reports, proxy and information statements and other information regarding registrants, including GSE Systems, that file electronically with the SEC. The SEC's website address is www.sec.gov. In addition, GSE Systems' Exchange Act filings may be inspected and copied at the SEC's Public Reference Room located at 100 F Street, N.E., Washington, D.C. 20549; and at the SEC's regional offices at 233 Broadway, New York, NY 10279 and Citicorp Center, 500 West Madison Street, Room 1400, Chicago, IL 60661. Copies of the material may also be obtained upon request and payment of the appropriate fee from the Public Reference Section of the SEC located at 100 F Street, N.E., Washington, D.C. 20549.

DO ANY OF THE OFFICERS OR DIRECTORS HAVE AN INTEREST IN THE MATTERS TO BE ACTED UPON?

Scott N. Greenberg, Joseph W. Lewis and O. Lee Tawes III have been nominated to stand for re-election as Class II directors and therefore have an interest in the outcome of Proposal 1. To the best of our knowledge, no directors or officers have an interest, direct or indirect, in any other matters to be acted upon at the Annual Meeting except as described herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

Only stockholders of record at the close of business on October 2, 2006 will be entitled to vote at the annual meeting or at any adjournments or postponements thereof. On October 2, 2006, there were 9,462,046 shares of common stock issued and outstanding and 42,500 shares of Series A Preferred Stock. Each share of Common Stock is entitled to one vote on all matters that may properly come before the annual meeting. The holders of Series A Preferred Stock shall be entitled to such number of votes as is equal to the Common Stock Equivalents. The Common Stock Equivalents as of October 2, 2006 totaled 2,401,133 shares.

The presence in person or by proxy at the annual meeting of the holders of at least a majority of the total number of outstanding shares of Common Stock plus the total Common Stock Equivalents will constitute a quorum for the transaction of business.

Shares of Common Stock and Common Stock Equivalents represented by a properly signed and returned proxy will be counted as present at the annual meeting for purposes of determining a quorum, without regard to whether the proxy is marked as casting a vote or abstaining.

Directors are elected by a plurality of the votes cast. A withheld vote will not affect the required plurality. All other matters to come before the annual meeting require a majority vote in person or by proxy. Therefore, abstentions will have the same effect as votes against the proposals on such matters.

Brokers who hold shares of Common Stock in street name may not have the authority to vote on certain matters for which they have not received voting instructions from beneficial owners. Such broker non-votes, although present for quorum purposes, will be deemed shares not present to vote on such matters and will not be included in calculating the number of votes necessary for approval of such matters.

WHICH STOCKHOLDERS OWN AT LEAST FIVE PERCENT OF GSE SYSTEMS?

The Common Stock and Series A Preferred Stock are the only voting securities of GSE Systems. Except as otherwise indicated in the footnotes to the tables below, the Company believes that the beneficial owners of the Common Stock and Series A Preferred Stock have sole investment and voting power with respect to such shares and subject to community property laws where applicable. As of the close of business on the Record Date, 9,462,046 shares of Common Stock were issued and outstanding, 42,500 shares of Series A preferred stock were issued and outstanding. We are not aware of any material proceedings to which any of the parties identified under (i), (ii) or (iii) above, or any associate thereof, is a party adverse to the Company or any of its subsidiaries or has a material interest adverse to the Company or any of its subsidiaries.

Common Stock

The following table sets forth certain information known to the Company regarding the beneficial ownership of the Common Stock as of October 2, 2006 by (1) all beneficial owners of more than 5% of the Common Stock (including preferred stock convertible into Common Stock); (2) each director and nominee for election as director; (3) each executive officer named in the Summary Compensation Table appearing elsewhere in this Proxy Statement; and (4) all executive officers, directors and nominees of the Company as a group. The number of shares beneficially owned by each person is determined under the rules of the Securities and Exchange Commission (the "SEC") and the information is not necessarily indicative of beneficial ownership for any other purpose. Under the rules of the SEC, a person is also deemed to be a beneficial owner of any securities of which that person has a right to acquire beneficial ownership within 60 days after the date on which the determination of beneficial ownership is made. Unless otherwise indicated, the address for each of the stockholders listed below is c/o GSE Systems, Inc., 7133 Rutherford Road, Suite 200, Baltimore, MD 21244.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and directors, and persons who own more than ten percent (10%) of any publicly traded class of our equity securities (the "Reporting Persons"), to file reports of ownership and changes in ownership of equity securities of the Company with the SEC and the American Stock Exchange. These Reporting Persons are required by the SEC's regulation to furnish the Company with copies of all Section 16(a) filings.

