PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS  
FRIDAY, SEPTEMBER 12, 2003

## Edgar Filing: NATHANS FAMOUS INC - Form DEF 14A

Our annual meeting of stockholders will be held on Friday, September 12, 2003 at the Conference Room on the Lower Level at 1400 Old Country Road, Westbury, New York at 10:00 a.m. Our Board of Directors is soliciting your proxy to vote your shares of common stock at the annual meeting. This proxy statement, which was prepared by our management for the Board, contains information about the matters to be considered at the meeting or any adjournments or postponements of the meeting and is first being sent to stockholders on or about July 28, 2003.

### ABOUT THE MEETING

What is being considered at the meeting?

You will be voting for the election of seven directors for a term of 1 year.

In addition, our management will report on our performance during fiscal 2003 and respond to your questions.

Who is entitled to vote at the meeting?

You may vote if you owned stock as of the close of business on July 17, 2003. Each share of stock is entitled to one vote.

How do I vote?

You can vote in two ways:

1. By attending the meeting; or
2. By completing, signing and returning the enclosed proxy card.

Can I change my mind after I vote?

Yes, you may change your mind at any time before the polls close at the meeting. You can do this by (1) signing another proxy with a later date and returning it to us prior to the meeting, or (2) voting again at the meeting.

What if I return my proxy card but do not include voting instructions?

Proxies that are signed and returned but do not include voting instructions will be voted FOR the election of the nominee directors.

What does it mean if I receive more than one proxy card?

It means that you have multiple accounts with brokers and/or our transfer agent. Please vote all of these shares. We recommend that you contact your broker and/or our transfer agent to consolidate as many accounts as possible under the same name and address. Our transfer agent is American Stock Transfer & Trust Company, 718-921-8000.

Will my shares be voted if I do not provide my proxy?

Yes, if they are held in a brokerage account. Your shares may be voted under certain circumstances if they are held in the name of the brokerage firm. Brokerage firms generally have the authority to vote customers unvoted shares, which are called "broker non-votes," on certain routine matters. Shares represented by broker non-votes will be counted as voted by the brokerage firm in the election of directors. When a brokerage firm votes its customer's unvoted shares, these shares are also counted for purposes of establishing a quorum.

## Edgar Filing: NATHANS FAMOUS INC - Form DEF 14A

If you hold your shares directly in your own name, they will not be voted if you do not provide a proxy.

How many votes must be present to hold the meeting?

Your shares are counted as present at the meeting if you attend the meeting and vote in person or if you properly return a proxy by mail. In order for us to conduct our meeting, a majority of our outstanding shares as of July 17, 2003, must be present at the meeting. This is referred to as a quorum. On July 17, 2003, we had 5,319,683 shares issued and outstanding, excluding treasury shares.

What vote is required to elect directors?

Directors are elected by a plurality of the votes cast. Abstentions will have no effect on the voting outcome with respect to the election of directors.

## EMPLOYMENT CONTRACTS

We entered into a new employment agreement with Howard M. Lorber, our Chairman and Chief Executive Officer, effective as of January 1, 2000. The agreement expires December 31, 2004. Pursuant to the agreement, Mr. Lorber receives a base salary of \$1 and an annual bonus equal to 5 percent of our consolidated pre-tax earnings for each fiscal year, with a minimum bonus of \$250,000. The agreement further provides for a three-year consulting period after the termination of employment during which Mr. Lorber will receive consulting payments in an annual amount equal to two-thirds of the average of the annual bonuses awarded to him during the three fiscal years preceding the fiscal year of termination of his employment. The employment agreement also provides for life insurance and for the continuation of certain benefits following death or disability. In connection with the agreement, we issued to Mr. Lorber 25,000 shares of common stock.

In the event that Mr. Lorber's officer's employment is terminated without cause, he is entitled to receive his salary and bonus for the remainder of the contract term. The employment agreement further provides that in the event there is a change in the control, as defined in the agreement, Mr. Lorber has the option, exercisable within one year after such event, to terminate his employment agreement. Upon such termination, he has the right to receive a lump sum cash payment equal to the greater of (A) his salary and annual bonuses for the remainder of the employment term (including a prorated bonus for any partial fiscal year), which bonus shall be equal to the average of the annual bonuses awarded to him during the three fiscal years

preceding the fiscal year of termination; or (B) 2.99 times his salary and annual bonus for the fiscal year immediately preceding the fiscal year of termination, as well as a lump sum cash payment equal to the difference between the exercise price of any exercisable options having an exercise price of less than the then current market price of our common stock and such then current market price. In addition, we will provide Mr. Lorber with a tax gross-up payment to cover any excise tax due.

