PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON APRIL 22, 2004

This Proxy Statement and the accompanying proxy card are being furnished to stockholders of WSFS Financial Corporation (the "Company") by the Board of Directors in connection with the solicitation of proxies for use at the Annual Meeting of Stockholders of the Company to be held on April 22, 2004, and at any adjournments or postponements thereof (the "Annual Meeting"). This Proxy Statement and the accompanying proxy card are first being mailed to stockholders on or about March 12, 2004.

VOTING AND REVOCABILITY OF PROXIES

Proxies solicited by the Board of Directors of the Company will be voted in accordance with the directions given therein. Where no instructions are indicated, proxies will be voted FOR the nominees for directors and for the other proposals as set forth herein. By signing, dating and returning the

Edgar Filing: WSFS FINANCIAL CORP - Form DEF 14A

enclosed proxy, you will give us the discretionary authority to vote your shares for the election of any person we choose as a director in the event that any nominee is unable or refuses to serve as a director. You will also give us the discretionary authority to vote on any matters relating to the conduct of the Annual Meeting. If any other business is presented at the Annual Meeting, proxies will be voted by those named herein in accordance with the determination of a majority of the Board of Directors.

Stockholders who execute proxies retain the right to revoke them at any time. Unless so revoked, the shares represented by properly executed proxies will be voted at the Annual Meeting and any adjournments or postponements thereof. Proxies may be revoked by written notice to the Secretary of the Company sent to the address above or by the filing of a later dated proxy prior to a vote being taken on the proposal at the Annual Meeting. A proxy will not be voted if a stockholder attends the Annual Meeting and votes in person. The presence of a stockholder at the Annual Meeting alone will not revoke such stockholder's proxy.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The securities entitled to vote at the Annual Meeting consist of the Company's common stock, \$.01 par value per share (the "Common Stock"), the holders of which are entitled to one vote for each share of Common Stock held, except in elections of directors, in which holders have cumulative voting rights. The close of business on March 1, 2004 has been fixed as the record date for determination of stockholders entitled to notice of, and to vote at, the Annual Meeting (the "Record Date"). As of the Record Date, the Company had 7,376,144 shares of Common Stock outstanding. The presence, in person or by proxy, of the holders of a majority of the

1

outstanding shares of Common Stock entitled to vote at the Annual Meeting is required for a quorum.

As to the election of directors, as set forth in Proposal 1, the proxy being provided by the Board enables a stockholder to vote for the election of the nominees proposed by the Board, or to withhold authority to vote for the nominees being proposed. Directors are elected by a plurality of votes of the shares present, in person or represented by proxy, at a meeting and entitled to vote in the election of directors, without regard to either (i) broker non-votes or (ii) proxies as to which authority to vote for the nominee being proposed is withheld. The proxy confers discretionary authority on the persons named therein to vote with respect to the election of any person as a director should the nominee be unable to serve, or for good cause, will not serve.

As to the ratification of independent auditors as set forth in Proposal 2, by checking the appropriate box, a stockholder may: (i) vote "FOR" the item, (ii) vote "AGAINST" the item, or (iii) vote to "ABSTAIN" on such item. Unless otherwise required by law, Proposal 2 and any other matters shall be determined by a majority of votes cast affirmatively or negatively without regard to (a) Broker Non-Votes or (b) proxies marked "ABSTAIN" as to that matter.

Brokers who do not receive instructions are entitled to vote on the election of directors and the ratification of the appointment of independent auditors pursuant to discretionary voting authority.

PROPOSAL 1 -- ELECTION OF DIRECTORS

The number of directors is currently fixed at eleven members. The Board of Directors is divided into three classes. The members of each class are elected for a term of three years and until their successors are elected and qualified; provided that in the event the number of directors has been increased during the preceding year and such new directorships have been filled by action of the Board of Directors, the terms of those newly appointed directors expire at the annual meeting when the class to which they have been elected expires. Other than Mr. Dale E. Wolf, a director emeritus of the Bank, each of the current members of the Board of Directors of the Company also serves on the Board of Directors of the Company's principal subsidiary, Wilmington Savings Fund Society, Federal Savings Bank ("WSFS" or the "Bank"). Directors of the Company are elected by a plurality vote of the outstanding shares of Common Stock present in person or represented by proxy at the Annual Meeting.

