CVRD Extends Expiration Date of Exchange Offer

Rio de Janeiro, November 24, 2003 Companhia Vale do Rio Doce (CVRD) announced today that its wholly-owned subsidiary, Vale Overseas Limited (Vale Overseas), has extended the expiration date of its offer to exchange up to US\$ 300 million aggregate principal amount of Vale Overseas registered 9.0% Guaranteed Notes due 2013 (the New Notes) for any and all of Vale Overseas outstanding unregistered 9.0% Guaranteed Notes due 2013 (the Old Notes).

The new expiration date for the exchange offer will be 5:00 p.m., US Eastern Standard Time (EST) on December 8, 2003, unless extended.

The exchange agent has informed CVRD that, as of 5:00 p.m. (EST) on November 21, 2003, approximately US\$ 126,915,000 in aggregate principal amount of its Old Notes had been tendered in the exchange offer. This amount represents approximately 42% of the outstanding Old Notes.

The New Notes are substantially identical to the Old Notes, except that the New Notes have been registered under the Securities Act of 1933, as amended, and will not bear any legend restricting their transfer. The purpose of the exchange offer is to allow holders that meet the conditions described in the prospectus to receive New Notes that may be resold in the United States without further registration under the Securities Act.

The terms of the exchange offer and other information relating to Vale Overseas and CVRD are set forth in a prospectus dated October 27, 2003. Copies of the prospectus and the related letter of transmittal may be obtained from the exchange agent JP Morgan Chase Bank, 4 New York Plaza, 15th Floor, New York, New York 10004, Attn: Institutional Trust Services, telephone (212) 623-5175, fax number (212) 623-6214. The prospectus is also available on CVRD's web site (www.cvrd.com.br).

This announcement is neither an offer to sell nor a solicitation of an offer to buy or exchange the New Notes or the Old Notes. The exchange offer is made solely by the prospectus.

This press release may contain statements that express management's expectations about future events or results rather than historical facts. These forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from those projected in forward-looking statements, and CVRD cannot give assurance that such statements will prove correct. These risks and uncertainties include factors: relating to the Brazilian economy and securities markets, which exhibit volatility and can be adversely affected by developments in other countries; relating to the iron ore business and its dependence on the global steel industry, which is cyclical in nature; and relating to the highly competitive industries in which CVRD operates. For additional information on factors that could cause CVRD's actual results to differ from expectations reflected in forward-looking statements, please see CVRD's reports filed with the Brazilian Comissão de Valores Mobiliários and the U.S. Securities and Exchange Commission.