In December 1992, we entered into an employment agreement with Wayne Norbitz, for a term expiring on December 31, 1996, providing for an annual base salary of \$275,000, as amended, and various benefits, including participation in our executive bonus program. The agreement also provides, among other things, that, if Mr. Norbitz is terminated without cause, we will pay Mr. Norbitz an amount equal to his then annual salary and benefits for a six-month period following delivery of the termination notice plus a severance benefit of one year's annual compensation. The agreement, as amended, provides that Mr. Norbitz shall have the right, exercisable for a six-month period, to terminate the agreement and receive an amount equal to three times his compensation during the most recent fiscal year, less \$100, in the event of a change in control of the company. The employment agreement was extended through December 31, 1997, on the original terms and automatically renews for successive one year periods unless 180 days prior written notice is delivered to Mr. Norbitz. No such non-extension notice has been delivered to date.

On September 30, 1999, Miami Subs entered into an employment agreement with Donald L. Perlyn, pursuant to the merger agreement, for a term expiring on September 30, 2003, providing for an annual base compensation of \$200,000 and certain other benefits, including participation in our executive bonus program. We guaranteed the obligations of Miami Subs under the agreement. The term of the agreement automatically extends for successive one year periods unless 180 days prior written notice is delivered by one party to the other. In the event that notice of non-renewal is delivered, Mr. Perlyn is entitled to be paid an amount equal to his base salary as then in effect. The agreement also provides, among other things, that if Mr. Perlyn is terminated without cause, we will pay Mr. Perlyn an amount equal to three times his base salary as in effect at the time of his termination. The agreement provides that Mr. Perlyn shall have the right, exercisable for a thirty-day period, to terminate the agreement and receive an amount equal to three times his base salary, together with a pro rata portion of his bonus, for the most recent fiscal year, in the event of a change in control of Miami Subs. No non-extension notice has been delivered to date.

#### OPTION GRANTS IN LAST FISCAL YEAR

No stock options were granted to the officers named in the Summary Compensation Table for the fiscal year ended March 30, 2003.

#### STOCK OPTION AND OTHER PLANS

##### 1992 Stock Option Plan.

In December 1992, in order to attract and retain persons necessary for our success, we adopted the 1992 Stock Option Plan, as amended, covering up to 525,000 shares of common stock, under which our officers, directors and key employees are eligible to receive incentive and/or non-qualified stock options. The 1992 Plan, which expired on December 2, 2002, provides that it will be administered by the Board of Directors or a committee designated by the Board of Directors which consists of "non-employee directors" as defined in the Securities Exchange Act of 1934. The Compensation Committee currently administers the 1992 Plan. The selection of participants, allotments of shares, determination of price and other conditions relating to options are determined

## Edgar Filing: NATHANS FAMOUS INC - Form DEF 14A

by the Board of Directors, or a committee thereof, in the Board's sole discretion. Incentive stock options granted under the 1992 Plan are exercisable for a period of up to ten years from the date of grant at an exercise price which is not less than the fair market value of the common stock on the date of the grant, except that the term of an incentive stock option granted under the 1992 Plan to a stockholder owning more than 10% of the outstanding common stock may not exceed five years and its exercise price may not be less than 110% of the fair market value of the common stock on the date of grant. At March 30, 2003, options for 418,000 shares, exercisable for a ten-year period, had been granted and were outstanding under the 1992 Plan.

8

Through July 11, 2003, 2,000 options granted under the 1992 Plan have been exercised, 176,166 options have been cancelled, all of which have been reissued, and 106,834 options have lapsed since the inception of the Plan.

Outside Director Plan.

We adopted the Nathan's Outside Director Stock Option Plan as of June 1, 1994 which covers up to 200,000 shares of common stock. The primary purposes of the Outside Director Plan are to attract and retain well-qualified persons for service as directors of Nathan's and to provide our outside directors with the opportunity to increase their proprietary interest in Nathan's, and thereby to increase their personal interest in our success and further align their interests with the interests of our stockholders through the grant of options to purchase shares of common stock. Through July 11, 2003, options to purchase up to 200,000 shares of common stock have been issued, options to purchase 150,000 shares are outstanding, options to purchase 50,000 shares have been cancelled and no options have lapsed under the Outside Director Plan. Since the Outside Director Plan is a formula plan which provided for grants only through June 1996, no additional shares are available for grant under the Outside Director Plan.