Pursuant to the Company's Certificate of Incorporation, every stockholder voting for the election of directors is entitled to cumulate his or her votes by multiplying his or her shares times the number of directors to be elected. Each stockholder will be entitled to cast his or her votes for one director or distribute his or her votes among any number of the nominees being voted on at the Annual Meeting. The Board of Directors intends to vote the proxies solicited by it equally among the four nominees of the Board of Directors. Stockholders may not cumulate their votes on the form of proxy solicited by the Board of Directors. In order to cumulate votes, stockholders must attend the meeting and vote in person or make arrangements with their own proxies. Unless otherwise specified in the proxy, however, the right is reserved, in the sole discretion of the Board of Directors, to distribute votes among some or all of the nominees of the Board of Directors in a manner other than equally so as to elect as directors the maximum possible number of such nominees.

At the Annual Meeting, it is expected that four directors will be elected for terms of three years each and until their successors have been elected and qualified. The Board of Directors has nominated John F. Downey, Thomas P. Preston, Marvin N. Schoenhals and R. Ted Weschler, all of whom are currently directors, for election as directors at the Annual Meeting. If any nominee is unable to serve, the shares represented by all properly executed proxies will be voted for the election of such substitute as the Board of Directors may recommend. Alternatively, the Board of Directors may elect to reduce the number of authorized directors to eliminate the vacancy.

The Board of Directors Recommends Voting "FOR" the Directors Nominated in Proposal One.

All directors attended more than 75% of the total aggregate meetings of the Board of Directors and committees on which such Board member served during this period.

A list of the Committees of the Board of Directors and a general description of their respective duties follows.

Edgar Filing: WSFS FINANCIAL CORP - Form DEF 14A

Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee consists of directors who are independent in accordance with the listing requirements of the Nasdaq Stock Market. The purpose of this committee is: (i) to recommend to the Board the corporate governance guidelines and policies applicable to the Company; (ii) to assist the Board by identifying individuals qualified to become Board members, (iii) to recommend to the Board the director nominees for the next annual meeting of stockholders, (iv) to lead the Board in its annual review of the Board's performance, and (v) to recommend to the Board director nominees to each committee. The Committee will also consider nominees recommended by stockholders in accordance with the procedures set forth in the bylaws of the Company. Members of the Corporate Governance and Nominating Committee are Charles G. Cheleden, Chairman, John F. Downey, Linda C. Drake, Thomas P. Preston and Dale E. Wolf. A copy of the Corporate Governance and Nominating Committee Charter is available on the Company's website at www.wsfsbank.com.

Director Nomination Process. The Company does not currently pay fees to any third party to identify, evaluate or assist in identifying or evaluating potential nominees for the Board of Directors. The Committee's process for identifying and evaluating potential nominees includes soliciting recommendations from directors and officers of the Company and its wholly-owned subsidiary, Wilmington Savings Fund Society, FSB. Additionally, the Committee will consider persons recommended by stockholders of the Company in selecting the Committee's nominees for election. There is no difference in the manner in which the Committee evaluates persons recommended by directors or officers and persons recommended by stockholders in selecting Board nominees.

To be considered in the Committee's selection of Board nominees, recommendations from stockholders must be received by the Company in writing not less than 60 days nor more than 90 days prior to the anniversary date of the mailing date of the proxy statement for the previous year's annual meeting. Recommendations should identify as to the stockholder giving notice and for each person the stockholder proposes to recommend as a nominee to the Board (1) the name, age, business address and residence address of such person; (2) the principal occupation or employment of such person; (3) the Class and number of shares of the Company's Voting Stock (as defined in the Company's Bylaws) which are beneficially owned by such stockholder on the date of such notice; and (4) any other information required to be included in such notice pursuant to the Company's Bylaws or disclosed in solicitations of proxies with respect to nominees for election of directors set forth in the Securities Exchange Act of 1934.

character and integrity. The Board also believes potential directors should be knowledgeable about the business activities and market areas in which the Company and its subsidiaries engage.