Based solely upon a review of Forms 3 and Forms 4 and amendments thereto furnished to GSE Systems during the most recent fiscal year, and Forms 5 and amendments thereto with respect to its most recent fiscal year, or written representations from certain Reporting Persons that such filings were not required, we believe that all such forms required to be filed pursuant to Section 16(a) of the Exchange Act were timely filed, as necessary, by the Reporting Persons required to file the same during the year ended December 31, 2005.

NOMINEES TO THE BOARD OF DIRECTORS

Scott N. Greenberg, Joseph W. Lewis and O. Lee Tawes III are the Class II nominees standing for re-election to the Board. See “Information about Directors and Executive Officers” above for information relating to their respective business experience.

THE BOARD OF DIRECTORS

The Board oversees the business affairs of GSE Systems and monitors the performance of management. The Board elects executive officers of the Company. In 2005, there were 10 directors; currently the number of seats on the Board is nine. The vacancy created by Mr. Sharp’s resignation in September 2006 will remain until such time as the Company may identify a qualified independent director candidate. The Board held four regularly scheduled meetings during the fiscal year ended December 31, 2005. During the 2005 fiscal year, with the exception of Messrs. Hagengruber, Jen and Sharp, none of the then-serving directors attended fewer than seventy-five percent (75%) of the aggregate of (1) the total number of meetings of the Board (held during the period for which he or she was a director) and (2) the total number of meetings held by all committee(s) of the Board on which he or she served (during the periods that he or she served). The attendance for those three directors is as follows: Mr. Hagengruber (70%), Mr. Jen (50%) and Mr. Sharp (50%).

GSE Systems’ Certificate of Incorporation provides that the Board shall be divided into three classes that serve staggered three-year terms and are as nearly equal in number as possible. The stockholders elect at least one class of directors annually. Each class generally serves for a period of three years, although a director may be elected for a shorter term in order to keep the number of directors in each class approximately equal.

All of the current Class II directors are standing for re-election for a three-year term at the Annual Meeting. All Class II nominees standing for election will be deemed “independent” as that term is defined by the SEC. The Class III Directors will stand for re-election at the next Annual Meeting and the Class I directors will stand for re-election at the Annual Meeting in two years.

The Class I Incumbent Directors whose terms will expire in 2008 are Messrs. Glashow, Hagengruber and Michael Feldman. Messrs. Jen and Sharp and Ms. Kantor resigned to pursue their respective personal interests, and we have had no disagreements relating to our operations, policies or practices. If duly elected, the Class II Director Nominees shall have terms which will expire in 2009. Messrs. Greenberg, Lewis and Tawes are the presently serving Class II Directors. The Class III Incumbent Directors whose terms expire in 2007 are Messrs. Jerome Feldman, Moran and Pederson.

On August 10, 2006, Mr. Jerome Feldman resigned as a member of the Company’s Nominating Committee to the Board. Mr. Jerome Feldman remains the Chairman of the Board, and is a member of the Compensation Committee. The Company also accepted the resignation of Ms. Andrea D. Kantor as a member of the Company’s Board. Prior to her resignation, Ms. Kantor served on the Board since October 2003, and during her tenure the Company and Ms. Kantor had no disagreements relating to the Company’s operations, policies or practices. In addition, the Board unanimously agreed to (i) the appointment of Mr. Sheldon Glashow to serve as a member of the Nominating Committee to fill the vacancy created by Mr. Jerome Feldman’s resignation from the Nominating Committee and (ii) the appointment of Mr. O. Lee Tawes, III to fill the vacancy created by Ms. Kantor’s resignation. Mr. Tawes was also appointed as a member of the Company’s Compensation Committee. Mr. Douglas Sharp tendered his resignation on September 13, 2006. Mr. Sharp served on the Company’s Board since October 2003 and during his tenure the Company and Mr. Sharp had no disagreements relating to the Company’s operations, policies or practices.

CORPORATE GOVERNANCE

The Board has the responsibility for establishing broad corporate policies and for the overall performance of the Company, although it is not involved in day-to-day operating details. Members of the Board are kept informed of the Company's business by various reports and documents sent to them as well as by operating and financial reports made at Board and Committee meetings.

The non-management directors meet periodically in executive session. The executive sessions of non-management directors are to be presided over by the director who is the Chairman of the committee responsible for the issue being discussed. The Board intends to schedule at least two executive sessions of non-management directors each year. However, any director may request additional executive sessions of non-management directors to discuss any matter of concern. The Board has provided the means by which stockholders may send communications to the Board or to individual members of the Board. Such communications should be directed to the Secretary of the Company, 7133 Rutherford Road, Suite 200, Baltimore, MD 21244 who will forward them to the intended recipients.