Under the Outside Director Plan, each Non-Employee director then serving received:

- on September 8, 1994, the date on which the Outside Director Plan was approved by stockholders, options to purchase 25,000 shares of common stock at a price of \$6.25 per share, which was the average of the mean between the last reported "bid" and "asked" prices of shares of common stock on the five trading days preceding June 1, 1994;
- on June 1, 1995 options to purchase 12,500 shares of common stock at a price of \$4.50 per share, which was the average of the mean between the last reported "bid" and "asked" prices of shares of common stock on the five trading days preceding June 1, 1995; and
- on June 1, 1996 options to purchase 12,500 shares of common stock at a price of \$3.40 per share, which was the average of the mean between the last reported "bid" and "asked" prices of the common stock on the five trading days immediately preceding June 1, 1996.

Options awarded to each Non-Employee director vest over a period of two years, subject to forfeiture under conditions specified in the option agreements, and are exercisable by the non-employee director upon vesting. Accordingly, all of the options currently outstanding under the Outside Director Plan are now fully vested.

The Board of Directors has the responsibility and authority to administer and interpret the provisions of the Outside Director Plan. The Board shall

## Edgar Filing: NATHANS FAMOUS INC - Form DEF 14A

appropriately adjust the number of shares for which awards may be granted under the Outside Director Plan in the event of reorganization, recapitalization, stock split, reverse stock split, stock dividend, exchange or combination of shares, merger, consolidation, rights offering, or any change in capitalization. The Board of Directors may at any time amend, rescind or terminate the Outside Director Plan, as it shall deem advisable; provided, however that:

- no change may be made in awards previously granted under the Outside Director Plan which would impair participants' rights without their consent; and
- no amendment to the Outside Director Plan shall be made without approval of Nathan's stockholders if the effect of the amendment would be to:
  - increase the number of shares reserved for issuance under the Outside Director Plan;
  - change the requirements for eligibility under the Outside Director Plan; or
  - materially modify the method of determining the number of options awarded under the Outside Director Plan.

### 1998 Stock Option Plan

In April 1998, our Board of Directors adopted the Nathan's Famous, Inc. 1998 Stock Option Plan, under which any of our directors, officers, employees or consultants, or those of a subsidiary or an affiliate, may be granted options to purchase an aggregate 500,000 shares of common stock. The 1998 Plan is to be administered by the Board of Directors of Nathan's; provided, however, that the Board may, in the exercise of its discretion, designate from among its members a compensation committee or a stock option committee consisting of no fewer than two "non-employee directors", as defined in the Securities Exchange Act of 1934. The Compensation Committee currently administers the 1998 Plan. Subject to the terms of the 1998 Plan, the Compensation Committee may determine and designate those directors, officers, employees and consultants who are to be granted stock options under the 1998 Plan and the number of shares to be subject to options and the term of the options to be granted, which term may not exceed ten years. The Board of Directors or the committee shall also, subject to the express provisions of the 1998 Plan, have authority to interpret the 1998 Plan and to prescribe, amend and rescind the rules and regulations relating to the 1998 Plan. Only non-qualified stock options may be granted under the terms of the 1998 Plan. The exercise price for the options granted under the 1998 Plan will be not less than the fair market value on the date of grant. The option price, as well as the number of shares subject to the option, shall be appropriately adjusted by the committee in the event of stock splits, stock dividends, recapitalizations, and other specified events involving a change in Nathan's capital.

On July 11, 2003, there were options outstanding to purchase an aggregate 500,000 shares of common stock with a weighted average exercise price of \$3.3597, each of which has a term of ten years from its grant date are issued and outstanding. No options have lapsed since the inception of the 1998 Plan.

