## Edgar Filing: FIRST HORIZON NATIONAL CORP - Form 8-K

### ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On March 30, 2006, the registrant ( Company ) entered into a Retirement Agreement with Larry B. Martin, an executive officer of the Company named in its 2006 proxy statement. Among other things, the Agreement provides that:

- a) Mr. Martin has agreed to retire effective June 30, 2006.
- b) Mr. Martin has agreed to comply with certain non-competition, non-solicitation, and other covenants, and has given the Company a release.
- c) Mr. Martin is to be paid one year of salary in a \$482,000 lump sum.
- d) Mr. Martin is to receive a monthly non-qualified pension benefit in accordance with the terms of the Company's Pension Restoration Plan except that the Company has agreed to waive the requirement for working until age 65 to receive this benefit and the first six monthly payments under this plan will be delayed and paid in a lump sum six months after Mr. Martin's retirement date. The monthly benefit (in accordance with the terms of the Company's Pension Restoration Plan) is estimated to be approximately \$4,900. Mr. Martin will be age 58 at the time of his retirement.
- e) Approximately six months after retirement, Mr. Martin is to receive a one time lump sum payment of \$1,330,000, which is the approximate present value of adding five years to his actual service for the purpose of determining his nonqualified pension benefit. This payment will not have any effect on, and Mr. Martin will receive no additional service credit for, his qualified defined pension benefit.
- f) Mr. Martin's previously-granted unvested conventional and PARSAP restricted stock, which aggregates 30,236 shares, is to vest upon retirement.
- g) A percentage of each of Mr. Martin's currently outstanding LTIP awards is to be paid. The amount of each LTIP award is to be calculated using the same performance formula, and is to be paid at the same time, as if Mr. Martin had not retired. However, his LTIP awards are to be prorated based on full years worked by Mr. Martin during each applicable performance period. LTIP payouts are not guaranteed; payment will not be made if it is not warranted by Company results in accordance with the terms and conditions of the program. The Agreement does not alter benefits and rights under the Company's qualified pension plan, stock options, deferred compensation not mentioned above, or other plans or programs not mentioned above.