Stockholder Communications. The Board of Directors does not have a formal process for stockholders to send communications to the Board. In view of the

Edgar Filing: WSFS FINANCIAL CORP - Form DEF 14A

infrequency of stockholder communications to the Board of Directors, the Board does not believe that a formal process is necessary. Written communications received by the Company from stockholders are shared with the full Board no later than the next regularly scheduled Board meeting. In addition, Directors are accessible to shareholders on an informal basis throughout the year and formally at the Annual Meeting. The Board encourages, but does not require, directors to attend the Annual Meeting of Stockholders. All Board members attended the 2003 Annual Meeting of Stockholders.

Audit Committee. The Audit Committee is comprised of directors who are not officers of the Company. The Board of Directors has adopted a written charter for the Audit Committee which is attached to this Proxy Statement as Appendix A. The Committee oversees the audit program and reviews the financial statements of the Company and its subsidiaries. It reviews the examination reports of federal regulatory agencies as well as reports of the internal auditors and independent auditors. The Audit Committee meets quarterly with the head of the Audit Department and representatives of the Company's independent auditors, with and without representatives of management present, to review accounting and auditing matters, to review financial statements prior to their public release. They also meet annually to review the Company's risk analysis and associated audit plan. The Board of Directors appoints the independent auditors upon the recommendation of the Audit Committee. Present members of the Audit Committee are John F. Downey, Chairman, Joseph R. Julian, Claibourne D. Smith and Eugene W. Weaver. Each member of the Audit Committee is "independent" as defined in the listing standards of the Nasdaq Stock Market. The Audit Committee met eight (8) times during fiscal year 2003. The Board of Directors has determined that Mr. Weaver, a member of the Company's Audit Committee, is an "Audit Committee Financial Expert" as that term is defined in the Securities Exchange Act of 1934. The Board of Directors has determined that Mr. Weaver is independent as that term is used in item 7(d)(3)(iv)(A) of Schedule 14A of the Securities Act of 1934.

Personnel and Compensation Committee. The Personnel and Compensation Committee ("Personnel Committee") is comprised of directors who are independent in accordance with the listing standards of the Nasdaq Stock Market. The Personnel Committee reviews and recommends to the Board of Directors, for their approval, the compensation and benefits of the executive officers, broad guidelines for the salary and benefits administration of other officers and Associates, and the compensation of directors. In addition, the Personnel Committee is responsible for the overseeing the administration of the 1986 Stock Option Plan and the 1997 Stock Option Plan (the "Stock Option Plans") and the executive incentive plans, including recommendations to the Board of Directors for awards under such plans. The Audit Committee comprised of Messrs. Downey, Julian, Smith and Weaver has provided this report.

Personnel and Compensation Committee Report on Executive Compensation

Overview and Philosophy. The Personnel Committee oversees the Company's executive compensation programs. The Personnel Committee's responsibilities include reviewing and making recommendations to the Board of Directors regarding compensation of the Chief Executive Officer and reviewing and approving the compensation paid to other executive officers of the Company (the "Named Executive Officers") listed in the "Summary Compensation Table" that follows this report. The Committee also administers stock option and incentive plans and is responsible for compliance with Rule 16b-3 of the Exchange Act.

The objective of the compensation program is to establish levels of compensation sufficient to attract and retain highly qualified and motivated executives. The program also seeks to align the interests of the Company's executive management with those of stockholders through the use of both incentive-based compensation for achieving specific performance based criteria and stock-based compensation for building long-term stockholder value.

Compensation Program Elements. The Company's executive compensation program consists of base salaries, a short-term cash incentive plan, a stock option plan and miscellaneous other fringe benefits.

Base Salary. Base salary levels are determined by the Personnel Committee with reference to corporate and individual performance in relation to strategic goals established each year, competitive market trends and special circumstances particular to the Company's staffing needs. In determining base salaries, the committee refers to data obtained from nationally recognized compensation surveys as well as information from similar-sized banks and thrifts in the Mid-Atlantic region.

Short-Term Incentive Plan. The Board of Directors approved a Management Incentive Program (MIP) designed to reward the accomplishment of specific corporate and individual performance criteria. For 2003, the corporate performance criteria were: return on assets, return on equity and growth in earnings per share. Plan participants include members of management from certain vice presidents to the Chief Executive Officer. Each year the Personnel Committee establishes a bonus pool based on the level and quality of the Company's earnings as compared to its plan.

12

Individual awards are earned for successfully attaining objectives based on the three criteria above, and in completion of specific individual performance criteria. Total awards earned under the MIP during 2003 were approximately \$1.4 million and were paid in cash during 2004.