### 2001 Stock Option Plan

In September 2001, our stockholders approved the 2001 Stock Option Plan under which our employees, officers, directors and consultants, and those of our subsidiaries and affiliates, may be granted options to purchase an aggregate of

## Edgar Filing: NATHANS FAMOUS INC - Form DEF 14A

350,000 shares of our common stock. The 2001 Plan may be administered by the Board of Directors or a compensation committee, consisting of two or more members of the Board of Directors who are Non-Employee directors, as defined under the Securities Exchange Act of 1934. Our Compensation Committee administers the 2001 Plan. Subject to the terms of the 2001 Plan, the Board of Directors or the Committee may determine and designate those employees and consultants who are to be granted stock options under the 2001 Plan, the number of shares to be subject to such options and the term of the options to be granted, which term may not exceed ten years. The Board of Directors or the Committee also, subject to the express provisions of the 2001 Plan, has the authority to interpret the 2001 Plan and to prescribe, amend and rescind the rules and regulations relating to the 2001 Plan. Only non-qualified stock options may be granted under the terms of the 2001 Plan. The exercise price for the options granted under the 2001 Plan will not be less than 85% nor greater than 110% of the fair market value of our common stock at the date of grant. The option price, as well as the number of shares subject to options granted or to be granted, shall be appropriately adjusted by the Committee in the event of stock splits, stock dividends, recapitalizations and certain other events involving a change in our capital. Through July 11, 2003, 276,500 options were granted which are exercisable at prices of \$3.20, \$3.81 and \$3.96 per share under the 2001 Plan and 73,500 options remain available for grant.

### 2002 Stock Incentive Plan

In September 2002, our stockholders approved the 2002 Stock Incentive Plan under which our employees, officers, directors and consultants, and those of our subsidiaries and affiliates, may be granted awards of non-qualified stock options or shares of restricted stock. The maximum number of shares of common stock which may be issued under the 2002 Plan is 300,000 shares, including up to 100,000 shares of restricted stock. The 2002 Plan may be administered by the Board of Directors or a compensation committee, consisting of two or more members of the Board of Directors who are Non-Employee directors, as defined under the Securities Exchange Act of 1934. Our Compensation Committee administers the 2002 Plan. Subject to the terms of the 2002 Plan, the Board of Directors or the Committee may determine and designate

10

those employees and consultants who are to be granted awards under the 2002 Plan, the number of shares to be subject to awards and, within the limits of the 2002 Plan, to set the terms of the awards. The Board of Directors or the Committee also, subject to the express provisions of the 2002 Plan, has the authority to interpret the 2002 Plan and to prescribe, amend and rescind the rules and regulations relating to the 2002 Plan.

Only non-qualified stock options may be granted under the terms of the 2002 Plan. The exercise price for the options granted under the 2002 Plan will not be less than the fair market value of our common stock at the date of grant. The term of any option may not exceed ten years. Through July 11, 2003, no options were granted under the 2002 Plan and 300,000 options remain available for grant.

Restricted stock is common stock that is not freely transferable to the participant until specified restrictions lapse or specified conditions are met. The 2003 Plan authorizes the issuance of up to a total of 100,000 shares of restricted stock. Restricted stock that is forfeited will not count against the limit on the maximum number of restricted shares. Restricted stock will be subject to such restrictions as the Committee may impose; provided, that the term of the restriction cannot be less than one year unless otherwise determined by the Committee. Unless otherwise provided by the Committee, upon termination of a participant's employment during the applicable restriction period for any reason other than death or disability, all shares of restricted stock still subject to restriction will be forfeited. Upon death or disability of a

## Edgar Filing: NATHANS FAMOUS INC - Form DEF 14A

participant, awards will provide that the restrictions still in effect will immediately lapse and the person entitled to receive such shares under law will take them free and clear of any restriction.

In the event of stock splits, stock dividends, recapitalizations and certain other events involving a change in our capital, the Committee shall, to the extent it deems appropriate, adjust the number of shares of stock issuable under the 2002 Plan, including those issued or to be issued under previously granted awards.

Upon a change of control, as defined in the 2002 Plan, at the option of the Committee, all awards become vested immediately and all restrictions will lapse.

Employees may contribute to the plan on a tax deferred basis up to 15% of their total annual salary, but in no event more than the maximum permitted by the Internal Revenue Code (\$12,000 in calendar 2003). Company contributions are discretionary. For the plan year ended December 31, 2002, we elected to make matching contributions at the rate of \$.25 per dollar contributed by each employee vesting at the cumulative rate of 20% per year of service starting one year after commencement of service and, accordingly, after six years of an employee's service with us, matching contributions are fully vested. ### COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION IN COMPENSATION DECISIONS

During fiscal 2003, our Compensation Committee consisted of Messrs. Eide, Leistner and Genson. None of the Compensation Committee members are employees of the Company or any of its subsidiaries.

