(e) Inapplicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

In accordance with the terms of that certain purchase agreement dated November 30, 2012 (as amended, the “**2012 Fly Purchase Agreement**”), among SAP, the Issuer and Onex Corporation and its affiliates (“**Onex**”), the Issuer, SAP and Onex (SAP and Onex collectively, the “**Holder**s”) entered into a Registration Rights Agreement dated December 28, 2012, pursuant to which the Issuer filed a shelf registration statement (File No. 333-187305) (the “**Registration Statement**”) under Rule 415 of the Securities Act of 1933, as amended, on March 15, 2013 for a public offering of certain ADSs held by SAP and Onex (the “**Registrable Shares**”). The Registration Statement was declared effective by the SEC on May 1, 2013. The Holders have the right to sell their Registrable Shares at any time or from time to time pursuant to the Registration Statement in any manner described under “Plan of Distribution” in the Registration Statement, including pursuant to an underwritten offering of no less than \$10 million of Registrable Shares. If the Issuer fails to maintain the effectiveness of the Registration Statement, each Holder has the right to demand registration of the Registrable Shares held by such Holder. The Registration Rights Agreement includes customary provisions relating to registration procedures, expenses and indemnification.

In accordance with the terms of the 2018 Fly Purchase Agreement, the Issuer, SAH and Onex entered into a Registration Rights Agreement dated July 13, 2018 (the “**2018 Registration Rights Agreement**”). SAH assigned its rights and obligations under the 2018 Registration Rights Agreement with respect to the ADSs acquired by Services, to Services. Pursuant to the 2018 Registration Rights Agreement, the Issuer will amend the Registration Statement to allow Services to sell the ADSs it purchased on July 13, 2018 at any time or from time to time pursuant to the Registration Statement in any manner described under “Plan of Distribution” in the Registration Statement, including pursuant to an underwritten offering of no less than \$10 million of such ADSs. If the Issuer fails to maintain the effectiveness of the Registration Statement, Services has the right to demand registration of its ADSs. The Registration Rights Agreement includes customary provisions relating to registration procedures, expenses and indemnification.

Pursuant to the terms of the 2012 Fly Purchase Agreement, SAP may not sell or otherwise dispose of the 1,438,212 ADSs acquired by SAP in 2010 and 2012 without the prior written consent of the Company, except for (i)

an aggregate amount of ADSs equal to 1,438,212 multiplied by the percentage of outstanding equity interests in BBAM that have been sold or otherwise transferred by Onex and its affiliates to third parties and (ii) transfers to affiliates of SAP. In October 2017, Onex and its affiliates sold 30% of their outstanding equity interests in BBAM to third parties. This lock-up agreement does not apply to the ADSs purchased by SAP in January 2016, or to the ADSs held by the Trust or Services.

Pursuant to the terms of the 2018 Fly Purchase Agreement, the 666,667 ADSs sold thereunder, including the 487,708 ADSs sold to Services, may not be sold or otherwise disposed of without the prior written consent of the Issuer during the 180-day period following July 13, 2018, except transfers to affiliates.

Except for the arrangements described above, to the knowledge of the Reporting Persons, there are no contracts, arrangements, understandings or relationships (legal or otherwise), including, but not limited to, transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies, between the persons enumerated in Item 2, and any other person, with respect to any securities of the Issuer, including any securities pledged or otherwise subject to a contingency the occurrence of which would give another person voting power or investment power over such securities other than standard default and similar provisions contained in loan agreements.