Stock Options. As a performance incentive, to encourage ownership of Common Stock and to further align the interests of management and stockholders, the Personnel Committee issues stock options under the 1997 Stock Option Plan. Under that Plan, the Personnel Committee issued 91,455 stock options in 2003. The Personnel Committee periodically reviews and awards stock options to management based on factors it deems important; however, the Personnel Committee is not required to issue awards on an annual basis.

Compensation of the Chief Executive Officer. For fiscal year 2003, Mr. Schoenhals earned \$384,375 in base salary. Mr. Schoenhals earned \$386,250 in

Edgar Filing: WSFS FINANCIAL CORP - Form DEF 14A

bonus for fiscal year 2003 under the MIP that was paid after the end of the fiscal year. In addition, Mr. Schoenhals earned a special bonus of \$150,000 as a result of the extraordinary performance of the Company during 2003. These bonuses reflects the Company's achievement of specific financial goals for the 2003 fiscal year as well as the Personnel Committee's assessment of Mr. Schoenhals' contribution to the achievement of those goals. Factors considered by the Personnel Committee in assessing Mr. Schoenhals' contribution included his leadership role in formulating and executing the Company's business strategy. In addition to the foregoing cash compensation, Mr. Schoenhals was awarded options to purchase 12,650 shares of Common Stock under the 1997 Stock Option Plan representing 13.8% of the regular options granted to all Associates during the year.

Compensation Committee Interlocks and Insider Participation. The Company had no "interlocking" relationships existing on or after December 31, 2003 in which (i) any executive officer is a member of the Board of Directors of another financial institution, one of whose executive officers is a member of the Company's Board of directors, or where (ii) any executive officer is a member of the compensation committee of another entity, one of whose executive officers is a member of the Company's Board of Directors. See "Business Relationships and Related Transactions" for information regarding other relationships such persons may have with the Company.

Present members of the Personnel Committee are David E. Hollowell, Chairman, Linda C. Drake, Claibourne D. Smith and R. Ted Weschler, each of whom are directors of the Company.

COMPARATIVE STOCK PERFORMANCE GRAPH

The graph and table which follow show the cumulative total return on the Common Stock of the Company over the last five years compared with the cumulative total return of the Dow Jones Total Market Index and the Nasdaq Bank Index over the same period as obtained from Bloomberg L.P. Cumulative total return on the Common Stock or the index equals the total increase in value since December 31, 1998, assuming reinvestment of all dividends paid into the Common Stock or the index, respectively. The graph and table were prepared assuming that \$100 was invested on December 31, 1998 in the Common Stock of the Company and in each of the indexes. There can be no assurance that the Company's future stock performance will be the same or similar to the historical stock performance shown in the graph below. The Company neither makes nor endorses any predictions as to stock performance.

- (1) Options vest and become exercisable at the rate of 20% per year beginning one year from grant date, and expire ten years from the grant date. To the extent not already exercisable, the options generally become immediately exercisable in the event of a change in control of the Company, generally defined as the acquisition of beneficial ownership of 25% or more of the Company's voting securities by any person or group of persons. The Company has previously adopted a program permitting the award of a reload option that allows for the additional grant of options under certain circumstances. If the grantee uses cash to exercise options within one year of the options becoming vested, the optionee may, within the discretion of the Stock Option Committee, receive an equivalent number of additional options (at the then current market price). The original shares received upon exercise must be held for two years from the date of receipt for the reload options to vest. The reload options also vest in 20% annual increments. Reload options will not be granted if no shares are available for issuance under the 1997 Stock Option Plan.
- (2) In each case, the exercise or base price was no lower than the fair market value of the Common Stock on the date of grant.
- (3) The potential realizable dollar value of a grant consists of the product of: (a) the difference between (i) the product of the per share market price at the time of grant and the sum of 1 plus the adjusted stock price appreciation rate (the assumed rate of appreciation compounded annually over the term of the option) and (ii) the per share exercise price of the option; and (b) the number of securities underlying the grant at fiscal year-end.

SEVERANCE POLICY

WSFS has a severance policy that provides benefits to its Chief Operating Officers and Executive Vice Presidents (collectively, the "Executives"). The policy provides for payments in the event of being released without cause or change of control.