Filings made by companies with the Securities and Exchange Commission sometimes "incorporate information by reference." This means the company is referring you to information that has been previously filed with the SEC and that this information should be considered as part of the filing you are reading. The Compensation Committee Report, Stock Performance Graph and Audit Committee Report in this proxy statement are not incorporated by reference into any other filings with the SEC.

### COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

#### POLICY

Nathan's cash compensation package for its executive officers consists of two components: (1) base salary; and (2) annual performance-based bonuses. Nathan's also provides stock option grants to its executive officers as a means to promote ownership in the company.

Nathan's Compensation Committee is composed of directors who are not employees of Nathan's. The Compensation Committee is responsible for the approval and administration of the base salary level and annual bonus compensation programs, as well as the grant of stock options to executive officers and other key employees. In determining executive compensation levels, the Compensation Committee considers salary and bonus levels which will attract and retain qualified executives when considered with the other components of Nathan's compensation structure and rewarding executive officers for continuous improvement in their respective areas which contribute to continual increases in shareholder value.

Nathan's philosophy for granting stock options is based on the principles of encouraging executive officers to remain with Nathan's and to encourage ownership in Nathan's. This provides executive officers with a long-term interest in Nathan's overall performance and gives them an incentive to manage with a view toward maximizing long-term shareholder value.

Nathan's used the services of GK Partners, a compensation consulting firm, in establishing the compensation of Howard M. Lorber, the Chairman of the Board.

#### BASE SALARY

The base compensation of each of Messrs. Lorber, Norbitz and Perlyn is established by contract. Messrs. Lorber and Norbitz annually assess the performance of all other executive officers and Nathan's financial results. Based on such assessment, Mr. Norbitz or Mr. Lorber may recommend salary increases. Any recommendations regarding officer compensation are subject to the terms of any existing employment agreements. Any salary increases are reviewed and subject to approval by the Compensation Committee.

In determining executive officer salaries, the Compensation Committee reviews recommendations from Messrs. Lorber and Norbitz, including management's performance evaluations and Nathan's financial condition.

For more information regarding the compensation and employment arrangements of Messrs. Lorber and Norbitz and other executive officers, see "Management - Employment Contracts".

#### ANNUAL BONUSES

Executive officers and other key employees are eligible to earn annual bonuses.

Management establishes performance goals for Nathan's growth and profitability. Based on these goals, management makes recommendations to the Compensation Committee as to the level of attainment of financial performance objectives necessary for bonus awards to be made to the executive officers. Management also evaluates whether each executive officer has met his specific objectives. These objectives are both quantitative in nature, such as sales and revenue goals and cost containment; and qualitative in nature, such as the development and retention of key personnel, assessment and development of quality products and services, and management effectiveness. The amount of the bonus paid to the executive for the prior fiscal year is also taken into consideration. If all of the company and individual goals are completely met, management generally recommends that the executive officer receive a bonus in an amount equal to or in excess of his prior year's bonus. To the extent either the company or the individual's goals are only partially met, management generally recommends that a lesser bonus be paid.

At the end of each year, the Compensation Committee reviews the extent to which the company has actually attained its performance goals. The Compensation Committee also reviews recommendations by management regarding the extent to which each executive officer has met his individual objectives, regardless of whether such objectives are quantitative. The Committee makes its determination regarding executive officer bonuses based on the recommendations of management, the earnings of the company and taking into consideration the amount of the executive's bonus for the prior year. Specific relative weights are not assigned to each factor.

#### STOCK OPTION GRANTS

Options to purchase common stock may be granted annually to executive officers and key employees under Nathan's various stock option plans. Grants are made at an option price of 100% of the market value on the date of grant. Nathan's philosophy in granting stock options is to increase executive officer ownership in Nathan's. Executive officers are incentivized to manage with a view toward maximizing long-term shareholder value. In determining the total number of options to be granted annually to all recipients, including executive officers, the Compensation Committee considers the number of options already held by the executive officer which are in or near-the-money and the performance of Nathan's during the immediately preceding year. The Compensation Committee determined not to grant options to executive officers during fiscal 2003.

#### COMPENSATION OF CHIEF EXECUTIVE OFFICER

Under the employment agreement between Nathan's and Howard M. Lorber, Chairman of the Board and Chief Executive Officer, Mr. Lorber receives a base salary of \$1 and an incentive bonus equal to five percent (5%) of the company's consolidated pre-tax earnings, but no less than \$250,000. In light of this employment agreement, the Compensation Committee was not required to make any decision regarding Mr. Lorber's cash compensation.