The Board reviews the independence of its members on an annual basis. No directors will be deemed to be independent unless the Board affirmatively determines that the director in question has no material relationship with the Company, directly or as an officer, stockholder, member or partner of an organization that has a material relationship with the Company. The Board has not adopted any categorical standards of directors' independence; however, the Board employs the standards of independence of the American Stock Exchange ("AMEX") rules currently in effect. As a result of its Annual Review, the Board determined that Dr. Sheldon L. Glashow, Dr. Roger Hagengruber, Joseph W. Lewis, George J. Pedersen and O. Lee Tawes III meet AMEX independence standards and that all of the members of the Audit Committee are independent.

BOARD MEMBER ATTENDANCE AT ANNUAL MEETINGS

All current Board members and all nominees for election to our Board put forward by the Board are required to attend our annual meetings of stockholders, provided, however, that attendance shall not be required if personal circumstances affecting the Board member or director nominee make his or her attendance impracticable or inappropriate. All of our then directors attended the 2005 annual meeting of stockholders, except for Mr. Pedersen, Dr. Hagengruber and Mr. Jen. Mr. Michael Feldman and Mr. Tawes were not members of our Board during the fiscal year ended December 31, 2005

COMMITTEES OF THE BOARD OF DIRECTORS

The Board has four standing committees: the Executive Committee, the Nominating Committee, the Audit Committee and the Compensation Committee. As an AMEX listed company, we are subject to the AMEX listing standards. Prior to September 30, 2005, the Company was considered a "controlled company" and was not required under the AMEX listing standards to have a majority of independent directors and independent audit, nominating and compensation committees. On September 30, 2005, the Company ceased to be a "controlled company" and is now required under the AMEX listing standards to have a majority of independent directors and independent audit, nominating and compensation committees.

Executive Committee. The Executive Committee consists of Messrs. Pedersen (Chairman), Moran and Jerome Feldman. The Executive Committee has the authority to exercise all powers of the board, except for actions that must be taken by the full board under the Delaware General Corporation Law. The Executive Committee met four times during fiscal year 2005.

Nominating Committee. The Nominating Committee consists of Messrs. Glashow and Pedersen. All member of the Nominating Committee are “independent” directors as that terms is defined by applicable SEC rules and the AMEX listing standards. The Nominating Committee selects and recommends nominees for election as directors. In considering director candidates, the Nominating Committee will consider such factors as it deems appropriate to assist in developing a board and committees that are diverse in nature and comprised of experienced and seasoned advisors. Each director nominee is evaluated in the context of the full Board’s qualifications as a whole, with the objective of establishing a Board that can best perpetuate our success and represent stockholder interests through the exercise of sound business judgment. Each director nominee will be evaluated considering the relevance to us of the director nominee’s skills and experience, which must be complimentary to the skills and experience of the other members of the Board. The Nominating Committee did not meet during fiscal year 2005. The Nominating Committee Charter is available on our website at www.gses.com.

Audit Committee. The Audit Committee consists of Messrs. Hagengruber, Glashow and Lewis (Chairman), each of whom is “independent” as defined by applicable SEC rules and the AMEX listing standards. In addition, the Board has determined that Mr. Lewis is an “audit committee financial expert” as defined by applicable SEC rules and established by AMEX. The Audit Committee operates under a written charter adopted by the Board. Management is responsible for the Company's internal controls and preparing the Company's consolidated financial statements. The Company's independent registered public accountants are responsible for performing an independent audit of the consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Committee is responsible for overseeing the conduct of these activities and appointing the Company's independent accountants. The Audit Committee makes recommendations concerning the engagement of independent registered public accountants, reviews with the independent registered public accountants the plans and results of the audit engagement, approves professional services provided by the independent registered public accountants, reviews the independence of the independent registered public accountants and reviews the adequacy of the Company's internal accounting controls. The Audit Committee met six times during fiscal year 2005. See “Report of the Audit Committee” below. The Audit Committee Charter is available on our website at www.gses.com

Compensation Committee. The Compensation Committee consists of Messrs. Jerome Feldman, Tawes and Pedersen (Chairman). Messrs. Pedersen and Tawes are the “independent” directors as that term is defined by applicable SEC rules and the AMEX listing standards. The Compensation Committee is responsible for determining compensation for the Company's executive officers and for administering and granting awards under the Company's Long-Term Incentive Plan (the “Plan”). The Compensation Committee met one time during fiscal year 2005. See “Report of the Compensation Committee” below. The Compensation Committee Charter is available on our website at www.gses.com.