Release without cause - In the event an Executive is released without cause, a minimum of six months severance and one year of professional level outplacement will be offered. If the former Executive does not find new employment within six months after termination, severance pay would continue for another six months, or until the former Executive found employment, whichever occurs first. If the former Executive finds another job at a lower rate of pay than previously received at WSFS, then WSFS would make up the difference until the second six-month period ends. Health benefits would continue at the Associate rate through the severance period.

Change in control - Benefits would be paid to an Executive released without cause within one year of change in control or if offered a position that is not within 35 miles of their current work-site and at their current WSFS salary and bonus opportunity. The Executive would receive 24 months base salary severance offset by the value arising from the acceleration of stock option vesting triggered by the change in control. The value of the accelerated vesting would account for no more than 12 months of the 24-month minimum commitment. Twelve months of executive level outplacement will be offered and health benefits would continue at the Associate rate through the 24-month period.

In the event an Executive decides to leave WSFS after being offered the same salary and bonus opportunity and the position is within 35 miles of their work location, then the value of the severance benefit will equal at least 12 months base pay. If the value of the accelerated vesting of stock options is less than 12 months of base pay, then severance pay will be added to the value

of the accelerated options to equal 12 months of base pay. No additional severance will be paid if the value of accelerated options is greater than, or equal to, 12 months of base pay. Six months of professional level outplacement will be offered and health benefits would continue at the Associate rate through the 12-month period.

Edgar Filing: WSFS FINANCIAL CORP - Form DEF 14A

Based on salary levels at December 31, 2003, the maximum benefit that would be received by each Executive under the WSFS severance policy, exclusive of health benefit and executive outplacement costs, would be as follows: Mr. Johnston \$412,000, Mr. Turner \$412,000 and Ms Powell \$296,000.

BUSINESS RELATIONSHIPS AND RELATED TRANSACTIONS

During 2003 Thomas P. Preston was a partner with the law firm of Blank Rome, LLP. The law firm represented the Company and its affiliates in certain matters during fiscal year 2003. The Company expects Mr. Preston to continue such representation in fiscal year 2004.

Certain directors and executive officers of the Company and their associates were customers of, and had transactions with, the Company and the Bank in the ordinary course of business during fiscal year 2003. Similar transactions may be expected to take place with the Company and the Bank in the future. Loans and commitments included in such transactions were made on substantially the same terms, including interest rate and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility, nor did such loans present other unfavorable features to the Company. Loans and commitments to directors and executive officers of the Company by the Bank are subject to limitations and restrictions under Federal banking laws and regulations with which the Bank believes it has complied in all material respects.

PROPOSAL 2 - RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors of the Company, upon recommendation of the Audit Committee, has re-appointed, subject to stockholder ratification, KPMG LLP, as independent auditors of the Company for the year ending December 31, 2004. KPMG LLP has served as the Company's independent auditors since 1994. A representative of KPMG LLP is expected to be present at the Annual Meeting to respond to appropriate questions and will have the opportunity to make a statement if they desire to do so.

Principal Accounting Firm Fees

Audit Fees. The aggregate fees billed by KPMG LLP for professional services rendered for the audit of the Company's annual consolidated financial statements and for the review of the consolidated financial statements included in the Company's quarterly reports on Form 10Q for the fiscal years ended December 31, 2003 and 2002 were \$233,000 and \$387,000, respectively. These fees also included the audit of the Company's former subsidiary, Wilmington Finance, Inc.

18

Audit Related Fees. The aggregate fees billed by KPMG LLP for assurance and related services primarily related to the audit of the financial statements, the review of the quarterly financial statements and due diligence activities on proposed transaction for the years ended December 31, 2003 and 2002 were \$55,000 and \$32,000, respectively.

Tax Fees. The aggregate fees billed by KPMG LLP for professional services rendered for tax compliance, tax advice or tax planning for the years ended December 31, 2003 and 2002 were \$50,000 and \$191,000, respectively.

All Other Fees. The aggregate fees billed by KPMG LLP for professional services rendered for services or products other than those listed

Edgar Filing: WSFS FINANCIAL CORP - Form DEF 14A

under the captions "Audit Fees," "Audit-Related Fees," and "Tax Fees" for the years ended December 31, 2003 and 2002, were \$11,000 and \$39,000, respectively, and consisted of services related to a reverse mortgage matter and the review of financials in connection with the sale of a non-wholly owned subsidiary.

