SEC Disclosure Rules

Some of our comments today include statements about our expectations for the future. Those expectations involve risks and uncertainties. The parties cannot guarantee the accuracy of any forecasts or estimates, and we do not plan to update any forward-looking statements if our expectations change. If you would like more information on the risks involved in forward-looking statements, please see each companies' annual report and SEC filings.

In addition, some of our comments reference non-GAAP financial measures. Where available, presentation of and reconciliation to the most directly comparable GAAP financial measures and other associated disclosures are provided on the Internet at each companies' website. <sup>tm</sup> Trademark of The Dow Chemical Company or an affiliated company of Dow. "EBITDA" is defined as earnings (i.e., "Net Income") before interest, income taxes, depreciation and amortization.

SEC Disclosure Rules

Important Notices and Additional Information

In connection with the proposed transaction, Blue Cube Spinco Inc. ("Spinco") will file a registration statement on Form S-4/S-1 containing a prospectus and Olin Corporation will file a proxy statement on Schedule 14A and a registration statement on Form S-4 containing a prospectus with the Securities and Exchange Commission (the "SEC"). INVESTORS AND SECURITY HOLDERS ARE ADVISED TO READ THE REGISTRATION STATEMENTS/PROSPECTUSES AND PROXY STATEMENT WHEN THEY BECOME AVAILABLE, BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION ABOUT THE PARTIES AND THE PROPOSED TRANSACTION. Investors and security holders may obtain a free copy of the prospectuses and proxy statement (when available) and other documents filed by The Dow Chemical Company ("TDCC"), Spinco and Olin with the SEC at the SEC's web site at <http://www.sec.gov>. Free copies of these documents, once available, and each of the companies' other filings with the SEC may also be obtained from the respective companies by directing a written request to Olin at 190 Carondelet Plaza, Clayton, MO 63105 Attention: Investor Relations or TDCC or Spinco at The Dow Chemical Company, 2030 Dow Center, Midland, Michigan 48674, Attention: Investor Relations.

This communication is not a solicitation of a proxy from any investor or security holder. However, Olin, TDCC, and certain of their respective directors, executive officers and other members of management and employees, may be deemed to be participants in the solicitation of proxies from shareholders of Olin in respect of the proposed transaction under the rules of the SEC. Information regarding Olin directors and executive officers is available in Olin 2014 Annual Report on Form 10-K filed with the SEC on February 25, 2015, and in its definitive proxy statement for its annual meeting of shareholders filed March 4, 2015. Information regarding TDCC's directors and executive officers is available in TDCC's Annual Report on Form 10-K filed with the SEC on February 13, 2015, and in its definitive proxy statement for its annual meeting of shareholders, which is expected to be filed on March 27, 2015. These documents can be obtained free of charge from the sources indicated above. Other information regarding the participants in the proxy solicitation and a description of their direct and indirect interests, by security holdings or otherwise, will be contained in the registration statements, prospectuses and proxy statement and other relevant materials to be filed with the SEC when they become available.

This communication shall not constitute an offer to sell or the solicitation of an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale

would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. No offer of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the Securities Act of 1933, as amended.

tm Trademark of The Dow Chemical Company or an affiliated company of Dow. "EBITDA" is defined as earnings (i.e., "Net Income") before interest, income taxes, depreciation and amortization.

Current Olin  
as of 12/31/14

3.0x

Pro forma at signing

2.5x

Pro forma at signing + \$200mm of run-rate synergies

Commentary

Olin has long track-record of prudent capital structure management

Management remains committed to conservative financial policy

Opportunity to de-lever from ~3.0x total debt / pro  
forma LTM EBITDA to ~2.5x by the end of year 2

Significant run-rate free cash flow conversion<sup>2</sup> in  
excess of 80% supporting de-levering and growth

Participate in co-producer ethylene economics

Reduced volatility and uncertainty of cash flow from  
diversified portfolio and long-term partnership and  
supply agreements with The Dow Chemical Company

Source: Olin management estimates

<sup>1</sup> Pro forma LTM EBITDA of ~\$1bn as of 12/31/2014

<sup>2</sup> Free cash flow conversion defined as EBITDA  
less capital expenditures / EBITDA

14

Summary of Dow Value Drivers

Dow exceeds its divestment target of \$7B-\$8.5B

Continued execution of ongoing strategic objectives to deliver increasing returns through a narrower, more targeted portfolio of market-aligned businesses

Enables Dow to maintain physical integration for all of our key downstream businesses

Immediately enhances shareholder value through high multiple in a tax efficient structure and ability to share in synergies and growth of newly merged company

Dow can accelerate share buyback, reduce debt, and shed a low-ROC business

Supplements Dow's already strong cash position, providing further financial flexibility for shareholder-accretive cash deployment and dividends

New owner is best owner based on integrated chlorine envelope

Ongoing Portfolio Management Drives  
Significant Shareholder Value Creation, Enhanced Financial Flexibility