The Audit Committee has determined that the non-audit services performed by its principal accountants during 2003 were compatible with maintaining the principal accountants' independence.

It is the Audit Committee's policy to pre-approve all audit and non-audit services prior to the engagement of the Company's independent auditor to perform any service. Under certain circumstances, management is authorized to spend up to 5% of the total audit fees as approved by the Audit Committee in the Engagement Letter without obtaining any additional approval. These additional fees are reported to the Audit Committee on a timely basis. Additional audit fees ranging from 5% to 10% of the total audit fees as approved by the Audit Committee in the Engagement Letter require the pre-approval of the Chairman of the Audit Committee. These additional fees are reported to the other Committee members on a timely basis. Additional audit fees which exceed 10% of the total audit fees as approved by the Audit Committee in the Engagement Letter require the pre-approval of the full Audit Committee.

No services were approved pursuant to the de minimus exception of the Sarbanes-Oxley Act of 2002. All of the services listed above for 2003 were approved by the Audit Committee prior to the service being rendered.

KPMG LLP has advised the Company that neither the firm, nor any member of the firm, has any financial interest, direct or indirect, in any capacity in the Company or its subsidiaries.

The Board of Directors Recommends Voting "FOR" Proposal Two.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Pursuant to regulations promulgated under the Exchange Act, the Company's officers and directors and all persons who beneficially own more than ten percent of the Common Stock ("Reporting Persons") are required to file reports with the SEC detailing their ownership and changes of ownership in the Common Stock and to furnish the Company with copies of all such ownership reports that are filed. Based solely on the Company's review of the copies of such ownership reports which it has received in the past fiscal year or with respect to the past fiscal

19

year, or written representations from the Reporting Persons that no annual report of changes in beneficial ownership were required, the Company believes that during fiscal year 2003 the Reporting Persons, with the exception of one untimely filing on Form 4 by each of Mr. Cheleden and Mr. Schoenhals, have complied with such reporting requirements.

It is anticipated that the proxy statement and form of proxy for the 2005 Annual Meeting of Stockholders will be mailed during March of 2005. ADDITIONAL INFORMATION

No matters other than those set forth in the Notice of Meeting accompanying this Proxy Statement are expected to be presented to stockholders for action at the Annual Meeting other than matters incident to the conduct of the Annual Meeting. However, if other matters are presented which are proper subjects for action by stockholders, and which may properly come before the meeting, it is the intention of those named in the accompanying proxy to vote such proxy in accordance with the determination of a majority of the Board of Directors upon such matters.

MISCELLANEOUS

The expenses of the solicitation of the proxies, including the cost of preparing and distributing the Company's proxy materials, the handling and tabulation of proxies received and charges of

20

brokerage houses and other institutions, nominees or fiduciaries in forwarding such documents to beneficial owners, will be paid by the Company. In addition to the mailing of the proxy materials, solicitation may be made in person or by telephone, telegraph or other modes of electronic communication by the Company. necessary;

- o Offer to meet with the Chief Financial Officer, the Senior Internal Auditing Executive and the independent auditor in separate executive sessions at any time, upon their request;
- o Shall maintain minutes and other relevant records of their meetings and activities. Such minutes shall be made available for review by the FDIC, SEC and the appropriate federal banking agency.
- o Submit minutes of all meetings of the Audit Committee to the Board of Directors of the Corporation.

CERTIFICATIONS

Management must report to the Audit Committee that the quarterly and annual certifications required by Section 302 and the annual internal control report required by Section 404 (when effective) of the Sarbanes-Oxley Act have been completed, and any material concerns or control deficiencies have been reported to the Committee.

In carrying out their responsibilities, the Audit Committee believes its policies and procedures should remain flexible in order that it be able to react to changing conditions and the environment, and to assure the directors and shareholders that the corporate accounting and reporting practices of the Corporation are in accordance with all requirements and are of the highest quality. While the Audit Committee has the responsibilities and powers set forth in this Charter, it is the responsibility of management and the independent auditor to determine that the Company's financial statements are complete and accurate and are in accordance with Generally Accepted Accounting Principles (GAAP).
